C. RELEVANT CASE HISTORY:
1. On February 4, 2020 the City Council of the City of La Vista held public hearings and approved of an amendment to the Future Land Use Map of the Comprehensive Plan and rezoning to change a portion of Lot 3 Echo Hills from C-1 Shopping Center Commercial to R-3 High-Density Residential to allow for further development of the site as proposed. Additionally, the City Council approved a Planned Unit Development Site Plan and a Preliminary Plat for the Echo Hills Development, noting that the applicant will need to obtain approvals of the following before construction on the site can begin: Final Plat, architectural design review for each building, and Conditional Use Permits for the apartments and assisted living/memory care facility.

D. APPLICABLE REGULATIONS:
1. Section 5.08 of the Zoning Regulations – R-3 High Density Residential
2. Section 5.15 of the Zoning Regulations – PUD Planned Unit Development (Overlay District)
3. Section 5.17 of the Zoning Regulations – Gateway Corridor District (Overlay District)
4. Article 6 of the Zoning Regulations – CUP – Conditional Use Permit
III. ANALYSIS

A. COMPREHENSIVE PLAN:

1. The Future Land Use Map of the Comprehensive Plan designates proposed Lot 1 Echo Hills Replat Four for high-density residential development.

2. The proposed project will meet Policy Live-2.2 of the La Vista Comprehensive Plan which reads: “Promote the development of housing types and supportive programs for people of retirement age, allowing residents to age in place with access to daily services.” This policy directly promotes Goal 2 of the Live Long category of the Comprehensive Plan, which reads: “Maintain the balance of diverse, high-quality housing that appeals to people of varying backgrounds, incomes and abilities.”

C. TRAFFIC AND ACCESS:

1. There will be two main full access points to the entire Echo Hills development; one onto 144th Street (N-50) via Echo Hills Drive, and one onto Chandler Road via 146th Street. The assisted living and memory care facility on proposed Lot 1 Echo Hills Replat Four will have just one direct access point off Echo Hills Drive.

2. A traffic impact analysis for the development has been prepared by Felsburg, Holt & Ullevig (FHU). The City Engineer has reviewed the study and finds the analysis and recommendations reasonable. The traffic impact analysis was included in the packet for the Planned Unit Development, which was considered by Council on February 4, 2020.

The traffic impact analysis noted that MUTCD traffic signal warrants were not satisfied at the intersection of N-50 (144th Street) with Echo Hills Drive/Josephine Street or 146th Street with Chandler Road under 2019 existing or 2021 buildout traffic conditions. As the area surrounding the site continues to develop, these two intersections should be continually monitored to determine if signalization is warranted.

The traffic impact analysis recommends signal head improvements to the traffic signal at the intersection of N-50 (144th Street) and Chandler Road at the time of full buildout.

D. UTILITIES:

1. The property has access to sanitary sewer, water, gas, power, and communication utilities.

2. Storm water management fees will be collected at the time of building permit.
E. **PARKING REQUIREMENTS:** The parking stall requirements for the proposed apartments, per the La Vista Zoning Ordinance, are:

<table>
<thead>
<tr>
<th>Lot #</th>
<th>Use</th>
<th>Required Stalls</th>
<th>Provided Stalls</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lot 1</td>
<td>Assisted Living &amp; Memory Care</td>
<td>80 + 24 Employees</td>
<td>83</td>
</tr>
</tbody>
</table>

The applicant has requested a reduction in the required parking stall count for the assisted living and memory care facilities on Lot 1 based on historical data from the operating history of similar projects. The applicant anticipates that only 5 assisted living residents will operate vehicles, and that no memory care residents will be operating a vehicle, greatly reducing the need for parking. City staff approve of the revised stall count based on the anticipated demand for these uses, and the reduction was granted with the approval of the Planned Unit Development.

IV. **REVIEW COMMENTS:**
A. The design of each building is being reviewed through the City’s Architectural Design Review process and must be substantially complete prior to execution and recording of this Conditional Use Permit and issuance of any building permits. The architectural elevations (Exhibit F) of the attached Conditional Use Permit are conceptual and may change as a result of the Design Review process.

B. Any traffic improvements required by NDOT must be completed prior to the issuance of a Certificate of Occupancy and is addressed through the Subdivision Agreement as part of the Final Plat process. The Subdivision Agreement must be finalized prior to the execution of this Conditional Use Permit.

C. A draft of the Conditional Use Permit has been included in the packet for review.

V. **STAFF RECOMMENDATION – CONDITIONAL USE PERMIT:**
Staff recommends approval of the Conditional Use Permit for Lot 1 Echo Hills Replat Four, contingent upon approval of the Echo Hills Replat Four final plat and subdivision agreement, and substantial completion of the Design Review Process, as the request is consistent with the Comprehensive Plan and the Zoning Ordinance.

VI. **PLANNING COMMISSION RECOMMENDATION – CONDITIONAL USE PERMIT:**
The Planning Commission held a public meeting on March 19, 2020 and unanimously voted to recommend approval of the Conditional Use Permit for Lot 1 Echo Hills Replat Four, contingent on the resolution of the issues mentioned in this staff report, as the request is consistent with the Comprehensive Plan and the Zoning Ordinance.

RE: Conditional Use Permit – Initial Review
Echo Hills Assisted Living & Memory Care

Joe,

Thank you for your submittal of the above referenced Conditional Use Permit (CUP) application. Staff has reviewed the initial submittal and has provided the following initial comments:

Section 6.05.03:

1. In regards to Article 6.05.03 of the Zoning Ordinance, staff finds no impact to the “orderly development of surrounding property” subject to the pedestrian safety improvements proposed through the approved Planned Unit Development plan.

Section 6.05.04:

1. Parking, if found to be inadequate within Lot 1, will need to be shared with Lot 2, or other lots internal to the development. Provisions may be written into the Subdivision Agreement to satisfy this concern.

Section 6.05.050 and 6.05.10:

2. Public and common improvements, as well as common area maintenance and the PSCMP maintenance obligations will be addressed with the Subdivision Agreement, and any other applicable documentation.
3. Concerning traffic congestion, the proposed use of 80 living units for various levels of senior living will have less traffic impact than the previous commercial zoning of the property.

**General Comments:**

4. The Fire Marshall has requested that the fire department access (including the access from the lot to the south) be completed before construction of the superstructure begins. Additionally, the water supply for firefighting, including any private hydrants that may be required, must be installed and tested prior to construction of the superstructure.

A draft Conditional Use Permit (CUP) will be developed and shared with you soon to be reviewed. If you have any questions regarding these comments, please feel free to contact me at any time.

Sincerely,

Christopher Solberg, AICP

6. If the Owner upon the expiration or termination of this Permit fails to promptly remove any remaining safety, environmental or other hazard or nuisance, the City may at its option (but without any obligation to the Owner or any third party to exercise said option) cause the same to be removed at Owner's cost (including, but not limited to, the cost of any excavation and earthwork that is necessary or advisable in connection with the removal thereof) and the Owner shall reimburse the City the costs incurred to remove the same. 7. If any provision, or any portion thereof, contained in this Permit is held to be unconstitutional, invalid, or unenforceable, the remaining provisions hereof, or portions thereof, shall be deemed severable, shall
not be affected, and shall remain in full force and effect.

8. The conditions and terms of this Permit shall constitute covenants running with the land and shall be binding upon, and shall inure to the benefit of, the Owner, its successors and assigns.

9. Delay of City to terminate this Permit on account of breach of Owner of any terms hereof in accordance with the terms hereof shall not constitute a waiver of City's right to terminate this Permit, unless the City has expressly waived said breach. A waiver of the right to terminate upon any breach shall not constitute a waiver of the right to terminate upon a subsequent breach of the terms hereof, whether said breach be of the same or different nature.

10. Cure Rights. Notwithstanding any other provision of this Permit to the contrary, Owner shall be entitled to written notice and opportunity to cure a breach of this Permit as follows. City will notify the Owner in writing of any breach of this Permit and Owner shall be permitted to cure any breach. Such written notice shall specify the particular conditions giving rise to the breach, and, to the extent known, what actions are required to cure such breach. Cure shall be commenced and completed as soon as possible and in all cases within thirty (30) days after City provides notice of breach; provided, however, in any case that cure cannot be completed within 30 days, additional time will be allowed, so long as cure is commenced within the time required in this Section 10 and diligently pursued and completed as soon as is reasonably possible, and allowing additional time does not substantially increase risk of harm to persons or property. City shall have the right to terminate this Permit if a breach is not timely cured.

11. Nothing herein shall be construed to be a waiver or suspension of, or an agreement on the part of the City to waive or suspend, any zoning law or regulation applicable to the premises except to the extent and for the duration specifically authorized by this Permit.

12. Any notice to be given by City hereunder shall be in writing and shall be sufficiently given if sent by regular mail, postage prepaid, addressed as follows:

The Echo Hills Assisted Living and Memory Care project will include an 80 unit assisted living and memory care facility consisting of a two-story, 60 unit assisted living building with a one-story wing that will include 20 memory care units. All the units will be rented at market rates and will include 24-hour nursing care for residents that will be tailored to their specific needs. A private courtyard, library, exercise room, daily dining, and shuttle service will be provided for the assisted living residents, while the memory care facility will include a private yard for its residents and controlled access. A total of approximately 40 staff will be employed. The property will be managed by MJ Senior Housing, which currently manages several similar facilities in Omaha, Lincoln, and across eastern Nebraska. The facility will be staffed with an Executive Director who will oversee the operations on a daily basis and facilities staff will be available 24 hours a day for any maintenance concerns. The project will be a class A facility and we expect to be 95% full within 18 months of opening. Construction is targeted to start in fall of 2020 and open up in early 2022.
