BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF LA VISTA, NEBRASKA, AS FOLLOWS:

Section 1. The Mayor and Council of the City of La Vista, Nebraska (the "City") hereby

- A. the City owns and operates a sanitary sewer system, said system as now existing together with all additions and improvements thereto hereafter acquired or constructed are herein referred to as the "Sewer System";
- B. the Sewer System represents a revenue-producing undertaking and facility of the City under the provisions of Sections 18-1803 to 18-1805, R.R.S. Neb, as amended, for which the City is authorized to issue revenue bonds;
- C. the City currently has outstanding no bonds, notes or other indebtedness for which the revenues of the Sewer System have been pledged or made security;
- D. The NDEE has approved a project of the City for its Sewer System consisting of the installation of cast-in-place pipe (CIPP) lining for all sewers, point repairs for areas with significant pipe damage or offset joints, replacement of sanitary sewer laterals to residences, manhole rehabilitation, and other related repairs and improvements, which has been designated as Project No. C318045 (the "NDEE Project"), which project is more fully described in the "Loan Agreement between Nebraska Department of Environment and Energy and City of La Vista, Nebraska, NDEE Project No. C318045" (the "NDEE Agreement"), and has agreed to lend from monies in NDEE's Construction Loan Fund or from other sources in the total principal amount of not to exceed \$2,745,000, and in connection with such loan has agreed to accept one or more bonds payable from the revenues of the Sewer System, and the Mayor and Council do hereby confirm, ratify and approve all prior actions of the City relative to approval and execution of the said NDEE Agreement;
- E. For the purposes of paying the costs of the NDEE Project as set forth in this Section 1, it is necessary and advisable for the City to issue its Sewer Revenue Bond, Series 2022, (the "2022 Bond") in the principal amount of not to exceed \$2,745,000, issued as a single promissory note to the NDEE and payable from the revenues of the Sewer System.

Section 2. Unless the context shall clearly indicate otherwise, the following terms (in addition to any terms herein defined by parentheses) shall have the following meanings when used in this Ordinance:

- (a) the term "Additional Bonds" shall mean any and all bonds including refunding bonds and notes, hereafter authorized and issued by the City pursuant to the terms of this Ordinance which are equal to or less than the Sewer Revenue Bond, Series 2022 and equally and ratably secured therewith including any such bonds issued pursuant to Section 11 of this Ordinance.
- (b) the term "Sewer System" shall mean the Sewer System of the City of La Vista.
- (c) the term "revenues" shall mean all the rates, rentals, fees, charges, earnings and other monies from any source whatever derived by the City of La Vista through its ownership and operation of the Sewer System (including, without limitation, fees and charges for hook ups, taps and capital facilities charges).

Section 3. To provide for the payment of the costs of the Project, there shall be and there is hereby ordered issued the 2022 Bond, in the form of and evidenced by a single promissory note (sometimes referred to in this Ordinance, according to the context, as the "2022 NDEE Note" and sometimes as the "2022 Bond") in the principal amount of not to exceed Two Million Seven Hundred Forty-five Thousand Dollars (\$2,745,000), with such 2022 NDEE Note to be substantially in such form and to have such payment terms as are set forth as included in the NDEE Agreement attached as Exhibit A to this Ordinance, which exhibit is by such reference incorporated herein as if fully set forth. In connection with the issuance of the 2022 NDEE Note, the City shall also enter into an agreement with NDEE previously described herein and entitled Loan Agreement Between Nebraska Department of Environment and Energy and the City of La Vista, Nebraska, NDEE Project No. C318045 in substantially the form set forth in Exhibit A to this Ordinance, which exhibit is by such reference incorporated herein as if fully set forth. The terms and conditions of the 2022 NDEE Note and NDEE Project are hereby approved and the Mayor and the City Clerk are hereby authorized to execute and deliver the 2022 NDEE Note and the 2022 Bond for and on behalf of the City in substantially the form approved but with such changes from the forms presented and attached hereto as such officers shall deem appropriate for and on behalf of the City.

Section 4. The City hereby pledges and hypothecates all revenues and earnings, now or hereafter received, or otherwise due and owing to the City, derived from the ownership and operation of the City's Sewer System and all extensions and enlargements thereof, including any additions and improvements hereafter made, for the payment of

principal of and interest on the 2022 Bond and any Additional Bonds as the same fall due. So long as said revenues and earnings are sufficient to make all required payments of principal and interest with respect to the 2022 Bond and any Additional Bonds, all such required payments with respect to each such issue shall be made in full from the respective sub-accounts in the Sewer Revenue Bond Account for each such series. In the event that such revenues and earnings are insufficient to meet the required payments from the Sewer Revenue Bond Account, such revenues and earnings shall be allocated to the 2022 Bond and any such Additional Bonds, pro rata in accordance with the respective unpaid principal amounts then outstanding for the 2022 Bond and such Additional Bonds. The pledge and hypothecation provided for the 2022 Bond, as provided for in this Ordinance, is intended to be and shall provide for a first and prior pledge of, lien upon and security interest in the revenues of the Sewer System (subject to the right of the City to issue Additional Bonds as provided in this Ordinance) for the payment of principal of and interest on the 2022 Bond, superior to any pledge or promise made with respect to any other indebtedness of the City as to its Sewer System, and is intended to be a full exercise of the powers of the City provided for in Sections 18-1803 to 18-1805, R.R.S. Neb. 2012, as amended, with respect to its Sewer System.

Section 5. The City will maintain and collect rates and charges for all Sewer System service furnished from the Sewer System adequate to produce revenue and earnings sufficient at all times:

- (a) to provide for the payment of interest on and principal of the 2022 Bond and any Additional Bonds as such interest and principal become due; and
- (b) to pay all reasonable costs of operation and maintenance of the Sewer System, including adequate insurance as provided by this Ordinance and to pay for the necessary and reasonable repairs, replacements and extensions of said Sewer System.

Section 6. The application and handling of all revenues collected, derived and to be derived by the City from the operation of the Sewer System shall be governed by the terms of this Ordinance. There has been, and shall be, established a separate fund held by the City Treasurer, designated as the "La Vista Sewer Fund" (herein referred to as the "Sewer Fund"), into which all of the revenues of the Sewer System are required to be deposited as and when received. Said Sewer System revenues are required to be deposited as and when reviewed. Said Sewer Fund shall be maintained so long as any of the 2022 Bond and any Additional Bonds remain outstanding. Within the Sewer Fund, in

accordance with the requirements of this Ordinance, the accounts and sub-accounts shall be as follows:

I. **OPERATION AND MAINTENANCE ACCOUNT:** The City shall set aside in this account each month an amount sufficient for the operation and maintenance of its Sewer System and the expenses of maintenance and operation of said utilities shall be paid out of this account.

II. **SEWER REVENUE BOND ACCOUNT:** Within the Sewer Revenue Bond Account there is hereby ordered established the 2022 Bond Payment Sub-account. Out of the Sewer Fund the City shall transfer into the Sewer Revenue Bond Account on or before the first day of each calendar month (or such other dates as may be determined in the NDEE Agreement) the amounts required to be deposited to the 2022 Bond Payment Sub-account in accordance with the following requirements for such sub-account:

Out of the Sewer Fund, the City shall pay into the Sewer Revenue Bond Account on or before the first day of each calendar month (or such other day of the month as may be determined in the NDEE Agreement) an amount sufficient to meet the payment requirements for each sub-account established therein. Upon the issuance of the 2022 Bond there is hereby ordered established the 2022 Bond Sub-account for purposes of providing the payments on the 2022 Bond as the same falls due. Beginning with the first day of the month which immediately follows the "Initiation of Operation" (as defined in the NDEE Agreement, hereafter referred to as the "Initiation of Operation") of the Project, and continuing on the corresponding day of each month thereafter an amount which, when combined with additional equal monthly amounts to be deposited pursuant to this subparagraph prior to the next falling payment date for the 2022 Bond, will be sufficient to provide the required funds due on such payment date with respect to the 2022 Bond.

In any ordinance authorizing Additional Bonds a separate sub-account in the Sewer Revenue Bond Account shall be established for such Additional Bonds. Section 10. Nothing in this Ordinance shall be construed in such a manner as to prevent the issuance by the City of La Vista of Additional Bonds payable from the revenues of the Sewer System, which Additional Bonds shall be on a parity with the lien of the 2022 Bond and equally and ratably secured therewith and entitled to the security and benefits of this Ordinance; provided that the issuance of such Additional Bonds is permitted pursuant to the terms of this ordinance, the NDEE Agreement and any ordinance authorizing Additional Bonds then outstanding.

Section 11. Nothing herein contained shall prevent the City from issuing bonds, revenue notes, or other forms of indebtedness, the payment of principal and interest of which is a charge upon all or a portion of the revenues of the Sewer System, junior or

inferior to the 2022 Bond herein authorized, and to the payments to be made into the Operation and Maintenance Account, Sewer Revenue Bond Account described in Section 6 hereof and the City shall have the right to pay interest thereon and the principal thereof as long as no deficiency exists in the payments into such Accounts, from funds available for improvements and enlargements to the Sewer System or from other funds which are available for such debt service.

Section 12. The City will not hereafter grant any franchise or right to any person, firm or corporation to own or operate a water or sewer plant or system in competition with those owned by the City.

Section 13. Except for amendments which are required for the correction of language to cure any ambiguity or defective or inconsistent provisions, omission or mistake or manifest error contained herein, no changes additions or alterations of any kind shall be made by the City in the provisions of this Ordinance in any manner; provided, however, that from time to time the holder of the 2022 Bond by an instrument in writing signed by such holder and filed with the City Clerk shall have power to assent to and authorize any modification of the rights and obligations of the City and of the holder of the 2022 Bond and interest thereon and the provisions of this Ordinance that shall be proposed by the City, and any action authorized to be taken with the assent and authority given as aforesaid of the holder of said bond shall be binding upon such holder and upon the City as fully as though such action were specifically and expressly authorized by the terms of this Ordinance. Any modification of the provisions of this Ordinance made as aforesaid shall be set forth in a supplemental ordinance to be adopted by the Mayor and Council of said City.

Section 14. So long as the 2022 Bond is outstanding, each of the obligations, duties, limitations and restraints imposed upon the City by this Ordinance shall be deemed to be a covenant between the City and the holder of said bond, and this Ordinance and every provision and covenant hereof shall constitute a contract of the City with every holder from time to time of said bond. Any holder of the 2022 Bond may by mandamus or other appropriate action or proceeding at law or in equity in any court of competent jurisdiction enforce and compel performance of this Ordinance and every provision and covenant thereof including, without limiting the generality of the foregoing, the

enforcement of the performance of all duties required by the City by this Ordinance and the applicable laws of the State of Nebraska, including in such duties the making and collecting of sufficient rates, rentals, fees or charges for the use and service of the Sewer System, the segregation of the revenues of the Sewer System and the application thereof to the respective Fund, Accounts and sub-accounts referred to and described in Section 6 of this Ordinance. Any holder of the 2022 Bond herein authorized or Additional Bonds shall, after default in payment, have the right to request the appointment of a receiver for the Sewer System.

Section 15. The City's obligations under this Ordinance and the liens, pledges, covenants and agreements of the City herein made or provided for with respect to the 2022 Bond, shall be fully discharged and satisfied and such bond shall no longer be deemed outstanding hereunder if such bond shall have been purchased and cancelled by the City or when payment of the principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to be made in accordance with the terms thereof, or (b) shall have been provided for by depositing with a national or state bank having trust powers or trust company, in trust solely for such payment, (i) sufficient money to make such payment and/or (ii) direct general obligations of the United States government or obligations guaranteed by the United States government ("Deposit Securities") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payment; provided, however, that, with respect to the 2022 Bond if it is to be paid prior to maturity, the City shall have duly given notice of redemption of such bond as provided by law or made irrevocable provisions for the giving of such notice. Any such money so deposited with a bank or trust company may be invested and reinvested in Deposit Securities and all interest and income from such Deposit Securities in the hands of such bank or trust company, in excess of the amount required to pay principal of and interest on the bond for which such monies were deposited, shall be paid over to the City as and when collected. With respect to any deposit made for purposes of satisfying the 2022 Bond under this Section 17, there shall be furnished to NDEE and the Nebraska Investment Finance Authority ("NIFA") an opinion of

nationally recognized bond counsel that such deposit for payment of the 2022 Bond will not adversely affect the exclusion for interest from gross income for federal tax purposes on any bonds issued by NIFA to provide funds for deposit into the Nebraska Wastewater Facilities Construction Loan Fund and the furnishing of such opinion shall be a condition required to be satisfied prior to the making of any such deposit in trust for payment and satisfaction with respect to the 2022 Bond unless the 2022 Bond is to be prepaid and redeemed within 60 days from the time of such deposit.

Section 16. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 17. The Mayor and Council hereby expressly declare the intent and understanding that interest on the 2022 Bond shall not be excludable from gross income under the terms of Section 103 of the Internal Revenue Code of 1986, as amended, and the City as issuer shall not file any information report with respect to the issuance of the 2022 Bond pursuant to Section 149(e) of said Code.

Section 18. All ordinances, resolutions or orders or parts thereof in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 19. This Ordinance shall be published in pamphlet form and take effect as provided by law.

Section 2.02. Term of the Loan. The Borrower agrees to fully repay the Loan with interest on the date of Initiation of Operation or to begin repayment of principal and interest on the Loan within one (1) year from the date of Initiation of Operation, but no later than three (3) years from the date of the Loan, whichever occurs first, and to repay such Loan in full no later than twenty (20) years from Initiation of Operation and to pay all principal, interest, administrative fees, and penalty fees when due. - (c) Estimated Initiation of Operation – May 2023

Section 2.08. Disadvantaged Business Enterprises. The Borrower hereby agrees to the following.

- (a) To comply with the requirements of the EPA's Disadvantaged Business Enterprise (DBE) Program for procurement activities under assistance agreements, contained in 40 CFR, part 33, and, to the fullest reasonable extent possible, ensure that at least ten percent will be made available to Disadvantaged Business Enterprises for the Project.
- (b) To make the following good faith efforts whenever procuring construction, equipment, services, and supplies:
 - (1) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. This includes placing DBEs on a solicitation list and soliciting them whenever they are potential sources.

- (2) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid proposal closing date.
- (3) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. This includes dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- (4) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance of the Small Business Administration and the Minority Business Development Agency of the Department Commerce; and
- (6) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraphs (1) through (5) of this section.

Section 2.09. Borrower's Sewer Use Ordinances and User Charge Systems.

- (a) The Borrower agrees to obtain approval from the NDEE of its Sewer User Ordinance and its User Charge System, and to adopt and implement any necessary changes before the Project is placed in operation.
- (b) The Borrower agrees that it shall not modify, amend, make additions to, or deletions from its Sewer Use Ordinance and its User Charge System without the consent of the NDEE during the term of the Loan Agreement, with the exceptions of the following changes:
 - (1) Any increase in rates and charges necessary or deemed necessary by the governing body of the Borrower in order to comply with the provisions of this Loan Agreement, the Sewer Use Ordinance, or any ordinance and other agreement pursuant to which any Revenue Obligations have been issued, and for which the revenues of the User Charge Systems have been pledged; or
 - (2) Any increase deemed necessary by the governing body of the Borrower in order to permit the issuance of or provide the payment of Additional Revenue Obligations.

Section 2.10. Other Conditions and Terms.

- (a) Engineering Services. The Borrower shall provide and maintain competent and adequate engineering supervision and resident inspection during construction.
- (b) Construction Agreement Award. The Borrower shall obtain the NDEE concurrence and authorization prior to award of the construction agreement.
- (c) Initiation of Operation. The Borrower shall provide written notification to the NDEE of the date of Initiation of Operation of the Project.
- (d) Construction Completion. The Borrower shall provide written notification to the NDEE of the construction completion date of the Project.
- (e) Long Term Planning. The Borrower agrees to develop and implement a long-term Wastewater Treatment Works management plan for the term of the Loan, including yearly renewals. This plan shall recognize the cost relationship between the Project and future projects.

- (f) Contractor's Security. The Borrower agrees to require any contractor of the Project to post separate performance and payment bonds, or other security approved by the NDEE in the amount of the bid.
- (g) Certified Operator. The Borrower agrees to provide a certified operator for its Wastewater Treatment Works pursuant to Nebraska Administrative Code, Title 197 - Rules and Regulations for the Certification of Wastewater Treatment Facility Operators in Nebraska.
- (h) Site Title and Easements. The Borrower must certify that site title for all easements and rights-of-way necessary to allow construction of the Project have been obtained prior to award of the construction agreement (i.e., all real property has been acquired, bona fide options have been taken or formal condemnation proceedings have been initiated for necessary real property).
- (i) Contractors Payments. The Borrower agrees to make prompt payment to its contractor(s) of sums due for construction and to retain only such amounts as may be justified by specific circumstances and provisions of the construction agreement.
- (j) Bid Solicitation. The Borrower agrees to notify the NDEE of its intent to solicit bids for the project and to request the latest State Revolving Fund Federal Assurance Packet from the NDEE. The Borrower agrees to follow the directions in the packet and to include and insert all the required information, text, documents, and other items into the bid solicitation in accordance with the packet.
- (k) Debarment or Suspension. The Borrower acknowledges that doing business with any party that has been declared ineligible to receive federal contracts may result in an event of default, disallowance of federal funds under this Loan Agreement, and may also result in suspension or debarment under 40 CFR Part 32. Instructions for finding the federal list of current companies declared ineligible can be found at the following website: <https://www.dol.gov/agencies/ofccp/debarred-list>.
- (l) Other Federal Requirements. The Borrower agrees to comply with other applicable Federal Requirements in Attachment D hereto.
- (m) Project Sign. If requested by the NDEE, the Borrower agrees to display a project sign created by the NDEE. The displaying of a project sign may include both physical displays and digital displays. This can include, but not be limited to, a physical board provided by the NDEE to be displayed at a designated site, digital graphic to be posted on a Borrower's website, or image and text to be posted in a newsletter, community notice, or newspaper. The NDEE will provide instructions for displaying the Project Sign.
- (n) Employment under Public Contracts, LB 403. The Borrower agrees to comply with the provisions of Legislative Bill 403, approved by the Governor on April 8, 2009. The following language is required and will be included in all agreements made with contractors and is a pass-through requirement for his or her subcontractors.

"The Contractor is required and hereby agrees to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee. If the Contractor is an individual or sole proprietorship, the following applies: 1. The Contractor must complete the United States Citizenship Attestation Form, available on the Department of Administrative Services website at www.das.state.ne.us; 2. If the Contractor indicates on such attestation form that he or she is a qualified alien, the Contractor agrees to provide the US Citizenship and Immigration Services documentation required to verify the Contractor's lawful presence in the United States using the Systematic Alien Verification for Entitlements (SAVE)

Program; and 3. The Contractor understands and agrees that lawful presence in the United States is required and the Contractor may be disqualified or the contract terminated if such lawful presence cannot be verified as required by Neb. Rev. Stat. §4-108."

(o) Prevailing Wage. All laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Public Law 111-88 shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (64 Stat. 1267; 5 U.S.C.App.) and section 3145 of Title 40, United States Code.

The Borrower is responsible to ensure compliance with the prevailing wage requirements and will include the following information in the agreement documents:

Contractors and subcontractors on USEPA federally assisted construction projects are required to pay their laborers and mechanics not less than those established by the U.S. Department of Labor. A current wage decision containing the appropriate building and/or heavy type rates shall be included in the specifications. In addition, labor standard provisions, Davis Bacon and Related Acts, for federally assisted agreements shall be placed in the federal assurances of project specifications.

If an area wide decision or classification does not exist for the type of work to be performed, building or heavy, a decision or request for authorization of additional classification and rate must be requested from the Labor Department using the Standard Form 1444, Request for Authorization of Additional Classification and Rate available on the web and can be completed online at:

www.gsa.gov/portal/forms/download/115906. These types of decisions or classifications are project specific, e.g. they are applicable only to the project for which they are requested and may not be used on any other project. Project decisions generally have an expiration date of 180 days after the date of issuance. Modifications or reissued decisions are applicable to a project if received by the NDEE not less than ten days prior to bid opening. Modifications to classification and wage rates after bid opening shall be paid to all workers performing work in the new or modified classification from the first day on which work is performed in the additional classification as approved by the Administrator of the Wage and Hour Division, Employment Standards Administration, US Department of Labor.

Weekly Payrolls will be submitted by the contractor to the Borrower or the Authorized Representative utilizing the Department of Labor Form WH-347. A web-form which can be completed on-line is found at <https://www.dol.gov/agencies/whd/forms/wh347>. Instructions are also found online. The Borrower may also be required to submit copies of the Weekly Payrolls to the NDEE. As to each payroll copy received, the Borrower shall provide written confirmation on a form supplied by the NDEE indicating whether or not the Project is in compliance with the requirements of 29 CFR 5.5(a)(1) based on the most recent payroll copies for the specified week. The Borrower or the Borrower's representative shall periodically interview a sufficient number of the contractor's or subcontractor's employees entitled to Davis Bacon prevailing wages to verify that contractors or subcontractors are paying the appropriate wage rates.

As provided in 29 CFR 5.6(a)(6), all interviews must be conducted in confidence. The Borrower must use Standard Form 1445 or equivalent documentation to memorialize the interviews. Copies of the SF 1445 form are available at <https://www.gsa.gov/forms-library/labor-standards-interview-0>. It is recommended that the Borrower or the Borrower's Representative should conduct interviews with a representative group of covered employees within two weeks of each contractor or subcontractor's submission of its initial weekly payroll data and two weeks prior to the estimated completion date for the contract or subcontract. EPA has issued a waiver from the two-week interview interval requirements by a November 16, 2012, EPA Memorandum, Class Deviation – Prevailing Wage Interview Interval Requirement in Clean Water and Drinking Water State Revolving Funds (CWSRF and DWSRF) Capitalization Grants. The provision for two-week interview intervals is not a regulatory or statutory requirement and has been superseded by the class deviation. The Borrower or Borrower's

representative should conduct such interviews if and when the Borrower or the Borrower's representative finds it necessary to ensure that contractors are complying with the prevailing wage requirements.

(p) Human Trafficking. Under the requirements of Section 106 of the Trafficking Victims Protection Act of 2000, as amended, the following provisions apply to this award:

"The Borrower, its employees, sub-recipients under this award, and sub-recipients' employees may not engage in severe forms of trafficking in persons during the period of time that the award is in effect; procure a commercial sex act during the period of time that the award is in effect; or use forced labor in the performance of the award or sub-awards under the award."

(q) American Iron and Steel (AIS) Products. Use of Loan funds for partial or full payment of the construction, alteration, maintenance, and repair of "Wastewater Treatment Works", as defined by the Federal Act, must be constructed pursuant to Public Law 113-76, Consolidated Appropriations Act of 2014, which includes an "American Iron and Steel" requirement. The Borrower agrees to be responsible for and to comply with all American Iron and Steel conditions and requirements pursuant to the Consolidated Appropriations Act of 2014 and agrees to provide written certification of such compliance to the NDEE after construction completion.

(r) Cost Effectiveness Analysis. The Borrower agrees to certify that they have:

- (1) Studied and evaluated the cost and effectiveness of the processes, materials, technique, and technologies for carrying out the proposed project or activity for which assistance is sought under the Water Resources Reform and Development Act of 2014; and
- (2) Selected, to the maximum extent practicable, a project or activity that maximizes the potential for efficient water use, reuse, recapture, and conservation, and energy conservation, taking into account:
 - (i) The cost of constructing the project or activity; and
 - (ii) The cost of operating and maintaining the project or activity over the life of the project or activity; and
 - (iii) The cost of replacing the project or activity.

ARTICLE III

LOAN CONDITIONS AND TERMS

Section 3.01. Representations of the Borrower. The Borrower represents as follows:

- (2) The Borrower has full legal right and authority and has all necessary licenses and permits required as of the date hereof (or is in the process of obtaining all necessary licenses and permits that will be required, but are not required to be in place as of the date hereof) to own, operate and maintain its Wastewater Treatment Works, to carry on its activities relating thereto, to execute and deliver this Loan Agreement, to undertake and complete the Project, and to carry out and consummate all transactions contemplated by this Loan Agreement.

- (3) The proceedings of the Borrower's governing body conducted to approve this Loan Agreement and authorizing its execution, issuance, and delivery on behalf of the Borrower, and authorizing the Borrower to undertake and complete the Project have been duly and lawfully convened and conducted and the resolution of the Borrower's governing body approving such matters has been duly and lawfully adopted.
- (4) This Loan Agreement has been duly authorized, executed, and delivered on behalf of the Borrower, and constitutes the legal, valid, and binding obligation of the Borrower enforceable in accordance with its terms.

(b) Full Disclosure. To the best knowledge of the Borrower, there is no fact that the Borrower has not disclosed to the NDEE in writing on the Borrower's application for the Loan or otherwise anything that materially adversely affects or that will materially adversely affect the properties, activities of its Wastewater Treatment Works, or the ability of the Borrower to make all Loan Repayments and otherwise observe and perform its duties, covenants, obligations and agreement under this Loan Agreement.

(c) Non-Litigation. There is no controversy, suit or other proceeding of any kind pending, or to the best knowledge of the Borrower, threatened questioning, disputing or affecting in any way the: (i) legal organization of the Borrower or its boundaries; (ii) the right or title of any of its officers to their respective offices; (iii) the legality of any official act taken in connection with obtaining the Loan; (iv) the constitutionality or validity of the indebtedness represented by the Loan Agreement; (v) any of the proceedings had in relation to the authorization or execution or the pledging of the revenues stated in Section 2.09 and Section 3.02 of this Loan Agreement; or (vi) the ability of the Borrower to make all Loan Repayments or otherwise observe and perform its duties, covenants, obligations and agreements under this Loan Agreement.

(d) Compliance with Existing Laws and Agreements. The authorization, execution and delivery of this Loan Agreement by the Borrower, and the performance by the Borrower of its duties, covenants, obligations, and agreements thereunder will not result in any breach of any existing law or agreement to which the Borrower is a party.

(e) No Defaults. No event has occurred, and no condition exists that would constitute an Event of Default. The Borrower is not in violation of any agreement which would materially adversely affect the ability of the Borrower to make all Loan Repayments or otherwise observe and perform its duties, covenants, obligations, and agreements under this Loan Agreement.

(f) Governmental Consent. The Borrower has obtained all permits and approvals required to date under this Loan Agreement (or is in the process of obtaining all permits and approvals that will be required but are not required to be in place as of the date hereof) for the undertaking or completion of the Project and the financing or refinancing thereof. The Borrower has complied with, or expects to comply with, all applicable provisions of law requiring any notification, with any governmental body or officer in connection with this Loan Agreement or with the undertaking or completion of the Project and the financing or refinancing thereof.

(g) Compliance with the Law. The Borrower:

- (1) Is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject, including, without limitation, any public hearing or public notice requirements or environmental review requirements contained in the Regulations, with which the failure to comply would materially adversely affect the ability of the Borrower to conduct its activities, enter into this Loan Agreement or undertake or complete the Project; and

(2) Has obtained, or expects to obtain, all licenses, permits, franchises or other governmental authorizations presently necessary for the ownership of its property which, if not obtained, would materially adversely affect the ability of the Borrower to complete the Project.

(h) Use of Loan Proceeds. The Borrower will apply the proceeds of the Loan as described in Article II of this Loan Agreement:

- (1) To finance or refinance a portion of the Project Costs; and
- (2) Where applicable, to reimburse the Borrower for a portion of the Project Costs, which portion was paid or incurred in anticipation of reimbursement by the NDEE and is eligible for such reimbursement pursuant to the Regulations. All of such costs constitute Project Costs for which the NDEE is authorized to make loans to the Borrower pursuant to the Act and the Regulations.

(i) Project Costs. The Borrower certifies that the Project Costs, as listed in Attachment B, are reasonable and accurate estimations and, upon direction of the NDEE, will supply the same with a certificate from its engineer stating that such costs are reasonable and accurate estimations, taking into account investment income, if any, to be realized during the course of construction of the Project and other money that would, absent the Loan, have been used to pay the Project Costs.

Section 3.02. Particular Covenants of the Borrower.

(a) Dedicated Source of Revenue for Repayment of the Loan. The Borrower hereby pledges to the NDEE, and grants a lien to the NDEE on, the User Charge System as the dedicated source of revenue for the repayment of the Loan. The Borrower shall fix, establish, maintain and collect such rates, fees and charges for the use and services furnished by or through the Borrower's Wastewater Treatment Facility, and Sanitary Sewer Collection System, including all improvements and additions hereafter constructed or acquired by the Borrower, as will provide revenues sufficient to (i) pay the cost of the operation and maintenance, and replacement of the Wastewater Treatment Works, (ii) pay at least 110% of the principal of and interest on the Loan as and when the same become due, and (iii) pay all other amounts due at any time under this Loan Agreement. The lien of NDEE on the revenues of the Borrower's Wastewater Treatment Facility and Sanitary Sewer Collection System, shall be on a parity with the lien on such revenue of the Borrower's outstanding Wastewater Treatment Facility revenue bonds and Sanitary Sewer Revenue Bonds now outstanding, if any, and any additional revenue bonds hereafter issued on parity with such outstanding revenue bonds. The Borrower hereby expressly reserves the right to issue Revenue Obligations on parity with the lien described in this Loan Agreement and the other outstanding Revenue Obligations, provided the Borrower complies with the covenants contained in this Subsection 3.02(a). These revenues shall be collected and maintained in separate accounts or ledgers for the operation and maintenance costs and for principal and interest payments on the Loan. The funds in such accounts or ledgers shall be restricted for their intended use, and the Loan obligation shall be reported on the financial statements of the Borrower. The Borrower agrees to develop a User Charge System based on actual or estimated use of the Wastewater Treatment Works, providing that each user or user class pay its proportionate share of operation and maintenance (including replacement) costs within the Borrower's service area, based on each user's demand or potential demand for service and to conduct at least a biennial review of adequacy of the user charge rates. The Borrower agrees the initial financial analysis performed by the NDEE in Attachment C is a reasonable estimate of the Project Costs, of the financial condition of the Borrower in relation to this Project, and of the user charges necessary at the time of initiation of operation of the Project. The NDEE may review this information annually to ensure the Borrower's compliance with the Loan conditions and update Attachment C to reflect any changes.

(b) Performance Under Loan Agreement. The Borrower agrees:

- (1) To comply with all applicable State and Federal laws, rules, and regulations in the performance of this Loan Agreement (including, but not limited to the Federal crosscutting items as set forth on Attachment D of this Loan Agreement, and other NDEE Regulations); and
- (2) To cooperate with the NDEE in the observance and performance of the respective duties, covenants, obligations, and agreements of the Borrower and the NDEE under this Loan Agreement.

(c) Completion of Project and Provision of Moneys Therefor. The Borrower agrees:

- (1) To exercise its best efforts in accordance with prudent wastewater treatment utility practice to complete the Project and to so accomplish such completion on or before the estimated Project completion date set forth in Article II hereto; and
- (2) To provide from its own financial resources all moneys, in excess of the total amount of proceeds it receives pursuant to this Loan Agreement, required to complete the Project.

(d) Delivery of Documents. Concurrently with the delivery of this Loan Agreement (as previously authorized and executed) at the loan closing, the Borrower will cause to be delivered to the NDEE each of the following items:

- (1) Counterparts of this Loan Agreement (as previously executed by parties hereto).
- (2) Copies of the ordinances and/or resolutions of the governing body of the borrower authorizing the execution and delivery of this Loan Agreement certified by an Authorized Representative.
- (3) An Opinion of the Borrower's Counsel substantially in the form of Attachment E hereto.
- (4) An executed Note (or other evidence of indebtedness) evidencing the Borrower's obligations under this Loan Agreement in the form of Attachment F.
- (5) An executed certificate of the Borrower in the form of Attachment G hereto; and
- (6) Such other certificates, documents, opinions, and information as the NDEE may require.

(e) Operation and Maintenance of Wastewater Treatment System. The Borrower agrees that it shall, in accordance with prudent wastewater treatment utility practice:

- (1) At all times operate the properties of its Wastewater Treatment Works in an efficient manner; and
- (2) Maintain its Wastewater Treatment Works, making all necessary and proper repairs, renewals, replacements, additions, betterments, and improvements necessary to maintain its system in good repair, working order and operating condition.

(f) Disposition of Wastewater Treatment Works. The Borrower agrees that it intends to own and operate the Project at all times during the term of the Loan. The Borrower does not know of any reason why the Project will not be so used in the absence of (i) supervening circumstances not anticipated by the Borrower at the time of the Loan, (ii) adverse circumstances beyond the control of the Borrower or (iii) obsolescence of such insubstantial parts or portions of the Project as may occur as a result of normal use thereof.

The Borrower shall not sell, lease, abandon, or otherwise dispose of all or substantially all of its Wastewater Treatment Works except on ninety (90) days' prior written notice to the NDEE and, in any

event, shall not so sell, lease, abandon, or otherwise dispose of the same unless the Borrower shall in accordance with Section 4.02 hereof assign this Loan Agreement and its rights and interests hereunder to the purchaser or lessee of the Wastewater Treatment Works and such purchaser or lessee shall assume all duties, covenants, obligations and agreements of the Borrower under this Loan Agreement. In no event shall the Borrower sell, lease, abandon, or otherwise dispose of the Wastewater Treatment Works to any person or entity other than a municipal corporation or other political subdivision of the State of Nebraska or any combination thereof, which has legal responsibility to treat wastewater.

Before any proposed disposition of the Wastewater Treatment Works can be made, the Borrower shall provide the NDEE with (i) an opinion of counsel, satisfactory to the NDEE, that such proposed disposition is permitted by the provisions of this Loan Agreement, and (ii) if any such proposed disposition includes a portion of the Project financed by the Loan, an opinion of a nationally recognized bond counsel, satisfactory to the NDEE, that such disposition will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on any bonds issued to fund deposits into the Fund. No disposition of all or any portion of the Wastewater Treatment Works shall relieve the Borrower of its duties, covenants, obligations, and agreements under this Loan Agreement.

- (g) Records and Accounts. The Borrower shall maintain accurate records and accounts in accordance with generally accepted accounting principles, including principles relating to the reporting of infrastructure assets for its Wastewater Treatment System (the "System Records"), which shall be separate and distinct from its other records and accounts (the "General Account"). The System Records and General Accounts shall be made available for inspection upon request by the NDEE at any reasonable time. The Borrower shall, upon written request by the NDEE during the term of the Loan, engage an independent auditor to conduct an audit of the project's financial records in accordance with generally accepted government auditing standards. The Borrower shall provide the NDEE a copy of the audit report, provided such audit shall not be due to the NDEE sooner than 210 days following the close of the fiscal year, or years, identified in the request for audit. In the event that during the period in which the Project financed by this Loan Agreement is under construction, and the Borrower expends, for any purpose, total federal funds in excess of seven hundred fifty thousand dollars (\$750,000) during the Borrower's fiscal year, then the Borrower shall, irrespective of any request from the NDEE, provide the NDEE a copy of the Single Audit made on the Borrower's General Accounts performed by an independent auditor required in such cases by 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. In the sole discretion of the NDEE, any requirement herein to perform and/or provide an audit at the request of the NDEE may be waived by the NDEE on the basis of the Borrower's receipt of an audit waiver received from some other government agency and accurately acknowledging the Borrower's obligation to the NDEE under this Loan or for any other reason acceptable to the NDEE.
- (h) Inspections; Information. The Borrower shall permit the EPA, the NDEE, and any party designated by the NDEE to examine, visit, and inspect, at any and all reasonable times, the property, if any, constituting the Project, and to inspect and make copies of any accounts, books, and records, including (without limitation) its records regarding receipts, disbursements, contracts, investments, and any other matters relating thereto and to its financial standing, and shall supply such reports and information as the EPA and the NDEE may reasonably require in connection therewith.
- (i) Financial Information. The Borrower specifically agrees to provide to the NDEE a reasonable number of copies of such financial information and operating data of the Borrower and the Public Water System and the prompt notification of the occurrence of certain material events, to the extent necessary for the NDEE to comply with its continuing disclosure obligations set forth in the SEC Rule. Such financial information shall be prepared in accordance with GAAP. Such financial information and operating data, if requested, shall be supplied within 210 days after the end of its fiscal year. If audited financial information will be prepared but is not available within 210 days of the end of the appropriate Borrower's fiscal year, unaudited financial information shall be provided to the NDEE pending receipt of audited financial information. For purposes of this paragraph, "material event" shall mean:

- (1) Principal and interest payment delinquencies on any Indebtedness.
- (2) Nonpayment related defaults in agreements authorizing any Indebtedness.
- (3) Rating changes on any Indebtedness.
- (4) Adverse tax opinions or events affecting the tax-exempt status of any Indebtedness; or
- (5) Unscheduled draws on debt service reserves or credit enhancements on any Indebtedness reflecting financial difficulties.

(j) Insurance. The Borrower will carry and maintain such reasonable amount of all risk insurance on all properties and all operations of the Wastewater Treatment Works as would be carried by similar sized Wastewater Treatment Works, insofar as the properties are of an insurable nature. The Borrower also will carry general liability insurance in amounts not less than the maximum liability of a governmental entity for claims arising out of a single occurrence, as provided by the Nebraska Political Subdivisions Tort Claims Act (Neb. Rev. Stat. §§13-901 to 13-928), or other similar future law.

(k) Continuing Representations. The representations of the Borrower contained herein shall be true at the time of the execution of this Loan Agreement and at all times during the term of this Loan Agreement.

(l) Notice of Material Adverse Change. The Borrower shall promptly notify the NDEE of any material adverse change in the activities, prospects, or condition (financial or otherwise) of the Borrower's Wastewater Treatment Works, or in the ability of the Borrower to make all Loan Repayments and otherwise observe and perform its duties, covenants, obligations, and agreements under this Loan Agreement.

(m) Additional Covenants and Requirements. If necessary, in connection with the making of the Loan Agreement, additional covenants and requirements, if any, are hereby incorporated with their inclusion to Attachment I, Other Documents.

ARTICLE IV

ASSIGNMENT

Section 4.01. Assignment and Transfer by the NDEE. The Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement that the NDEE deems necessary in connection with the operation and administration of the Fund. The Borrower hereby specifically approves the assignment and pledging of the interest portion of the Loan Repayments to the NIFA.

Section 4.02. Assignment by the Borrower. This Loan Agreement may not be assigned by the Borrower for any reason, unless the following conditions shall be satisfied:

- (a) The NDEE shall have approved said assignment in writing; and
- (b) The assignee is a village, town, city, district, association, county, or other public body created by or pursuant to State law of the State of Nebraska, or any combination thereof, that has legal responsibility to treat wastewater; and
- (c) The assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower's duties, covenants, and obligations under this Loan Agreement; provided, however, such assignment shall not relieve the Borrower of its duties, covenants, and obligations under this Loan Agreement; and

- (d) The assignment will not adversely impact the NDEE's ability to meet its duties, covenants, and obligations under any Pledge Agreement as determined in writing by the NDEE; and
- (e) The assignment will not adversely affect the exclusion from gross income for federal tax purposes of the interest on any bonds issued by the NIFA to fund deposits into the Fund; and
- (f) The Borrower shall provide the NDEE, and the NIFA if the NIFA is an assignee of the Note, with:
 - (1) An opinion of a qualified attorney satisfactory to the NDEE that each of the conditions set forth in Section 4.02(b) and Section 4.02(c) of this Loan Agreement has been met, and
 - (2) An opinion of nationally recognized bond counsel satisfactory to the NDEE that the condition set forth in Section 4.02(e) of this Loan Agreement has been met.

ARTICLE V

EVENTS OF DEFAULT AND NONCOMPLIANCE

Section 5.01. Event of Default. Event of Default means: (i) any violation or noncompliance by the Borrower of any of the provisions of this Loan Agreement; (ii) violation or noncompliance by the Borrower of any provision of federal, state, or local regulations or requirements; (iii) failure by the Borrower to pay when due any Loan Payment pursuant to Section 2.06 of this Loan Agreement and for such payment to be considered delinquent by the NDEE; and (iv) a default under the terms of any Revenue Obligation and other parity obligation allowing any holder of such obligation the right to exercise any remedies against the Borrower.

Section 5.02. Notice of Default.

- (a) If an Event of Default shall occur and is discovered by the Borrower, the Borrower shall give the NDEE prompt telephonic notice of the Event of Default. Such telephonic notice shall be immediately followed by written notice of such Event of Default given in the manner as established by Section 6.03 of this Loan Agreement.
- (b) If an Event of Default shall occur and is discovered by the NDEE, the NDEE shall give the Borrower and the NIFA prompt telephonic notice of the occurrence of such Event of Default. Such telephonic notice shall be immediately followed by written notice from the NDEE to the Borrower of such Event of Default given in the manner as established by Section 6.03 of this Loan Agreement.

Section 5.03. Remedies on Default.

- (a) Whenever an Event of Default shall have occurred and be continuing, the NDEE or the Borrower shall have the right to take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and to become due or to enforce the performance and observance of any obligation or agreement of the Borrower (including, without limitation, withholding remaining Loan disbursements, cancellation of this Loan Agreement and acceleration of the remaining scheduled principal payments set forth on Attachment A, or such other remedies provided to the NDEE in the Act and the Regulations).
- (b) If the Borrower fails to make any payment of principal and interest, administrative fee, late fee, or penalty interest imposed pursuant to this Loan Agreement within 60 days of the due dates specified in Section 2.06 of this Agreement, the payment shall be deducted from the amount of aid to municipalities to which the Borrower is entitled under Neb. Rev. Stat. §72-1503. Such amount shall be paid directly to the Fund.

Section 5.04. Expenses. Upon the occurrence of an Event of Default, and to the extent permitted by law, the Borrower shall, on demand, pay to the NDEE the reasonable fees and expenses incurred by the NDEE in the collection of Loan Repayments or any other sum due hereunder or in the enforcement of performance or observation of any other duties, covenants, obligations, or agreements of the Borrower contained herein. LOAN REPAYMENT SCHEDULE

Payments are due on June 15 and December 15 of each year. Interest and Administrative fees shall accrue at the applicable rate as established by Section 2.03 and Section 2.04 of this Loan Agreement and repayments of such accrued interest and administrative fees will be repaid after the effective date of this Loan Agreement. A commencement of principal repayment is estimated to start on December 15, 2023 (as established by Section 2.02 of this Loan Agreement wherein repayment must begin within one (1) year from the date of Initiation of Operation, but no later than three (3) years from the date of the Loan, whichever occurs first).

Amounts due will be invoiced on or about May 15 and November 15 of each year for each six-month payment period ending on the set interest payment date. Interest and Administrative fee accruing on principal amounts drawn after the invoicing date are to be included with the next invoice.

The Amortization Schedule included in Attachment A is a projected schedule based upon estimated principal repayment start and full distribution of funds and is subject to change pending date of Initiation of Operation and final principal amount disbursed. Interest and Administrative fees accruing before the first principal repayment that is not reflected on the following draft amortization schedule will be billed and paid in accordance with the NDEE's procedures.

Following the receipt of Initiation of Operation date and the final disbursement of Loan proceeds to the Borrower, a revised final Attachment A shall be prepared by the NDEE to establish the final debt service schedule based upon the following parameters set forth below. Such revised final Attachment A thereafter shall be deemed to be incorporated herein by reference and made a part hereof and shall supersede and replace the projected Attachment A.

- (6) Amortization of principal to achieve level payments of principal and interest (not taking into account the administrative fee payment pursuant to Section 2.04).

FINANCIAL ANALYSIS

CITY OF LA VISTA, NEBRASKA

CWSRF PROJECT NO. C318045

The City of La Vista, Nebraska has requested CWSRF funding assistance of \$2,745,000 to finance sanitary sewer repairs and the installation of Cast-in-Place-Pipe (CIPP) lining within the 67-acre East La Vista residential neighborhood. The sanitary sewer infrastructure within this neighborhood is over 60 years old and has significant issues with joint displacement, root intrusion, and private lateral connection defects contributing to infiltration. This Financial Capability Analysis is intended to create an abbreviated general assessment of the City of La Vista's financial status and to assess potential impacts of the SRF's loan on the community and impact to user rates.

The following documents were reviewed and used to complete this analysis:

1. Audit reports of the City of La Vista for fiscal years 2018, 2019, and 2020
2. Water/Wastewater Pre-application for Federal/State Assistance; and
3. Miscellaneous correspondence from the City of La Vista and their representatives.

Analysis of the Sewer Utility:

Table 1 contains information pertaining to revenue, expenses, and net gains (losses) for each fiscal year ending September 30 for La Vista from 2018 to 2020. This data was derived from the audit report for each year.

Table 1

City of La Vista Sewer Fund Summary

Audit Year	Revenue (includes interest income)	Expenses (excludes depreciation)	Revenue Minus Expenses
2018	\$ 3,969,222	\$ 3,071,711	\$ 897,511
2019	\$ 4,227,078	\$ 3,313,290	\$ 913,788
2020	\$ 4,257,276	\$ 3,384,672	\$ 872,604

The City of La Vista manages their sewer utility which generates revenue by assessing user fees on the residents and businesses in La Vista. This revenue stream goes towards paying for the operation and maintenance expenses incurred to operate the sewer utility. The revenue stream is also used to pay the debt service due to outstanding sewer utility loans. The sewer utility ran an operating surplus from 2018 through 2020, as shown in Table 1. The Sewer Fund is currently the City's only business-type activity. As of September 30, 2020, the City had no outstanding debt for the Sewer Fund.

Analysis of the Sewer Utility User Rate Impact:

The City of La Vista is eligible for a 20-year CWSRF loan at a per annum interest rate of 0.5 percent plus an annual 0.5 percent administrative fee on the outstanding principal amount. The CWSRF loan funding assistance of \$2,745,000 would have an annual debt service of \$157,960 plus the CWSRF contract required 10%

coverage or \$15,796 for delinquency or loss of users, as shown in the following table, totaling \$173,756 for the first-year debt service, including coverage.

Table 2

Proposed CWSRF Loan No. C318045, Principal Amount of \$2,745,000

Loan Term (Years)	Interest Rate	First Year Payment	110% of Payment
20	0.5% + 0.5% fee	\$157,960	\$173,756

The revenues from the La Vista's sewer utility will be dedicated to repaying the loan. The City of La Vista has a population of 16,746 according to the 2020 Census. The estimated number of users in the city is approximately 7,213 users. The current residential sewer rate is \$12.72 per month, with an added charge of \$4.16 per 748 gallons of flow, resulting in an average monthly sewer bill of \$40.53 for a typical 5,000-gallon monthly household water use. Based solely upon the number of estimated users for the City, a minimum of an additional \$2.01 per user, per month is recommended for proper debt coverage for the SRF Loan to maintain current levels of operational expenses. This would increase the average monthly sewer use rate to approximately \$42.52 per user, or \$510.45 annually. A final assessment of revenues and costs will be analyzed to determine the actual user charge adjustment as necessary.

The Median Household Income for the City of La Vista, according to the 5-year American Community Survey (2014 – 2018), is \$67,605. Therefore, the projected sewer rate of \$510.45 annually per user is 0.76% of the City's median household income and is below the EPA's 2.0% upper-level threshold of sewer rate affordability.

Form of Opinion of Borrower's Counsel

[USE BORROWER'S OR COUNSEL'S LETTERHEAD]

[Date]

[NOTE: Any of the opinions given below may be given in reliance upon the opinion of another Bond Counsel, and one Bond Counsel may give some of the opinions and another Bond Counsel may give others.]

Nebraska Department of Environment and Energy
Post Office Box 98922
Lincoln, NE 68509-8922
Attention: State Revolving Fund Program

To the Nebraska State Revolving Fund:

I have acted as **[Bond]** Counsel in connection with the execution and delivery by City of La Vista (the "Borrower"), of an Agreement for Loan No. C318045 (the "Loan Agreement") between the Borrower and the Nebraska Department of Environment and Energy ("NDEE") and the issuance of a promissory note (the "Note") by the Borrower to the NDEE. All terms used in this opinion letter and not defined shall have the meanings given to them in the Loan Agreement.

In this connection, I have examined the following:

- (a) Certified copies of the **[DESCRIBE RESOLUTION AND/OR ORDINANCE PURSUANT TO WHICH LOAN AGREEMENT AND NOTE ARE TO BE ENTERED INTO]**;
- (b) An executed counterpart of the Loan Agreement;
- (c) The executed Note; and
- (d) Such other documents as I deemed relevant and necessary in rendering this opinion.

As to questions of fact material to my opinion, I have relied upon the certified proceedings and other certifications of public officials furnished to me without undertaking to verify the same by independent investigation.

Based upon the foregoing I am of the opinion that:

1. The Borrower is a city duly organized and validly existing under the laws of the State of Nebraska.
2. The Borrower is a governmental unit, as such term is used in Section 141(b)(6) of the Internal Revenue Code of 1986, as amended.
3. The Borrower has the power and authority to enter into the Loan Agreement, to issue the Note, to borrow the entire principal amount provided for in Section 2.01 of the Loan Agreement (the "Principal Amount") and to perform its obligations under the Loan Agreement and the Note.
4. The Loan Agreement and the Note have been duly authorized, executed and delivered by the Borrower and are, and would be if the entire Principal Amount were advanced to the Borrower pursuant to the Loan Agreement on the date of this opinion, valid and legally binding special obligations of the Borrower, payable solely from the sources provided therefor in the Loan Agreement, enforceable in accordance with

their respective terms, except to the extent that the enforceability thereof may be limited by laws relating to bankruptcy, insolvency or other similar laws affecting creditors' rights generally and general principles of equity.

5. Pursuant, where applicable, to Nebraska Revised State Statutes §§18-1803 through 18-1805; §§31-732, 31-739, and 31-740, and all other applicable statutes governing eligible municipalities, the Loan Agreement creates a valid lien on the funds pledged by the Borrower pursuant to Section 3.02 of the Loan Agreement for the security of the Loan Agreement and the Note and no other debt of the Borrower is secured by a superior lien on such funds.
6. The Borrower has obtained or made all approvals, authorizations, consents, or other actions of, and filings, registrations, or qualifications with, the Borrower or any other government authority which are legally required to allow the Borrower to enter into and perform its obligations under the Loan Agreement and the Note and borrow the full Principal Amount pursuant to the Loan Agreement and the Note.

Very truly yours,

This Note and all instruments securing the same are to be construed according to the laws of the State of Nebraska. Signed and sealed this _____ day of _____, 2022.

SECTION 4. Limitations on LPA's and local governments with MAPA Use of

Cash Payment. The portion of the cash payment received by the local government within MAPA from the State for the purchase of the **funds** shall be used solely for the transportation purposes eligible under CRRSAA or for the cost of construction, reconstruction, maintenance, or repair of public highways, streets, roads, or bridges and facilities, appurtenances, and roadway structures deemed necessary in connection therewith. LPA shall assist state in obtaining letter agreements from the local governments within MAPA to bind the local governments to the requirements of this section.

The phrase "facilities, appurtenances, and roadway structures deemed necessary in connection therewith," as used in the first sentence of this section, includes medians; accessory lanes; steps; handrails; sidewalks, adjoining trails, paths and related structures; drainage facilities such as storm sewers, curb or grate inlets, culverts, ditches, and other drainage structures; guardrails; lighting facilities; driveways; retaining walls and

other similar facilities that are necessary or desirable and directly related to the proper design of streets, roads and highways.

The local governments within MAPA shall segregate the cash payment and shall separately account for the cash payment received from the State within its accounting system. The cash payment funds may be used for any phase of an allowable project. The phases of an allowable project include but are not limited to: 1) preliminary engineering, 2) right-of-way acquisition, 3) utility relocations, 4) construction, and 5) construction engineering.

All roads and bridges shall be designed and constructed to meet the minimum standards of the Nebraska Board of Public Roads Classifications and Standards.

SECTION 5. Annual Certification of Use of Cash Payment and Action

Required for Improper Use of Funds. Until all such funds have been used by the local governments within MAPA, each local government shall submit to State an annual certification in accordance with this agreement. The annual certification shall be filed with the Local Assistance Division of the State and the form shall be submitted by local government within 90 days after the end of sub entities fiscal year. Further, each local government within MAPA must immediately report to State any use of the cash payment for a nonconforming use under this Agreement. Within 60 days of discovery of any improperly diverted funds, the applicable local government within MAPA must provide the State with a repayment plan for that local government to replace the improperly diverted funds by depositing an equivalent amount of other local funds into the cash payment account. If the local government within MAPA fails to repay the funds or fails to provide a repayment plan that is acceptable to the State, the State will withhold local government's future annual payments until the applicable local government, repays all improperly diverted funds. If the local government within MAPA fails to meet the requirement of the prior sentence, the State may terminate this Agreement and apply any future funds of the local government within MAPA toward the repayment of the improperly diverted funds.

SECTION 6. Fund Distribution. Prior to the distribution of funds under this Agreement, LPA agrees to facilitate State obtaining a separate "Letter" Agreement from each of the local governments receiving a cash payment, with each entity agreeing to be

bound to the terms of this Agreement, including but not limited to the use of the cash distribution and the annual certification requirements.

SECTION 7. Additional Terms and Conditions. The parties agree to the following additional terms and conditions:

- A. Federal Legislation. The LPA authorizes the State to take such steps as are deemed by the State to be necessary or advisable for the purpose of securing the benefits of the current Federal-Aid Surface Transportation Act for this Agreement. The terms of this Agreement are subject to changes in federal legislation. The State reserves the right to (1) terminate this Agreement, in the event such changes in federal law significantly impacts, nullifies or renders impractical the continuing purchase of LPA's federal-aid funds.
- B. Application of Purchased Funds. The LPA understands that the State, at its sole discretion, intends to use the federal-aid funds purchased from LPA for the I-680 Bridges project identified in the recitals above.
- C. Audits. The LPA agrees to make its records and books available at any time to representatives or designees of the State for audit.
- D. Applicable Law. The LPA agrees to follow all applicable laws governing the transaction set out in this Agreement and the use of the State payment for local street, road, or bridge projects.
- E. Local Ordinances and Resolutions. The LPA agrees to adopt all necessary ordinances and/or resolutions and to take such legal steps as may be required to give full effect to the terms of this Agreement.
- F. Maintenance of and Commitments for Projects Constructed with Federal Funds. This Agreement does not relieve the LPA of maintaining, at its own expense, all transportation projects under its jurisdiction which have used, or will use federal funds in the future (see, 23 U.S.C. § 116). The LPA agrees to make provisions each year for the maintenance costs involved in properly maintaining all of its federal-aid routes and facilities. The LPA shall also be solely responsible for any required environmental commitments, including monitoring, and any other commitments made, after the

construction of projects on its federal-aid routes which have used, or will use federal funds in the future. In the event that the federal government withholds funds from the State related to LPA's failure to meet its obligations under this section, LPA agrees that the State, in addition to all other remedies, may withhold its future cash payments under this agreement until all funds are repaid.

- J. Right-of-Way. The LPA is advised to use or cause any sub entity to use the "Uniform Act" and keep good records when purchasing right-of-way for a project. The "Uniform Act" is the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended by the Surface Transportation and Uniform Relocation Assistance Act of 1987, and administrative regulations contained in 49 C.F.R. § 24, entitled "Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs."
- K. No Third-Party Benefits. No third-party beneficiaries are intended to be created by this Agreement, nor do the parties herein authorize anyone not a party to this Agreement to maintain a suit for damages pursuant to the terms or provisions of this Agreement.
- L. Fair Employment Practices Act. The LPA agrees to abide by Nebraska Fair Employment Practices Act, as provided by Neb. Rev. Stat. §§ 48-1101 through 48-1126, which is hereby made a part of and included in this Agreement by reference.

IN WITNESS WHEREOF, the LPA and State hereto have caused this Agreement to be executed by their proper officials thereunto duly authorized as of the dates below indicated.
