MAYOR AND CITY COUNCIL REPORT
MAY 18, 2010 AGENDA

Subject: ADVERTISEMENT FOR BIDS – PEDESTRIAN OVERPASS PAINTING

Type: RESOLUTION

Submitted By: JOE SOUCIE

PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared authorizing the advertisement for bids for the Pedestrian Overpass Painting.

FISCAL IMPACT

There are savings in the FY 10 budget to fund the proposed improvements.

RECOMMENDATION

Approval

BACKGROUND

The City Engineer in conjunction with Thompson, Dreessen & Dorner, Inc. has prepared plans and specifications for the repainting of the structure.

Much of the work will take place during night-time hours with total closure of 72nd Street. The need for scheduling and phasing the work during night-time hours, including traffic control and barricading, has resulted in an increase in the estimated cost of the project exceeding the original City Engineer’s estimate. We are able to accommodate this through other savings in the Capital Improvement Budget.

The work needs to occur during July in order to avoid conflicts with student access to G. Stanley Hall Elementary School.

The following schedule is suggested:

Advertise for Bids May 27 and June 3, 2010
Open Bids June 7, 2010
Award Bid June 15, 2010
RESOLUTION NO. _______

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE ADVERTISEMENT FOR BIDS FOR THE PEDESTRIAN OVERPASS PAINTING.

WHEREAS, the City Council has determined that the painting of the pedestrian overpass is necessary, and

WHEREAS, the FY 2009/10 Capital Improvement Budget provides funding for the purchase of said painting, and

AUXILIARY AIDS AND SERVICES

Under the Americans with Disabilities Act (ADA), State and local governments must ensure effective communication with individuals with disabilities. Public entities are required to provide appropriate auxiliary aids and service, where necessary, to ensure that communications (such as all public information, discourse, and/or announcements) with individuals with disabilities are as effective as communications with others. Auxiliary aids and services include: Braille, large print formats, assistive listening devices (ALS), TTY/TTD access, closed captioning, interactive software for various disabilities, website accessibility implements, interpreters, readers, service animals, etc.

When selecting an auxiliary aid or service, a public entity should:

- Give primary consideration to the aid or service preferred by the individual because that individual is usually best able to identify the communication barriers that hamper participation.

- Allow people the opportunity to use their own assistive technology products to achieve effective communication.

- Consider the context in which the communication is taking place and its importance.

A public entity is not required to provide:

- The requested aid or service if there is another equally effective means of communication available; however, it must give primary consideration to the aid or service preferred by the individual.

- Auxiliary aids that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. However, public entities must still furnish another auxiliary aid, if available, that does not result in a fundamental alteration or undue burden.

Subject: MUNICIPAL CODE 114.46-HOURS OF SALE - ALCOHOLIC BEVERAGES

Type: RESOLUTION
ORDINANCE
RECEIVE/FI LE

Submitted By: BRENDA S. GUNN
CITY ADMINISTRATOR

SYNOPSIS
Discussion regarding a change to Nebraska State Statute affecting retail sale or dispensing of alcoholic liquor on the premises.

FISCAL IMPACT
N/A

RECOMMENDATION
Council direction is requested.

BACKGROUND
In this last session of the Nebraska State Legislature, LB 861 passed and will go into effect July 15, 2010. One of the provisions allowed by this legislation is to enable governing bodies to permit retail sale or dispensing of alcoholic liquor for consumption on the premises, excluding sales for consumption off the premises, later than 1 a.m. and prior to 2 a.m. on any day.

The Municipal code follows current State Statute which allows the above until 1 a.m. If it is the desire of Council to amend the municipal code to allow for this change, the times in the code would be changed to reflect this and would come to City Council for action at a future meeting. Businesses would be able to decide whether or not they want to remain open. Adoption of this change would require a vote of at least two-thirds of the members of the City Council.

LB 861 did not change the time for sales for off premises consumption, which still must end by 1 a.m.
§ 114.45 MINOR ATTEMPTING TO PURCHASE PROHIBITED.

It shall be unlawful for any minor to purchase or attempt to purchase or to have any person purchase or procure for him or her any alcoholic liquors or alcoholic beverages, including beer, by the drink or in the original package.

RS 53-124(5)(C) and (H):

(c) If a proposed location for the sale at retail of any alcoholic liquor is within one hundred fifty feet of any church, a license may be issued if the commission gives notice to the affected church and holds a hearing as prescribed in section 53-133.

(6) (3) No alcoholic liquor, other than beer, shall be sold for consumption on the premises within three hundred feet from the campus of any college or university in the state, except that this section:
(a) Does not prohibit a nonprofit corporation or university from contracting with an individual or corporation holding a license to sell alcoholic liquor at retail for the purpose of selling alcoholic liquor at retail on the campus of such college or university at events sanctioned by such college or university but does prohibit the sale of alcoholic liquor at retail by such licensee on the campus of such nonprofit college or university at student activities or events; and
(b) Does not prohibit sales of alcoholic liquor by a community college culinary education program pursuant to section 53-124.15.

Sec. 77. Section 53-179, Reissue Revised Statutes of Nebraska, is amended to read:

53-179 (1) No alcoholic liquor, including beer, shall be sold at retail or dispensed on any day between the hours of 1 a.m. and 6 a.m., except that the local governing body of any city or village with respect to area inside the corporate limits of such city or village, or the county board with respect to area outside the corporate limits of any city or village, may by ordinance or resolution (a) require closing prior to 1 a.m. on any day or (b) if adopted by a vote of at least two-thirds of the members of such local governing body or county board, permit retail sale or dispensing of alcoholic liquor for consumption on the premises, excluding sales for consumption off the premises, later than 1 a.m. and prior to 2 a.m. on any day.

(2) Except as provided for and allowed by ordinance of a local governing body applicable to area inside the corporate limits of a city or village or by resolution of a county board applicable to area inside such county and outside the corporate limits of any city or village, no alcoholic liquor, including beer, shall be sold at retail or dispensed between the hours of 6 a.m. Sunday and 1 a.m. Monday. No ordinance or resolution allowed by this subsection shall permit alcoholic liquor, other than beer and wine, to be sold at retail or dispensed between the hours of 6 a.m. Sunday and 12 noon Sunday. This subsection shall not apply after 12 noon on Sunday to a licensee which is a nonprofit corporation and the holder of a Class C license or a Class I license.

(3) It shall be unlawful on property licensed to sell alcoholic liquor at retail to allow alcoholic liquor in open containers to remain or be in possession or control of any person for purposes of consumption between the hours of 1:15 a.m. fifteen minutes after the closing hour applicable to the licensed premises and 6 a.m. on any day. When any city or village provides by ordinance or any county provides by resolution for an earlier closing hour, the provisions of this subsection shall become effective fifteen minutes after such closing hour instead of 1:15 a.m.

(4) Nothing in this section shall prohibit licensed premises from being open for other business on days and hours during which the sale or dispensing of alcoholic liquor is prohibited by this section.

(3) (a) For a second suspension for violation of section 53-180 or 53-180.02 occurring within four years after the date of the first suspension,
