La Vista’s swimming pool was built in the early 1960s and is nearing the end of its useful life. Over the years, the City has made safety improvements and functional and cosmetic repairs to prolong its life. The City also brought forth two ballot initiatives to fund a new pool in its current location that were narrowly defeated in 2008 and 2012.

Despite the ballot results, surveys of residents have consistently shown the desire for a public swimming pool in La Vista, leading the City to seek alternative solutions.

In 2014, the City was approached by a nonprofit corporation regarding the potential of a new community pool as a component of a state-of-the-art championship athletic complex to be developed northeast of Giles Road and Eastport Parkway. The City worked with the nonprofit to pursue this opportunity to the extent possible; however, the project has not materialized as planned.

In its current location, the swimming pool has become an obstacle to the timely construction of a pedestrian underpass, which is a core component of the Vision 84 plan envisioned to connect the east and west sides of 84th Street providing safe passage.

The age, condition and location of the swimming pool have made it necessary to explore other options. Central Park has emerged as a strong possibility for a new pool because of its scenic and central location.

The City hosted a public open house in October to gather feedback on the potential project and types of amenities residents are looking for. A second public open house will be held on Wednesday, November 20, 7-8:30 p.m. at the La Vista Community Center (8116 Park View Blvd.) to view and comment on the conceptual designs and ask questions of staff and consultants.

You may have noticed on the front-page teaser that La Vista will turn 60 this coming February. As I think about how the community has evolved over the years, I am amazed by what we have to show for 60 short years. I am also reminded that we must face new challenges that go along with aging, especially when it comes to our public infrastructure.

La Vista is a dynamic community that has experienced tremendous growth over the past two decades. With that growth comes a demand for increased community resources, public infrastructure and additional staff.

Something I’ve heard from many of you over the past year is a desire to improve the overall condition of our neighborhood streets. I want you to know that we are listening. We will be working on a multi-year plan to assess, prioritize and identify funding for necessary maintenance, repairs and replacement.

To help ensure the continued fiscal strength necessary to meet these demands, the City Council recently passed a 1.5% restaurant tax. While businesses that provide food and beverages are vital to our overall economy, and we welcome the visitors they bring, they do have an impact on City services. The restaurant tax is a way to share the burden equally with non-residents.

Finally, we are exploring the feasibility of a new community swimming pool in Central Park. As stated in the article on page 1, the pool is nearing the end of its useful life and has become an impediment to our continued progress in implementing the Vision 84 plan, specifically, as it relates to the planned pedestrian underpass, which will connect the east and west sides of 84th Street to provide safe passage.

Please visit our website CityofLaVista.org/PoolProject to learn more. I also encourage you to attend the public open house on November 20.

While we have a great deal going on, I want you to know the City Council and I are working diligently to ensure that the City’s continued progress is fiscally prudent and sustainable.

– Mayor Douglas Kindig
City Engineer John Kottmann Retires

Since the early 1980s, only one man has had a seat at the table for every major project in La Vista.

His trademark cowboy boots and customary humble, no-nonsense approach have accompanied decades of sound engineering counsel, advice and plans of action for the City.

That man, City Engineer John Kottmann, officially retired in October after nearly 40 years of service to this community.

Kottmann worked for nearly 30 years with the engineering firm Thompson, Dreessen and Dorner, now known as TD2. While at the firm, he served as La Vista’s City Engineer, a position appointed by the Mayor.

In April 2010, Kottmann came to work full-time for the City serving as both the City Engineer, as well as the Assistant Public Works Director.

Kottmann’s first interaction with La Vista was in 1982 when he was asked to deliver something to the City’s sewer plant along the Papio Creek.

“And that’s down where?,” Kottmann recalls thinking. “At the time 84th Street was the only way to get to La Vista.”

Eventually Kottmann was asked to be La Vista’s main point of contact at the firm.

“I stuck like glue, hopefully for the best,” he said.

Kottmann is the resident expert on Thompson Creek, having worked for decades on various solutions to flooding and erosion along the channel, including a flood control dry dam project on the site where La Vista Falls Golf Course was built and where Civic Center Park is now located.

“We spent probably two years trying to get the funding for it,” Kottmann said.

When it became necessary for complete repair of the channel, Kottmann served as the City’s project manager, overseeing the voluntary buyout and removal of homes and extensive construction.

While the City’s 84th Street redevelopment project has consumed much of his time in recent years, he’s most proud of a project several years ago involving the repair of Giles Road. The project involved an approach that repaired the surface before it was beyond repair, saving the City a costly project in the future.

“The sheer benefit for the investment I think was pretty good,” he said.

So, after nearly 40 years in service to La Vista, Kottmann said he’ll miss one thing.

“The people.”

The people will certainly miss John as well.

City Council Adopts Restaurants & Drinking Places Tax

The City of La Vista has made progress in economic development and redevelopment which has brought many more visitors to La Vista in recent years. One of the impacts of this success is an increased demand on City resources, such as public infrastructure and public safety personnel.

In order to ensure the continued strength of the City’s finances and maintain quality services expected by residents, the City Council recently approved a 1.5 percent Restaurants & Drinking Places Occupation Tax, which took effect on October 1.

From this tax, the City estimates it will collect approximately $700,000 each year to offset additional service costs related to growth. Businesses affected by this change will include cafes, bakeries, coffee shops, food trucks, caterers, and restaurants or drinking places in grocery and convenience stores.

Though this tax is levied on businesses, those businesses may choose to pass along the cost to their customers. If they chose to do so, businesses must itemize the additional tax on customers’ receipts. Below is an example of how that might impact a La Vista diner:

Civic Center Park
With the first phases of the golf course transformation complete, Civic Center Park officially opened to the public in September. This photo submitted by Deirae Anson features the lake and fountain, which is lit up at night.

National Night Out
Officers and command staff from the Police Department traveled throughout the City on National Night Out in August. They visit neighborhood gatherings to help foster connections and engagement with the community.

2nd Annual Fall Festival
The City hosted the 2nd annual Fall Festival in September. The event featured a free outdoor concert, a visit from Captain Marvel, fire pits and s’mores, games for the family, food trucks and a movie inside the Community Center gym.

Taste of La Vista
In late July, more than 900 people attended the annual Taste of La Vista event in Central Park. The event included free beer and pizza samplings from area businesses. Information stations included 84th Street, website redesign, rock painting, a chance to ask general questions as well as a 1960s-themed photo booth.
Santa’s Comin’ to Town!

Events Slated During the Month of December

Santa is planning an extended stay in La Vista this holiday season! In addition to the popular sleigh ride and tree lighting events in early December, Santa’s Workshop will be open again this year at the Civic Center Park Clubhouse, 8305 Park View Blvd.

Santa will arrive in La Vista on Sunday, December 1, for his annual Sleigh Ride, which will begin at 3 p.m. Santa’s route will be posted on our website at www.cityoflavista.org/santa, and you can follow his progress that day on Twitter (@cityoflavista) and Facebook.com/CityofLaVistaGovernment.

The annual Tree Lighting Celebration & Soup Supper is scheduled for Monday, December 2, beginning at 5:45 p.m. at the Community Center. This event is hosted by the Mayor and City Council with donations being accepted for the Tri-City Food Pantry.

Santa’s Workshop will officially open on the evening of the tree lighting, and children are invited to visit Santa from 6:30 to 8:30 p.m.

Santa’s Workshop hours will be:
- Thursdays, December 5 & 12, 4-7 p.m.
- Saturdays, December 7 & 14, 9 a.m.-noon.
- Tuesday, December 17, 4-7 p.m.

Santa’s Workshop is located in the Civic Center Park Clubhouse and will be open throughout the month of December for special events, including two events featuring live reindeer.

- Tuesday, December 17, 4-7 p.m. Santa will have his reindeer with him for the Thursday events.
- Santa will also host a special time for small children (birth to preschool) on Wednesday, December 11, from 9 a.m. to noon. Children and their parents and/or caregivers can enjoy a lower-key visit with Santa while visiting the workshop.

A variety of other programs will be held at the workshop in December. Be sure to check out the ‘Twas the Lights Schedule of Events included in this newsletter and our website at CityofLaVista.org/TwasTheLights.

Workshop events will include treats and other fun holiday activities. Special accommodations for wheelchairs and other needs can be arranged by calling the Community Center at 402-331-3455.

Annual Coat Drive Ends Nov. 30
Campaign Dates Changed to Meet Early Winter Needs

La Vista’s annual coat drive Spread the Warmth kicked off in October and will run throughout the end of November.

The City will collect both gently-used and new, donated coats to distribute to those in the metro area who are in need of warm coats.

The coats collected during Spread the Warmth will be distributed to local families through a partnership with Papillion La Vista Community Schools and ReRuns R Fun.

Spread the Warmth will run through the end of November, and collection points are listed on the City’s website, CityofLaVista.org/SpreadTheWarmth.

Thank you for helping keep our community warm this winter.

Police Launch Security Camera Registration Program

The Police Department recently launched a new partnership with the community that offers residents and business owners the opportunity to register their surveillance camera systems.

The Security Camera Registration Program (SCRAM) is designed to help deter criminal activity throughout the community and assist in investigations.

When a crime occurs, officers and detectives will reach out to the owners of registered surveillance systems in the area. They will request to review surveillance footage and collect video or photo evidence.

Participation in this program is completely voluntary, and information regarding your camera system will be for official department use only.

Register online at CityofLaVista.org/SCRAM.
Imagination Station Room
Renovations to the Storytime Room Add Creativity to the Fun

The storytime room at the Library has been transformed into the Imagination Station Room!

A stuffed parrot sits atop a post with other animals on the side of a new puppet show stage. Brightly colored bins contain all sorts of fun toys designed to exercise and entertain little minds. Baby dolls await the love and care of a child.

There’s also a play kitchen, complete with a cash register and plastic money, dress-up clothes, a mini ball pit and a train table.

In the Imagination Station Room little ones are encouraged to discover, build, create and play. This creative space is set up to help build important skills such as sharing, storytelling, emotional intelligence, critical thinking, play and problem solving. This room is ideal for ages birth to six.

The Imagination Station Room will be open 10:30-11 a.m. on December 9, 13 and 19. For more information about programs planned in this space, contact the Library, 402-537-3900.

Library Adds Self Check-Out Machine

The Library recently added a new piece of technology to the equipment it offers to the public.

A self-check-out machine is now available for patrons to use after they have selected the materials they want to borrow from the Library.

This machine is ADA accessible and will be useful for times when there are lines at the circulation desk. The machine will also maintain confidentiality for patrons who need to check out materials on personal topics such as medical conditions.

The process to use the machine is simple:
• Swipe the library card
• Scan material to be checked out

Each patron will receive a receipt summarizing their transaction and the due date(s) for their materials.

The self check-out machine will be available during regular business hours: Monday-Thursday, 8 a.m.-9 p.m.; Friday and Saturday 8 a.m.-5 p.m. and Sunday 1-5 p.m.

GIFT-WRAPPING STATION

Tuesday, December 3  6-8 p.m.
Friday, December 13  9 a.m.-12 p.m.
Tuesday, December 17  6-8 p.m.
Thursday, December 19  10 a.m.-8 p.m.

La Vista Public Library

Doing some last minute shopping? Want help wrapping your presents? Head over to the Library in December where there will a FREE, self-serve gift wrapping station available to the public.

Crews Complete Resurfacing of 84th St., Park View Blvd.

Two major thoroughfares in La Vista were resurfaced this spring and summer completing much needed repairs to those frequently traveled roads.

Southbound 84th Street was the first portion to be completed, followed by Park View Boulevard and then northbound 84th Street this fall.

The two legs of 84th Street were originally scheduled to be resurfaced at the same time and not until the new City Centre Drive intersection was installed, but the conditions of the southbound lanes made it necessary to make those repairs earlier than originally planned.

Christmas Tree Recycling Sites Open through January 18

The City of La Vista will be once again offering free drop-off sites for Christmas trees at the following locations:

- La Vista Soccer Complex parking lot (two blocks south of Harrison St. on 66th St.)
- Kelly West Parking Lot (87th St. and Park View Blvd.)

Drop-off sites will be open December 26 to January 19. All decorations, tinsel and plastic bags must be removed prior to disposal. The collected trees will be chipped into mulch, which is available to residents free of charge.

Winter Season Reminders

Snowy weather will soon be here and the Public Works Department has a couple of reminders regarding clearing snow from streets and sidewalks.

Snow Emergency

When a snow emergency is declared, local media outlets (radio and newspaper) will be notified and notice will be posted on the City’s social media accounts and website at CityofLaVista.org.

Citizens are required to keep all vehicles off the street after a snowstorm (at least 2 inches of accumulation) or after a declared snow emergency for 24 hours, or until the street has been plowed. Even if the vehicle was already parked on the street before the storm, it must be moved off the street for 24 hours after the storm ends or until the snow plows clear the street.

Clearing Sidewalks

In all residential neighborhoods, sidewalks must be clear within 24 hours after precipitation ends. In all business districts, the property and public sidewalks must be clear within five hours of the end of the storm, or by 8:30 a.m. the next morning.

Council Clips

The following items are highlights of recent City Council action:

- Approved a professional services agreement with ABM Industry Groups for public parking services in La Vista City Centre.
- Authorized the purchase of a pick-up truck, wide area mower, contour mowing deck and portable radios for the Public Works Department.
- Approved the creation of a restaurants and drinking places occupation tax.
- Discussed proposals to change the dates of fireworks sales and discharge.
- Approved professional services agreements with Olsson, Inc. for engineering services and DLR Group for the design of public parking structure #2 in La Vista City Centre.
- Approved a contract with Commercial Seeding Contractors for erosion control maintenance in the 84th Street redevelopment area.

A Remarkable Young Man

We’d like to introduce you to nine-year-old Matthew Murray. Mayor Kindig invited him to attend a recent City Council meeting after Matthew wrote the Mayor a letter to express his thanks for the work City staff does throughout the year. Matthew led the pledge allegiance and chatted with the Council for a few minutes. We wanted to shine the spotlight on Matthew and his spirit of service.
Moms searching for fitness and connection opportunities have to look no further than La Vista. For more than a year, the Community Center has been home to the Fit4Mom program, featuring programs such as Body Back Boost, Body Back Transformation and Stroller Strides, which meet weekly in the gym during the winter months.

Fit4Mom exists to give new and veteran moms the opportunity to exercise and connect with their children and other moms through fitness programs. Finding that community of moms is Fit4Mom's secret sauce, where the moms spend time together outside of class too, including play groups and mom's night out among others.

Each class is designed to be 60 minutes long, and Stroller Strides emphasizes strength training, cardio and core restoration all while entertaining little ones with songs, activities and fun!

You can read more about the Stroller Strides class on the following page.

### Coed Youth Basketball Clinic

The basketball clinic is comprised of five, one-hour sessions on Saturdays at the La Vista Community Center. Participants will learn the basic skills of dribbling, passing, shooting, teamwork and fun!

### Youth Basketball League

The youth basketball league is a partnership with the Papillion Recreation Organization. Participants will be learning new skills, improving current basketball skills, techniques, teamwork, sportsmanship and fun.

### Baseball

The youth baseball program is a partnership with the Ralston Area Baseball Association. Games are played on varying days and locations; practices are held at the coach’s discretion.

### Coed Soccer Clinic

The soccer clinic is comprised of five, one-hour sessions on Saturday mornings at the La Vista Community Center. This is a parent participation clinic designed to teach the basic fundamentals of soccer while having fun. Clinic is limited to 15 participants.

### Coed Soccer Academy and League

The soccer academy and league is a partnership with the Metro Wolves Soccer Club. This program focuses on different soccer skills to develop each player with individual attention and maximum ball touches in a fun soccer environment. All sessions take place at the La Vista Sports Complex.

### Flag Football

The flag football program is part of the Sarpy County Flag Football League, which is dedicated to improving youth sports by teaching and developing skills, promoting maximum participation and providing a fair, safe environment. All games are played at the La Vista Sports Complex flag football fields.

### Softball

The softball program plays in the Rainbow Softball League, which is a true recreational league for girls to learn fundamentals of the game of softball and to have fun.

### Coed T-Ball

The coed t-ball program introduces parents and children to the sport of baseball. This is a parent participation program designed to teach the basic fundamentals of baseball while having fun.
LA VISTA SENIOR ACTIVITY CENTER

The La Vista Senior Activity Center, located in the Community Center, offers friendship, food, fitness, field trips and many more fun activities. Bring a friend or come join others for a home-cooked meal Monday-Friday. The suggested contribution amount for the meal is $4 for adults over 60 years of age. For those younger than age 60, the lunch cost is $10. To make a lunch reservation, either call the Center or sign up at the Center by noon on the business day before. Be sure to look at the other activities. You are welcome to come early and/or stay late! The meal program is sponsored by ENOA and catered by Treat America. Visit our website, CityofLaVista.org/Seniors, for the monthly senior newsletter and to look at scheduled activities/trips and lunch menus. For more information, contact David Karlson, 402-331-3455.

Special Services Bus

The Special Services Bus is available for senior citizens ages 60 and older and all special needs/handicapped residents residing in the cities of La Vista and Ralston. The service operates Monday-Friday, 7 a.m.-4:30 p.m. The service does not operate on City of La Vista holidays or when Papillion-La Vista or Ralston public schools are closed due to weather conditions. For questions about service, fees, etc., please call the La Vista Recreation Department at 402-331-3455, or visit us online at www.cityoflavista.org. For reservations, call 402-657-3550 at least 48 hours in advance. We make every effort to accommodate, but sometimes due to prior scheduling, we may not be able to help everyone at their requested times.

Weather Cancellations & Updates
Please check CityofLaVista.org/TwasTheLights as well as our social media accounts for up-to-date information regarding event times, location changes and cancellations due to weather.
**Get in Shape**
Put on your sneakers for some activity this winter on a trail in one of our parks or inside the Community Center! Visit our website for hours of operation.

**Get Computer Savvy**
Stop by the Library anytime during regular business hours to use our computer lab. If you need some pointers, talk to our Computer Services Librarian Jean Hurst to set up some one-on-one instruction! For more info., call the Library, 402-537-3900.

**Stream a Movie...**
Did you know that with your La Vista library card you can stream shows and movies for free? That’s right, using a service called Kanopy, library patrons have access to hundreds of options! CityofLaVista.org/Databases

**Spread the Warmth**
The City is once again collecting new and gently used coats for the annual Spread the Warmth Coat Drive. CityofLaVista.org/SpreadTheWarmth

**Give Us Your Leaves**
The annual fall leaf collection is on Saturday, November 16, 8 a.m.-3 p.m. If that doesn’t work for you, a self-serve dumpster will be available through November 22. Call Public Works for more info., 402-331-8927.

**Prepare for Winter**
Clean out your gutters, disconnect your garden hoses, blow out your sprinkler system... so many things to get your home ready for winter! CityofLaVista.org/WinterReady

**Tell Criminals to SCRAM!**
Register your security camera system with the Police Department, and if you are in an area where evidence is needed, you can share your footage voluntarily with officers. Join the Security Camera Registration Program, and tell criminals to SCRAM! CityofLaVista.org/SCRAM

**Recycle Your Tree**
Once you’re done with your Christmas celebrations, you don’t have to throw away your real tree. Recycle it instead at one of two locations in La Vista: the Sports Complex or Kelly West Fields. CityofLaVista.org/PublicWorks

**Celebrate the New Year**
Finish 2019 and ring in 2020 with a family friendly celebration at the Library’s Noon Year’s Eve celebration. Make some noisemakers and count down to noon with us! Call the Library at 402-537-3900 for more info.

**TOP 10 THINGS TO DO THIS WINTER**

**Visit Santa!**
Santa’s visits to La Vista this year will twice include his reindeer! On December 5 and 12, 4-7 p.m., the Santa’s Workshop events will also include a chance to see one of his reindeer and get your photo taken! CityofLaVista.org/TwasTheLights
