Since then City Parking Structure No. 1 in Parking District No. 2 has been designed and has started construction. Amendment No. 2 provided for personnel from HDR to observe placement of steel reinforcing and tendons as well as the post-tensioning process and was approved on August 22, 2018. Due to changes in personnel, these services will be performed by Olsson, Inc. and will be added to their agreement.

The City and La Vista Community Development Agency both are parties to the agreement with HDR. A separate agenda item will be considered for Agency approval.
