MAYOR AND CITY COUNCIL REPORT
JANUARY 15, 2019 AGENDA**

Subject:	Type:	Submitted By:
SERVICE AGREEMENT — SARPY COUNTY ECONOMIC DEVELOPMENT CORPORATION (SCEDC)	◆ RESOLUTION ORDINANCE RECEIVE/FILE	BRENDA GUNN CITY ADMINISTRATOR

SYNOPSIS

A resolution has been prepared authorizing the execution of a Service Agreement with Sarpy County Economic Development Corporation (SCEDC).

FISCAL IMPACT

The cost of La Vista's participation will be \$8,500 annually. This is a \$1,000 increase over what was budgeted per year in FY19 & FY20 and will be funded through savings in other areas. An adjustment to the FY20 budget will be recommended during the mid-biennium budget update process.

RECOMMENDATION

Approval.

BACKGROUND

While the City has partnered with the Sarpy County Economic Development Corporation (SCEDC) since 1980, there has never been a formal service agreement. This proposal is intended to re-state our intentions and secure the SCEDC's professional economic development efforts for the promotion, attraction, retention, advertising and marketing of corporate and industrial growth and community investment into the City of La Vista. As a provision of the agreement, SCEDC will make quarterly presentations to the La Vista City Council. The agreement also provides a voting SCEDC Board of Directors seat to a representative of the City of La Vista, which the Mayor is currently filling.

The agreement is a one-year term with an auto-renew mechanism each year, not to exceed ten years of renewals. SCEDC can terminate the agreement with 60-days-notice prior to the end of the existing term. The City may terminate the agreement at any time, with or without cause upon written notice to the SCEDC at least 30 days prior to the effective date of the termination. Any proposed increase of fees must be submitted to the City by SCEDC by April 30 in the year prior to the renewal year term.

RESOLUTION NO. ____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING A PROFESSIONAL SERVICE AGREEMENT WITH SARPY COUNTY ECONOMIC DEVELOPMENT CORPORATION FOR THE PROVISION OF PROFESSIONAL ECONOMIC DEVELOPMENT EFFORTS.

WHEREAS, the City desires to enter into a service agreement with the Sarpy County Economic Development Corporation (SCEDC) for professional economic development efforts; and

WHEREAS, the service agreement runs for a one (1) year term with an auto-renew option not to exceed ten years of renewals unless terminated by either party; and

WHEREAS, the FY 2019/2020 Biennial Budget includes funding for the proposed services and related costs; and

WHEREAS, Subsection (C) (9) of Section 31.23 of the La Vista Municipal Code requires that the City Administrator secure council approval prior to authorizing any purchases over \$5,000;

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of La Vista, Nebraska, hereby authorize the Mayor to execute a professional service agreement with the Sarpy County Economic Development Corporation for professional economic development efforts.

PASSED AND APPROVED THIS 15TH DAY OF JANUARY, 2019.

CITY OF LA VISTA

Douglas Kindig, Mayor

ATTEST:

Pamela A. Buethe, CMC
City Clerk

CONTRACT

THIS CONTRACT is entered into by and between the City of La Vista, a Municipal Corporation in Sarpy County, Nebraska, also referred to as "the City" and Sarpy County Economic Development Corporation, a Nebraska non-profit corporation doing business at 808 Conagra Drive, Suites 400, in Omaha, Nebraska, also referred to as "SCEDC."

RECITALS

WHEREAS, the City of La Vista wishes to assist in a program providing funds for the promotion, marketing and advertising of the City as part of the expanded economic development effort with SCEDC, more specifically; and,

WHEREAS, the City of La Vista wishes to retain the services of a non-profit organization to administer the program; and,

WHEREAS, SCEDC has experience in administering such programs and wishes to provide its professional services for the administration and assistance sought by the City; and,

WHEREAS, the City of La Vista is interested in the creation of jobs and the expansion of the tax base across the City and its Extra Territorial Jurisdiction (ETJ); and,

WHEREAS, SCEDC is committed to creating jobs and increasing the tax base within Sarpy County including the City; and,

WHEREAS, SCEDC and the City of La Vista have come to this agreement for administering funds for SCEDC

IN CONSIDERATION OF THESE MUTUAL COVENANTS, THE CITY OF LA VISTA AND SARPY COUNTY ECONOMIC DEVELOPMENT CORPORATION AGREE AS FOLLOWS:

PROVISIONS OF THE CONTRACT

SCEDC AND CITY OF LA VISTA MUTUALLY AGREE AS FOLLOWS:

1. The term of this agreement shall be one (1) year, January 1, 2019 through December 31, 2019, and shall automatically renew thereafter on a year-to-year basis and on the same terms, unless either party gives notice to the other not less than 60 days before the last day of the then existing term of its election to terminate the agreement effective as of the end of the then existing term. Renewals shall be for a period of not to exceed ten years.
2. This agreement supersedes all prior agreements between the parties and can only be amended in writing with the mutual consent by both parties.
3. This agreement may be changed, modified, extended, or amended by written agreement executed by both parties. All amendments shall be approved by official action of the City of La Vista City Council and the SCEDC Board of Directors and shall be attached to this

document. Notwithstanding anything in this Agreement to the contrary, this Agreement shall be subject to termination by the City at any time with or without cause upon written notice to SCEDC at least 30 days before the effective date of the termination as stated in the notice.

4. The City of La Vista hereby agrees to secure the professional services of SCEDC's economic development efforts for the promotion, attraction, retention, advertising and marketing of corporate and industrial growth and community investment in the City of La Vista.
5. The City of La Vista shall designate one representative to serve on the SCEDC Board of Directors as a voting representative of the City of La Vista in all matters that come before said Board.

SERVICES PROVIDED BY SARPY COUNTY ECONOMIC DEVELOPMENT CORPORATION

SCEDC WILL:

1. Promote the City of La Vista (including the ETJ outside the City Limits) to prospective companies, industries, and consultants for the attraction of new businesses to locate in the La Vista area. Promotion will include print and digital marketing materials, relationship building, professional correspondence, and targeted marketing efforts with specific industries.
2. Advocate for the expressed needs of the City of La Vista when representing La Vista in the Greater Omaha Economic Development Partnership (GOEDP). Advocacy activities include participation in relevant Target Advisory Committees and Councils (Data Center, Value-Added Agriculture, Site Development, Headquarter and Existing Businesses, Manufacturing)
3. Work closely to assist companies interested in locating in the La Vista area. Assistance will include creation and submission of proposals, timely and professional correspondence with project contacts, collection of relevant data from other organizations (including City), and support as requested from the project contacts as the project continues to consider the La Vista area.
4. Generate leads for location in the La Vista area annually through relationships with the GOEDP, NDED, various consultants, and companies.
5. Execute a comprehensive Business, Retention and Expansion (BRE) program that calls on existing companies annually and provides technical assistance to address issues and promote growth within La Vista.
6. Coordinate directly with City representatives to identify utility issues, expansion plans, or other issues or opportunities that will affect the City capacity and/or service provision.
7. Work in partnership with the City to develop and distribute site-specific marketing materials to be used with attraction marketing and existing business customers.
8. Seek direction from the City on marketing efforts and elements of the annual program of work through the City's active participation as a representative on the SCEDC Board of Directors.
9. Identify barriers to economic growth in the community and collaborate with other entities, including the City, to seek solutions to better position the community for economic growth.

FINANCIAL CONSIDERATION TO SCEDC:

The City, subject to annual appropriations for this Agreement, will compensate SCEDC in the total amount of \$8,500 per year to be paid annually starting on January 1, 2019. Any proposed increase of such compensation for any renewal term shall be subject to written approval of the City and must be communicated to the City no later than April 30 of the year before the beginning of the contract term for which the increase would be effective. SCEDC shall, on a quarterly basis, provide the City with a report outlining economic development activities for the previous quarter together with an illustration of significant specific budgeted program expenditures that were utilized to provide the business attraction, retention, advertising and marketing services contemplated by this agreement as illustrated by way of example on the sample report attached hereto as Exhibit A.

REPORTING:

SCEDC shall provide quarterly reports to the City administration and elected officials regarding services delivered. The reports shall include:

1. An update on attraction projects and lead activity.
2. Latest quarterly report of SCEDC activity.
3. An update on BRE program calls and activity.
4. Details of any marketing projects or activities.

ENGINEERING SERVICES AGREEMENT AUTHORIZATION QUIET ZONE SAFETY MEASURES REQUIRED PERIODIC REVIEW	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER

SYNOPSIS

A resolution has been prepared authorizing the Mayor to sign a Professional Services Agreement on behalf of the City of La Vista with Felsburg, Holt & Ullevig (FHU) to provide engineering services to conduct traffic counts, perform field inspections, examine crash records, evaluate the condition of supplementary safety measures and prepare the required report to the Federal Railroad Administration. The agreement establishes a not-to-exceed fee of \$7,250.00 for these services.

FISCAL IMPACT

The FY19/20 Biennial Budget includes funding for professional services in the Streets Division and costs will be shared with Sarpy County as they participated in the establishment of the quiet zone.

RECOMMENDATION

Approval

BACKGROUND

The Federal Railroad Administration regulations require that quiet zones established with Supplementary Safety Measures have periodic evaluations and reports filed every 4.5 to 5 years after their establishment. The La Vista Quiet Zone, which involves the BNSF crossings at 126th Street, West Giles Road, and 132nd Street, was established on March 24, 2014. This requires an update be performed and report submitted by March 24, 2019. FHU was instrumental in providing assistance to gain initial approval of the quiet zone and has the expertise to provide these services to maintain compliance.

RESOLUTION NO. ____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING A PROFESSIONAL SERVICES AGREEMENT WITH FELSBURG, HOLT, & ULLEVIG FOR THE REVIEW OF AND UPDATE TO THE LA VISTA QUIET ZONE SUPPLEMENTARY SAFETY MEASURES.

WHEREAS, the City desires to enter into a professional services agreement with Felsburg, Holt & Ullevig (FHU) for the review of and update to the La Vista Quiet Zone Supplementary Safety Measures; and

WHEREAS, the FY 2019/2020 Biennial Budget includes funding for the proposed services and related costs; and

WHEREAS, Subsection (C) (9) of Section 31.23 of the La Vista Municipal Code requires that the City Administrator secure council approval prior to authorizing any purchases over \$5,000;

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of the City of La Vista, Nebraska, hereby authorize the Mayor to execute a professional service agreement with Felsburg, Holt, & Ullevig for the review of and updated to the La Vista Quiet Zone Supplementary Safety Measures.

PASSED AND APPROVED THIS 15TH DAY OF JANUARY, 2019.

RE: La Vista Quiet Zone
Periodic Update Services

Dear John,

Per your telephone request, Felsburg Holt & Ullevig (FHU) is submitting this proposal for services to review the approximate one-mile BNSF corridor in Sarpy County with associated railroad crossing safety measures for continued compliance with the Final Rule 49 CFS (Sec. 222.47).

General Background

The Use of Locomotive Horns at Highway-Rail Grade Crossings; Final Rule 49 CFS (Sec. 222.47) requires each quiet zone established with Supplementary Safety Measures (SSMs) to have periodic updates 4.5-5 years after their establishment. This is an affirmation by the local authority in writing to the Federal Railroad Administration (FRA) that the quiet zone continues to conform to the requirements of the Final Rule.

According to our records, the La Vista Quiet Zone was established on March 24, 2014, which means it should be updated between September 24, 2018 and March 24, 2019.

FHU will assist the City of La Vista and Sarpy County in retaining the Quiet Zone along the BNSF mainline. We will review the initial quiet zone construction plans, conduct a field visit of each crossing to determine if crossing conditions have changed, both in terms of geometrics and traffic control.

FHU will review the current DOT website for inventory and crash information. We will conduct 24-hour traffic counts, draft new inventory sheets with updated information, and prepare a Notice of Affirmation for retaining the existing quiet zone.

This work will include the three crossings of the BNSF in the La Vista Quiet Zone at:

- 126th Street, DOT # 916752G, MP 029.217
- West Giles Road, DOT # 073039E, MP 029.629
- South 132nd Street, DOT # 073036J, MP 029.739

The Supplementary Safety Improvements (SSMs) at each of the highway-railroad crossings will be reviewed per the FRA's Final Rule for establishing Quiet Zones. We will also review each crossing improvement for conformance with recent Quiet Zone requirements, determinations, waivers, and interpretations by BNSF, NDOT, and FRA. We will identify any potential issues as part of our base services, and if needed, would be willing to assist the City and County in resolving any necessary compliance actions as supplemental services.

We have based our fee estimates on the following Scope of Services including preparation of draft documents for the City of La Vista and Sarpy County to submit to the BNSF, FRA, Amtrak, and NDOT.

Project Scope of Services

This scope of services is for the periodic review of the La Vista Railroad Quiet Zone covering the crossings of the BNSF at 126th Street, West Giles Road, and S. 132nd Street respectively. This Scope of Services assumes that FHU provides the necessary documentation for the City of La Vista and Sarpy County to coordinate with the FRA, BNSF, Amtrak, and NDOT.

The tasks below describe the engineering services to be provided by Felsburg Holt & Ullevig (FHU) to the City of La Vista and Sarpy County for maintaining the La Vista Quiet Zone in Sarpy County. This scope of services consists of the reviewing existing documents, conducting site visits, and preparing notices to the agencies.

TASK 1. Project Management

- a. Project Management - The FHU Project Manager will serve as point of contact, maintain project schedule and budget, and provide regular progress reports with invoices.

TASK 2. Meetings

- a. Kick-Off Meeting - FHU will attend a kick-off meeting with La Vista and Sarpy County staff at the initiation of the project. No Public Information Meetings are planned as part of this scope.

TASK 3. Document and Field Review

- a. FHU will review the FRA website for existing inventory data and crash records.
- b. FHU will examine the as-built plans and Notices of Quiet Zone Establishment for compliance with the latest FRA regulations and interpretations.
- c. FHU will conduct an on-site field review and measurements for condition of the Supplementary Safety Measures and related traffic control.
- d. FHU will conduct 24-hour traffic counts at each crossing.

TASK 4. Submittals

- a. FHU will prepare the Notice of Affirmation to Retain an Existing Quiet Zone, Chief Executive Officer(s) Statements, and updated inventory sheets for each crossing in appropriate form for submittal to the BNSF, FRA, and NDOT.
- b. FHU would also be available for consultation and submittals with agencies regarding potential compliance issues as a supplemental service at our standard hourly rates.

Project Schedule

Upon receipt of a signed agreement, FHU will begin working on this assignment. We will complete and submit the draft documents for the La Vista Quiet Zone within 30 calendar days after holding the kick-off meeting. This schedule is based on a period of 5 days for the City to provide the documents listed above after the Notice to Proceed.

Project Fee Estimate

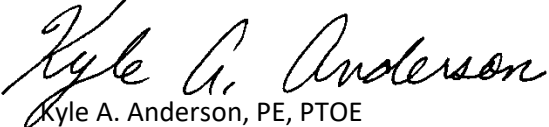

We propose to conduct these services on a Cost Plus Fixed Fee basis, with other direct costs, such as printing reimbursed at a rate of 1.1 times actual cost. At our standard hourly rates, we estimate that the services associated with reviewing the crossing safety measures could be completed for a maximum fee of **\$7,250**. This amount would be established as a "not to exceed" limit beyond which no charges could be made without the City and County's prior written approval. Our "Letter Agreement Standard Provisions" (**Attachment A**) are attached hereto and are incorporated into this agreement. A detailed fee schedule (**Attachment B**) is also included that shows the assumptions included within our fee estimate for the services.

Letter Agreement Standard Provisions

A. SERVICES BY THE CONSULTANT

The **CONSULTANT** agrees to perform all services, hereunder, using reasonable skill and judgment in accordance with applicable professional standards. **CONSULTANT** agrees to keep the **CLIENT** informed on its progress through periodic reports, and to maintain accurate records relating to its services for this project.

The **CONSULTANT** agrees to provide, directly or by association with such other Consultants or Contractors as it may deem necessary to further the interest of the **CLIENT**, the basic services as described in the Scope of Work provided in the signed Letter Proposal or Letter Agreement.

B. RESPONSIBILITIES OF THE CLIENT

The **CLIENT** shall provide and make available to the **CONSULTANT**, for his use, all maps, property descriptions, surveys, previous reports, historical data, and other information within its knowledge and possession relative to the services to be furnished hereunder. Data so furnished to the **CONSULTANT** shall remain the property of the **CLIENT** and will be returned upon completion of its services.

The **CLIENT** shall make provisions for the **CONSULTANT** to enter upon public and private properties as required for the **CONSULTANT** to perform its services hereunder.

C. EXTRA WORK

The **CLIENT** may desire to have the **CONSULTANT** perform work or render services other than those provided in Scope of Work. This will be Extra Work. Work shall not proceed until so authorized by the **CLIENT**. Payment for all work under this Agreement shall be on an hourly basis plus expenses in accordance with the attached rate schedule. Charges for outside services, expenses, and subconsultant work will be billed at 1.10 times the invoice amount.

D. TIME OF BEGINNING AND COMPLETION

Execution of the Letter Proposal is authorization by the **CLIENT** for the **CONSULTANT** to proceed with the work (Time of Beginning). The original Time of Completion is as noted in the Letter Agreement.

E. PAYMENT

Unless otherwise provided herein, **CONSULTANT** shall submit monthly invoices for Basic, Additional or Special Services and for Reimbursable Expenses each month for work that has been performed. If hourly, invoices will be based on labor and expenses incurred. If lump sum, invoices will be based on the percentage of work completed.

Payments not made within 60 days of the billing date shall bear interest at the rate of 1% per month which is an annual interest rate of 12%. If any portion of, or an entire account remains unpaid 90 days after billing, the **CLIENT** shall pay all costs of collection, including reasonable attorney's fees.

F. DELAYS

If the **CONSULTANT** is delayed at any time in the progress of work by any act or neglect of the **CLIENT** or its agents, employees or contractors, or by changes in the work, or by

extended reviews by the **CLIENT**, fire, unavoidable casualties, or by any causes beyond the **CONSULTANT'S** control, the time schedule shall be extended for a reasonable length of time, and **CONSULTANT'S** compensation may be subject to renegotiation for increased expenses due to escalation of prices, extended services, rework, and/or other expenses incidental to such delays.

G. OWNERSHIP OF DOCUMENTS

All drawings, specifications, reports, records, and other work products developed by the **CONSULTANT** associated with this project are instruments of service for this project only and shall remain the property of the **CONSULTANT** whether the project is completed or not. The **CONSULTANT** shall furnish originals or copies of such work product to the **CLIENT** in accordance with the services required hereunder. Reuse of any of the work product of the **CONSULTANT** by the **CLIENT** on an extension of this project or on any other project without the written permission of the **CONSULTANT** shall be at the **CLIENT'S** risk and the **CLIENT** agrees to defend, indemnify, and hold harmless the **CONSULTANT** from all claims, damages, and expenses including attorney's fees arising out of such unauthorized reuse by the **CLIENT** or by others acting through the **CLIENT**. Any reuse or adaptation of the **CONSULTANT'S** work product shall entitle the **CONSULTANT** to equitable compensation.

H. INSURANCE

During the course of the services, the **CONSULTANT** shall maintain Workmen's Compensation Insurance in accordance with the Workmen's Compensation laws of the State of Nebraska; Professional Liability Insurance with a minimum coverage of \$1,000,000 per occurrence, \$2,000,000 aggregate; Automobile Liability with a combined single limit coverage of \$1,000,000; and Commercial General Liability of \$1,000,000 per occurrence, \$2,000,000 aggregate. Upon request, the **CONSULTANT** shall provide certificates of insurance to the **CLIENT** indicating compliance with this paragraph.

I. TERMINATION

Either the **CLIENT** or the **CONSULTANT** may terminate this Agreement at any time with or without cause upon giving the other party fourteen (14) calendar days prior written notice. The **CLIENT** shall within sixty (60) calendar days of termination pay the **CONSULTANT** for all services rendered and all costs incurred up to the date of termination, in accordance with the compensation provisions of this contract.

J. DISPUTES

Any claim, dispute, or other matter in question between the **CLIENT** and the **CONSULTANT**, arising out of or relating to either's obligations to the other under this Agreement, shall, if possible, be resolved by negotiation between the **CLIENT'S** representative and the **CONSULTANT** Principal-in-Charge for the Project. **CLIENT** and **CONSULTANT** each commit to seeking resolution of such matters in an amicable, professional, and expeditious manner. If a matter cannot be resolved by these parties, no later than thirty (30) calendar days after either party submits an issue in writing for resolution,

representatives from executive management of the **CLIENT** and **CONSULTANT** shall attempt to resolve the matter through additional good faith negotiations. If resolution cannot be reached within an additional thirty (30) calendar days, the **CLIENT** and **CONSULTANT** agree that all such unresolved disputes shall be submitted to nonbinding mediation.

Pending final resolution of the dispute, the **CONSULTANT** shall proceed diligently with the performance of the Basic Services as described in Article A, as directed by the **CLIENT**, and the **CLIENT** shall continue to pay the undisputed payments due to the **CONSULTANT** for such services in accordance with the payment provisions of this Agreement.

K. GOVERNING LAW

Unless otherwise agreed in writing, this Agreement and the interpretation thereof shall be governed by the law of the State of Nebraska.

L. SUCCESSORS AND ASSIGNS

The **CLIENT** and the **CONSULTANT** each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party with respect to all covenants of this Agreement. Neither party shall assign or transfer its interest in this Agreement without the written consent of the other.

M. EXTENT OF AGREEMENT

This Agreement represents the entire and integrated agreement between the parties and supersedes all prior negotiations and representations. Nothing herein shall be deemed to create any contractual relationship between the **CONSULTANT** and any other consulting business, or contractor, or material supplier on the project, nor obligate it to furnish any notices required under other such contracts, nor shall anything herein be deemed to give anyone not a party to this Agreement any right of action against a party which does not otherwise exist without regard to this Agreement.

N. NOTICES

All notices and instructions given by either party to the other shall be in writing, and shall be deemed to be properly served if delivered to the address of record shown below, or if deposited in the United States Mail properly stamped with the required postage and addressed to such party at the address in the Letter Proposal or Letter Agreement. The date of service of a notice sent by mail shall be deemed to be the day following the date on which said notice is so deposited. Either party hereto shall have the right to change its address by giving the other party written notice thereof.

O. ACCURACY OF SERVICES AND LIMITATION OF LIABILITY

The **CONSULTANT** shall use reasonable professional skill and judgment in providing the services, hereunder, but does not warrant that such services are without errors and/or omissions. If, during the authorized use and prudent interpretation of documents or advice furnished by the **CONSULTANT**, an error or omission is discovered within a reasonable time, the **CONSULTANT** shall be responsible for correction of any work which must be removed or altered to meet the project requirements, provided the **CONSULTANT** is given a

reasonable opportunity to make remedial recommendations and to correct or arrange for the correction of the work itself. The **CONSULTANT** will not be liable for the cost of procurement of work or services performed in correcting such errors and/or omissions where such work or services result in a value to the Project over and above that which the original work or services provided.

In providing opinions of probable construction cost, the **CLIENT** understands that the **CONSULTANT** has no control over costs or the price of labor, equipment, or materials, or the Contractor's method of pricing, and that the opinions of probable construction costs provided herein are to be made based on the **CONSULTANT'S** qualifications, and experience. The **CONSULTANT** makes no warranty, expressed or implied, as to the accuracy of such opinions as compared to bid or actual costs.

The **CONSULTANT** agrees, to the fullest extent permitted by law, to indemnify and hold the **CLIENT** harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the **CONSULTANT'S** negligent acts, errors or omissions in the performance of professional services under this Agreement and those of his or her subconsultants or anyone for whom the **CONSULTANT** is legally liable.

The **CLIENT** agrees, to the fullest extent permitted by law, to indemnify and hold the **CONSULTANT** harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the **CLIENT'S** negligent acts, errors or omissions and those of his or her contractors, subcontractors or consultants or anyone for whom the **CLIENT** is legally liable, and arising from the project that is the subject of this Agreement. **CLIENT'S** amount of indemnity or costs incurred in providing the indemnity shall be limited to the same amount as the **CONSULTANT'S** liability is listed below.

As negotiated as a part of this Agreement, to the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of the **CONSULTANT** and the **CONSULTANT'S** officers, directors, partners, employees, agents and subconsultants, to the **CLIENT** and anyone claiming by, through or under the **CLIENT**, for any and all claims, losses, costs or damages of any nature whatsoever arising out of, resulting from or in any way related to the Project or the Agreement from any cause or causes, including but not limited to the negligence, professional errors or omissions, strict liability, breach of contract or warranty, express or implied, of the **CONSULTANT** or the **CONSULTANT'S** officers, directors, employees, agents or subconsultants, or any of them, shall not exceed the total amount of \$100,000.

Upon execution of the Letter Agreement or Letter Proposal, the **CLIENT** thereby agrees to the terms of these Special Provisions.

Subject:	Type:	Submitted By:
AUTHORIZE REQUEST FOR QUALIFICATIONS & PROPOSALS-ENGINEERING SERVICES EAST LA VISTA-SEWER & PAVEMENT REHABILITATION	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER

SYNOPSIS

A resolution has been prepared authorizing a Request for Qualifications & Proposals for consulting engineering services necessary to provide evaluation and design services for the East La Vista Pavement & Sanitary Sewer Rehabilitation. Evaluation of existing conditions and identification of rehabilitation options would be provided as part of Phase 1 in 2019 with detailed survey and design to occur as Phase 2 in 2020. Proposals are due by 3:30 pm, local time, on March 7, 2019. City staff members will evaluate the proposals, conduct interviews, and negotiate a proposed fee with the selected firm for Phase 1. The proposed agreement with the selected firm will be brought back to the City Council for approval.

FISCAL IMPACT

The FY19/20 Biennial Budget includes funding for this project.

RECOMMENDATION

Approval

BACKGROUND

The Capital Improvement Program includes a project for East La Vista Sewer & Pavement Rehabilitation. This is the initial platting of La Vista lying east of 72nd Street and south of Harrison Street. This is CIP Project No. PWSS-13-001. The infrastructure in this area is now over 50 years old. The deterioration of both pavement and sanitary sewers in this area makes it desirable to seek combined rehabilitation options. The following schedule is proposed:

Publish Notice of Request for Proposals
Receive Proposals
City Council Authorize Agreement

January 23 and 30, 2019
Until March 7, 2019 @ 3:30 pm local time
To Be Determined

Notice of Request for Proposals will also be sent to firms with known interest and ability to provide these services.

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE REQUEST FOR QUALIFICATIONS AND PROPOSALS FOR ENGINEERING SERVICES FOR EAST LA VISTA SEWER & PAVEMENT REHABILITATION.

WHEREAS, the Mayor and Council have determined that the rehabilitation of sewer and pavement in East La Vista is necessary; and

WHEREAS, the FY 19/20 Biennial Budget provides funding for the potential public improvements; and

WHEREAS, proposals will be due March 7, 2019 with the approval of selected firm by the City Council at a later date to be determined;

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council hereby authorize the request for qualifications and proposals for Engineering Services for East La Vista Sewer & Pavement Rehabilitation.

PASSED AND APPROVED THIS 19TH DAY OF JANUARY, 2019.

East La Vista
Sewer & Pavement Rehabilitation
City of La Vista, Nebraska**

The City of La Vista ("City") is seeking proposals from qualified engineering consultants to conduct an evaluation and design of sewer and pavement rehabilitation in the East La Vista study area. Proposals will be received Monday through Thursday, 8:00 am to 4:30 pm and Friday from 8:00 am to 12:00 noon, local time, except holidays, from January 16, 2019 until 3:30 pm on March 7, 2019.

All proposals must be sent to Pam Buethe, La Vista City Clerk, 8116 Park View Boulevard, La Vista, NE 68128.

All companies and individuals who are interested in preparing a proposal must only contact John M. Kottmann, City Engineer, 9900 Portal Road, La Vista, NE 68128. **Contact with any other City employee, elected official, or others associated with the project may result in disqualification.**

Project specific information can be requested in writing from John M. Kottmann, City Engineer, 9900 Portal Road, La Vista, NE 68128, (402) 331-8927, or jkottmann@cityoflavista.org. Information and the complete request for proposals are also available on the internet at:

EAST LA VISTA

SEWER & PAVEMENT REHABILITATION

CITY OF LA VISTA, NEBRASKA

PROPOSALS DUE 3:30 PM, MARCH 7, 2019

PURPOSE

The City of La Vista, Nebraska (City) is hereby soliciting consultant qualifications and proposals for professional services to provide evaluation and design services for the East La Vista Pavement and Sanitary Sewer Rehabilitation. The East La Vista area was the first subdivision platting and development which began the City of La Vista around 1960. This request invites qualified consultants to submit qualifications and proposals for accomplishment of the work described below under Scope of Services.

PROJECT DESCRIPTION

Provide professional testing, inspection, engineering and surveying services to prepare recommendations, opinions of construction costs, preliminary designs, final design and bidding documents for pavement and sanitary sewer rehabilitation in the East La Vista area shown on Exhibit "A" attached herewith.

The project area contains approximately 12,700 feet of 8-inch sanitary sewer and 13,280 feet of public street (centerline length). Closed circuit televising of most of the existing sanitary sewers has been performed by City forces during 2016, 2017 and 2018. Video files of this televising are available at

https://www.dropbox.com/sh/zlk5vavy3eb6zu4/AAD_3Pa_5VX7o0V1urkYvdlba?dl=0

(if this access does not work, a flash drive copy can be requested)

The services are anticipated to occur in two phases. The first phase is the investigation of existing conditions and analysis of alternatives with initial opinions of cost. The first phase is anticipated to utilize lidar survey information available from Sarpy County GIS resources. The second phase will include detailed field survey work and preparation of construction documents based on the recommended and accepted rehabilitation method from the first phase.

SCOPE OF SERVICES

Phase 1:

- Conduct CCTV inspections on all sanitary sewer lines in the East La Vista area. Sanitary sewer lines shall be cleaned sufficiently for televising and video recording. Protruding sewer taps may limit access and require televising from upstream and downstream to capture conditions to the extent possible. Root cutting can be expected to be necessary. Specific hydrants will be identified for use in obtaining cleaning water. The City will provide a temporary meter for water usage at no charge for cleaning operations on this project only. Pipeline video shall be provided in a digital format acceptable to the City. The inspection shall be in color and the camera shall have pan and tilt capabilities and accurate distance measurement capability.
- Obtain pavement cores from existing pavement to determine composition and thickness. The consultant shall recommend frequencies as part of the Proposal.
- Obtain subsurface soils investigation and provide geotechnical recommendations related to construction of the proposed sewer and pavement rehabilitation. Consultant shall identify the frequency of such testing proposed for Phase 1 and the additional testing

necessary for Phase 2.

- Review all available reports, plans, maps and studies that the City has available for the project area and incorporate relevant information from such documents into the design work for the contemplated improvements. The City will make available copies of any infrastructure plans for abutting roads and sewers as well as publicly submitted studies.
- Make recommendations as to sanitary sewer rehabilitation methods to be considered based on evaluation of the existing system conditions. Desired solutions shall have an expected life of at least 50 years. Include sewer system schematic maps showing manholes and pipes recommended for rehabilitation with tables detailing the number and type of repair method recommended for the identified manholes and pipes. Content shall include:
 - Identify public sewer system defects with locations identified
 - Identify private service lateral defects with locations identified and property address
 - Provide a summary of the costs to construct the rehabilitation separated by public and private portions of the system
 - Provide alternative costs if multiple solutions are suggested for consideration.
 - Identify if certain solutions are predicated on certain pavement rehabilitation options being selected.
- Make recommendations as to pavement rehabilitation methods to be considered based on evaluation of the existing conditions and sewer system rehabilitation options. Desired solutions shall have an expected life of at least 50 years prior to total reconstruction with surface maintenance treatments occurring at 20 year intervals. Include schematic roadway maps showing recommended rehabilitation areas and typical sections of various options. Solutions and content shall address the following:
 - Preservation of access to residents, including emergency access
 - Coordination of construction with sewer rehabilitation options
 - Provide a summary of the costs to construct the pavement rehabilitation with identification of whether a method is connected to a particular sewer system rehabilitation option.
 - Provide alternative costs if multiple solutions are suggested for consideration
- Meet with the City and local agencies such as utility companies, for the purpose of discussing designs, options, construction schedules, permitting, alternatives, costs, and other relevant matters to installing and/or facilitating the rehabilitation of sewers and pavement and potential coordination with utility company rehabilitation needs.
- Conduct a public meeting for the purpose of providing information to residents regarding the project and providing an opportunity for them to ask questions, voice concerns and give input regarding the proposed rehabilitation work.

- After review of input, questions, and concerns expressed at the public meeting, the consultant shall attend a workshop not exceeding 4 hours with City staff to discuss the options presented in order to select a preferred solution. After this meeting the consultant shall prepare a report identifying the solution and opinion of probable construction costs to be presented to the City Council. The costs shall include final design and construction phase consultant services. The consultant shall have representation at the City Council meeting to respond to questions.

Phase 2:

After the City Council has considered and accepted the recommended rehabilitation method(s) the consultant shall proceed with the following services:

- Perform topographic survey of the proposed public street right of ways in the East La Vista project area including all utility information observable and marked through the Nebraska One Call system. Survey shall be conducted to industry standards sufficient for the purpose of creating construction documents.
- Prepare preliminary plans and specifications for the sanitary sewer and pavement rehabilitation improvements. Preliminary plans shall contain proposed vertical and horizontal alignment, typical cross sections, proposed construction limits and right of way limits, proposed storm sewer improvements as part of the pavement rehabilitation. Preliminary specifications shall be in outline form identifying the proposed general conditions and a list of standard technical specifications to be followed as well as a list of Special Provisions that will be written for the project.
- Prepare preliminary recommendations and illustrations for construction phasing needed in order to maintain access for residents including considerations for emergency access and garbage collection. Coordinate with utility companies for phasing in regards to concurrent work that utility companies may need to perform with this infrastructure.
- Prepare an updated opinion of probable construction costs based upon the preliminary plans.
- After receipt of review comments from City staff and affected utility companies prepare final plans and specifications that address or respond to the review comments. Final plans shall include additional details such as proposed grades and spot elevations, construction and removal plans, erosion control, private driveway, sidewalk and sewer service replacements, easement limits, utilities coordination, barricading, construction phasing, quantities and bid items. Final plans shall be supported by sanitary sewer and

storm sewer design and hydraulic analyses. Final specifications shall include bid items and quantities and completed Special Provisions. The 2014 Edition, or later editions if adopted, of the City of Omaha Standard Specifications for Public Works Construction shall be utilized.

- Prepare a plat map and legal description of temporary and permanent easements (if any) to be obtained by the City for the proposed public infrastructure improvements.
- Conduct a public meeting for the purpose of presenting information to residents and answering questions.
- Finalize the plans and specifications for bidding purposes based upon review comments provided by the City. Prepare an updated opinion of probable construction costs based upon the finalized plans and specifications.
- Provide project management services including a pre-design meeting upon Notice to Proceed, regular design progress meetings (anticipate bi-weekly) plan-in-hand review meeting at preliminary plan review, design contract administration and scheduling, coordination of design team including all sub-consultants, and development of a project schedule. Consultant shall document all meetings and provide meeting minutes to attendees.
- Construction phase engineering services will be provided by the selected engineering firm and will be negotiated in a separate agreement after receipt of bids for the construction work.

PROJECT SCHEDULE

All firms submitting proposals must be prepared to initiate work on this project approximately April 1, 2019. Phase 1 services are to be completed by October 1, 2019. Phase 2 services will occur in 2020 with a more specific schedule to be determined after Phase 1. Only those firms able to perform the necessary work activities within this schedule should respond to this RFP.

PROPOSAL REQUIREMENTS

In order to facilitate review of the project proposals by the City of La Vista, the following information must be included in the proposal in the order listed:

1. A letter of interest not to exceed 5 pages. This needs to identify the primary and secondary contact persons with phone and e-mail contact information. This letter shall identify the consulting firm's experience in the study and design of sewer and pavement rehabilitation projects.

2. The body of the proposal (Project Understanding and Approach) shall be limited to ten (10) pages, 8 1/2" by 11" single sided and up to three(3) additional pages, 11" by 17" single sided.
3. Listing of other firms included in the Project Team. This discussion should include the primary areas of responsibility of each team firm, an estimated proportion of the total contract work to be performed by each team firm and their primary office location. The applicable experience of proposed team members and history of working together as a team is to be included.
4. A listing of similar work performed within the last 3-years to include dollar value, project description, project team, and contacts for project owners. Each project description (maximum of four (4) allowed) will be limited to one single sided page.
5. A maximum of 2 pages of additional supportive material such as charts, tables, or photos.
6. The names of key personnel, qualifications, experience and the proposed project manager shall be provided. This should include a discussion of similar projects the key personnel and project manager have worked on. The availability of the key personnel and their redundancy to work on this project needs to be set forth in the Proposal. An organization chart and resumes would be included in this section (maximum 10 pages).
7. A project schedule outlining the time frame and estimated completion date of each major task outlined in the project approach section. The project schedule should include estimated dates for deliverable products throughout the course of the design period.
8. Cost proposal. The submittal shall include an estimated lump sum fee, for Phase 1 services including all sub-consultants and expenses. For Phase 2 services identify a percentage, or a narrow range of percentages, of construction costs that will cover the Phase 2 services.
9. Submit three (3) bound copies of the Proposal and one (1) CD-R or flash drive containing a pdf copy of the Proposal.
10. Provide proof of professional liability insurance in the amount of not less than \$2,000,000.

NOTES:

- A. The estimated lump sum fee for Phase 1 will be finalized in negotiations with the selected consultant. Scope revisions may take place during such negotiations that affect the lump sum fee.
- B. The City of La Vista reserves the right to utilize the selected consultant for construction phase services.

EVALUATION CRITERIA & SELECTION PROCESS

1. Evaluation Criteria. The following are the critical areas of the proposals to be evaluated by the internal review committee:
 - a. Quality and Completeness: Does the described plan and approach to deliver

- services adequately address those identified in the RFP?
- b. Experience: Has the consultant demonstrated the ability to successfully provide services for projects of similar complexity and nature as described herein?
 - c. Staff: Do the qualifications of key project team members to be assigned to the project coincide with tasks listed in the Scope of Work? Do assigned personnel have requisite education, experience and professional qualifications?
 - d. Organization: Does the consultant offer the quality of services required for the types of projects listed in the Scope of Work? Does the firm's organizational structure show sufficient depth for its present workload? How would the project described in this RFP fit into the consultant's schedule?
 - e. Specific Management Approach: Has the consultant described its ability to design rehabilitation projects with multiple aspects and coordinate with other agencies/utilities to achieve overall cost savings? How will the firm apply its techniques and resources to achieve these results?
 - f. Reputation: Are the consultant's references from past clients, associates, or any publicly available sources favorable?
 - g. Fee: Are the preliminary fees identified by the consultant reasonable for the services requested and the capabilities of the consultant?
2. Selection Process. Proposals will be reviewed by an internal review committee. Due to the nature of the services sought, evaluation of proposals will in large part be subjective. Consultants submitting the highest quality professional services proposals will be invited to interview with the City. However, the City may make a selection based solely on proposals, without interviews. At the conclusion of the selection process, the City will undertake contract negotiations with the top-ranked firm. The City reserves the right to accept any proposal in whole or in part and to reject any and all proposals, to waive irregularities and to negotiate and revise terms with proposers without notice to other proposers. Proposers will not be compensated for costs associated with preparing a proposal or for attending an interview.

PROTOCOL

1. Submittal. Proposals must be at the City of La Vista Public Works Department, 9900 Portal Road, La Vista, NE 68128 no later than 3:30 pm, March 7, 2019. No exceptions to this deadline will be given. Please provide the required copies of your proposal in an envelope or other sealed container clearly marked on the exterior as containing "Proposal for Engineering Consulting Services-Evaluation & Design-East La Vista Sewer & Pavement Rehabilitation-City of La Vista, Nebraska".
2. Questions. Firms interested in submitting proposals should contact John Kottmann, City of La Vista Public Works Department, 9900 Portal Road, La Vista, NE (402) 331-8927, or jkottmann@cityoflavista.org for any additional questions regarding the project. All questions shall be submitted in writing and shall be received not less than seven (7) calendar days prior to the submittal date. Questions received by this deadline will be answered in writing via e-mail as an Addendum to all holders of RFP documents.
3. Life of Proposal. Proposals must remain firm for not less than ninety (90) days from the proposal due date.
4. Affirmative Action. The consultant, with regard to the services performed by it during the project, shall not discriminate on the grounds of race, color, national origin, sex, age and

disability/handicap including selection of sub-consultants.

5. Proprietary Information. A consultant may restrict the disclosure of scientific or technological innovations in which it has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the Proposal by:
 - a. Marking each page of each such document prominently in at least 16 point font with the words "Proprietary Information";
 - b. Printing each page of each such document on a different color paper than the paper on which the remainder of the proposal is printed; and
 - c. Segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words "Proprietary Information" in at least 16 point font, along with the name and address of the Consultant firm making the proposal
 - d. SYNOPSIS

A resolution has been prepared authorizing the advertisement for bids for 84th Street Pavement Rehabilitation from Giles Road to Harrison Street which also includes Brentwood Drive from 84th to 87th Street.

FISCAL IMPACT

The FY19/20 Biennial Budget includes funding for this project.

RECOMMENDATION

Approval

BACKGROUND

The proposed construction includes removal of existing asphaltic concrete overlay, concrete pavement repair, inlet top replacement, pavement markings, traffic control and miscellaneous appurtenant work. This is CIP Project No. PWST-19-004 and also identified as Project M-376(217) in the 1 & 6 Yr Road Program. An agreement was entered into with the NDOT at the September 5, 2017 City Council meeting to reimburse the City for the construction costs of resurfacing the four through lanes of 84th Street. That portion of the work is approximately \$661,000.

Preparation of plans and specifications for this project have been completed by Olsson Associates. The Engineer's Estimate for the project is \$1,507,590 including construction, engineering and contingency costs. The recommended schedule for bidding this work is:

Publish Notice to Contractors	January 23 and 30, 2019
Open Bids	February 8, 2019 at 10:00 am City Hall
Council Award Contract	February 19, 2019

The Notice to Contractors will also be posted on the City's web site and at www.standardshare.com

ADVERTISEMENT FOR BIDS PARK VIEW BLVD RESURFACING 72 ND ST TO 84 TH ST	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER

SYNOPSIS

A resolution has been prepared authorizing the advertisement for bids for Park View Blvd Resurfacing-72nd St to 84th St.

FISCAL IMPACT

The FY19/20 Biennial Budget includes funding for this project. The cost estimate exceeds the funding shown for the project. This is the result of adding curb ramp reconstruction in order to meet ADA accessibility requirements and extending the project from 81st Street to 84th Street as well as four inlet top replacements. Additional sources of funds will be from the inlet top replacement project in the CIP as well as funds for 84th Street improvements.

RECOMMENDATION

Approval

BACKGROUND

The proposed construction includes removal and replacement of the existing asphaltic concrete overlay on Park View Blvd from 72nd to 84th. The work also includes removing and replacing four inlet tops and replacing curb ramps at 30 intersection corners to meet current standards of accessibility. Removal and replacement of concrete pavement below the asphalt in badly deteriorated areas is also included. This is CIP Project No. PWST-19-003 and also identified as Project M-376(226) in the 1 & 6 Year Road Program.

Preparation of plans and specifications for this project have been completed primarily in-house by the City Engineer with some drafting assistance from TD2. The Engineer's Estimate for the proposed construction work is \$700,150. The recommended schedule for bidding this work is:

Publish Notice to Contractors	January 23 and 30, 2019
Open Bids	February 8, 2019 at 10:00 am City Hall
City Council Award Contract	February 19, 2019

The Notice to Contractors will also be posted on the City's web site and at www.standardshare.com

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE ADVERTISEMENT FOR BIDS FOR PARK VIEW BLVD. RESURFACING.

WHEREAS, the Mayor and Council have determined that the resurfacing of Park View Blvd. from 72nd Street to 84th Street is necessary; and

WHEREAS, the FY 19/20 Biennial Budget provides funding for the potential public improvements; and

CHANGE ORDER No. 2 84 TH STREET REDEVELOPMENT AREA PUBLIC IMPROVEMENT REDEV. PROJECT 84 TH STREET ACCESS IMPROVEMENTS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER

SYNOPSIS

A resolution has been prepared to approve a change order to the contract with Swain Construction, Inc. of Omaha, Nebraska to provide for the additional cost of a traffic signal battery backup that was required by Nebraska Department of Transportation review after bids were taken. The contract price increases from \$540,336.11 to \$547,838.11.

FISCAL IMPACT

The FY 19/20 biennial budget includes funding for this project.

RECOMMENDATION

Approval

BACKGROUND

The initial contract was awarded to Swain Construction, Inc. on May 15, 2018 in the amount of \$529,953.11. Change Order No. 1 was approved at the November 20, 2018 Council Meeting that increased the contract price to \$540,336.11. This change order provides for the material cost of adding a battery backup to the traffic signal at the 84th Street and City Centre Drive intersection. The requirement for the battery backup was determined during a plan review by the NDOT occurring after bids were taken and the battery backup was not part of the original bid requirements. These changes amount to an addition of \$7,502.00. There is no change in completion dates as part of this change order.

RESOLUTION NO. ____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING CHANGE ORDER NUMBER 2 TO THE CONTRACT WITH SWAIN CONSTRUCTION, INC., OMAHA, NEBRASKA, TO PROVIDE FOR THE ADDITION OF WORK TO THE CONTRACT IN AN ADDITIONAL AMOUNT NOT TO EXCEED \$7,502.00.

WHEREAS, the City has determined it is necessary to make changes and additions of work to the contract; and

WHEREAS, the FY19/20 Biennial Budget provides funding for the project. The contract price increases from \$540,336.11 to \$547,838.11

NOW THEREFORE, BE IT RESOLVED, by the Mayor and City Council of the City of La Vista, Nebraska, that the Mayor is authorized to execute the necessary documents for change order number 2 to the contract with Swain Construction Inc., Omaha, Nebraska, to provide for the addition of work to the contract in an additional amount not to exceed \$7,502.00.

POSITION DESCRIPTIONS: NEW AND UPDATE	RESOLUTION ORDINANCE ◆ RECEIVE/FILE	RITA RAMIREZ ASSISTANT CITY ADMINISTRATOR DIRECTOR COMMUNITY SERVICES

SYNOPSIS

A job description for a new Assistant Planner position has been created. Additionally, the job description for the existing Planner position has been updated and retitled Senior Planner.

FISCAL IMPACT

Both positions are currently included in the biennial budget.

RECOMMENDATION

Approval.

BACKGROUND

A new full time Assistant Planner position was approved in the FY19-FY20 biennial budget and funded for hire after January 1, 2019. The Community Development Department currently has a part time intern position to help with research and task work associated with the planning function. With the large number of ongoing development projects, the need for a full time position to assist with planning functions is necessary. (Note: The Assistant Planner position will replace the Intern position.) A new job description has been created for that position at a pay range of 160.

The existing Planner job description has been updated and retitled Senior Planner. Many of the duties currently being performed by the Planner are typically more reflective of what a Senior Planner or Planner III position might include. With the addition of an Assistant Planner, the Senior Planner will be able to focus attention on the more complex projects and take on oversight duties for other planning work performed by the Assistant.

It is also proposed that the pay range for the Senior Planner position be reclassified to a 180 from 175. The results of the 2016 Compensation Study were reviewed with regard to both planning positions. Based on that study the 160 and 180 ranges are comparable to the market for these planning positions.
