AWARD OF CONTRACT – CONCRETE REPAIR WORK	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JEFF CALENTINE DEPUTY DIRECTOR OF PUBLIC WORKS

SYNOPSIS

A resolution has been prepared to award a contract to Spencer Management LLC Omaha, Nebraska, for concrete repair on select residential streets in an amount not to exceed \$350,000.

FISCAL IMPACT

The FY23/FY24 Biennial Budget provides funding for the proposed project.

RECOMMENDATION

Approval.

BACKGROUND

On August 15, 2023, the La Vista City Council approved a contract with Spencer Management for on-call concrete pavement repairs in the Briarwood neighborhood during the spring to prep for an Ultra-thin Bonded Asphalt Overlay (UBAS). The approved contract allows for mutually agreed upon extensions between the contractor and the City for up to 5 years. Due to the favorable spring weather conditions, that work was completed well over a month in advance of the anticipated completion date. This provides an opportunity to complete some additional work due to Spencer Management's on-site mobilization and availability, and some budgeted capacity within the CIP for additional pavement rehabilitation work. Currently, there is a significant reconstruction project going on at Field #2 at the City Park ballfields. Public Works staff recommends that the City Council utilize this opportunity to rebuild the 78th St. access and associated connections to the City Park ballfields, as well as a street segment of S.75th Ave. from Josephine St. to Joseph Ave. directly east of the park.
