Addition Replat 1, as the request is consistent with La Vista's Comprehensive Plan, Subdivision Regulations, and Zoning Ordinance.

Krzywicki asked if the location of the single entrance into the property would cause any issues in relation to the intersection.

Solberg said that he isn't sure of the distance, but it's the best location. They were requested to go from Harry Anderson Ave. and turn directly onto the property that way. He said that there probably isn't enough queuing down there off of 118th St. to cause concern about traffic coming in and out and entering into that queue.

Richard Essi, the applicant said that he is requesting the lots be combined and offered to answer any questions the Commission may have.

- ii. **Public Hearing; Wetuski opened the Public Hearing.**

The applicant, Louis Wagner, spoke on behalf of his request. He said that he has been in business for 13 years selling various parts and pieces having to do with firearms. He said that he is currently working on his certification for gunsmithing. Wagner said that he does have the equipment at his home and that he is trying to take his hobby to the next level. He said that there will not be any signage or anything to detract from the neighborhood. Wagner also said that he has 3 active security cameras, one is monitored by ADT and he is working with the Fire Marshall to make sure everything is set up properly. He then invited the Commission to ask any questions they may have.

Malmquist asked how long he had been gunsmithing.

Wagner said that he is not currently gunsmithing because he is working towards getting his license, but he has about 30 years of experience with firearms. He said that he wants to teach new firearm owners how to care for them and use them properly.

Frey brought up that there was a neighbor that didn't sign and asked if there was a reason they didn't sign.

Wagner said that the neighbor didn't want to sign. He said that they didn't object to the business, they just didn't want their signature on there.

Wetuski closed the Public Hearing as no members of the public came forward.
