The terms set forth above are intended as preliminary directions relating to the sale and issuance of the Bonds. In connection with determining the final terms of sale for the Bonds under Section 8 of this Ordinance there shall be executed and delivered on behalf of the City a designation of final terms (the "Designation") subject to the following: (a) such Bonds may bear interest at any lower interest rate per annum for each maturity from that shown above, (b) the principal maturity amounts may be modified, and (c) serial maturities may be converted to term maturities with mandatory sinking fund redemptions, all as the City Administrator and/or Mayor may establish acting on behalf of the City and as may be agreed to by the Purchaser designated in Section 8 of this Ordinance, provided further that (x) in no event shall the aggregate stated principal amount of the Bonds exceed $1,000,000 and (y) the annual debt service requirements in any fiscal year shall not exceed $90,000. The Designation shall contain the following provision to govern any term maturities with mandatory sinking fund redemptions: "The Bonds maturing as term bonds on November 15, 20___ and November 15, 20___ (the "Term Bonds") shall be subject to call for redemption through application of mandatory sinking fund payments, said Bonds being callable by lot in the amount and on the dates as set out below at par plus accrued interest to the date of such call and in accordance with Section 6 of this Ordinance: [Insert table showing redemption dates and corresponding amounts to be redeemed]."

The Bonds shall be issued in fully registered form in the denomination of $5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be the date of delivery thereof. Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on May 15 and November 15 of each year beginning May 15, 2009 (each an "Interest Payment Date"), and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.
Section 3. The Treasurer of the City of La Vista, Nebraska, is hereby designated to serve as Paying Agent and Registrar for the Bonds. Said Treasurer shall serve in such capacities under the terms of this Ordinance subject to replacement as may be determined by the Mayor and Council. The City Treasurer, as Paying Agent and Registrar, shall keep and maintain for the City books for the registration and transfer of the Bonds at said Treasurer’s office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of said Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner’s duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner’s or owners’ risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. In addition to the mandatory sinking fund redemptions set forth in the Designation as provided for in Section 2 of this Ordinance, Bonds maturing on or after November 15, 2013 shall be subject to redemption, in whole or in part, prior to maturity at any time on or after September 19, 2013, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption. The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of $5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by said Paying Agent and Registrar by mail not less than 30

days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 6. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in La Vista, Nebraska, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 8. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City. The Bonds shall be issued initially as "book-entry-only" bonds under the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a letter of representations and inducement (the "Letter of Representations") in the form required by the Depository, (including any blanket letter previously executed and delivered by the City) for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds.

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order
the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the ultimate Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office.
until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to D.A. Davidson & Co., as the initial purchaser thereof, (the "Purchaser") upon receipt of 99.25% (which percentage/amount may be modified in the Designation to include original issue discount and/or original issue premium if determined appropriate for any maturity in connection with the determination of final interest rates and maturity schedule under the terms of Section 2 of this Ordinance) of the principal amount of the Bonds plus accrued interest thereon to date of payment of the Bonds. The Purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The final terms of the Bonds shall be set forth in a Designation of Final Maturity Schedule and Interest Rates (the "Designation") executed by or on behalf of the Purchaser and on behalf of the City by the Mayor. Such Purchaser and its agents, representatives and counsel (including its bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. If no other written agreement for the purchase of the Bonds is executed and delivered, this Ordinance and the Designation shall constitute the bond purchase agreement between the City and the Purchaser.

Section 9. The City Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and City Council precedent to the issuance of said Bonds, one of which transcripts shall be delivered to the purchaser of said Bonds.

Section 10. The proceeds of the Bonds shall be applied to the costs of construction of the improvements described in Section 1 hereof including the payment and redemption of the Outstanding Warrants. Any application of proceeds other than for payment of the Outstanding Warrants shall be made upon order of the Mayor and Council.

Section 11. For the prompt payment of the Bonds, both principal and interest as the same fall due, the City hereby pledges all receipts now or hereafter received by the City from the State of Nebraska Highway Allocation Fund, as described and referred to in Section 66-4,101, R.R.S. 2004. The pledge provided for in this Section 11 for the Bonds is an equal and ratable pledge, provided, however, that such pledge shall not prevent the City from applying receipts from said fund in any year so long as sufficient receipts from such fund have been set aside for the payment of principal and interest falling due in such year on the Bonds. In addition, the City further reserves the right to issue additional highway allocation fund pledge bonds payable on par with the Bonds and equally and ratably secured by a pledge of receipts from the Highway Allocation Fund. The City hereby further agrees that it shall levy ad valorem taxes upon all the taxable property in the City at such rate or rates within any applicable statutory and constitutional limitations as will provide funds which, together with receipts from the Highway Allocation Fund, as pledged to the payment of the Bonds, and any other monies made available and used for such purpose, will be sufficient to pay the principal of and interest on the Bonds as the same fall due (including mandatory sinking fund redemptions).

Section 12. The City hereby covenants to the purchasers and holders of the Bonds hereby authorized that it will make no use of the proceeds of said Bond issue, including monies held in any sinking fund for the Bonds, which would cause the Bonds to be arbitrage bonds within the meaning of Sections 103(b) and 148 of the Internal Revenue Code of 1986, as amended (the
"Code"), and further covenants to comply with said Sections 103(b) and 148 and all applicable regulations thereunder throughout the term of said bond issue. The City hereby covenants and agrees to take all actions necessary under the Code to maintain the tax-exempt status (as to taxpayers generally) of interest payable on the Bonds.

Section 13.
