Public Gatherings and Events Limited to 50 People or Less

Effective immediately, and following guidance from the Centers for Disease Control and the Sarpy/Cass Department of Health, Mayor Kindig has ordered that all public gatherings and events should be limited to 50 people or less.

This restriction applies to all restaurants and bars in the City limits. With the St. Patrick's Day holiday coming tomorrow, and in the interest of limiting the spread of the Coronavirus, it is vital the public observes this restriction.

The City understands the financial hardship this will put on our business community, but at this time our priority is the safety and health of all our residents.
