SYNOPSIS

A resolution has been prepared authorizing the purchase of one (1) 2024 Jacobsen HR600 Wide Area Mower from Turfwerks, Omaha, Nebraska in an amount not to exceed \$64,415.

FISCAL IMPACT

The FY25/FY26 Biennial Budget includes funding for the proposed purchase.

RECOMMENDATION

Approval.

BACKGROUND

The Parks Division currently uses a Jacobsen HR600 to mow the City's parks and rights-of-ways. The Public Works Capital Equipment group has identified and recommended that we trade-in and replace our current HR600 with a new model. The existing mower has served its purpose and is now at the point where it holds maximum trade-in value. The trade-in ensures the city maintains reliable equipment while reducing maintenance costs and maximizing trade-in value.

The proposed vehicle will be purchased utilizing the national OMNIA partners cooperative contract #20470. OMNIA operates like the state bid but on a national level.
