111.17 SALE OF PERMISSIBLE FIREWORKS; PERMIT REQUIRED; APPLICATION; PERMIT FEE.

(A) Each year the City Council shall determine whether or not to allow fireworks stands to operate in the City. If the City Council determines that fireworks stands will be permitted, the Council shall, by resolution, establish the maximum number of permits to be issued.

(B) It shall be unlawful for any person to sell, hold for sale or offer for sale any permissible fireworks within the corporate limits of the city unless such person has first obtained a permit from the City Council to do so.

(C) Application for said permit shall be made in the following manner:

(1) Application shall be made on such form as shall be prescribed by the City Council and shall be filed with the City Clerk by noon on January 15 of the year for which the permit is sought. If January 15 falls on a weekend or a holiday when City offices are closed, the deadline will move to noon on the next business day. The City shall, by publication, give notice each November of the procedure and deadline for submitting a permit application.

(2) Only nonprofit organizations and associations using volunteer sales persons and which will use the net proceeds from the sale of fireworks for community betterment purposes within the city shall be eligible for a permit.

(3) If the applicant organization has held a permit in any of the three preceding years, it must file as part of the application a written statement of the income and expenses from the sale of its fireworks within the city for each of such years, together with a statement of its community betterment type expenditures made from the net proceeds from the sale of fireworks in each said year.

(4) The applicant shall state the nature of the community betterment purpose for which the net proceeds from the current year's sale of fireworks will be utilized if the permit be granted.

(5) The application organization must identify the proposed location for the retail fireworks stand in the permit application. A signed statement from the property owner granting the application organization permission to utilize the property must accompany the application.

(b) Applications shall be automatically disqualified if they are received after the application deadline of January 15; if they are incomplete based on the checklist that is included on the application form; or if the applicant organization is a prior-year permit holder that has displayed and/or sold or attempted to sell illegal fireworks or has otherwise violated the law regarding the operation of their fireworks stand.
