

## Salute to Summer Festival a Resounding Success

Summer kicked off in grand fashion Memorial Day weekend with the City's annual festival, rebranded this year as Salute to Summer!

The first-ever Hometown Heroes Event at City Hall was held on Thursday evening, where La Vista's new Blue Star Memorial was unveiled and dedicated. Dignitaries, veterans and families attended this event, which was designed to honor those who have served our nation in the military and those who have given the ultimate sacrifice for our freedom.

Thousands of people enjoyed the Community Cookout on Friday evening, sponsored by the La Vista Community Foundation, and the fireworks display, provided by Bellino Fireworks. Central Park was filled to the brim all weekend with people who took in the carnival and vendors.

This year's parade grand marshal was the family of U.S. Army Captain Joel E. Cahill who was killed in action in Iraq in 2005. Larry and Barbara Cahill, who are longtime La Vista residents, represented the family.

Leah Hoins, Executive Director of the La Vista Community Foundation, was named Friend of La Vista. Leah is a champion for the community and her excitement and enthusiasm are contagious to all she meets. Mayor Kindig presented a special award to Leah at the Mayor's Lunch prior to the parade.

The Salute to Summer Festival would not be possible without the generous contributions of the La Vista Community Foundation, Bellino Fireworks and La Vista Keno.

"The support of these organizations is absolutely essential to making the City's annual festival the success it has been year in and year out," said Mayor Douglas Kindig. "To these organizations, as well as our other partners, thank you so much for supporting the La Vista community."

In addition to the Salute to Summer Festival, a full slate of other fun activities has been offered in La Vista this summer and continues in August with a third movie and concert night, National Night Out activities and an Urban Scramble Adventure Race.

See the calendar on page 2 or visit the City's website, [www.cityoflavista.org/2015events](http://www.cityoflavista.org/2015events), for additional details.

### Youth Leadership Council now accepting applications

The La Vista Youth Leadership Council is an exciting new program designed to encourage middle and high school students to become active in the community by participating in local government.

Youth members on the Council will attend City Council meetings, and board and commission meetings where they will get to see the community decision-making process in action and offer a youth perspective on local government issues. They will also participate in community events, hopefully fostering a sense of civic participation and volunteerism.

In addition to interaction with Mayor Kindig and other (continued, page 7)

## A MINUTE WITH mayor kindig

I am very proud that La Vista is becoming a community that honors our veterans throughout the year! The men and women who have fought for our freedoms, many giving the ultimate sacrifice, deserve to have their service honored.

Several years ago the La Vista Community Foundation began hosting a Salute to Veterans event on Veteran's Day. This event has grown every year and features an evening of dinner and entertainment free of charge to veterans.

The City's annual festival is held on Memorial Day weekend each year and in an effort to commemorate the holiday and honor those who have given their lives in service to their country, it was given a new name this year—the Salute to Summer Festival.

As part of the Festival this year, we also unveiled and dedicated La Vista's Blue Star Memorial, which I hope will become a place for reflection and tribute. The Memorial is located in the southeast corner of the City Hall campus.

In another veteran-inspired effort, the Hometown Heroes Banner Program filled to capacity in its first year and will be expanded for next year. Banners are now displayed on 84th Street and will stay up until Labor Day. For more information about this program visit our website, [www.cityoflavista.org/hometownheroes](http://www.cityoflavista.org/hometownheroes).

To all of our veterans, thank you so much for your service and sacrifice!

There is information on the cover page of the newsletter about another new community program that I am very excited about. The City is creating a Youth Leadership Council and is currently taking applications.

Please take a look at the information and if you know a student leader, encourage them to apply!

– Mayor Douglas Kindig

# Progress Continues on Acquisition of Brentwood Crossing Property

Even though noticeable changes are not yet evident along 84th Street, the City continues to focus on the redevelopment of this corridor.

The City has authorized Midwest Right of Way to negotiate on the City's behalf with the landowner of Brentwood Crossing (the site of the former Walmart) regarding the acquisition of this property.

This is a time-consuming process involving multiple legal steps when a city proposes to acquire private property; however the City is working hard to get this accomplished.

Additionally, City officials continue to try to spur interest from potential developers regarding this property with the ultimate goal of seeing the ideas outlined in the Vision 84 plan become a reality.

We will continue to provide more details as progress is made on this very important project.

Prior 84th Street actions include:

- February 2012 - 84th Street Redevelopment Area is declared substandard and blighted and in need of redevelopment. An ordinance was also adopted creating the La Vista Community Development Agency, governed by the Mayor and City Council.
- July 2013 - Redevelopment Plan is approved for the 84th Street Redevelopment Area, including the first phase project, Brentwood Crossing.
- August 2013 - the Community Development Agency declares the necessity of acquiring the property.
- December 2013 - public hearing is held on the proposed acquisition of Brentwood Crossing and notices were published and mailed to the property owner and tenants.
- May 2014 - voters authorized an additional ½ cent local option sales tax to fund projects related to the redevelopment of 84th Street. The City has been collecting this tax since October 2014.

## Remembering Our Fallen Exhibit Coming to La Vista in September

The La Vista Public Library will host a special military exhibit this fall.

The Remembering Our Fallen exhibit will be at the Library September 9-17 in Room 138. The exhibit will be open Monday-Thursday, 8 a.m.-9 p.m.; Friday and Saturday 8 a.m.-5 p.m. and Sunday 1-15 p.m.

The exhibit was created in 2010 by Bill and Evronne Williams of Omaha after reading a story about a father whose pain and grief were even greater four years after son had died in Iraq, because he felt his son had been forgotten.

The exhibit includes photos of soldiers who have been killed in action in The War on Terror since September 11, 2001. The Williams have created exhibits for 22 states so far. The Nebraska version features photos of soldiers who called Nebraska home at the time of their death. The exhibit travels each week to a new location in Nebraska.

"It is our eternal hope to honor the memory

of those who have made the ultimate sacrifice, to provide comfort to friends and family of the fallen and to remind others of the tremendous cost paid by some," the Williams say on their website. "Its legacy will be that these men and women will never be forgotten and that their names will be remembered and spoken."

The costs to bring the exhibit to La Vista

are being sponsored by the La Vista Community Foundation.

An opening reception will be held on Tuesday, September 8, beginning at 6:30 p.m. at the Library. The event will include patriotic music, special speakers and a reading of each name represented in the exhibit.

# Summer Fun!

The City continues to host a number of fun summer events such as two concert/movie events, the Dinosaur Egg Hunt and many exciting programs at the library as part of the summer reading program.

Still to come this summer is a third concert/movie event August 14, National Night Out activities August 4 and the Urban Scramble Adventure Race August 8.

For more information on all our upcoming events, visit our website at [www.cityoflavista.org/2015events](http://www.cityoflavista.org/2015events).

## La Vista Mystery...

There was recently a dinosaur egg hunt in La Vista's Central "Jurassic" Park. And there were plenty of "eggs" to be found. How did they get there? Mysterious footprints were also left behind! Have the long believed-to-be-extinct creatures returned?

For many years the corner of 84th & Park View Blvd. has been "guarded" by a large green brontosaurus. He is a landmark reference point when giving directions, he has multiple visitors each year who "dress" him up for the holidays and he has been included in hundreds of photographs. Are there other members of his "family" roaming the parks and other areas of La Vista? Keep your eyes open...

## Used Tire Collection

The City will be hosting a used tire collection event the week of August 17-22. Used tires can be dropped off at the Public Works Facility located at 9900 Portal Road.

Drop-off times are August 17-21, 7:30 a.m.-3 p.m. and August 22, 8 a.m.-3 p.m.

This project is made possible by a grant received from the Sarpy/Cass Health Department for West Nile Virus Prevention. Used tires left outside collect water and become prime breeding sites for mosquitoes. The used tires are collected and then sent to a recycling company for shredding.

In addition to used tires, used motor oil, anti-freeze and any type of batteries will be accepted. The event is open to all residents and those living in the City's

Extra-Territorial Jurisdiction. Proof of residency will be required; photo ID or a utility bill.

For more information call the Public Works Department at 402-331-8927.

## Fall Leaf Collection

The City's annual fall leaf collection will take place Saturday, November 7, 8 a.m.-3 p.m. at the Public Works Facility, 9900 Portal Road. The service is available to residents and those living in the City's Extra-Territorial Jurisdiction.

In addition, a dumpster will be available for yard waste disposal Monday through Friday, October 13-November 6, 7 a.m. to 3 p.m. at the Public Works Facility.

Leaves and grass clippings will be accepted along with tree branches, which can be any length but no larger than 6 inches in

diameter. Used motor oil, anti-freeze and all batteries will also be accepted. Citizens must have proof of residency, either a valid driver's license or a copy of a utility bill.

For more information call 402-331-8927.

## Residential Sewer Drain Cleaning

When you have your home sewer line cleaned, notify the Public Works Department at 402-331-8927.

Material removed from your sewer line is forced into the main sewer line, which creates the possibility of it becoming stuck in the main and causing backup problems. When you notify Public Works, staff will check and service the main sewer for proper flow.

## Annual Halloween Tradition Scheduled for October 31

Halloween Safe Night is scheduled for Saturday, October 31, at the La Vista Community Center, 8116 Park View Boulevard.

**Because Halloween falls on a weekend this year, the event will take place earlier than usual, from 4 to 6 p.m.**

All children ages 12 and under, accompanied by a parent or guardian, are invited to attend this event which will feature Halloween surprises around every corner, including hayrack rides, trick-or-treating, a merry not scary spook tent and free hot dogs!

For more information about the event, visit our website, [www.cityoflavista.org/2015halloween](http://www.cityoflavista.org/2015halloween). Local businesses and organizations are invited to participate in the event by sponsoring a table and handing out candy to those in attendance.

For more information on sponsoring a table, contact Mitch Beaumont at City Hall, 402-593-6410, or via e-mail at [mbeaumont@cityoflavista.org](mailto:mbeaumont@cityoflavista.org).

## Alamo Drafthouse Cinema

### Community Development Department Project Update

Contractors and building companies are busy in various parts of La Vista completing a variety of projects, big and small.

Pictured is the Alamo Drafthouse Cinema under construction in Southport West across Westport Parkway from Cabela's. Alamo will be La Vista's first movie theater and will feature eight screens, a bar and restaurant, including food and drink service delivered directly to your seat.

**For a complete list of ongoing development projects, visit our website, [www.cityoflavista.org/constructionupdates](http://www.cityoflavista.org/constructionupdates).**

## **Created Equal Film Series, Exhibit**

This fall the library will host an exhibit and film series centered on the Emancipation Proclamation and the civil rights movement in America.

The Emancipation Legacies Exhibit will be at the library October 12-November 9. The exhibit examines the story of Emancipation from 1850 to 1964, focusing on how, due to the persistence of African Americans, abolitionists and politicians, the Civil War became an "abolition war". The exhibit also explores how the Emancipation Proclamation and the 13th, 14th and 15th amendments transformed our Constitution.

The Created Equal film series will feature four films geared to spur discussion about the struggle for civil rights in America. The dates and times are as follows:

- Sunday, October 4, 2 p.m. - "The Loving Story"
- Thursday, October 15, 6 p.m. - "Freedom Riders"
- Saturday, October 17, 2 p.m. - "Slavery by Another Name"
- Thursday, October 22, 6 p.m. - "The Abolitionists"

These events are a joint venture with the National Endowment for the Humanities, Bridging Cultures and the Gilder Lehrman Institute of American History. For more information on the exhibit and film series, visit our website, [www.cityoflavista.org/createdequal](http://www.cityoflavista.org/createdequal).

## **Homeschool Programs**

This year's home school Discover Series will include physical education and the Underground Railroad. Programs start in September and run through November. For more information, contact Jennifer.

This fall, the library will be offering a selection of fun, interactive, and educational programs for children and their families. Many of these amazing programs support early literacy, build fine motor skills, encourage creativity, and help develop a life-long love of reading. More information about these programs will be available in August. If you have any questions, contact Jodi Norton, 402-537-3900.

## **Library Catalog Page**

Search for and checkout books at [www.cityoflavista.org/librarycatalog](http://www.cityoflavista.org/librarycatalog). Practice your freedom of speech and add a book review from your library account. Pull up the material record and click on the "review" button. Make your voice heard!

## **Free Music**

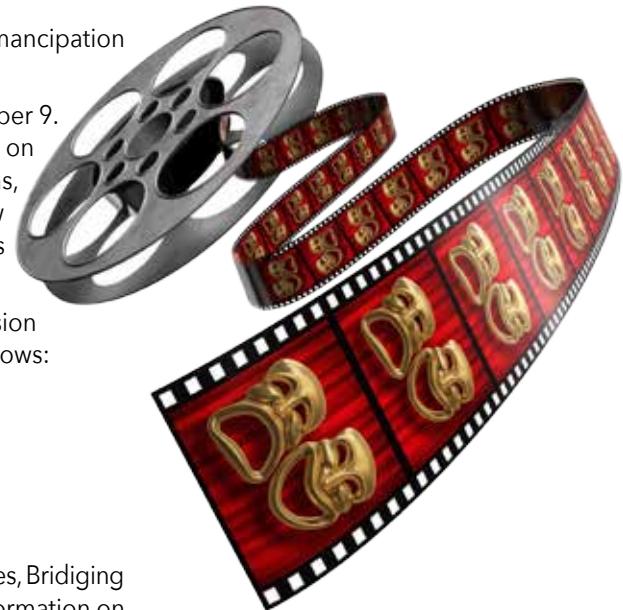

The library has Freegal Music which allows library users to download three songs per week and three hours of streaming per day! Visit the library website for more information.

## **Library Databases**

We have a host of databases available for you at [www.cityoflavista.org/databases](http://www.cityoflavista.org/databases). This month's feature is: A to Z Travel - USA or the World. If you are planning or interested in finding out more about a city, state or country, use A to Z Travel to see an in depth view including food and recipes (this category lists all the farmer's markets in the state!), history, maps, and weather. If you are interested in finding out more, this is a great starting point!

## **Technology Sessions**

Want to enhance your computer skills? Sessions are offered to provide basic skills in Computer Skills, Internet, Word and Scanning, Excel, digital cameras as well as job searching on the Internet. Other topics include Facebook, Twitter, Picasa, Flickr, ebooks, emagazines and emusic. Contact Jean to sign up for a session.

## 2nd Annual BioBlitz Event Scheduled for October 3

La Vista's second annual BioBlitz event, designed to encourage families to explore and experience nature up close and personal, is scheduled for 10 a.m.-3 p.m., Saturday, October 3, in Central Park, located a half-mile north of Giles Road near La Vista Junior High.

With Thompson Creek as the backdrop, the event will feature booths, demonstrations, and hands-on activities. The reconstruction of the Thompson Creek Channel from Edgewood to 72nd should be substantially complete by then.

Guided tours of the creek will also be given with explanations of the storm water management efforts incorporated into the reconstruction. An ongoing objective of the BioBlitz event is to inform residents of the need to better manage storm water runoff and encourage sustainable living through actions that each property owner can undertake.

For more information about the BioBlitz event, visit the City's website, [www.cityoflavista.org/bioblitz](http://www.cityoflavista.org/bioblitz).

## Community Participates in Taste of La Vista

The first-ever Taste of La Vista Event took place on Saturday, June 27, at the Central Park Tennis Courts.

More than 600 people attended the event, and participated in activities for Look Out La Vista, the City's Comprehensive Plan project, as well as sampling food and drink samplings from La Vista businesses.

Participants at the event visited visioning stations, the first of which provided an overview of the Comprehensive Plan process and La Vista's existing conditions.

The next station provided those in attendance with the opportunity to say what they love about La Vista and what they would change in the future.

Next, participants could decorate large building bricks with something they would like to see happen in the future.

The last visioning station was a photo booth where participants could express their future vision for La Vista by writing something on themselves or on a whiteboard. The photos are available on the City's website, [www.cityoflavista.org/photobooth](http://www.cityoflavista.org/photobooth).

Taste of La Vista also included pizza samplings from Godfather's, Mama's, Marco's, Pizza West and Valentino's as well as beer samplings from Lucky Bucket and Nebraska Brewing Company and root beer from A&W.

In addition to being a very fun summer evening, the visioning event provided crucial feedback for city staff and the Look Out La Vista consultants to include in the final plan document.

For more information on Look Out La Vista, turn to the special insert in this edition of the CityWise newsletter.

## Council Clips

*The following items are highlights of recent City Council action:*

LOOK OUT

# LA VISTA Update

## Building a Vision for La Vista

Look Out La Vista, the update to the City's comprehensive plan, continues to get great feedback from residents.

In April, the City of La Vista invited Peter Kageyama, author of *For the Love of Cities* and *Love Where You Live*, to speak to the community.

Residents, city employees, the business community, and students attended three sessions wherein Peter discussed how people love their cities throughout the United States and what paths we in La Vista can take to find the same emotional engagement.

He aimed his message not only at residents, but city staff and council

members, encouraging them to embrace new ideas, even the more unusual ones.

Examples of quirky community building helped reinforce this suggestion; like the Mice on Main from Greenville, South Carolina. In 2000, a student asked for funding to install nine bronze mouse sculptures along Main Street as part of a school project. Since then,

the mice have become part of Greenville's cultural identity, giving visitors and residents an emotional attachment to that place.

Peter encouraged La Vista to embrace the temporary and to "not let being perfect prevent us from being good." Using an anecdote about another city's inability to install a splash park, he expressed the importance of recognizing the impact of simple solutions.

Kids will have fun with water from any source, and for a small town in Connecticut, a garden hose filled in just fine when a larger, more permanent structure was not in the budget.

# LA VISTA Update

What do you love about La Vista?

What would you change about La Vista?

## **Building a Vision for La Vista continued**

Over the course of the Salute to Summer Festival, an estimated 400 to 500 people stopped by the Look Out La Vista booth. The project team received nearly 250 written comments on what they love about La Vista, and what they would change about La Vista.

Many people mentioned the love of La Vista's small town feel, the great parks, and the schools.

Redeveloping 84th street was the most popular change that residents saw in the future.

An additional visioning event was held in Central Park on Saturday, June 27. "Taste of La Vista" offered citizens sample food and drink from local vendors while helping to build

## a community vision for La Vista.

There were activities for children and adults, including a photo booth, designing your own vision building block, and mapping your opportunities. Trends of how

La Vista has grown recently, and how La Vista stacks up regionally were presented. Those in attendance responded to whether those trends should be encouraged or if we need to change the trajectory of the community.

All input received from stakeholder interviews in April, workshops with the renowned author and speaker Peter Kageyama, the online visioning survey, Salute to Summer Festival, and the Taste of La Vista will

be compiled into a consolidated Vision Document.

This will be available online later this summer and ultimately integrated into the final Comprehensive Plan.

A second set of workshops will be held this fall to discuss specific community opportunities and make choices about how to achieve the community vision. At these events, residents will learn about citywide plan modifications, and the trade-offs and benefits of specific choices.

A secondary online questionnaire will accompany these opportunities workshops, for those who cannot attend the meetings.
