Staff Report – Cale Brodersen, Associate City Planner: Brodersen explained that the applications for Planning Commission review are for a Planned Unit Development (PUD), a Conditional Use Permit (CUP), and a Replat related to the Bear Creek Apartments that were tabled by the Planning Commission earlier in the year. Brodersen explained that in order to address the concerns of the Planning Commission regarding maintenance of the existing Bear Creek Apartments facility, the applicant proposed introducing a condition in the CUP that will require them to adhere to the City's Rental Inspection Program, which would not normally apply to multi-family complexes outside of the city limits. Staff support this change and recommend approval. Brodersen introduced the Attorney for Krishna, LLC, Jim Lang.

Lang introduced the owners and the engineer for the project. Lang delivered a presentation noting the owner's plan for renovating existing apartment units as they become available, in addition to the owner's willingness to take part in the Rental Inspection Program.
