4. New Business

A. Public Hearing to consider annexation of Lots 1, 2 and 3 and Outlots B and C, Oriental Trading Company Business Park, a subdivision in Sarpy County, Nebraska.

- i. **Staff Report – Christopher Solberg, AICP:** Solberg stated that each and every year a review is done on the Annexation Plan within the Comprehensive Plan and at that time, there are decisions made through an analysis process on whether or not additional annexations should be undertaken into the city limits. Solberg showed the Planning Commission the Annexation Plan that is within the current Comprehensive Plan. He pointed out that the annexation of the Oriental Trading Business Park is in the Near-Term Annexation Plan for the City of La Vista. Solberg said that the City has done an analysis of this possible annexation, which was included in the packet given to the commissioners.

Solberg said that the property included is Lots 1-3 and Outlots B & C of Oriental Trading Company Business Park. He said that Outlot A of that subdivision was annexed during the Brook Valley II Annexation. Staff recommends approval of the proposed annexation of Lots 1-3 and Outlots B & C, Oriental Trading Company Business Park as it is consistent with La Vista's Comprehensive Plan.

Krzywicki asked if Oriental Trading's Parcels have recently paid down all their debt or if there was another reason this wasn't coming up until now.

Solberg said there was no SID set up for Oriental Trading Company, but that there was an agreement with the subdivision when they originally developed that the City would not annex the site until after December 31st of 2019. So, after the first of this year, we were able to start the annexation process. However, due to the COVID pandemic, it was decided to hold off until in-person public hearings could be held again City Council Chambers.

ii. Public Hearing: Wetuski opened the Public Hearing.

Wetuski closed the Public Hearing as no members of the public came forward.

iii. Recommendation: *Gahan* moved, seconded by *Alexander*, to recommend approval to the City Council of the proposed annexation of Lots 1-3 and Outlots B & C, Oriental Trading Company Business Park as it is consistent with La Vista's Comprehensive Plan. **Ayes: Krzywicki, Gahan, Wetuski, Alexander, Frey, and Malmquist. Nays: None. Abstain: None. Absent: Circo, Coghlan, Dale, and Sargus. Motion Carried, (6-0)**

5. Comments from the Floor

No members of the public were present.

6. Comments from the Planning Commission

None

7. Comments from the Staff

Solberg said that there have been a series of public input sessions as part of the planning process for Central and Civic Center Parks, Kelly Fields, and 2 plazas in City Centre along Main Street. He said that they are looking into different amenities that people would like to see in these areas. Solberg said that there is a survey available online and that the Planning Commission should have gotten a postcard in the mail regarding the activities.

Solberg also mentioned that all the Planning Commission and Board of Adjustment members have been signed up for the NPZA Fall Virtual Workshop. He mentioned that they will get an email with the links to sessions.

Brodersen mentioned that there will be a meeting on October 15th to go over the 1and 6 year road plan.

One & Six Year Road Plan

Memorandum

To: Planning Commission
From: Jeff Calentine, Deputy Director of Public Works

Re: 1 & 6 Year Street Improvement Plan

The One and Six-Year Street Improvement Plan establishes prioritization and cost estimates for street improvements for the City of La Vista as identified by the Public Works Department.

In the spring of 2019, the Nebraska Legislature passed LB82 which made significant changes to requirements on reporting of the One and Six Plan to the Nebraska Board of Public Roads Classifications and Standards (NBCS). Counties and municipalities are still required to have a One and Six Plan on file but are only required to submit a letter of compliance to the NBCS.

The Planning Commission is no longer required statutorily to hold a separate public meeting for the One & Six Road Plan. All of the One & Six project information is contained within the CIP presentation that will still be presented to the Planning Commission as part of the budget process. Whether or not to continue to hold a separate meeting on the One & Six Plan is a decision that the Planning Commission can decide on moving forward.

RECOMMENDATION:

Staff recommends approval of the 1 and 6 -Year Street Improvement Plan Compliance Letter.
