Pedestrian Overpass Painting Project Extended

The pedestrian overpass painting project at 72nd Street and James Avenue has been delayed due to unfavorable weather conditions and work on the project is expected to last through July 22.

Throughout this project, traffic on 72nd Street may be restricted to one lane in each direction, except during mornings and evenings on weekdays, when all lanes will be available for rush hour traffic.

On July 13-15, 72nd Street will be closed to all traffic from 9 p.m. to 6 a.m. from the north side of Park View Boulevard to the south side of Josephine Street. This schedule may have to be further adjusted if weather conditions continue to prevent painting in the overnight hours.
