BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA:

Section 1. The Planned Unit Development plan for Woodhouse Place (the "Woodhouse PUD") is hereby adopted for the following described real estate, to wit:

See Exhibit "A" attached hereto and made a part hereof.

Section 2. The Woodhouse PUD is hereby adopted to provide for the development of planned automotive dealerships that will service not only the City, but also the surrounding market area. All grading, installation of infrastructure, development and build out shall be in strict accordance with the provisions of this Ordinance, except as shall be amended by the City Council in the required manner. The underlying commercial zoning district regulations shall continue to be applicable, except as provided for in this Ordinance and the attached exhibits.

A copy of the Woodhouse Place Design Guidelines is attached to this Woodhouse PUD as Exhibit “C”.

H. “Subdivision” shall mean the 30.67 acres of land described in Exhibit “A” hereto, to be known as “Woodhouse Place.”

Section 4. Parcel Identification Map
Attached hereto and made a part of Woodhouse PUD for parcel delineation is the Parcel Identification Map for the Woodhouse PUD marked as Exhibit “B”.

Section 5. Conceptual Site Plan
A conceptual site plan for each parcel shall be submitted to the City for approval prior to any lot development within said parcel.

Section 6. Building Design Guidelines and Criteria
A copy of the Woodhouse Place Design Guidelines in the form approved and amended by the City is attached to this Woodhouse PUD as Exhibit “C”. All applications shall adhere to requirements of the approved Woodhouse PUD and Design Guidelines. Prior to issuance of a building permit, the City, Developer and the applicant shall have mutually agreed upon a specific design plan that complies with such criteria. The Woodhouse Place Design Guidelines shall take the place of Appendix A, B, and C of the City’s Commercial Building Design Guide and Criteria dated September 17, 2013.

Section 7. Conditions
All uses within the Subdivision shall adhere to the underlying zoning district except as herein provided.

A. General Conditions
In addition, the following general site plan criteria shall be integrated into and made part of the Woodhouse PUD.

i. All subdivisions, public streets, public street rights-of-way and general development shall adhere to the standards and design criteria set forth in the La Vista Subdivision Regulations and the most current design standards adopted by the City of La Vista pertaining thereto unless otherwise stated within this Woodhouse PUD and Woodhouse Place Design Guidelines.

ii. Unless otherwise specified herein, the development of the Woodhouse PUD shall comply with the applicable La Vista Zoning District Regulations or any other applicable City Codes.

B. Land Use Design Criteria
Unless provided otherwise in this Woodhouse PUD, all general use regulations, performance standards and provisions set forth in the La Vista Zoning Ordinance for the appropriate commercial zoning district shall apply to any development within Lots 1 and 2. The negative elements of such uses as loading docks, heating, ventilation, or air conditioning (HVAC) units, or similar electrical or mechanical appurtenances shall be designed to be screened and buffered from view by the general public through the use of architectural features or earth berming and landscaping.

i. The intent of the design and layout of Lots 1 and 2, Woodhouse Place is to develop the site for motor vehicle sale and lease uses, with service and repair as an accessory use.
a. **Building Height.** Permitted building heights shall be the same as those listed in the C-3 Highway Commercial / Office Park District regulations unless otherwise approved by the City Council as part of a PUD Plan.

b. **Building Setback.** Building setbacks shall be the same as those listed in the C-3 Highway Commercial / Office Park District regulations unless otherwise approved by the City Council as part of a PUD Plan.

c. **Landscaping.** Landscaping along Highway 50 (South 144th Street) and Giles Road and throughout the Subdivision shall be consistent with the PUD Site Plan map set, Exhibit "B" and the Woodhouse Place Design Guidelines, Exhibit "C". A complete and detailed landscape plan is required prior to building permit approval to assure compliance with the vision of Woodhouse Place and its approved guidelines.

d. **Signage.** All signs identifying the project may be permitted with approval of a sign permit based upon the adopted sign regulations except as modified herein.

C. **Woodhouse Place Design Guidelines**

The Woodhouse Place Design Guidelines take the place of Gateway Corridor District Design Guideline dated September 17, 2013.

D. **Access and Off-Street Parking**

i. **Access.** Driveways shall be located so that no undue interference with the free movement of road traffic will result, to provide the required sight distance, and to provide the most-favorable driveway grade. Access points within the development shall be limited to what is shown on the final plat and subdivision agreement. Any deviation from this shall require the approval of the City.

ii. **Off-Street Parking.** Parking on lots in Lots 1 and 2 should be provided based on the aggregate ratio of one (1) off-street parking spaces per five hundred (500) square feet of gross floor area of improvements constructed on each lot, separate from those spaces dedicated to automotive sales inventory, unless off-site/public parking is utilized with approval of the city.

E. **Signage**

All signs may be permitted with approval of a sign permit based upon the adopted sign regulations, except as modified herein. To the extent that the provisions of Woodhouse PUD conflict with or are more restrictive than similar provisions provided in the La Vista Zoning Ordinance, the provisions of the Woodhouse PUD shall control.

This Ordinance recognizes that because of the size and scope of the project, and because access will be obtained to the development via large public arterial streets, the project has an extraordinary need for flexibility in the signage regulations applicable thereto. See the PUD Site Plan map set, Exhibit "B", for proposed site signage approximate locations.

i. **Center Identification Signs.** Free standing buildings on Lot 1 may be allowed to advertise on one Center Identification Sign as depicted on Lot 2 of the PUD Site Plan.

ii. **Monument Signs.** Free-standing buildings on Lot 1 may be allowed to advertise on Monument Signs as depicted on Lot 2 of the PUD Site Plan. The overall development shall be limited to no more than four monument signs, one for each building located on Lot 1 as depicted on the PUD Site Plan. Monument signs shall not exceed twenty-one (21) feet in height.

iii. **On-Site Directional Signs.** On-Site Directional Signs, such as signs indicating exits, loading areas and parking areas, shall be consistent in design and color, or incorporate aesthetic features
compatible with the architecture of the building, and shall not exceed six (6) square feet of sign area per sign. Freestanding On-Site Directional Signs shall not exceed three (3) feet in height.

iv. Wall Signs. Free-standing buildings on Lot 1 are allowed a total of 2.5 square feet of wall signs per lineal foot of façade width on facades with frontage along a right-of-way to a maximum of 600 sq.ft.

Section 8. Severability Clause. If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional or invalid, such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this ordinance. The Mayor and City Council of the City of La Vista hereby declare that it would have passed this ordinance and each section, subsection, sentence clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

Section 9. That this Ordinance shall be in full force and effect after its passage, approval, and publication in pamphlet form as provided by law.

PASSED AND APPROVED THIS 21ST DAY OF AUGUST, 2018.

CITY OF LA VISTA
