INTERIM CITY ADMINISTRATOR AND DEPARTMENT HEADS

Interim City Administrator Gunn confirmed that Council members were available during the week of July 10 for budget workshops and proposed Tuesday, July 11 and Wednesday, July 12 as workshop meeting dates. Thursday, July 13 would be the alternate date, if necessary. Council agreed to these dates.

Police Chief Lausten informed Council of the resignation of Addie Harlow, administrative secretary, effective March 24, 2006. Lausten stated that the mobile data computers, obtained through a grant from the Crime Commission, were installed in police cruisers recently. The Department is working out a few minor issues, but the units are up and running, giving officers instant access to data and allowing for the electronic issuance of citations.

Public Works Director Joe Touchie stated the snowstorm prevented the equipment display that had been planned prior to the Council meeting this evening and that it would be rescheduled. He
also stated that he will be attending a meeting later this week regarding the interlocal agreement for the Markel Pointe development.

C. CONDITIONAL USE PERMIT - INDOOR RECREATION FACILITY - LOT 5, I-80 INDUSTRIAL PARK

1. PUBLIC HEARING

At 7:15 p.m. Mayor Kindig stated the floor was now open for a public hearing on an application for a conditional use permit to operate an Indoor Recreational Facility on Lot 5, I-80 Industrial Park.

A resident whose property is adjacent to this location addressed Council. She had several questions regarding the operation of the proposed facility such as whether it would be applying for a liquor license, hours of operation, the configuration of the building, parking, etc.

Bill Stazzone addressed the Council indicating he was representing the applicant. He gave an overview of the proposed project indicating that a portion of an existing warehouse facility is being proposed to be utilized for volleyball practices and competitions by area teams.

Councilmember Sell asked if all of the conditions outlined had been satisfied. Community Development Director Birch stated that all of the conditions that the City requires to be met are included in the conditional use permit and agreed to by the applicant upon execution. The permit to operate would not be valid if any of the conditions are violated.

There were no further comments and at 7:21 p.m. Councilmember Carlisle made a motion to close the public hearing. Seconded by Councilmember Ellerbeck. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

2. RESOLUTION

Councilmember McLaughlin introduced and moved for the adoption of Resolution No. 06-035: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE EXECUTION OF A CONDITIONAL USE PERMIT FOR THE COURTS, L.L.C. TO OPERATE AN INDOOR RECREATIONAL FACILITY (VOLLEYBALL) ON LOT 5, I-80 INDUSTRIAL PARK.

WHEREAS, The Courts, L.L.C., on behalf of Lavigne Enterprises has applied for a conditional use permit for the purpose of operating an indoor recreational facility (volleyball courts and related uses) on Lot 5, I-80 Industrial Park, located at 6930 S. 137th Circle; and

WHEREAS, the La Vista Planning Commission has reviewed the application and recommends approval; and

WHEREAS, the Mayor and City Council of the City of La Vista are agreeable to the issuance of a conditional use permit for such purposes, subject to the following conditions:

1. Based on submitted information, the conditional use permit should contain a condition limiting the facility to: 1) only youth play and practice prior to 6 p.m. Monday through Friday; 2) striping of additional and/or separate parking areas to be designated by the property owner for individual users of the building if deemed necessary by the City; and 3) a condition specifying that parking on 137th Circle is not allowed.

2. The applicant has provided a traffic impact study that is sufficient to address the criteria in Sections 6.05.05 and 6.05.10 of the Zoning Ordinance. The intersection of 137th Circle and Giles is expected to continue to operate satisfactorily without geometric improvements and a traffic signal is not warranted.

3. The proposed hours of operation are generally until 10 p.m. every night of the week but occasionally may extend to midnight. The applicant has identified a mature vegetative buffer between this site and the single-family residences adjacent to the west side of the property that will help minimize the potential
noise impact. The conditional use permit should prescribe additional coniferous plantings to increase the buffer if warranted by the city.

4. The application states that no alcoholic beverages will be served in this operation.

NOW THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of La Vista hereby authorize the execution of a Conditional Use Permit in form and content submitted at this meeting, for The Courts, L.L.C. to operate an indoor recreational facility (volleyball courts and related uses) on Lot 5, I-80 Industrial Park, subject to the four conditions listed in the last recital above.

Seconded by Councilmember Ellerbeck. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

D. CONDITIONAL USE PERMIT – HOTEL – LOT 1, SOUTHPORT EAST REPLAT TWO

1. PUBLIC HEARING

At 7:22 p.m. Mayor Kindig stated the floor was now open for a public hearing on the application for a conditional use permit for the construction of a hotel on Lot 1, Southport East Replat Two.

Lee Madden addressed the Council indicating he was representing the owners of the property, the North Central Group, and would be glad to answer any questions regarding the project.

There were no questions from Council and at 7:23 p.m. Councilmember Ellerbeck made a motion to close the public hearing. Seconded by Councilmember Carlisle. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

2. RESOLUTION

Councilmember McLaughlin introduced and moved for the adoption of Resolution No. 06-036: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE EXECUTION OF A CONDITIONAL USE PERMIT FOR THE NORTH CENTRAL GROUP TO OPERATE A HOTEL (HAMPTON INN & SUITES) ON LOT 1, SOUTHPORT EAST REPLAT TWO.

WHEREAS, The North Central Group has applied for a conditional use permit for the purpose of operating a hotel (Hampton Inn & Suites) on Lot 1, Southport East Replat Two, located southeast of 126th Street and Southport Parkway; and

WHEREAS, the La Vista Planning Commission has reviewed the application and recommends approval; and

WHEREAS, the Mayor and City Council of the City of La Vista are agreeable to the issuance of a conditional use permit for such purposes, subject to the following conditions:

1. The traffic impact studies done in 2000 and 2001 anticipated 322,000 square feet of retail activity on this portion of Southport East. The proposed use will generate significantly fewer trips per day for the nearly three acres of land on which it is to be located as compared to the traffic from retail use on the same size parcel of land. Therefore, further traffic studies are not warranted at this time.

2. The applicant will need to complete the FAA permit process prior to obtaining building permits.

3. The site plans and exhibits to the conditional use permit need to be made consistent with the P.U.D. site plans and the approved right-in/right-out access plan prior to execution of the conditional use permit.

4. All signage shall comply with the La Vista sign regulations and the adopted Southport East design guidelines.

5. Prior to the issuance of a building permit, the applicant shall pay the sewer connection fee.

6. Prior to the issuance of a building permit, the Fire Department should review the fire hydrant location(s) for adequacy to serve the facility.

NOW THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of La Vista hereby authorize the execution of a Conditional Use Permit in form and content submitted at this meeting, for The North Central Group to operate a hotel (Hampton
Inn & Suites) on Lot 1, Southport East Replat Two, subject to the eight conditions listed in the last recital above.

Seconded by Councilmember Carlisle. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

E. CONDITIONAL USE PERMIT – CHURCH (BEAUTIFUL SAVIOR LUTHERAN) – LOT 133, MAYFAIR REPLAT ONE

1. PUBLIC HEARING

At 7:24 p.m. Mayor Kindig stated the floor was now open for a public hearing on application for a conditional use permit for the construction of Beautiful Savior Lutheran Church on Lot 133, Mayfair Replat One.

Bernice Pfeef er of 7806 So. 98th Street addressed the Council. She indicated that questions regarding egress from the church site had been discussed at a neighborhood meeting. Concern was expressed about large volumes of traffic leaving the church property and the egress being located directly across from her driveway.

Jed Mouton, one of the architects on the project, addressed the Council. He stated that the final design had moved this egress so it was not in direct alignment with any residential driveway, but was actually aligned with the property line between two homes.

Ms. Pfeef er stated she also had a concern about the street being narrow and the congestions that would be created when residents’ cars are parked along the street and the church traffic is exiting onto the street in large volumes.

City Engineer Kottmann stated the streets in this area are 25 feet wide, which is standard for residential neighborhoods. He stated that parking restrictions would be needed on some sections of Melissa Street and once the impact of the church traffic is known, there could be a need to restrict parking in other areas, as well.

Councilmember Sheehan asked about the height of a proposed addition that is shown on the plans. Mr. Mouton indicated that one level of the building actually sits below grade so the church is really not three levels high. He indicated they meet all of the requirements of the zoning and land use for the area and the property will be well buffered.

There were no further comments and at 7:33 p.m. Councilmember Carlisle made a motion to close the public hearing. Seconded by Councilmember Gowan. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

2. RESOLUTION

Councilmember McLaughlin introduced and moved for the adoption of Resolution No. 06-037: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE EXECUTION OF A CONDITIONAL USE PERMIT FOR BEAUTIFUL SAVIOR LUTHERAN CHURCH TO OPERATE A CHURCH ON LOT 133, MAYFAIR REPLAT ONE.

WHEREAS, Beautiful Savior Lutheran Church has applied for a conditional use permit for the purpose of operating a church on Lot 133, Mayfair Replat One, located southwest of 96th and Melissa Streets; and

WHEREAS, the La Vista Planning Commission has reviewed the application and recommends approval; and

WHEREAS, the Mayor and City Council of the City of La Vista are agreeable to the issuance of a conditional use permit for such purposes, subject to the following conditions:

1. The storm sewer capacity will need to be verified at the time of building permit review and the on-site storm sewer system designed to match the capacity of the existing public storm sewer.
2. Prior to the issuance of a certificate of occupancy, parking restrictions will be needed on both sides of Melissa Street from approximately 150 feet west of 97th Avenue to 96th Street, if not already in place. This will provide for visibility of traffic turning into the proposed church entrance.
3. All signage shall comply with the La Vista sign regulations.
4. Prior to the issuance of a building permit, the applicant shall pay the tract sewer connection fee.
5. Prior to the issuance of a building permit, the Fire Department should review the fire hydrant location(s) for adequacy to serve the facility.
6. Prior to use of the daycare, the operators shall obtain the required state permits and meet all city requirements. All proposed fencing shall require city approval and compliance with the design guidelines.

NOW THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of La Vista hereby authorize the execution of a Conditional Use Permit in form and content submitted at this meeting, for Beautiful Savior Lutheran Church to operate a church on Lot 133, Mayfair Replat One, subject to the eight conditions listed in the last rectal above.

Seconded by Councilmember Quick. Councilmember Gowan asked about the start date and was informed work would begin in April. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

F. UPDATE COMPREHENSIVE PLAN (CHAPTERS 3 & 6)
1. PUBLIC HEARING

At 7:34 p.m. Mayor Kindig stated the floor was now open for a public hearing on a proposed update to the Comprehensive Plan (Chapters 3 & 6).

Interim City Administrator Gunn stated staff felt that the demographics section of the Comp Plan was out of date with the 2000 census and needed to be updated. JEO Consulting prepared the City’s existing plan and they were contacted to update the demographics section. Keith Marvin of JEO addressed the Council indicating he would be glad to answer any questions. He pointed out that an interesting fact about La Vista’s demographics is that the City has the highest median rent in the area, but the lowest vacancy rate.

There were no further comments and at 7:35 p.m. Councilmember McLaughlin made a motion to close the public hearing. Seconded by Councilmember Gowan. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried.

2. RESOLUTION

Councilmember Ellerbeck introduced and moved for the adoption of Resolution No. 06-038: A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA, TO APPROVE THE UPDATE TO CHAPTER THREE (POPULATION AND ECONOMIC CHARACTERISTICS) AND CHAPTER SIX (HOUSING PROFILE AND PLAN) OF THE CITY’S COMPREHENSIVE PLAN.

G. APPLICATION FOR CDBG REUSE FUNDING – ORIENTAL TRADING COMPANY

1. PUBLIC HEARING

At 7:36 p.m. Mayor Kindig stated the floor was now open for a public hearing on an application for CDBG Reuse Funding from Oriental Trading Company.

Jake Hansen, representing the Metropolitan Area Planning Agency (MAPA), addressed the Council. He reviewed the application for the City and was present to answer questions. Interim City Administrator Gunn asked Hansen to explain how the reuse fund might be replenished at some point. Hansen stated the money in the reuse fund was originally received from the Nebraska Department of Economic Development for the Smokin' Gun Meats project, which was ultimately unsuccessful. Both the City of La Vista and Sarpy County have money in reuse funds from this project. The Oriental Trading Company application will deplete La Vista's reuse fund and take a portion of Sarpy County's fund, as well. If another project would come along in Sarpy County the State would ask for any balance in reuse funds in La Vista, Bellevue and Sarpy County. If all of the funds were depleted, they could go back to the State for new CDBG funds.

There were no further comments and at 7:39 p.m. Councilmember Carlisle made a motion to close the public hearing. Seconded by Councilmember McLaughlin. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Motion carried

WHEREAS, Oriental Trading Company has submitted an application to Sarpy County and the City of La Vista for $500,000 in CDBG Recovered Program Income funds; and

WHEREAS, the City of La Vista adopted a CDBG Recovered Program Income – Reuse Plan for Economic Development on May 18, 2004, for such purpose; and

WHEREAS, according to the Reuse Plan the application was submitted to the review committee which consists of the executive board of the Sarpy County Economic Development Corporation (SCEDC); and
