bond insurance policy, and (xi) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be date of original delivery.

Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on September 1 and March 1 of each year beginning March 1, 2019 (or such other dates as may be determined in the Designation, each an "Interest Payment Date"), and the Bonds shall bear interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. First National Bank of Omaha is hereby designated to serve as Paying Agent and Registrar for the Bonds, provided that the City reserves the right to designate a

different bank or trust company to serve in such capacity and upon such agreed terms as may be determined in the Designation by one or more Authorized Officers or at any time by the Mayor at the Mayor's discretion. If a different bank or trust company is designated, such bank or trust company shall serve as Paying Agent and Registrar in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar, the form of which is hereby approved. The Mayor and City Clerk are hereby authorized to execute said agreement on behalf of the City in the form as an Authorized Officer shall deem appropriate on behalf of the City. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its office. The names and registered addresses of registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of said Paying Agent and Registrar by surrender of such bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar on behalf of the City will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this ordinance, one such bond may be transferred for several such bonds of the same interest rate and maturity, and for a like aggregate principal amount, and several such bonds may be transferred for one or several such bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to

No. 728—REDFIELD & COMPANY INC., OMAHA

the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of original issue thereof at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date as may be determined in the Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 6. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in La Vista, Nebraska, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 7. The Bonds shall be in substantially the following form:

Section 8. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City. The Bonds shall be issued initially as "book-entry-only" bonds using the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the "Letter of Representations") in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds.

The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Series 2018 Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. After being executed by the Mayor and City Clerk, said Bonds shall be delivered to the Treasurer of the City who shall be responsible therefor under his/her official bond and such Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Neb, 2012, as amended, and shall cause the same to be filed with the Auditor of Public Accounts of the State of Nebraska. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser thereof, upon receipt of the purchase price thereof plus accrued interest

thereon to date of payment of the Bonds. Such initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Bond Purchase Agreement (the "Purchase Agreement") to be entered into between the City and the Underwriter with respect to the purchase of the Bonds from the City, in such form as the Authorized Officer executing the Purchase Agreement shall in the exercise of his or her own independent judgment and absolute discretion determine to be necessary, proper, appropriate, advisable, or desirable in order to effectuate the issuance, sale, and delivery of the Bonds, be and the same is hereby in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 9. The City Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and City Council precedent to the issuance of said Bonds, a copy of which shall be delivered to the Underwriter.

Section 10. The proceeds of the Bonds shall be applied to the costs of the Project as described in Section 1 hereof, including payment of any related warrant indebtedness and issuance expenses for the Bonds. Pending such application, the City Treasurer shall hold such proceeds.

Section 11. The City agrees that it shall cause to be levied and collected annually a levy of taxes on all the taxable property in the City for the purpose of paying and sufficient to pay the interest and principal of the Bonds when and as such principal and interest become due (including as principal falling due any amounts for mandatory redemption of term bonds as may be set forth in the Designation). The City reserves the right to provide for payments of principal and interest on the Bonds in any fiscal year from other available funds, including but not limited to general sales tax receipts of the City and/or revenues from the District, as appropriated and applied, and thereby satisfy its obligation to levy taxes on property as provided in this Section 11. Secondly, the City hereby pledges a portion of the additional ½ cent sales and use tax imposed pursuant to Ordinance No. 1216 (the "Tax") to the payment of the principal of and interest on the Bonds; provided, however, that such pledge shall be junior to the pledge provided with respect to the City's Tax Supported Improvement Bonds, Series 2017, (the "Sales Tax Bonds"), any additional bonds payable on par with the Sales Tax Bonds equally and ratably secured by a

No. 728—REDFIELD & COMPANY INC., OMAHA

pledge of receipts from the Tax, and any other similar bonds issued by the City with the pledge of the Tax as the primary security for payment. The junior lien pledge of the Tax provided for in this Section 11 for the Bonds shall not prevent the City from otherwise applying receipts from the Tax in any year for any other lawful purpose. In addition, the City further reserves the right to issue additional bonds payable on par with the Bonds equally and ratably secured by a junior pledge of receipts from the Tax.

Section 12. The Mayor and City Council hereby authorize the Authorized Officers, or each individually, to approve and deem final, within the meaning of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, a Preliminary Official Statement with respect to the Bonds and the information therein contained and to approve and deliver a final Official Statement for and on behalf of the City. The Authorized Officers, or any one or more of them, are hereby further authorized to take any and all actions and enter into any and all agreements and execute any documents deemed necessary or appropriate in connection with the issuance and sale of the Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 13. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "Continuing Disclosure Undertaking") in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this resolution, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 14. The City hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended (the "Code"), and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The City hereby covenants and agrees to take all

actions necessary under the Code to maintain the tax exempt status (as to taxpayers generally) of interest payable on the Bonds. The City hereby authorizes the Authorized Officers, or any one or more of them, as, if and to the extent appropriate, to designate the Bonds as its "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenant and warrant on behalf of the City that the City does not reasonably expect to issue tax-exempt bonds or other tax-exempt interest bearing obligations aggregating in principal amount more than \$10,000,000 during the calendar year in which the Bonds are issued (taking into consideration the exception for current refunding issues). The City agrees to take all further actions, if any, necessary and appropriate to qualify the Bonds herein authorized as such "qualified tax-exempt obligations" as and to the extent permitted by law.

Section 15. The Authorized Officers are authorized to enter into an insurance policy (the "Bond Insurance Policy") issued by the Bond Insurer guaranteeing the scheduled payment of the principal of and interest on the Insured Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the following provisions shall be applicable to any bonds designated as Insured Bonds:

- (a) The Bond Insurer is a third party beneficiary to this Ordinance.
- (b) No modification, amendment or supplement to this Ordinance shall become effective except upon obtaining the prior written consent of the Bond Insurer.
- (c) The City shall send copies of any modification or amendment to this Ordinance to Moody's Investors Service at least 10 days prior to the effective date thereof.
- (d) The rights granted to the Bond Insurer under this Ordinance to request, consent to or direct any action are rights granted to the Bonds Insurer in consideration of its issuance of the Bond Insurance Policy. Any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Bondholders nor does such action evidence any position of the Bond Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Bond Insurer.
- (e) Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of this Ordinance and shall remain outstanding and continue to be due and owing until paid by the City in accordance with this Ordinance.
- (f) Claims upon the Bond Insurance Policy and payments by and to the Bond Insurer shall be made in accordance with the following provisions:

If, on the third business day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under this Ordinance, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Paying Agent shall give notice to the Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such business day. If, on the second business day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Bond Insurer and the Insurer's Fiscal Agent (if any) by telephone of

the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Insured Bonds and the amount required to pay principal of the Insured Bonds, confirmed in writing to the Bond Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second business day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Insured Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Insured Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Insured Bond or the subrogation rights of the Bond Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Insured Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Bondholders in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the City agrees to pay to the Bond Insurer (i) a sum equal to the total of all amounts paid by the Bond Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Bond Insurer until payment thereof in full, payable to the Bond Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (A) the greater of (1i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (2) the then applicable highest rate of interest on the Insured Bonds and (B) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The City hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from such Revenues on a parity with debt service due on the Insured Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Insured Bond payment date shall promptly be remitted to the Bond Insurer.

(g) The Bond Insurer shall, to the extent it makes any payment of principal or interest on the Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy.

(h) The City shall pay or reimburse the Bond Insurer any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in this Ordinance;

The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this Ordinance.

(i) The Bond Insurer shall be entitled to pay principal or interest on the Insured Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the City (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Insured Bonds as a result of acceleration of the maturity thereof in accordance with this Ordinance, whether or not the Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

(j) The notice address of the Bond Insurer is: Assured Guaranty Municipal Corp, 31 West 52<sup>nd</sup> Street, New York, New York, 10019, Attention: Managing Director – Surveillance, Re: Policy No. 214971-N, Telephone: (212) 974-0100, Telecopier (212) 581-3268. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(k) The Bond Insurer shall be provided with the following information:

(i) Annual audited financial statements within 150 days after the end of the City's fiscal year (together with a certification of the City that it is not aware of any default or Event of Default under this Ordinance), and the City's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(vi) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Insured Bonds;

(vii) A full original transcript of all proceedings relating to the execution of any amendment or supplement to this Ordinance; and

(viii) All reports, notices and correspondence to be delivered to Bondholders under the terms of this Ordinance.

(l) To accomplish defeasance of the Insured Bonds, the City shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Bond Insurer (the "Accountant") verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the maturity or redemption date (the "Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Insured Bonds are no longer "Outstanding" under the Ordinance and (iv) if there is a Paying Agent for the Insured Bonds a certificate of discharge of the Paying Agent with respect to the Insured Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the City, the Paying Agent and the Bond

(m) The maturity of the Insured Bonds shall not be accelerated without the consent of the Bond Insurer and in the event the maturity of the Insured Bonds is accelerated, the Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the City) and the Paying Agent shall accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Bond Insurer's obligations under the Bond Insurance Policy with respect to such Insured Bonds shall be fully discharged.

(n) The prior written approval of the Bond Insurer is required if the City exercises any provision of this Ordinance permitting the purchase of Insured Bonds in lieu of redemption if any Insured Bond so purchased is not cancelled upon purchase.

(o) The City shall provide the Bond Insurer with such additional information as the Bond Insurer may reasonably request.

(p) The City will permit the Bond Insurer to discuss the affairs, finances and accounts of the City or any information or any information the Bond Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Bond Insurer and will use commercially reasonable efforts to enable the Bond Insurer to have access to the facilities, books and records of the City on any business day upon reasonable prior notice.

(q) Notwithstanding satisfaction of the other conditions to the issuance of Parity Bonds set forth herein, no Parity Bonds shall be issued if an event of default (or any event which, once all notice or grace period have passed, would constitute an event of default) exists unless such default shall be cured upon such issuance.

(r) The Bond Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the owners of the Insured Bonds are entitled to take in the event of a default. In furtherance thereof and as a term of the Ordinance and each Insured Bond, the Registrar and each Owner appoint the Bond Insurer as their agent and attorney-in-fact and agree that the Bond Insurer may at any time during the continuation of any proceeding by or against the Issuer under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding") direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Registrar and each Owner delegate and assign to the Insurer, to the fullest extent permitted by law, the rights of the Registrar and each Owner in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding.
