FY19/20 Biennial Budget will fund the project if insurance claims are unsuccessful

Approval

Public Works received one (1) informal bid from JMN Construction, LLC of Valley, Nebraska, to repair the reinforced concrete bridge rail that was damaged in February due to a motor vehicle crash. The guardrail in the vicinity of the bridge rail was impacted by the errant vehicle, which damaged the thrie beam (guardrail) to bridge rail connection at the southwest bridge approach. A short section of the bridge rail will need to be removed and replaced in order to reestablish the above-mentioned connection. JMN is anticipating beginning work on or about Monday, April 27, 2020 (weather permitting), and expects to complete the work within the 15 working day contract provision.
