RECOMMENDATION

Approval.

BACKGROUND

In 2020, the City of Papillion solicited bids for pavement preservation work utilizing an Ultra-Thin Bonded Asphalt System (UBAS) and McAnany Construction was the only bidder. The contract Papillion has with McAnany has extensions of the contract for ten-years, allowing for negotiated and agreed upon increase/decrease in pay items based on national inflation averages. McAnany Construction has agreed to allow the City of La Vista to piggyback off the contract prices set with the City of Papillion for the 2024 construction season. The plan is for this work to take place in the Briarwood neighborhood between Central Park and La Vista Middle School west of Edgewood Blvd. In addition to the residential rehab work, Public Works will be conducting another trial using UBAS like what was done on S.118th St. last year. This trial work will take place on Southport Pkwy between Giles Rd. and Westport Pkwy.
