PARKING VIOLATION ADMINISTRATIVE REVIEW PROCEDURES:
A driver or owner of a vehicle issued a parking violation may request an administrative review of the parking violation by completing this form. Such request shall be completed within seven (7) calendar days from the date the parking violation was issued. Failure to request and complete such review within the 7 day period waives your opportunity for an administrative review. Such review is presented to a three (3) member panel with a determination based on the defenses or mitigating circumstances set forth on the review request. The panel may or may not recommend the City Attorney dismiss the violation. The parking violator shall be notified by United States Mail sent to his or her last known address as to the decision.
