   A. Public Hearing regarding Lakeview South II Replat 5

      i. Staff Report: Solberg explained the request is to consolidate Lot 4, Lakeview South II, and Lot 4, Lakeview South Replat 3, into a single lot for development. Staff recommends approval of the replat.

Mark Westergard, E & A Consulting, representing the owner explained that Bobcat of Omaha on Highway 50 is looking to expand their parking area, have an area to display some of their machinery, and also to have an area where they can have a demonstration area, they call it a “play in the dirt” area, where they
demonstrate some of their equipment. They are a growing company and in order to expand they need to combine two lots. What is before the Planning Commission is three items, a preliminary plat, final plat, and an amendment to their conditional use permit. They have addressed all the items that were a concern to staff.

Krzywicki asked if the entire area around the current building unpaved.

Mr. Westergard explained it is paved.

Krzywicki asked if the additional area for the demonstrations will be paved.

Mr. Westergard explained the parking area and the display area will be paved but the area for demonstration for using the equipment would not be.

Krzywicki asked if there was any concern by the city about dust or other impacts to the area.

Solberg explained staff’s main concern about the demonstration area was regarding run off.

Kottmann explained the post construction storm water management plan would include dust provisions. Kottmann included a comment in his review that water should be available if it needs to be applied during a dusty time.

C. Public Hearing regarding Conditional Use Permit – Indoor Recreation Facility, Lot 4, I-80 Industrial Park, Sarpy County, Nebraska

i. Staff Report: Solberg explained Millard Athletic Association is requesting to use a bay within an existing industrial building as an indoor training facility for baseball, football and softball practice. The bay is approximately 40,000 square feet in size. Staff recommends approval.

Nick Dafney, Abrahams, Kaslow & Cassman, representing the applicant as an attorney and as vice-chairman of the Board. Also present was Mitch Campbell who is chairman of the Board for the Millard Athletic Association. The application is for a conditional use permit for an indoor recreation facility to train Millard Athletic Association’s youth athletes in the areas of softball, baseball and football.

Malmquist asked if this is a new venture.

Mr. Dafney stated yes, the organization is over 70 years old and has been moving toward some projects they wanted to pursue. They wanted to do an indoor facility for some time but it has been hard to find a building without the extensive columns and low ceilings. So when this space opened up and the opportunity presented itself, the association was excited and starting looking at pricing artificial turf and netting.

Malmquist asked if the youth that would participate would be members of the Millard Athletic Association teams.

Mr. Dafney stated yes, that is their goal. They have engaged some coaches and the intention is to focus on their athletes.
Malmquist asked if they have looked at the conditions on the conditional use permit and are able to comply with them.

Mr. Dafney stated yes, the conditions fall in line with their intended use of the facility and the volume of activities.
