I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

Cornerstone would like to utilize some of the proceeds that it will receive to maintain the integrity of the baseball field so that it can continue to be enjoyed by the La Vista baseball community for many years to come.

Cornerstone has also participated in 9<sup>th</sup> Inning Ministries which promotes Christian Values and encourages personal responsibility. The ministry has helped a countless number of La Vista and other regional youth in setting a course of positive behavior and dedication in their lives. Cornerstone has participated in numerous prayer gatherings and organized community events every year in the city of La Vista.

Cornerstone Church hosted a July 3<sup>rd</sup> community event. We had over 250 people from outside the church attend this event. We supplied food, live music, games, door prizes & a fireworks display all provided free of charge to the public.

## **Fireworks Lease**

This Fireworks Lease is entered into by and between Harwood Pizza Building, L.L.C. (Lessor) and Bellino Fireworks, Inc. (Lessee), as follows:

1. Lessor hereby rents to Lessee for the "Fireworks Season" during each year of the "Lease Term" the right to use "the Premises" in AS IS condition for the storage and retail sale of fireworks and for no other uses unless authorized in writing by Lessor. No food trucks shall be allowed on the Premises.

2. The Premises consist of a portion, as may be further designated by the parties in an attachment to this lease, of the real property at 8146 South 96<sup>th</sup> Street, in LaVista, Nebraska, (legally described as Lot 1, Mayfair 2<sup>nd</sup> Addition, Replat Six, in \_\_\_\_ County, Nebraska) (the "Real Property"). The Premises shall include sufficient space to erect a fireworks stand and conduct the sale of fireworks, sufficient space to provide convenient parking for customers of the fireworks stand, and sufficient space for Lessor to store its fireworks. The Premises excludes any location on the real property used by Lessor for storage, signage or other reasons.

3. In addition, Lessee is granted ingress and egress across the Real Property as may be required to permit access to the Premises for Lessee and its invitees, upon a route to be specifically designated by the Lessor. This grant shall create no obligation for Lessor to maintain a roadway for such purpose. Lessor reserves the right of ingress and egress to, over, and through the Premises for its employees, agents, representatives, licensees, or other persons authorized by Lessor to have access to the Premises for all purposes consistent with this Lease.

4. The Fireworks Season shall begin on June 15<sup>th</sup> and shall end on July 8<sup>th</sup> of each lease year. This period includes any set up and tear down that Lessee may require. The right to use the Premises and to have ingress and egress across the Real Property, if needed, shall terminate automatically and with no notice to the Lessee at the conclusion of the Fireworks Season in each lease year.

5. The Lease Term shall be the Fireworks Season in the calendar years of 2018, 2019 and 2020. Notwithstanding the foregoing, the Lease Term shall automatic terminate ninety (90) days after Lessor shall notify Lessee in writing that Lessor is planning to develop the Real Property, or has a purchaser for the Real Property. Upon notification, Lessee may terminate this lease (but not obligations which survive termination) without penalty and without waiting for sale of the Real Property by providing written notice of termination to Lessor. Upon termination of this lease in accordance with this section, Lessor shall, within one week of termination, refund to Lessee a pro-rated portion of any monies that Lessee has paid to lease the Premises for the Fireworks Season remaining.

6. Lessee shall have an exclusive right to store and sell fireworks at the Premises during the Lease Term. Further, Lessor shall not, during the Lease Term, allow any person to use the Real Property not included in the Premises to compete with Lessee with respect to the sale or storage of fireworks.

7. Lessee agrees to pay rent for the Premises in the total amount of Sixteen Thousand Five Hundred Dollars (\$16,500) for the Lease Term, as follows: Five Thousand Dollars (\$5,000) for 2018, Five Thousand Five Hundred Dollars (\$5,500) for 2019, and Six Thousand Dollars (\$6,000) for 2020. The rent shall be paid no later than on the 20<sup>th</sup> of June in each lease year. If any rent payment hereunder is not paid on its due date, an administrative processing charge equal to ten (10%) percent of the amount then due shall be paid by Lessee, without demand, to Lessor.

8. Lessee shall also give Lessor a security deposit of Fifteen Hundred Dollars (\$1,500) on or before June 20<sup>th</sup> of each lease year of the Lease Term. Such deposit shall be refunded to Lessee within ten (10) days next following the conclusion of the Fireworks Season, less any costs Lessor shall incur to clean, repair or make replacements to the Real Property of Lessor, including the Premises, whether or not such was occasioned by acts or omissions of Lessee or any of its agents, employees, contractors, assignees, subletees, or invitees.

9. Lessor agrees to provide access to the Real Property to install a temporary telephone and electric services on the Premises. All expense of installation and removal and all usage costs of such temporary services shall be borne by Lessee.

10. Lessee shall not materially alter the Premises nor remove any existing fence, roadway or appurtenant structure located thereon or on the Real Property without the express written consent of the Lessor. Lessee may erect temporary improvements, such as tents or other portable structures, on the Premises during the Fireworks Season for the purpose of storing or selling fireworks but not for habitation or other uses. All temporary improvements to the Premises made by the Lessee during the Fireworks Season, if any, shall be deemed at all times as the personal property of the Lessee and must be removed at the end of the Fireworks Season at the Lessee's expense.

11. Lessee will keep the Premises in an orderly, clean and sanitary condition throughout the Fireworks Season. Lessee shall neither commit nor permit waste of the Premises, nor shall Lessee permit the depositing of rubbish, refuse, debris, substances or any other material or matter which may be hazardous or disruptive to the environment. Lessee will be responsible for providing temporary trash service during the Fireworks Season at its sole cost and agrees to pick up trash on the Premises daily. Lessee shall remove all its materials and return the area used to its previous condition at the conclusion of each Fireworks Season.

12. Lessee shall comply with all federal, state and local laws, statutes and ordinances and government regulations and will not do or permit to be done on the Premises anything which is in violation of any of the foregoing. In addition, Lessee shall undertake all preventive measures relating to the handling and sale of fireworks and hazardous materials throughout the Fireworks Season.

13. Lessee shall secure all necessary permits and licenses from government authorities to allow it to store and to sell fireworks during each Fireworks Season. If Lessee is unable to obtain the permits and licenses needed to store or to sell fireworks on the Premises during the Lease Term, Lessee may terminate the lease (but not obligations which survive

termination) by giving Lessor written notice of termination within five (5) days of the date Lessee was informed that a government authority denied the permit or license. If the Lessee's notice of termination is given after June 1<sup>st</sup> of the lease year Lessor shall be entitled to one-half of the rent that would be payable on June 20<sup>th</sup> of the lease year.

14. Lessor shall not be liable to Lessee or any of its agents, employees, invitees or contractors, or to any trespassers on the Premises, for injury, damage to property, or other demand, claim or loss occasioned by or through any act or omission of Lessee, its agents, employees, contractors, assignees, subletees, or invitees; and, as further consideration, Lessee shall indemnify and hold Lessor, its officers, agents and representatives harmless from any liability for injury, damage to property, or other demand, claim or loss, including all attorney's fees and reasonable costs incurred by Lessor, made by such persons. Further, Lessee will make no claim against Lessor for loss of Lessee's property from the Premises, whether by theft, burglary, or other means.

15. Lessee will not assign this lease nor will it sublet any part of the Premises without the consent in writing of Lessor. Further, if allowed by Lessor, no person permitted to sublet the Premises may sublet the Premises to any other person. Lessee shall remain obligated to the terms and conditions of this lease notwithstanding any assignment or sublet, and any assignee and/or subletee permitted by Lessor shall be bound to the obligations of Lessee hereunder.

16. Lessee shall obtain, and maintain in effect throughout each Fireworks Season inclusive of all set up and tear down activities of Lessee, liability insurance issued by a reputable insurer of not less than Two Million Dollars (\$2,000,000) insuring against all risks of liability, including the storage and sale of fireworks and hazardous material by Lessee, and its agents, employees, volunteers, or contractors. If an assignment or sublet is permitted, the liability insurance procured by Lessee shall apply to such assignee or subletee. Lessor shall be named as additional insured and the policy shall require prior notice to Lessor in the event of cancellation for any reason.

17. Notices under this lease shall be given as follows:

For Lessor: <u>Hawwood Pizza Building</u> <u>8146 S 96 St NW</u> <u>La Vista, NE 68128</u> <u>Jeff Hawwood</u>
and

18. The waiver by Lessor of any breach or violation of any provision of this lease shall not operate or be construed as a waiver of any subsequent breach or violation hereof.

19. This lease contains the entire agreement between the parties and no change, addition, or amendment shall be made except by written agreement signed by the parties. Notwithstanding the foregoing sentence, any document describing the Premises signed or initialed by Lessor and Lessee that describes the usable portion of the Premises, and any restrictions on ingress or egress or usage, shall be deemed an attachment to this lease and is incorporated by this reference.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

We are seeking to get a permit through the city of Lavista to sell fireworks to help provide a stable club for the youth of Lavista. Have end of season parties for the kids. We would also give back to the community of Lavista by being able to help with city functions.

As president of the club I have taken fireworks training in 1.4g consumer course.
