We need you!
Help us tailor the future of our programs, activities & services

Arriving in mailboxes in August will be a Community Interest & Opinion Survey designed to assess residents’ needs, interests and preferences for all types of programming and events offered by the City.

The survey will be sent to a random sampling of residents. Survey questions will include topic areas related to youth and adult sports programs, educational and self-improvement classes, literacy programs, reading and other library activities, opportunities for senior citizens, community special events and cultural offerings.

The survey will be an opportunity for residents to say what activities and programs they would like to see the City offer, as well as what they think about existing programs and events.

Administered by ETC Institute of Olathe, Kansas, the Community Interest & Opinion Survey will be a valuable tool in helping the City prioritize improvements to programming and facilities.

“We want to be sure we are offering the programs and activities that La Vista residents want and desire,” said Mayor Douglas Kindig. “One of our top strategic goals is to provide programs, places and events where our community can come together and learn, have fun and celebrate. This survey will help us make sound, future decisions in these areas. The information gleaned from the survey will benefit the entire community for years to come.”

Residents who do not receive a survey will have other opportunities to offer their feedback. Watch the City’s website and social media channels for more information.

Mayor’s Youth Leadership Council Recruiting New Members

The City of La Vista is now accepting applications for the Mayor’s Youth Leadership Council’s 2018 – 2019 session. The council is comprised of La Vista teens who advocate on behalf of the community’s youth, volunteer their time to civic causes, and develop valuable leadership skills.

A major initiative the group worked on this past year was development of the Corridor 84 Streetscape Plan. In addition, the Council sponsored a food drive to support food-insecure peers in local schools; assisted the La Vista Police Department with the annual “Shop with a Cop” event; and volunteered their time at numerous city-sponsored events.

With the many exciting things currently underway in the City, there will be great opportunities for our young residents to learn about the community and share their skills and perspectives to the betterment of La Vista.

The youth council typically meets monthly in the evening hours.

Interested La Vista residents ages 13-18 are encouraged to apply on the City’s website at CityofLaVista.org/YouthCouncil.
A MINUTE WITH Mayor Kindig

One of the key initiatives in the City’s strategic plan is Quality of Life & Community Identity: “The City will provide programs, gathering places and events where the community can come together to participate in opportunities of learning, recreation and celebration in a well-maintained and safe environment”.

On the cover of this newsletter is information about a new survey that will soon be distributed to residents. The survey is intended to gather feedback on all types of programming, activities and special events that contribute to the City’s quality of life.

For decades, children have learned to read and play sports through our programs, seniors have had a place to gather and receive nutritious and affordable meals, and residents of all ages have come together to enjoy community events.

We understand that there are many options competing for your time, so, as we look to the future, we want to make sure that we are providing the types of programs, activities and events that you and/or your family are interested in. We also want to effectively target improvements to our current offerings, and ensure that our facilities meet the needs of our residents.

Based on feedback received during this process, we will be able to create an actionable plan to address current and future needs.

If you are randomly chosen to participate, I hope that you will help us out by taking a few minutes to complete and return the survey. If you do not receive a survey, we still want to hear from you. Watch the City’s website and social media channels for other opportunities to make your voice heard. Thank you in advance for your assistance!

– Mayor Douglas Kindig

Summer kicked off in grand fashion Memorial Day weekend with the City’s annual celebration, the Salute to Summer Festival.

The Third Annual Hometown Heroes Event was held on Thursday evening at City Hall. Veterans, families and other dignitaries attended this event, which honored those who served in the military, including those service members who paid the ultimate sacrifice for our freedom.

Rotella’s Italian Bakery was honored as the Parade Grand Marshal and Pastor Roger Criser was named as the Friend of La Vista. This year’s Military Family of the Year was the William Bray Family. Bill Bray served in the U.S. Navy and was stationed on the USS Coral Sea in the South China Sea during the Vietnam War. Bill and his wife Connie have been La Vista residents for nearly 50 years.

The Salute to Summer Festival would not be possible without the generous contributions of the La Vista Community Foundation, Bellino Fireworks, Wal-Mart Neighborhood Market and La Vista Keno.
Instead of going door-to-door with your children this Halloween, why not get all of your trick-or-treating done in one place? La Vista’s Halloween Safe Night is scheduled for 5:30-7 p.m., Wednesday, October 31, at the Community Center, 8116 Park View Boulevard.

All children ages 12 and under, accompanied by a parent or guardian, are invited to attend this popular annual event. There will be trick-or-treating in the gym, as well as free hot dogs and hayrack rides outside!

Local businesses and organizations are also invited to participate in the event by sponsoring a table and handing out candy to those in attendance.

To sponsor a table, contact David Karlson at the Community Center, 402-331-3455, or via e-mail at dkarlson@cityoflavista.org.

Halloween Safe Night Set for Oct. 31

The City has hosted two concert-movie events so far this summer with a third planned for August 17.

For more information about Halloween Safe Night visit our website CityofLaVista.org/2018halloween

The annual Splash Bash event was held in late June this year.

It Has Been a Summer Full of Fun in La Vista!

The City continues to host a number of fun summer events such as concert/movie events, the Dinosaur Egg Hunt, hydrant party, and many exciting programs at the library as part of the summer reading program.

Still to come this summer is the third concert/movie event on August 17. For more information on all our upcoming events, visit our website at CityofLaVista.org/2018Events.

Halloween Safety Tips

A reminder from the La Vista Police Department of how to stay safe this Halloween:

- Never trick-or-treat alone
- Tell your parents where you are going, who you will be with and when you will return.
- Wear a costume out of which you can see clearly.
- Don’t eat unwrapped candy. Have your parents check the candy before eating.
- Trick-or-treat in familiar neighborhoods.
- If a house doesn’t have a porch light on, pass on by
- Don’t go inside people’s houses when trick-or-treating
- Take a flashlight with you
- Watch for moving cars; the driver may not see you.
- Say “THANK YOU”
- HAVE FUN!!!!

A reminder from the La Vista Police Department of how to stay safe this Halloween:
The first-ever La Vista Fall Festival is scheduled for Saturday, October 13, beginning at 7 p.m. on the City Hall Campus (8116 Park View Blvd.).

This free event will feature a concert from the band “Eckophonic” and an outdoor movie, which will immediately follow the concert.

Eckophonic was scheduled to perform in July at a concert/movie event, which had to be cancelled due to weather concerns.

The Fall Festival will also feature games and other fun for the entire family.

For more information, visit our website, CityofLaVista.org/2018events.

Remember Dino, the green dinosaur who had a longtime home at 84th and Park View at the Sinclair gas station? He was removed this spring, and after an outpouring of support from the community for Dino, Sinclair Corporation donated a brand new dinosaur to the City of La Vista! Dino made his debut at the Salute to Summer Festival parade in May and also made appearances at the Dinosaur Egg Hunt in June and Taste of La Vista in July.

Dino’s permanent home is still being decided, but it will be in a prominent place for all to see him.

 Contractors and building companies are busy in various parts of La Vista completing a variety of projects, big and small.

Vox Books have arrived

The latest in children’s books has arrived at the La Vista Public Library! Come try out the new Vox™ Books, the world’s first audio books that live in print books!

The library used to have kits for books and cassette tapes to follow the story. That was followed by kits made with books and CDs.

With the Vox Books, kits are no longer needed because the book is equipped with a small device that does the work of those old cassettes and CDs.

The permanently attached VOX™ Reader transforms an ordinary print book into an all-in-one read-along. There’s no need for computers, tablets or CDs. Children simply push a button to listen and read.

There are plenty to choose from, so be sure to visit the Library and check one out.

Summer Reading: A Rockin’ Success!

The Library was a hub of activity during the summer reading program! Staff hosted many events in June and July, including Messy Canvas Drum Painting (top), Harry Potter Canvas Art (left) and several events with the new Think, Make, Create trailer (above).

Meet Cedate Shultz - New Evening/Weekend Supervisor

The La Vista Public Library has a new evening/weekend supervisor, Cedate Shultz.

Cedate comes to La Vista from Portland, Oregon, and she has a Master of Library and Information Science from San Jose State University and a Master of Education from Concordia University in Portland.

“Some of my favorite authors include Chris Bohjalian, Pamela Clare, Piper Davenport, Stephen King, V.E. (Victoria) Schwab, and Pierce Brown,” she says. “The best thing about Nebraska so far has been the incredibly amazing people I have met. I am proud to call this my new home and honored to be able to serve the residents of La Vista.”

When you get the chance to meet Cedate, please welcome her to our community!

Public Works Expo Draws Record Crowds
The Public Works Department recently hosted its 4th Annual Expo. Residents were able to interact with staff to learn about the jobs they perform on a daily basis. Most of the equipment used by Public Works on a daily basis was on display, and kids were able to explore all of the equipment, including interactive stations where attendees could operate an asphalt roller and excavator.

Fall Leaf Collection Will Be November 10
La Vista’s annual Fall Leaf Collection Day will take place Saturday, November 10, 8 a.m.–3 p.m. at the La Vista Public Works Facility, 9900 Portal Road. The service is available to residents and those living in the City’s extra-territorial zoning jurisdiction.

In addition, a self-serve dumpster will be available for leaf and yard waste disposal Monday through Friday, October 15- November 9, 7:30 a.m.–3 p.m., at the Public Works Facility.

Used Tire Collection Scheduled for August 20-25
The City’s annual used tire collection will be August 20-25. Used tires can be dropped off at the Public Works Facility, 9900 Portal Road.

Drop-off times are August 20-24, 7:30 a.m.–3 p.m., and August 25, 8 a.m.–3 p.m.

This project is made possible by a grant received from the Sarpy/Cass Department of Health & Wellness for West Nile Virus Prevention. Used tires left outside collect water and become prime breeding sites for mosquitoes. The used tires are collected, and then sent to a recycling company for shredding.

In addition, used tires, used motor oil, anti-freeze, and any type of batteries will be accepted. The event is open to all residents and those living in the City’s Extra-Territorial Zoning Jurisdiction. Proof of residency will be required: photo ID or a utility bill.

For more information contact the La Vista Public Works Department at 402-331-8927.
Arbor Day Celebration

The annual Arbor Day celebration was held this spring at City Hall and the Community Center. This event included a story time with Marcia Gustafson, a City Hall employee who donated this year’s tree in honor of her deceased husband Steve. Marcia is pictured, above left, helping plant the tree. Also pictured are some children who were in attendance.
