Public Works Director Soucie stated that both the Police Department and the Public Works Department are concerned with varying speed limits up and down that currently exist on certain stretches of this road. He recommends a consistent 45 mph speed limit, and recommends the installation of traffic signals as warranted. Councilmember Gowan stated he wants homeowners in the area to know the City plans to break up long stretches of the road with traffic lights. Police Chief Lausten stated there would be extra patrols in the area. Councilmember Sheehan stated his concern with this change. The Mayor then stated the question was, "Shall Ordinance No.1081 be passed and adopted?" Upon roll call vote the following Councilmembers voted aye: Sell, Quick, Carlisle, McLaughlin, and Ellerbeck. The following voted nay: Ronan, Sheehan, and Gowan. The following were absent: None. The passage and adoption of said ordinance having been concurred on by a majority of all members of the Council, the Mayor declared the ordinance adopted and the Mayor, in the presence of the Council, signed and approved the ordinance and the City Clerk attested the passage/approval of the same and affixed her signature thereto.

D. RESOLUTION – INTERLOCAL COOPERATION AGREEMENT – 132ND & WEST GILES ROAD

Councilmember Carlisle motioned to table Resolution No. 08-097 entitled: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA APPROVING AN INTERLOCAL COOPERATION AGREEMENT WITH SARPY COUNTY, NEBRASKA CONCERNING IMPROVEMENTS RELATED TO THE INTERSECTION OF WEST GILES ROAD
AND 132ND STREET, THE ADJACENT LEGS OF WEST GILES ROAD AND 132ND STREET AND ADJACENT RAILROAD CROSSINGS, IN A FORM SATISFACTORY TO THE CITY ADMINISTRATOR AND CITY ATTORNEY.

Seconded by Councilmember Sheehan. City Administrator Gunn informed Council that Sarpy County did not have the agreement on their agenda. Councilmember Gowan asked how the City of La Vista received the approval for the quiet zone so quickly. Public Works Director Soucie informed Council that some communities have to close one location to get a Quiet Zone in another and this is not the case here and this has a higher severity rating which increases its importance. Councilmember Sheehan asked if any future development in Southport will influence this project. City Administrator Gunn stated that these improvements will work with any development which could go in. City Engineer Kottmann stated that various studies were done and configuration explored and this is the best configuration for the area and will affect the least amount of adjacent property. Councilmember Sheehan asked how soon the improvements would take place. Engineer Kottmann stated that the final phase will be years down the road depending on federal funding. City Administrator Gunn stated that there is funding in the budget for the smaller initial phases which will not be federally funded. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Absent: None. Motion carried.

E. RESOLUTION – POLICE CRUISER PURCHASE

Councilmember Gowan introduced and moved for the adoption of Resolution No. 08-098: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AWARDING A CONTRACT TO PERFORMANCE DODGE, LINCOLN, NEBRASKA FOR THE PURCHASE OF THREE (3) 2009 DODGE CHARGER POLICE PACKAGE CRUISERS IN AN AMOUNT NOT TO EXCEED $96,000.

WHEREAS, the City Council of the City of La Vista has determined that the purchase of a new police cruisers is necessary, and

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of La Vista, Nebraska, do hereby accept the Nebraska state bid of Performance Dodge, Lincoln, Nebraska and authorize the purchase of three 2009 Dodge Charger Police Package cruisers in an amount not to exceed $96,000.

Seconded by Councilmember Carlisle. Mayor Kindig asked about the long term durability of the Charger. Police Sergeant Waugh stated that research to switch from Ford to Dodge was done in 2006 when the Department began purchasing the Chargers. Michigan studies show success with this vehicle. The piston problem currently encountered with one of the Chargers was an exception not a rule for the durability of these vehicles and the manufacturer allowed the repair under warranty even though the warranty was up for this vehicle. We are now in the fourth generation Chargers and improvements have been done to make these even better. Councilmember McLaughlin asked if this problem was the same as the blown engines in the Intrepids. Waugh stated that the Intrepids had V-6 engines which were not durable while these have a hemi and are very durable. Mayor Kindig asked if these were easy to work on for repairs. Public Works Director Soucie stated that he had not heard any complaints from his mechanics. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Absent: None. Motion carried.

WHEREAS, the City of La Vista’s Community Center has annually served as a hot meal site for senior citizens in conjunction with the Nutrition program of the Eastern Nebraska Office on Aging (ENOA); and

WHEREAS, the Mayor and City Council believe it is desirable to continue to participate in this important program.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City of La Vista be, and hereby is, authorized to execute an agreement with the Eastern Nebraska Office on Aging for provision of a nutrition program

Seconded by Councilmember McLaughlin. Councilmember Quick asked how close the City is to providing meals five days a week. Recreation Director Stopak informed Council that, while the state has been cutting meals, the City of La Vista’s program is strong and will continue for three days per week. Mayor Kindig asked Stopak to check to see what the cost would be for the City to fund the program for the additional two days that meals currently are not being provided. Councilmember Sell asked if there where other resources for funding. Recreation Director Stopak stated there is the possibility of intermingling with other cities. Stopak stated that currently meals are available in Papillion on the days they are not available in La Vista. He will check on other funding mechanisms and the cost to the City for fund a portion or all of the meals if needed. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Absent: None. Motion carried.

Seconded by Councilmember Sell. Councilmember McLaughlin asked the reason for the high cost of the cleanup on Joseph Avenue. Public Works Director Soucie stated that trash and other debris had to be picked up in the yard before staff could mow and trim the property. He also stated that with the small entrances to the back yard the city mowers could not access it and therefore it was done with weed eaters. Councilmember Gowan asked if we can put more teeth into these to help eliminate the number of cleanups the City needs to do. Staff will research and see if there are more options or alternatives. Councilmember Sheehan thanked Community Development Director Birch for the addition of pictures with the assessment information. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Absent: None. Motion carried.

H. JOB DESCRIPTION – ACCOUNTANT
