AUTHORIZATION OF REFUNDING BONDS AND TO ISSUE A NEW HIGHWAY ALLOCATION FUND PLEDGE BOND	RESOLUTION ◆ ORDINANCE RECEIVE/FILE	CINDY MISEREZ FINANCE DIRECTOR

SYNOPSIS

Ordinances have been prepared authorizing the issuance of General Obligation Bonds, Highway Allocation Bonds and Taxable Tax Supported Bonds to refund Outstanding Bonds of the City.

FISCAL IMPACT

The refunding bonds will only be issued if the City will realize net present value savings that is redeemable at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption.

- B.1 Refund outstanding General Obligation Refunding Bonds, Series 2015;
- B.2 Refund outstanding Highway Allocation Fund Bonds Series 2014 and Series 2016; AND the issuance of new Highway Allocation Fund Pledge Bonds Series 2021
- B.3 Refund outstanding Taxable Tax Supported Bonds Series 2017.

RECOMMENDATION

Approval.

BACKGROUND

The ordinances authorize the refunding transaction but requires there be a minimum level of savings before the transaction can proceed. Authorizing the refunding now will allow the City to more quickly react to favorable market conditions as the interest rate environment continues to be volatile.

Since the 2014, 2015, 2016 and 2017 bonds were issued, the rates of interest available in the market have so declined that by issuing its refunding bonds to provide funds for the payment and redemption in whole or in part, a substantial savings in the amount of yearly running interest will be made to the City.

The Highway Allocation Fund Pledge Bond, Series 2021 will be sized to meet FY21 approved construction contracts in place and expected FY21 construction projects as approved in the Biennial Budget.

ORDINANCE NO. ____

AN ORDINANCE AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION REFUNDING BONDS OF THE CITY OF LA VISTA, NEBRASKA, IN ONE OR MORE SERIES, IN THE AGGREGATE STATED PRINCIPAL AMOUNT OF NOT TO EXCEED \$4,200,000 FOR THE PURPOSE OF REFUNDING ALL OR A PORTION OF CERTAIN OUTSTANDING GENERAL OBLIGATION BONDS OF THE CITY; AND AUTHORIZING THE REDEMPTION OF SUCH OUTSTANDING BONDS TO BE REFUNDED; PRESCRIBING THE FORM OF SUCH BONDS TO BE ISSUED AND AUTHORIZING OFFICERS OF THE CITY TO APPROVE CERTAIN FINAL TERMS OF THE BONDS; PROVIDING FOR THE LEVY AND COLLECTION OF TAXES TO PAY THE SAME, IF NECESSARY; PROVIDING FOR THE SALE OF THE BONDS; AUTHORIZING THE DELIVERY OF THE BONDS TO THE PURCHASER; AND PROVIDING FOR THE DISPOSITION OF BOND PROCEEDS; AND ORDERING THE ORDINANCE PUBLISHED IN PAMPHLET FORM.

Davidson & Co., as initial purchaser or placement agent, as applicable, or such other entity determined appropriate by an Authorized Officer (the "Underwriter"). In connection with such sale, the Mayor, City Administrator or Director of Administrative Services (each, an "Authorized Officer") are hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a "Designation"), (i) the aggregate purchase price of the Bonds and the underwriting discount which shall not exceed 0.7% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) the title (including series designation), dated date, aggregate principal amount (including the aggregate principal amounts of serial Bonds and term Bonds, if any), which aggregate stated principal amount shall not exceed \$4,200,000, and the final maturity date, which shall not be later than December 15, 2026, (iv) the principal amounts maturing in each year, (v) the rate or rates of interest to be borne by each principal maturity, with present value savings in an amount approved by an Authorized Officer in a Designation, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, including a redemption price not to exceed 104% of the principal amount then being redeemed plus accrued interest to the date of redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Paying Agent and Registrar and the form and content of any agreement between the City and such entity, (x) whether interest on each series of Bonds shall be taxable or tax-exempt, and (xi) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, designated in Section 4 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 4 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 4. The Authorized Officers are hereby authorized to designate the Paying Agent and Registrar for the Bonds in a Designation, which Paying Agent and Registrar shall be a bank or trust company. Said Paying Agent and Registrar shall serve in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar and the Mayor and City Clerk are hereby authorized to execute said agreement. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to the Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its

immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 5. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 6. In addition to any mandatory sinking fund redemptions, the Bonds shall be subject to redemption at the option of the City, in whole or in part, prior to maturity at any time on or after five years after the date of original issue, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date or dates as may be determined in a Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by the Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the municipality where the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 8. The Bonds shall be in substantially the following form:

Section 9. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk of the City. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with

respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser thereof, upon receipt of the principal amount of the Bonds plus accrued interest thereon, to date of payment for the Bonds and less the Underwriter's discount, in accordance with Section 3 hereof. Such initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel and the City's bond counsel are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers of the City (or any one of them) are hereby authorized to execute a bond purchase agreement for the sale of the Bonds to the Underwriter. The officers of the City, or any one or more of them are hereby further authorized to take any and all actions and enter into any and all agreements deemed necessary or appropriate in connection with the issuance and sale of the Bonds and the redemption and payment of the Refunded Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 10. The Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and Council precedent to the issuance of the Bonds, a copy of which shall be delivered to the initial purchaser of the Bonds.

Section 11. The net sale proceeds of the Bonds, along with any necessary funds of the City on hand, shall be applied to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds falling due prior to, and as called for redemption on, the Redemption Dates. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. In order to satisfy the City's obligations on the Refunded Bonds, if determined necessary and appropriate by an Authorized Officer, such proceeds of the Bonds along with funds of the City on hand shall be set aside and held and invested in a special trust account which is hereby ordered established with such bank or trust company as determined by an Authorized Officer to act as escrow agent (the "Escrow Agent"). The Escrow Agent shall have custody and safekeeping of the funds and investments which are to be set aside for the payment of the Refunded Bonds. For purposes of governing such escrow account and the holding and application of such funds and investments, the City shall enter into a contract entitled "Escrow Agreement" with the Escrow Agent. The Authorized Officers, or each individually, are hereby authorized and directed to execute and deliver on behalf of the City said Escrow Agreement, including necessary counterparts, in substantially the form and content as presented to the meeting at which this ordinance is adopted, but with such changes and modifications therein as to them seem necessary, desirable, or appropriate for and on behalf of the City. The Authorized Officers, or each individually, are further authorized to approve the investments provided for in said Escrow Agreement, and to make any necessary subscriptions for United States Treasury Securities, State and Local Government Series, or to contract for the purchase of securities in the open market. Said proceeds shall be invested in obligations of the United States Government, direct or guaranteed, including United States Treasury Securities, State and Local Government Series. To the extent that such proceeds are held in a bank depository account, such deposits shall be insured by insurance of the Federal Deposit Insurance Corporation or, to the extent not fully insured, fully collateralized in the same manner as is required for deposit of public funds. Any investment from the proceeds of the Bonds herein authorized shall mature not later than the Redemption Dates. As provided in said Escrow Agreement, the proceeds of the Bonds herein authorized and investment earnings thereon shall be applied to the payment of the principal of and interest on the Refunded Bonds as the same become due on and prior to the Redemption Dates, and as called for redemption on the Redemption Dates. The City agrees that on the date of original issue of the Bonds, or as soon thereafter as practicable, it shall deposit or otherwise have on hand with the Escrow Agent, from tax levy or other available sources, funds sufficient after taking into consideration available proceeds of the Bonds and investment earnings to provide funds for all payments due on the Refunded Bonds on or before the Redemption Dates, and as called for redemption on the Redemption Dates.

Section 12. The City agrees that it will cause to be levied and collected annually a tax by valuation on all the taxable property in the City, except intangible property, in addition to all other taxes, which with other funds of the City available therefor, shall be sufficient in rate and amount to fully pay the principal of and interest on the Bonds as the same become due. The City reserves the right to provide for payments of principal and interest on the Bonds in any fiscal year from other available funds, and thereby satisfy its obligation to levy taxes on property as provided in this Section 11.

Section 13. The Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Official Statement and a final Official Statement for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 14. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of principal of and interest thereon to the respective date of maturity or

redemption (a) shall have been made or caused to be made in accordance with the terms thereof, (b) shall have been provided for by depositing with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as “U.S. Government Obligations”) in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payments; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 15. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the “Continuing Disclosure Undertaking”) in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 16. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the City when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 17. This Ordinance shall be in force and take effect from and after its passage and publication in pamphlet form as provided by law.

(c) Other than the 2016 Bonds and the 2014 Bonds, the City has no other bonds outstanding issued pursuant to Section 66-4,101, R.R.S. (d) (i) All of the 2016 Bonds and the 2014 Bonds are valid, interest bearing obligations of the City; (ii) since the 2016 Bonds and the 2014 Bonds were issued, the rates of interest available in the market have so declined that by issuing its refunding bonds to provide funds for the payment and redemption of a portion of the 2016 Bonds and the 2014 Bonds, all as set out above, a substantial savings in the amount of yearly running interest will be made to the City; (iii) all or a portion of the Callable 2016 Bonds and the 2014 Bonds (as called for redemption, collectively, the “Refunded Bonds”) are herein authorized to be called for redemption; (iv) for the purpose of providing for the payment and redemption of the Refunded Bonds, to pay or reimburse costs of the Project as above set out and to pay costs of issuance thereof, it is in the best interest of the City to issue highway allocation fund pledge and refunding bonds of the City, in one or more series, in the aggregate stated principal amount of not to exceed \$10,400,000 (the “Bonds”); and (v) except as set forth herein, the City has no bond sinking funds on hand for the retirement of the Refunded Bonds not required for the timely payment of principal and interest due on the Redemption Dates.

Section 2. (a) The Mayor and Council further find and determine that (a) it is necessary, desirable, advisable and in the best interest of the City to provide for the financing of the Project and the payment and redemption of the Refunded Bonds; and, (b) all conditions, acts and things required by law to exist or to be done precedent to the issuance of the Bonds, in one or more series, in the aggregate stated principal amount of not to exceed \$10,400,000 pursuant to Sections 10-142 and 66-4,101, Reissue Revised Statutes of Nebraska, as amended, and other applicable statutes, do exist and have been done as required by law. To provide funds for the purpose of paying the costs of the Project and refunding the Refunded Bonds as set out in Section 1 hereof, there shall be and there are hereby ordered issued the Highway Allocation

Fund Pledge and Refunding Bonds of the City, in one or more series, in the aggregate stated principal amount of not to exceed \$10,400,000.

(b) The Bonds or any portion thereof are hereby authorized to be sold pursuant to a negotiated sale with D.A. Davidson & Co., as initial purchaser or placement agent, as applicable (the "Underwriter"). In connection with such sale, the Mayor, City Administrator or Director of Administrative Services (each, an "Authorized Officer") are hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a "Designation"), (i) the aggregate purchase price of the Bonds and the underwriting discount which shall not exceed 0.7% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) the title (including series designation), dated date, aggregate principal amount (including the aggregate principal amounts of serial Bonds and term Bonds, if any), which aggregate stated principal amount shall not exceed \$10,400,000, and the final maturity date, which shall not be later than December 15, 2042, (iv) the principal amounts maturing in each year, (v) the rate or rates of interest to be borne by each principal maturity of the Bonds, provided that present value savings results from refunding the Refunded Bonds and provided that the true interest cost of the Bonds shall not exceed 3.0%, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, including a redemption price not to exceed 104% of the principal amount then being redeemed plus accrued interest to the date of redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Paying Agent and Registrar and the form and content of any agreement between the City and such entity, and (x) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

(c) The Authorized Officers, or each individually, are hereby authorized to irrevocably call any or all of the Refunded Bonds for redemption on such date or dates he or she determines appropriate, which date or dates shall be the Redemption Dates hereunder. The Authorized Officers, or each individually, are hereby authorized to designate, approve, execute and deliver, as the case may be (i) the form, content, terms and provisions of any published and/or mailed notice of redemption with respect to the payment and redemption of the Refunded Bonds, (ii) an Escrow Agent, (iii) the form, content, terms and provisions of an Escrow Agreement with the Escrow Agent for the purpose of providing for the deposit in trust with the Escrow Agent a portion of the net proceeds of the Bonds, the investment of such net proceeds pending their application, the application of such proceeds and any investment income to the payment of all of the principal of and interest on the Refunded Bonds maturing on or before the Redemption Date and the application of the balance of such proceeds and any investment income thereof to the redemption and retirement of the Refunded Bonds on the Redemption Date.

Section 3. The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be date of original delivery. Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on such dates as shall be determined in a Designation, each an "Interest Payment Date"), and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, designated in Section 4 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of

each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 4 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 4. The Authorized Officers are hereby authorized to designate the Paying Agent and Registrar for the Bonds in a Designation, which Paying Agent and Registrar shall be a bank or trust company. Said Paying Agent and Registrar shall serve in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar and the Mayor and City Clerk are hereby authorized to execute said agreement. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to the Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 5. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 6. In addition to any mandatory sinking fund redemptions, the Bonds shall be subject to redemption at the option of the City, in whole or in part, prior to maturity at any time on or after five years after the date of original issue, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date or dates as may be determined in a Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory

redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by the Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the municipality where the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 8. The Bonds shall be in substantially the following form:

Section 9. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk of the City. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with

respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser thereof, upon receipt of the principal amount of the Bonds plus accrued interest thereon, to date of payment for the Bonds and less the Underwriter's discount, in accordance with Section 3 hereof. Such initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel and the City's bond counsel are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers of the City (or any one of them) are hereby authorized to execute a bond purchase agreement for the sale of the Bonds to the Underwriter. The officers of the City, or any one or more of them are hereby further authorized to take any and all actions and enter into any and all agreements deemed necessary or appropriate in connection with the issuance and sale of the Bonds and the redemption and payment of the Refunded Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 10. The Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and Council precedent to the issuance of the Bonds, a copy of which shall be delivered to the initial purchaser of the Bonds.

Section 11. The net sale proceeds of the Bonds, along with any necessary funds of the City on hand, shall be applied to pay or reimburse costs of the Project and to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds falling due prior to, and as called for redemption on, the Redemption Dates. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. In order to satisfy the City's obligations on the Refunded Bonds, if determined necessary and appropriate by an Authorized Officer, such proceeds of the Bonds along with funds of the City on hand shall be set aside and held and invested in a special trust account which is hereby ordered established with such bank or trust company as determined by an Authorized Officer to act as escrow agent (the "Escrow Agent"). The Escrow Agent shall have custody and safekeeping of the funds and investments which are to be set aside for the payment of the Refunded Bonds. For purposes of governing such escrow account and the holding and application of such funds and investments, the City shall enter into a contract entitled "Escrow Agreement" with the Escrow Agent. The Authorized Officers, or each individually, are hereby authorized and directed to execute and deliver on behalf of the City said Escrow Agreement, including necessary counterparts, in substantially the form and content as presented to the meeting at which this ordinance is adopted, but with such changes and modifications therein as to them seem necessary, desirable, or appropriate for and on behalf of the City. The Authorized Officers, or each individually, are further authorized to approve the investments provided for in said Escrow Agreement, and to make any necessary subscriptions for United States Treasury Securities, State and Local Government Series, or to contract for the purchase of securities in the open market. Said proceeds shall be invested in obligations of the United States Government, direct or guaranteed, including United States Treasury Securities, State and Local Government Series. To the extent that such proceeds are held in a bank depository account, such deposits shall be insured by insurance of the Federal Deposit Insurance Corporation or, to the extent not fully insured, fully collateralized in the same manner as is required for deposit of public funds. Any investment from the proceeds of the Bonds herein authorized shall mature not later than the Redemption Dates. As provided in said Escrow Agreement, the proceeds of the Bonds herein authorized and investment earnings thereon shall be applied to the payment of the principal of and interest on the Refunded Bonds as the same become due on and prior to the Redemption Dates, and as called for redemption on the Redemption Dates. The City agrees that on the date of original issue of the Bonds, or as soon thereafter as practicable, it shall deposit or otherwise have on hand with the Escrow Agent, from tax levy or other available sources, funds sufficient after taking into consideration available proceeds of the Bonds and investment earnings to provide funds for all payments due on the Refunded Bonds on or before the Redemption Dates, and as called for redemption on the Redemption Dates.

Section 12. For the prompt payment of the Bonds, both principal and interest as the same fall due, the City hereby pledges all receipts now or hereafter received by the City from the State of Nebraska Highway Allocation Fund (the "Fund"), as described and referred to in the Act. The pledge provided for in this Section 12 for the Bonds provides, however, that such pledge shall not prevent the City from otherwise applying receipts from the Fund in any year so long as sufficient receipts from the Fund have been set aside for the payment of principal and interest falling due in such year on the Bonds. In addition, the City further reserves the right to issue additional highway allocation fund pledge bonds payable on a parity with the Bonds and the Outstanding Highway Bonds and equally and ratably secured by a pledge of receipts from the Fund. The City hereby further agrees that it shall levy ad valorem taxes upon all the taxable property in the City at such rate or rates within any applicable statutory and constitutional limitations as will provide funds which, together with receipts from the Fund, as pledged to the payment of the Bonds and the Outstanding Highway Bonds, and any other monies made available and used for such purpose, will be sufficient to pay the principal of and interest on the Bonds and the Outstanding Highway Bonds as the same fall due (including mandatory sinking fund redemptions).

Section 13. The City hereby covenants and agrees that it will make no use of the proceeds of the Bonds which would cause the Bonds to be arbitrage bonds within the meaning of Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the "Code") and further covenants to comply with said Sections 103(b)(2) and 148 and all applicable regulations thereunder throughout the term of said issue, including all requirements with respect to payment and reporting of rebates, if applicable. The City hereby covenants to take all action necessary to preserve the tax-exempt status of the interest on the Bonds for federal income tax purposes under the Code with respect to taxpayers generally. The City further agrees that it will not take any actions which would cause the Bonds to constitute "private activity bonds" within the meaning of Section 141 of the Code. The City hereby authorizes the Authorized Officers, or any one or more of them, as appropriate, to designate the Bonds as its "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenants and warrants that it does not reasonably expect to issue bonds or other obligations aggregating in principal amount more than \$10,000,000 during the calendar year or years in which the Bonds are issued (taking into consideration the exception for current refunding issues). The Authorized Officers, or each individually, are hereby authorized to make, or cause to be made, any and all certifications deemed necessary in connection with the designation of the Bonds as "qualified tax-exempt obligations", including "deemed designating" the Bonds.

Section 14. The Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Official Statement and a final Official Statement for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 15. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to be made in accordance with the terms thereof, (b) shall have been provided for by depositing with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as "U.S. Government Obligations") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payments; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 16. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "Continuing Disclosure Undertaking") in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and

appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 17. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the City when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 18. This Ordinance shall be in force and take effect from and after its passage and publication in pamphlet form as provided by law.

All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 4. The Authorized Officers are hereby authorized to designate the Paying Agent and Registrar for the Bonds in a Designation, which Paying Agent and Registrar shall be a bank or trust company. instrument of transfer, in form satisfactory to the Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 5. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 6. In addition to any mandatory sinking fund redemptions, the Bonds shall be subject to redemption at the option of the City, in whole or in part, prior to maturity at any time on or after five years after the date of original issue, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date or dates as may be determined in a Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by the Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the municipality where the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which

Section 9. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk of the City. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with

respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser thereof, upon receipt of the principal amount of the Bonds plus accrued interest thereon, to date of payment for the Bonds and less the Underwriter's discount, in accordance with Section 3 hereof. Such initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel and the City's bond counsel are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers of the City (or any one of them) are hereby authorized to execute a bond purchase agreement for the sale of the Bonds to the Underwriter. The officers of the City, or any one or more of them are hereby further authorized to take any and all actions and enter into any and all agreements deemed necessary or appropriate in connection with the issuance and sale of the Bonds and the redemption and payment of the Refunded Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 10. The Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and Council precedent to the issuance of the Bonds, a copy of which shall be delivered to the initial purchaser of the Bonds.

Section 11. The net sale proceeds of the Bonds, along with any necessary funds of the City on hand, shall be applied to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds falling due prior to, and as called for redemption on, the Redemption Dates. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. In order to satisfy the City's obligations on the Refunded Bonds, if determined necessary and appropriate by an Authorized Officer, such proceeds of the Bonds along with funds of the City on hand shall be set aside and held and invested in a special trust account which is hereby ordered established with such bank or trust company as determined by an Authorized Officer to act as escrow agent (the "Escrow Agent"). The Escrow Agent shall have custody and safekeeping of the funds and investments which are to be set aside for the payment of the Refunded Bonds. For purposes of governing such escrow account and the holding and application of such funds and investments, the City shall enter into a contract entitled "Escrow Agreement" with the Escrow Agent. The Authorized Officers, or each individually, are hereby authorized and directed to execute and deliver on behalf of the City said Escrow Agreement, including necessary counterparts, in substantially the form and content as presented to the meeting at which this ordinance is adopted, but with such changes and modifications therein as to them seem necessary, desirable, or appropriate for and on behalf of the City. The Authorized Officers, or each individually, are further authorized to approve the investments provided for in said Escrow Agreement, and to make any necessary subscriptions for United States Treasury Securities, State and Local Government Series, or to contract for the purchase of securities in the open market. Said proceeds shall be invested in obligations of the United States Government, direct or guaranteed, including United States Treasury Securities, State and Local Government Series. To the extent that such proceeds are held in a bank depository account, such deposits shall be insured by insurance of the Federal Deposit Insurance Corporation or, to the extent not fully insured, fully collateralized in the same manner as is required for deposit of public funds. Any investment from the proceeds of the Bonds herein authorized shall mature not later than the Redemption Dates. As provided in said Escrow Agreement, the proceeds of the Bonds herein authorized and investment earnings thereon shall be applied to the payment of the principal of and interest on the Refunded Bonds as the same become due on and prior to the Redemption Dates, and as called for redemption on the Redemption Dates. The City agrees that on the date of original issue of the Bonds, or as soon thereafter as practicable, it shall deposit or otherwise have on hand with the Escrow Agent, from tax levy or other available sources, funds sufficient after taking into consideration available proceeds of the Bonds and investment earnings to provide funds for all payments due on the Refunded Bonds on or before the Redemption Dates, and as called for redemption on the Redemption Dates.

Section 12. The Bonds are special obligations of the City payable from, and secured as to the payment of principal and interest by a pledge of the additional ½ cent sales and use tax imposed pursuant to Ordinance No. 1215 (as described and defined in Section 1 hereof as the "Tax"). The City hereby pledges the Tax to the payment of the principal of and interest on the Bonds. The City hereby further agrees that it shall dedicate such portion of its property tax levy authority (as provided in Section 77-3442, R.S.S. Neb., as amended) as is necessary to provide funds which, together with receipts from the Tax as pledged to the payment of the Bonds and any other monies made available and used for such purpose, will be sufficient to pay the principal of and interest on the Bonds as the same fall due (including mandatory sinking fund redemptions). The pledge of the Tax provided for in this Section 12 for the Bonds shall not prevent the City from otherwise applying receipts from the Tax in any year so long as sufficient receipts from such fund have been set aside for the payment of principal and interest falling due in such year on the Bonds. In addition, the City further reserves the right to issue additional bonds payable on par with the Bonds equally and ratably secured by a pledge of receipts from the Tax.

Section 13. The Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Official Statement and a final Official Statement for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 14. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to be made in accordance with the terms thereof, (b) shall have been provided for by depositing with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as "U.S. Government Obligations") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payments; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 15. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "Continuing Disclosure Undertaking") in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 16. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the City when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 17. This Ordinance shall be in force and take effect from and after its passage and publication in pamphlet form as provided by law.

SYNOPSIS

An ordinance has been prepared to amend Section 92.30 of the La Vista Municipal Code, entitled “Prevention of Covid-19,” subsection 92.30.11, extending the sunset provision from February 23, 2021 to May 25, 2021.

RECOMMENDATION

Approval.

BACKGROUND

On November 24, 2020, the Board of Health, via Resolution No. 20-001, approved rules and regulations requiring face coverings in indoor public places in the City, subject to City Council approval.

Subsequently, the City Council met immediately following the Board of Health on November 24, 2020, and approved Ordinance No. 1402 adding subchapter 92.30 to the La Vista Municipal Code requiring face coverings while indoors within the City. The requirements imposed by this subchapter expire and terminate at 11:59 p.m. on February 23, 2021, unless otherwise extended by ordinance of the City Council.

At this time, COVID-19 remains a serious threat to the health, safety, and welfare of the residents of La Vista and the Omaha metropolitan area. Because face coverings continue to be an effective tool in slowing and reducing the spread of COVID-19 in our community, a 90-day extension is recommended.

ORDINANCE NO. _____

AN ORDINANCE TO AMEND CHAPTER 92 OF THE LA VISTA MUNICIPAL CODE TO EXTEND THE SUNSET PROVISION TO MAY 25, 2021; TO REPEAL CONFLICTING ORDINANCES; AND TO PROVIDE FOR SEVERABILITY, PUBLICATION AND THE EFFECTIVE DATE HEREOF.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA, as follows:

I. As result of the Novel Coronavirus (COVID-19) pandemic, continued community transmission and increased number of confirmed COVID-19 cases within the City limits of the City of La Vista, and resulting dangers to the public health, safety, and welfare, an emergency exists within the City of La Vista requiring immediate action of the City as provided in this ordinance. This ordinance shall amend Chapter 92 of the La Vista Municipal Code to adopt rules and regulations for a non-pharmaceutical intervention to combat and halt the spread and progression of COVID-19.

II. Chapter 92 of the La Vista Municipal Code is hereby amended by adding subchapter 92.30 as follows:

“§92.30. — PREVENTION OF COVID-19

Sec. 92.30.1. — Legislative Findings and Intent.

- (1) The City Council hereby finds and declares, based upon the scientific and medical evidence before it, that:
 - (a) the Novel Coronavirus (COVID-19) has impacted and continues to dramatically impact the citizens of the City of La Vista, Nebraska; and
 - (b) exposure to COVID-19 presents a risk of death or serious long-term disability; the exposure is widespread and poses significant risk of harm, including death, to people in the general population of the City of La Vista; there is a particular subset of the population that is more vulnerable to the threat and thus at an increased risk; and the threat is from a novel infectious disease; and
 - (c) information from the World Health Organization, the United States Centers for Disease Control and Prevention (CDC), Nebraska Department of Health and Human Services, the Sarpy/Cass Health Department, local public health departments throughout Nebraska, and members of the Sarpy County and metropolitan area medical community indicate that citizens of the metropolitan area, including the City of La Vista, have been and will continue to be exposed due to community transmissions of COVID-19; and
 - (d) the manner in which the spread of COVID-19 cases in the City of La Vista has occurred creates an unacceptable risk to the health, safety, and welfare of the citizens of the City of La Vista; and
 - (e) the number of COVID-19 infections within the City of La Vista continues to increase; and
 - (f) COVID-19 constitutes a public nuisance and a threat to the health, safety, and welfare of the City of La Vista and its residents; and
 - (g) The Director of the CDC, the Director the Sarpy/Cass Health Department, doctors and infectious disease experts from the University of Nebraska Medical Center and Nebraska Medicine, as well as others in the medical profession, have concluded that the wearing of face coverings by every individual while in public, particularly while indoors, is one of the best methods to slow and stop the spread of COVID-19; and
 - (h) the wearing of face coverings by every individual while indoors in public places in the City of La Vista will reduce community transmissions of COVID-19, resulting in fewer deaths and serious health complications, and will ease the strain on hospitals and other medical offices and facilities; and
 - (i) the wearing of face coverings by every individual while indoors in public places in the City of La Vista will increase the chances of keeping

businesses open and operating, encouraging economic growth and preventing prolonged economic harm; and

- (j) it is just and proper for the City Council to exercise the authority granted to it by applicable law, including without limitation Neb. Rev. Stat. Sections 16-238, 16-240, 16-246, and 18-1720, in furtherance of protecting the public health, safety, and welfare.

Sec. 92.30.2. — Definitions.

For purposes of this subchapter, the following terms are defined as follows:

- (1) **Face Covering.** — A face covering is defined as a covering which, when worn properly, must cover the nose and mouth completely and can include a paper or disposable face mask, a cloth face mask, a scarf, a bandanna, a neck gaiter, or a religious face covering. Medical-grade masks and respirators are sufficient face coverings, but to preserve adequate supplies, their purchase and use is discouraged for those who do not work in a health care setting or in other occupations that require medical-grade personal protective equipment. Masks that incorporate a valve designed to facilitate easy exhaling, mesh masks, or masks with openings, holes, visible gaps in the design or material, or vents are not sufficient face coverings because they allow exhaled droplets to be released into the air.
- (2) **Premises That Is (or Are) Open to the General Public.** — Premises that is (or are) open to the general public means property upon or into which any members of the public are allowed to enter. The term is intended to be broadly defined to include without limitation real or personal property owned or operated by entities that employ or engage workers, including private-sector entities, public-sector entities, non-profit entities, regular commercial or business establishments, private clubs, religious centers or buildings, public transportation (including buses, taxis, ride-sharing vehicles, or vehicles used for business purposes), and any place which is generally open to any members of the public, including educational institutions and daycare facilities.

BACKGROUND

City Centre, LLC and its affiliate City Centre I, LLC, are in the process of constructing buildings and other improvements on or serving Lot 14 to be used for mixed use multi-family residential and commercial purposes. This construction requires grade control improvements near the northeast corner of Lot 14 in City Centre. The grade control improvements will need to extend onto adjacent City property in order to facilitate the extension of the dual purpose fire lane and construction of a pedestrian walkway connected to said fire lane. These improvements are necessary in order to provide emergency and other access to future buildings and amenities and the City is responsible for those improvements.

This agreement will allow all grade control improvements to be done as one project with City Centre I, LLC as the lead. Estimated total costs of the improvements are \$264,012.10 of which the City share is anticipated to be \$112,233.28. A cost breakdown is provided in Exhibit C of the agreement.

IMPROVEMENT AND EASEMENT AGREEMENT
Grade Control Improvements

THIS AGREEMENT is made and entered into this ____ day of _____, 202_, by and among La Vista City Centre, LLC (hereinafter referred to as "City Centre"), City Centre I, LLC, a Nebraska limited liability company, (hereinafter referred to as "City Centre I,") (City Centre and City Centre I together are hereinafter referred to as "Redeveloper"), and the CITY OF LA VISTA, NEBRASKA (hereinafter referred to as "City").

WHEREAS, La Vista City Centre in 2016 acquired and replatted as La Vista City Centre a tract of real property and improvements for redevelopment pursuant to the Redevelopment Plan for the 84th Street Redevelopment Area, as amended ("Plan"), which included Lot 14, La Vista City Centre, ("Lot 14") as depicted on the Plat attached hereto as Exhibit A (Lot 14) hereinafter is referred to as the "Lot 14". City Centre conveyed Lot 14 to its affiliate, City Centre I, for redevelopment pursuant to the Plan; and

WHEREAS, City Centre I at its cost shall construct buildings and other improvements on or serving Lot 14 to be used for mixed used multifamily residential and commercial purposes, including without limitation required grade control improvements in the vicinity of the northeast boundary of Lot 14 as described or depicted in Exhibit "B" ("Grade Control Improvements"); and

WHEREAS, Grade Control Improvements also will serve a dual purpose fire lane and pedestrian walkway City will construct on adjacent City property; and

WHEREAS, Redeveloper and City desire to agree with respect to Grade Control Improvements.

NOW, THEREFORE, the parties agree as follows:

1. City Centre I as Lead. City Centre I, as primary beneficiary of Grade Control Improvements in connection with its ownership of Lot 14, shall take the lead and provide for design, construction, and payment of costs of Grade Control Improvements, including without limitation the following. Upon execution of this Agreement, City Centre I at its cost shall take all actions as necessary or appropriate to design, construct, and install all Grade Control Improvements in a timely and orderly manner in accordance with this Agreement and Redevelopment Plan, including without limitation obtaining all applicable permits, construction plans, and contracts (“Applicable Documents”). City Centre I shall cause construction and completion of the Grade Control Improvements to be observed by a professional engineer licensed in Nebraska, and upon completion shall have the professional engineer submit to City as-built records and issue to the City a certificate of compliance of the improvements with the approved plans, in form and content satisfactory to the City Engineer (“Certificate of Compliance”). Each party shall own the portion of Grade Control Improvements located on real property it owns. Redeveloper and each contractor or subcontractor performing work with respect to the Grade Control Improvements shall warrant to City, for a period of two years following completion of such construction, that such work has been performed using first quality materials, as approved by Redeveloper and the City Engineer, in a good and workmanlike manner, in accordance with all applicable plans and specifications, and is free of any defects. In the event of any defect, Redeveloper shall be permitted to correct such defect as follows (“Cure”). Cure shall be commenced and completed as soon as possible and in all cases within 30 days after City provides notice of defect. In any case that Cure cannot be completed within 30 days, additional time will be allowed so long as Cure is commenced within the time required by the preceding sentence and diligently pursued and completed as soon as possible, and allowing additional time does not present an increased risk of harm to persons or property.

2. Payment of Costs. Upon completion of the Grade Control Improvements, City shall pay City Centre I an amount equal to the sum of the following amounts: The share of each line item of cost allocable to the City as set forth in Exhibit “C” that is actually incurred, not to exceed the dollar amount estimated as the City share for such line item in Exhibit “C” (“Applicable Share”). City Centre I shall pay all costs in excess of the Applicable Share. The City’s obligation to pay the Applicable Share shall be subject to City receipt of the Certificate of Compliance satisfactory to City Engineer.

3. Financial Guarantee: As a condition of the City’s Applicable Share, Redeveloper concurrent with its execution of this Agreement shall provide to City bank letters of credit or other financial guarantees (such bank letters of credit or other financial guarantees hereinafter referred to as “Financial Guarantees”) as required by, and in form and content satisfactory to, the City Engineer in the amount of 110% of the total estimated cost to design and construct the Grade Control Improvements, as set forth on "Exhibit C". Redeveloper in contracts for the work shall require the contractor performing the Grade Control Improvements to provide to Redeveloper and City such surety bonds, including without limitation performance, payment, and maintenance bonds, as the City Engineer determines necessary or appropriate, with Redeveloper and City to be named as co-obligees on such bonds. Such bonds shall be in forms, amounts, and content satisfactory to City and shall have one or more sureties thereon who are authorized to write such bonds in the State of Nebraska.

4. Maintenance of Improvements. Redeveloper, upon completion of Grade Control Improvements shall be responsible for maintaining Grade Control Improvements in good and working condition and repair, ordinary wear and tear excepted, which shall include without limitation providing all applicable maintenance, repairs and replacements of said Grade Control Improvements (“Maintenance”). Each party shall pay the cost of any Maintenance provided on Grade Control Improvements located on such party’s property, provided, however, (i) any Maintenance of Grade Control Improvements located on City property shall be subject to prior review and approval of the City, and (ii) any Maintenance necessitated by the negligence of any party shall be provided by such party at its sole cost.

5. City Determinations. Except as otherwise expressly provided to the contrary in this Agreement: the City Engineer on behalf of the City shall administer and be the determiner of any matter under this Agreement, and any review or approval required of the City under this Agreement shall mean the particular item, issue, solution, or manner of proceeding must be satisfactory to the City Engineer as indicated by the City Engineer in writing. Not in limitation of the immediately preceding sentence, the City Engineer shall have the right, but shall not have any obligation, to periodically inspect the Grade Control Improvements or any work on or relating to such Grade Control Improvements, or otherwise pursuant to this Agreement, and to require modification, replacement, maintenance or repair of any Grade Control Improvements, work or improvements the City Engineer determines are defective, unsatisfactory or in need of repair, maintenance or replacement, and Redeveloper shall comply with said requirements. Any such review by the City Engineer, or City Engineer’s designee, shall not constitute an assumption of responsibility by the City, or a waiver or release by the City of any claim or any other party from its responsibility, for any plans, specifications, designs, addenda, work, or any performance. In the event City Engineer determines construction, replacement, repair or maintenance is defective or not progressing or not being performed satisfactorily or in a timely manner, City (upon Redeveloper’s failure to Cure pursuant to Section 1 above) may, at its sole option and without obligation to do so, decide to undertake construction, replacement, repair and/or maintenance and assess the cost against City Centre I and Lot 14, including without limitation engineering costs and legal costs together with interest at the rate permitted for special assessments under applicable law until paid, and City shall have a lien for the cost therefor, which lien City may file of record against Lot 14 and shall be subject to foreclosure if not timely paid in full with interest. City’s and/or City Engineer’s exercise of any or all of the authority pursuant to this Section 5 shall be at City’s sole and absolute discretion and for the sole benefit of the City and City’s interests and not for the benefit or interests of Redeveloper or any other party; and City, City Engineer and City officials, officers, employees, or agents shall have no responsibility or liability by reason of either the exercise or nonexercise of any such authority.

6. Continuation of Grade Control Improvements. Grade Control Improvements shall be continued in effect in accordance with this Agreement unless the parties agree to terminate, relocate, remove, add to, subtract from, or otherwise modify all or any part of such Grade Control Improvements, or the location thereof. Any agreement to terminate, relocate, remove, add to, subtract from, or otherwise modify all or any part of such Grade Control Improvements, or the location thereof, shall be in a written amendment to this Agreement and require approval of the City Council of the City.

7. City Requirements. Nothing in this Agreement shall be deemed approval, waiver or lessening of any approval, or satisfaction of any requirement of this Agreement or any laws, rules, or regulations, including without limitation requirements of any provisions of the La Vista Municipal Code or any building, planning, subdivision, or zoning laws, rules or regulations. Notwithstanding anything in this Agreement to the contrary, City reserves the right to take any other actions as it determines necessary or appropriate if any requirement is not satisfied, including without limitation withholding issuance of a certificate of occupancy for Lot 14 until Grade Control Improvements are satisfactorily completed.

8. Easements. City Centre I and City each shall have a perpetual easement in that part of the premises of the other on which the Grade Control Improvements are located as reasonably necessary to construct or maintain the Grade Control Improvements or otherwise carry out this Agreement.

9. Exhibit Summary. The Exhibits attached hereto and incorporated herein by this reference and made a part hereof, are as follows:

Exhibit "A":	Final Plat – La Vista City Centre
Exhibit "B":	Grade Control Improvements
Exhibit "C":	Applicable Share

10. Right to Enforce. Provisions of this Agreement may be enforced by the parties at law, or in equity. All rights and remedies of a party, whether specified in this Agreement or otherwise provided, are cumulative.

11. Incorporation of Recitals. Recitals at the beginning of this Agreement are incorporated into this Agreement by reference.

12. Nondiscrimination. Notwithstanding anything in this Agreement to the contrary, (i) each party agrees that neither it nor any subcontractor of the party shall discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to the employee's or applicant's hire, tenure, terms, conditions or privileges of employment, because of race, color, religion, age, sex, disability, or national origin; and (ii) the City is a recipient of federal funds; and as a result, all required contractual provisions related to such federal funds shall be deemed incorporated into this Agreement by this reference and binding upon the parties.

13. Assignment. This Agreement may not be assigned by any party without the express written consent of all parties.

14. Severability. If any part of this Agreement is held by a court of competent jurisdiction to be illegal or unenforceable, the illegality or unenforceability shall not affect the remainder of this Agreement, and this Agreement shall be construed as if such illegal or unenforceable provision had never been included herein.

15. Deeds of Trust; Mortgages. Lot 14 is subject to certain mortgages, deeds of trust,

liens, or other encumbrances ("Mortgages") that require City Centre I to obtain approval of this Agreement by the owner(s) or holder(s) of such Mortgages ("Mortgagees") before City Centre I enters or subjects Lot 14 to some or all of this Agreement. This Agreement shall be subject to approval of all such Mortgagees as indicated by execution of this Agreement by such Mortgagees below. City Centre I represents and warrants to City that consent of any other Mortgagees is not required under any Mortgage before City Centre I enters this Agreement. City represents and warrants that City property adjacent to Lot 14 is not subject to any mortgages or deeds of trust.

16. Recording. This Agreement, upon execution by the parties and Mortgagees, shall be recorded with the Register of Deeds of Sarpy County, Nebraska and all terms and conditions of this Agreement shall constitute covenants running with the land that are binding on each of City, La Vista City Centre, City Centre I, and Mortgagees, and all successors and assigns of the City, La Vista City Centre, City Centre I, or any Mortgagees, or any person claiming under or through any such party, Mortgagee, successor or assign. City shall have the right, but not the obligation, to enforce any and all such covenants.

17. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the undersigned and their respective successors and assigns; and shall be subject to Redeveloper's compliance with the terms and conditions of the Redevelopment Plan for the 84th Street Redevelopment Area and the Redevelopment Agreement and Subdivision Agreement applicable to the Redeveloper Property, as such plan or either agreement may be amended from time to time.

18. Amendments. This Agreement shall not be amended unless set forth in a written amendment that is executed by all parties.

19. Governing Law. It is the intention of the parties that the laws of the State of Nebraska shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

20. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement.

IN WITNESS WHEREOF, each of the undersigned has executed this Agreement as of the day and year indicated.

NAMING AREA CURRENTLY REFERRED TO AS CIVIC CENTER PARK	◆ RESOLUTION ORDINANCE RECEIVE/FILE	SCOTT STOPAK RECREATION DIRECTOR

SYNOPSIS

A resolution has been prepared to rename of the area currently referred to as “Civic Center Park” to “Central Park”.

FISCAL IMPACT

RECOMMENDATION

Approval.

BACKGROUND

The City closed La Vista Falls Golf Course several years ago to make way for the creation of a regional recreation area abutting the new City Centre development. Multiple improvements have been made to this area including expanding the size of the lake, adding a fountain, and installing new trails, irrigation and electrical infrastructure. Additional improvements are anticipated.

The new park area abuts and shares a common border with the City’s existing Central Park on the southeast and is backed by 84th Street on the west. A future anticipated project includes the installation of a pedestrian underpass and the City is currently in the process of developing a plan for the future use of this space.

As all of these adjoining projects, both public and private, began to take shape, there was a need to reference this space as something other than “the former golf course”. While no official naming process was undertaken, it began to be referred to as Civic Center Park. As the 84th Street redevelopment continues to move forward, it has become apparent that a deliberate naming of this park space is necessary for consistency and ease of wayfinding.

Staff has reviewed and discussed this at length and is recommending that the entire area—existing Central Park, the former golf course, and the adjacent area immediately west of 84th Street be officially named Central Park. All of the spaces will ultimately connect and join together. It is anticipated that while some areas might eventually be referred to as Central Park East or Central Park West, this would be much easier than trying to assign different names to each space, particularly for marketing and directional purchases.

In accordance with the Council Policy Statement, all City of La Vista parks and recreational facilities shall be identified by a name established by the Mayor and City Council. Prior to the approval of a name for a city park or recreational facility, the La Vista Park and Recreation Advisory Committee shall be requested to provide a recommendation to the Mayor and City Council.

At their meeting on January 20, 2021 the Park and Recreation Advisory Committee held a public hearing and voted unanimously to recommend naming the area currently referred to as Civic Center Park “Central Park”.

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA OFFICIALLY NAMING THE AREA CURRENTLY REFERRED TO AS CIVIC CENTER PARK AND THE ADJACENT AREA IMMEDIATELY WEST OF 84TH STREET AS CENTRAL PARK.

WHEREAS, the site of the former La Vista Falls Golf Course has been created into a regional recreation area abutting the new City Centre development; and

WHEREAS, the recreation area formally has not been named, but has been referred to as Civic Center Park; and

WHEREAS, the future plans include the installation of a connection under 84th Street between this new recreation area and the land that is the current location of the municipal swimming pool and some smaller baseball fields; and

WHEREAS, the Park and Recreation Advisory Committee held a public hearing at their meeting on January 20, 2021 to discuss naming these areas as required by the Council Policy Statement, and they are recommending the name Central Park; and

WHEREAS, the official park name will be Central Park;

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council of La Vista, Nebraska does hereby officially name the area currently referred to as Civic Center Park and the area immediately west of 84th Street as Central Park.
