   A. Eberle Walden Park Replat

      i. Staff Report – Chris Solberg: Solberg stated that as originally platted in 1960, a portion of unused Josephine Street right-of-way east of 69th Street, between Lots 125 and 126, was developed as Eberle Walden Park. This piece of property was developed as a park in memory of two children that lost their lives in 1983. In 2011, the Mini-Park Plan committee developed a plan that called for improvements that would maintain the viability of the park for the foreseeable future. This committee has finalized planned improvements for the park and a contractor has been selected and approved. However, to resolve the conflicting status of the property, the right-
of-way will be vacated and a platted lot created. The Eberle Walden Park will create a buildable lot for the improvements to take place. Staff recommends approval of the revisions to the Eberle Walden Park Replat, as the request is consistent with the Comprehensive Plan and the Subdivision Regulations.

Malmquist asked if the replat would vacate the right-of-way.

Solberg said that at city council level, there will be an actual vacation, but this will create the lot after vacation.

ii. **Recommendation:** **Krzywicki** moved, seconded by **Gahan,** to approve the replat as presented. **Ayes:** Krzywicki, Dale, Sargus, Alexander, Gahan, Wetuski, and Malmquist. **Nays:** None. **Abstain:** None. **Absent:** Miller and Circo. **Motion Carried,** (7-0)

      i. Staff Report – Chris Solberg: Solberg stated that Gateway Holding Company, LLC is requesting an amendment to their existing Conditional Use Permit to allow for an increased amount of Automobile Sales as an accessory use to the Automotive Repair Services Use. The proposed property is at the southeast corner of 110th St. and Harrison St. Staff’s recommendation is to approve the Conditional Use Permit Amendment for Gateway Holding Company, LLC as the CUP Amendment request is consistent with the Comprehensive Plan and Zoning Ordinance.
ii. Applicant Presentation: Ben and Sandy Toscano came up and spoke about the proposed amendment. They invited the Planning Commission to ask any questions they may have.

Toscano said that they have around 8 to 10 employees now and that will not be changing.

Miller asked about the lot going from 4 to 18.

Toscano said that it's basically their parking area, that is kept neat and clean. He said that they are looking for a lot in a different location, but that they would like to [eventually] do it indoor and want to stay in the Sarpy area.
