provided, that the Bonds shall bear interest at the rates per annum as shall be
determined in a written designation (the "Designation") signed by the Mayor and/or
Clerk of the City (the "Authorized Officers") on behalf of the Mayor and Council of
the City and which may be agreed to by D.A. Davidson & Co. (the "Underwriter"),
which Designation may also determine or modify the principal amount for each
maturity of the Bonds, mandatory redemption provisions (if any), and pricing terms
as set forth in Section 8 below, all within the following limitations:

(a) the aggregate principal amount of the Bonds shall not exceed
$6,495,000

(b) the aggregate amount of original issue premium and original issue
discount (if any) may result in an aggregate net original issue discount (if any) not in
excess of one percent (1.00%) of the stated principal amount of the Bonds;

(c) the longest maturity of the Bonds may not be later than April 15, 2025;

(d) the Bonds shall bear interest at such rates per annum so that debt
service payable on the Bonds provides at least a net present value savings to the
City over the debt service payable on the Refunded Bonds;

(e) two or more of the principal maturities may be combined and issued as
"term bonds" and the Authorized Officer may determine the mandatory sinking fund
payments and mandatory redemption amounts. Any Bonds issued as "term bonds"
shall be redeemed at a redemption price equal to 100% of the principal amount
thereof plus accrued interest thereon to the date of redemption and may be selected
for redemption by any random method of selection determined appropriate by the
Registrar (as hereinafter designated) or by the Depository (as hereinafter
designated).

The Authorized Officers (or any one of them) are hereby authorized to make
such determinations on behalf of the Mayor and Council of the City and to evidence
the same by execution and delivery of the Designation and such determinations,
when made and agreed to by the Underwriter, shall constitute the action of the
Mayor and Council without further action of the Mayor and Council of the City.

The Bonds shall be issued in fully registered form in the denomination of
$5,000 or any integral multiple thereof. The Bonds shall bear as the date of
original issue the date of delivery thereof. Interest on the Bonds, at the respective
rates for each maturity, shall be payable semiannually on June 15 and December
15 of each year, commencing December 15, 2011 (or such other dates as may be
determined in the Designation, each of said dates an "Interest Payment Date") and
the Bonds shall bear such interest from the date of original issue or the most
recent Interest Payment Date, whichever is later. The interest due on each
Interest Payment Date shall be payable to the registered owners of record as of
the close of business on the fifteenth day immediately preceding the Interest
Payment Date (the "Record Date"), subject to the provisions of Section 5 hereof.
The Bonds shall be numbered from 1 upwards in the order of their issuance. No
Bond shall be issued originally or upon transfer or partial redemption having more
than one principal maturity. The initial bond numbering and principal amounts for
each of the Bonds issued shall be designated by the City’s Treasurer as directed
by the initial purchaser thereof. Payments of interest due on the Bonds prior to
maturity or date of redemption shall be made by the Paying Agent and Registrar,
as designated pursuant to Section 4 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner’s registered address as shown on the books of registration as required to be maintained in Section 4 hereof. Payments of principal and accrued interest thereon due at maturity or at any date fixed for redemption prior to maturity shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. This Ordinance is hereby determined to be a measure necessary to carry out the City’s contractual obligations relating to the issuance of bonds of the City and shall take effect as provided by law. This Ordinance shall be published in pamphlet form.

PASSED AND APPROVED THIS 7TH DAY OF JUNE, 2011.
