BACKGROUND

On March 19, 2019, the Council adopted Look Out La Vista, a full update of the Comprehensive Plan, which provides a detailed annexation plan. The areas proposed for annexation are identified within the plan, on the Annexation Summary spreadsheet, within the 1-5 Year consideration window.

On September 15, 2020, the Council approved of resolution 20-087 that commenced the annexation process as per Section 16-117 of the Nebraska Revised Statutes.

A detailed annexation plan has been prepared and is attached for your review. With the adoption of the resolution, a public hearing to consider this annexation was held by the Planning Commission on October 1, 2020. The Planning Commission unanimously voted to recommend approval of the Annexation.

The City Clerk and planning staff mailed notices of the Planning Commission public hearing to utility companies, fire districts, school districts, and owners of the property within the area proposed for annexation according to statutory requirements and the City's Annexation Plan.

On October 20, 2020 City Council held a public hearing and completed the 1st reading of the annexation ordinance. Property owners were notified of the City Council public hearing as well.

II. Improvements

- A. Streets
 - Total Lane Miles = 0.00
 - Street Rating = NA
 - 1. New Lane Miles: Giles Road and 114th Street are both currently within the La Vista City Limits. No additional lane miles will be added as a result of this annexation.
 - 2. Street Lights: The City will incur no additional street lights.
 - 3. Traffic Signals: The City will incur no additional signals as part of this annexation.
 - 4. Right-of-Way: The City will acquire no additional right-of-way as a result of this annexation.

5. Street Maintenance & Snow Removal: No additional streets will be added as a result of this annexation. All adjoining streets are within the La Vista City Limits and are currently maintained by the La Vista Public Works Department. The overall condition of the streets adjoining proposed annexation area is good.
6. Street Signs: All required signage in the area is in place. The proposed annexation area is small enough that routine maintenance can be absorbed into the current budget.
7. Sidewalks: There no sidewalks in the annexation area. The West Papio Trail traverses Outlot C along the West Papillion Creek. Outlot C is owned by the Papio-Missouri NRD who maintains the trail.

B. Storm Sewer

1. There are no public storm sewer facilities within the proposed annexation areas.

C. Sanitary Sewer

1. The OTC building is served by a lift station and approximate 900-foot force main that connects into the Omaha Interceptor Sewer on the easterly side of the West Papio in an outlot owned by the City. The lift station is privately maintained as per the 2004 agreement with Oriental Trading Company. However, the force main is public and is currently maintained by La Vista Public Works.
2. Per our wastewater service agreement with the City of Omaha, La Vista will collect sewer use fees for this area.
3. The sanitary sewers flow into the Omaha Interceptor Sewer.

D. Water

1. All water services are provided by Metropolitan Utilities District.

E. Public Parks/Recreational Facilities

1. The West Papio Trail traverses Outlot C. The trail is maintained by the Papio-Missouri Natural Resources District. There are no other public parks or recreational facilities in this annexation.

F. Miscellaneous Improvements/Property Owned by SID

1. None that staff is aware of.

III. City Services

A. Police

1. Calls for Service: The Police Department has examined the impact of annexing Oriental Trading Company Business Park and has found that for the 2018 calendar year there was 1 call for service to the area, 5 calls in 2017 and 14 in 2016. The Police Department has been responding to calls if officers are in the area when the call comes out.
2. Fiscal Impact: The Police Department has staffed an additional patrol district to service areas west of 96th Street since the development of the Southport area. No additional fiscal impact is expected.
3. Staffing Impact: During planning for the annexation of the Southport area, the Police Department planned and has since staffed an additional patrol district to service areas west of 96th Street. The planning at the time also included future service to the residential, industrial and commercial areas west of 96th Street. The areas to be annexed will benefit from faster response times than the County is presently providing.
4. Overall: The overall impact to the Police Department will be absorbed easily by the current district police car. The district cruiser currently drives through the vicinity in order to patrol and respond to calls for service in the City areas adjacent to the proposed annexation.

B. Fire

1. Calls for Service: The Papillion Fire Department has examined the impact of annexing Oriental Trading Company Business Park and has found that for the 2018 calendar year there was 6 calls for service to the area, 7 calls in 2017 and 9 in 2016.
2. Fiscal Impact: Based on the current contract arrangement between the Cities of La Vista, Papillion and the Papillion Rural Fire District it is hard to ascertain the fiscal impact of the annexation as the agreement is based on overall property valuation within and between the three entities. As the annexation would take place in the middle of FY21, there is no expected impact to the FY21

budget. It has been roughly calculated that the annexation would increase the payments through the contract by approximately \$56,000.

3. Staffing Impact: The Oriental Trading Company Business Park is already covered by the Papillion Fire Department. No staffing impacts are anticipated.
4. Overall: The Papillion Fire Department will continue to respond to calls for service in the area and maintain adequate response times. There appears to be adequate water supply and access roads for fire and EMS response.

C. Library

1. No impact to the La Vista Public Library is anticipated from this annexation.

D. Recreation

1. No impact to the La Vista Recreation Department is anticipated from this annexation.

E. Community Development

1. These lots are contiguous to the City limits.
2. Annexation of this area is consistent with the approved annexation plan within the City's Comprehensive Plan.

IV. Contractual Obligations of the SID

A. Contracts

1. None (not a SID).

B. Pending Litigation

1. None (not a SID).

C. Pending Improvement Projects

1. None (not a SID).

V. Analysis

A. Annexation Suitability

1. These lots are bordered by the City limits to the north and west making it a contiguous annexation.
2. From a financial standpoint, total annual income from all funds exceeds total annual expense by \$190,918.
3. The City's debt to assessed valuation ratio would decrease from 2.43% to 2.24%.

B. Policy Alternatives

1. Annex.
2. Postpone annexation.

C. Recommendations/Conclusions

The annexation of Lots 1-3 and Outlots B & C, Oriental Trading Company Business Park will bridge the gap in between the City Limits of Papillion and La Vista in this area. This will reduce confusion regarding which areas are within the City limits and which areas are in Sarpy County's jurisdiction. It is recommended that the City annex Lots 1-3 and Outlots B & C, Oriental Trading Company Business Park as this analysis confirms its suitability for annexation and the annexation is in conformance with the Comprehensive Plan.
