BE IT RESOLVED by the City Council of the City of La Vista, Nebraska:

Section 1. The City Council (the "**Council**") of the City of La Vista, Nebraska, (the "**City**") hereby finds and determines as follows:

- (a) The Nebraska Legislature has enacted the Sports Arena Facility Financing Assistance Act, Nebraska Revised Statutes §§ 13-3101 to 13-3110 (the "**Act**"), to promote the construction and development of certain types of facilities within the State of Nebraska, including publicly owned parking facilities near a privately owned concert venue like The Astro, which is a privately owned theater located in the City with an indoor seating capacity of 2,400 guests (the "**Concert Venue**"). Under Section 13-3102(9)(d), the Concert Venue qualifies as an "eligible sports arena facility" under the Act. SYNOPSIS

A public hearing has been scheduled and ordinance prepared to consider an application for the rezoning of Lot 2 Brook Valley II Business Park Replat Three from C-3 Highway Commercial/Office Park District & Gateway Corridor Overlay District to I-1 Light Industrial & Gateway Corridor Overlay District for the purpose of developing an industrial building generally located northeast of the intersection of S. 117th Street and Cary Street.

FISCAL IMPACT

None.

RECOMMENDATION

Approval.

BACKGROUND

Pick Up Sticks Properties, LLC is seeking to construct a 23,800 square foot industrial building on Lot 2 Brook Valley II Business Park Replat Three to house both their contracting business and an indoor recreational facility for Beyond All Stars Cheerleading, for which they have also applied for a Conditional Use Permit. In order to construct an industrial building and allow for permitted and permitted conditional industrial land uses on the property, Pick Up Sticks Properties, LLC is seeking to rezone the property from C-3 Highway Commercial/Office Park District & Gateway Corridor Overlay District to I-1 Light Industrial & Gateway Corridor Overlay District.

The properties immediately to the east and west of this property are currently zoned I-1 Light Industrial, and the the property to the south is zoned I-2 Heavy Industrial. The Future Land Use Map of the La Vista Comprehensive Plan designates this property as Business Park, for which commercial or light industrial zoning districts are listed as compatible. Additionally, this property would remain in the Gateway Corridor Overlay District to ensure that the building constructed would fit in appropriately with the design of the existing and potential future commercial development to the north. For these reasons, staff find this rezoning request appropriate for this location.

The Planning Commission held a public hearing on July 17, 2025, and voted to recommend approval of the Zoning Map Amendment as the request is consistent with the La Vista Comprehensive Plan. A detailed staff report is attached.

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE OFFICIAL ZONING MAP OF THE CITY OF LA VISTA, SARPY COUNTY, NEBRASKA; AND TO PROVIDE FOR THE EFFECTIVE DATE HEREOF.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, SARPY COUNTY, NEBRASKA:

Section 1. Approval of Rezoning. On July 17, 2025, the La Vista Planning Commission conducted a public hearing on the matter of the zoning map amendment for Lot 2 Brook Valley II Business Park Replat Three, the tract of land set forth in Section 2 of this ordinance, and reported to the City Council that it recommended approval of the zoning map amendment which includes the zoning of said tracts be changed from C-3 Highway Commercial/Office Park District & Gateway Corridor District (Overlay District) to I-1 Light Industrial & Gateway Corridor District (Overlay District) for Lot 2 Brook Valley II Business Park Replat Three. On August 19, 2025, the City Council held a public hearing on said proposed change in zoning and found and determined that said proposed changes in zoning are advisable and in the best interests of the City. The City Council further found and determined that public hearings were duly held and notices, including published notice, written notice to adjacent property owners and notice posted at the properties, were duly given pursuant to Section 9.01 of the Zoning Ordinance. The City Council hereby approves said proposed changes in zoning as set forth in Section 2 of this ordinance.

Section 2. Amendment of the Official Zoning Map. Pursuant to Article 3 of the Zoning Ordinance, Lot 2 Brook Valley II Business Park Replat Three in the NW ¼ of Section 20, Township 14 North, Range 12 East of the 6th P.M., Sarpy County, Nebraska, is hereby rezoned from C-3 Highway Commercial/Office Park District & Gateway Corridor District (Overlay District) to I-1 Light Industrial & Gateway Corridor District (Overlay District) and the Official Zoning Map of the City of La Vista is hereby amended to reflect the changes in zoning as described above and displayed in the attached Zoning Map Exhibit, hereby incorporated into this Ordinance by reference.

The amended version of the official zoning map of the City of La Vista is hereby adopted, and shall be signed by the Mayor, attested to by the City Clerk and shall bear the seal of the City under the following words:

"This is to certify that this is the official zoning map referred to in Article 3 Section 3.02 of Ordinance No. 848 of the City of La Vista, Nebraska"

and shall show the date of the adoption of that ordinance and this amendment.

Section 3. Effective Date. This ordinance shall be in full force and effect upon the date passage, approval and publication as provided by law.

We are formally requesting a zoning change for Lot 2 in Brook Valley II Business Park. Our primary goal with this change is to broaden the appeal of the additional space on the property, which will not be utilized by the cheerleading gym. By rezoning, we hope to attract a wider range of businesses and contractors.

Furthermore, I am personally interested in having the option to relocate my roofing and restoration company to this specific space in the future. My company is currently based in Lincoln, and I am exploring the possibility of opening an additional branch in the Omaha area. Having the appropriate zoning for this property would greatly facilitate that potential expansion.

Thanks,

Myles

SYNOPSIS

A public hearing has been scheduled and resolution prepared for Council to consider an application for a Conditional Use Permit for Pick Up Sticks Properties, LLC to allow for the operation of an indoor recreational facility for Beyond All Stars Cheerleading in a tenant bay in a proposed industrial building located on Lot 2 Brook Valley II Business Park Replat Three.

FISCAL IMPACT

None.

RECOMMENDATION

Approval of the Conditional Use Permit for Pick Up Sticks Properties, LLC.

BACKGROUND

Pick Up Sticks Properties, LLC is seeking to construct a 23,800 square foot industrial building on Lot 2 Brook Valley II Business Park Replat Three and has applied for a Conditional Use Permit to allow for the operation of an indoor recreational facility in a bay that would occupy 15,000 square feet of the building. The indoor recreational facility would be used by Beyond All Stars Cheerleading for competitive cheerleading activities, lessons, and training.

Indoor recreational facilities are permitted with approval of a Conditional Use Permit in the I-1 Light Industrial Zoning District, per Section 5.13.03 of the La Vista Zoning Ordinance. The property is located within the Gateway Corridor Overlay District so the building design must be approved through the City's design review process for conformance with the Gateway Corridor District Design Guidelines.

The Planning Commission held a public hearing on July 17, 2025 and voted to recommend approval of the Conditional Use Permit for Pick Up Sticks Properties, LLC for the construction and operation of an indoor recreational facility as the request is consistent with La Vista's Comprehensive Plan and Zoning Ordinance.

A detailed staff report is attached.

F. EXISTING ZONING AND LAND USE: The property is currently zoned C-3 Highway Commercial/Office Park District and Gateway Corridor Overlay District. The property is currently vacant and undeveloped. If the associated rezoning request is approved, the property will be zoned I-1 Light Industrial and Gateway Corridor Overlay District. G. PURPOSE OF REQUEST: To allow for the construction and operation of an Indoor Recreational Facility to house Beyond All Stars Competitive Cheerleading and the various cheerleading activities, lessons, and trainings that they perform.

H. SIZE OF SITE: 91,040 square feet (2.09 acres).

II. BACKGROUND INFORMATION

A. **EXISTING CONDITION OF SITE:** The property slopes gradually downward to the north and to the east.

B. **GENERAL NEIGHBORHOOD/AREA LAND USES AND ZONING:**

<u>Direction From Subject Property</u>	<u>Future Land Use Designation</u>	<u>Current Zoning Designation</u>	<u>Surrounding Development</u>
North	Business Park	C-3 Highway/Office Park Commercial District with a Gateway Corridor District Overlay	Multi-tenant commercial building; Olsson, Hausmann Construction, Revolution Wraps, and Tint Revolution Businesses

South	Industrial	I-2 Heavy Industrial	The Brenmar Company industrial warehouse
West	Industrial	I-1 Light Industrial District	Multi-tenant industrial building; Productivity and Omnicare businesses

C. **RELEVANT CASE HISTORY:**

1. Simultaneously with this application, the property owner has submitted an application to rezone this property from C-3 Highway Commercial/Office Park District and Gateway Corridor Overlay District to I-1 Light Industrial and Gateway Corridor Overlay District. Rezoning this property to I-1 will allow for the owner to also house his contractor business in the building, adjacent to the indoor recreational facility.

D. **APPLICABLE REGULATIONS:**

1. Section 5.13 of the Zoning Regulations – Light Industrial
2. Section 5.17 of the Zoning Regulations – Gateway Corridor District (Overlay District)
3. Article 6 of the Zoning Regulations – Conditional Use Permits.

III. ANALYSIS

A. **COMPREHENSIVE PLAN:** The Comprehensive Plan Future Land Use Map designates this property for Business Park development, with which commercial and light industrial development are compatible. This proposal to construct and operate an indoor recreational facility is consistent with the comprehensive plan.

B. OTHER PLANS: N/A.

C. TRAFFIC AND ACCESS:

1. The property is proposed to have two access driveways to the site; one off of S. 117th Street and one off of Cary Street.

D. UTILITIES:

1. The property has access to all necessary utilities.

E. PARKING REQUIREMENTS:

1. The applicant has indicated that the maximum number of building occupants during peak time in the recreational facility shall be 180 persons. Per the La Vista Zoning Ordinance Section 7.06, the minimum number of provided off-street parking stalls for recreational facilities shall be one (1) space per 4 occupants, equating to a requirement from the zoning ordinance for 45 off-street parking stalls.
2. In addition to the recreational facility, the owner is proposing an area on the site for a potential future 7,700 square foot industrial building addition. Per Section 7.06 of the La Vista Zoning Ordinance, the minimum number of provided off-street parking stalls for office uses shall be one (1) space per 200 square feet of gross floor area, and the minimum number of stalls for industrial uses/industrial flex space is one (1) space per 3,000 square feet of gross floor area. Even in the event that all of this building addition is used for an approved office use (contractor office, for example), this equates to a required 39 stalls for the future building addition.
3. The total required off street parking stalls for the site is (up to) 84 and the proposed site plan shows 123 parking stalls being provided, greatly exceeding the minimum amount required.
4. No on-street parking will be allowed on adjacent S. 117th Street, Cary Street, or other streets, and on private off-street parking lots.

IV. REVIEW COMMENTS:

- A. A Certificate of Occupancy must be granted by the Chief Building Official and the Fire Marshal prior to occupation and use of the facility.
- B. The building design, site, landscaping, and lighting plans shall be reviewed and approved through the City's Design Review Process for conformance with the Gateway Corridor District Design Guidelines prior to application for building permits.

- C. The development will be required to meet the requirements for a Post Construction Storm Water Management Plan as per City regulations.
- D. As Beyond All Stars Competitive Cheerleading will primarily be using the facility during typical non-work hours (evenings and weekends), the impact of this use on surrounding businesses is expected to be minimal.
- E. The Conditional Use permit request was initially submitted stand-alone and without the rezoning request, and was subsequently reviewed initially as if the property would remain commercial which would necessitate the construction of sidewalks. The staff review letters, therefore, reference the need to include sidewalks on the site plan. The applicant then decided to apply for a rezoning to allow for more industrial-type uses to occupy the adjacent tenant bay in the proposed building, including the option to allow for the owner's existing contractor business. If the rezoning application is approved, the applicant would not be required to construct sidewalks on the perimeters of the property, as referenced in the review letters, which is why the site plan attached to the Conditional Use Permit does not show them.

V. STAFF RECOMMENDATION – CONDITIONAL USE PERMIT:

Staff recommends approval of the Conditional Use Permit for Lot 2 Brook Valley II Business Park Replat Three for an Indoor Recreational Facility, as the request is consistent with La Vista's Comprehensive Plan and Zoning Ordinance.

VI. PLANNING COMMISSION RECOMMENDATION – CONDITIONAL USE PERMIT:

The Planning Commission held a public hearing for and reviewed the application on July 17th, 2025 and voted to recommend approval of the Conditional Use Permit for Lot 2 Brook Valley II Business Park Replat Three for an Indoor Recreational Facility, as the request is consistent with La Vista's Comprehensive Plan and Zoning Ordinance.

RE: Indoor Recreational Facility (Pick Up Sticks Cheer Facility) Conditional Use Permit – Initial Review Letter

Mr. Milburn,

Thank you for your submittal of the above-referenced Conditional Use Permit (CUP) application. Staff have reviewed the initial submittal and have provided the following initial comments:

1. Parking will be limited to off-street at all times as there is no on-street parking permitted within Brook Valley Business Park. If existing parking is determined to be insufficient during operation of the site, paving and striping of additional stalls may be required for a portion or all of the area currently marked for future expansion.
2. Please include in your operating statement a parking contingency plan for the high-volume/peak events if parking demand exceeds the number of stalls present on-site. Additionally, what methods will you take to mitigate concerns with traffic and circulation during the peak-demand events (i.e. staggered arrivals, scheduling, etc.)?
3. Standard parking stall dimensions, per Section 7.09 of the La Vista Zoning Ordinance, are nine (9) feet by eighteen (18) feet. Except where the end of the parking space abuts a curbed area at least five (5) feet in width (with landscaping or a sidewalk), an overhang may be permitted which would reduce the length of the parking space by (2) feet. It appears that no such 5-foot buffer from the curb is present along the northern property line to allow for the reduction in stall length to 16 feet. Please review and correct as necessary.

4. The site plan marks an area for a potential 10,000 square foot future building addition. Prior to issuance of building permit for that future expansion, the proposed occupants/land uses will need to be reviewed for conformance with Section 5.12 of the La Vista Zoning Ordinance pertaining to the permitted uses within the C-3 Highway Commercial/Office Park Zoning District, in addition to Section 7.06 pertaining to the minimum required off-street parking stalls which vary based upon the anticipated land use.
5. The Fire Marshall and Chief Building Official must authorize and issue a Certificate of Occupancy before you may occupy the space and have any employees or customers in the facility. We would highly recommend that you meet with the Fire Plans Examiner and/or Fire Inspector as soon as possible to discuss your proposal and ensure that you understand the life safety code requirements prior to the building permitting process.
6. Confirm that all activities related to the operation of this facility will take place inside of the facility.
7. Prior to the issuance of a building permit, the building design and elevations, landscaping plan, and site lighting plan will need to be reviewed and approved for conformance with the Gateway Corridor Overlay District Design Guidelines through the city's design review process. Please let us know when you are prepared to schedule a pre-application meeting with our third-party design review architect to describe the process in more detail.
8. Several items that will be identified through the design review process but that also pertain to this site plan include a required dumpster enclosure for the trash dumpsters that will need to be constructed of the same masonry utilized in the building, in addition to needing to utilize the approved site lighting pole and fixture for the Gateway Corridor Overlay District. There are multiple dumpster locations identified on the site plan within parking stalls. Please confirm the location(s) for the dumpster enclosure(s), and ensure that the space is not counted as a parking stall.
9. As a commercially zoned property, sidewalks shall be installed along perimeters with street frontage upon development of the property. Please include sidewalks in the site plan along Cary Street and S. 117th Street.
10. Please submit the address labels for property owners within 300 feet of the subject property, prepared by a title company, along with this resubmittal to allow for the scheduling and required notice for the Planning Commission and City Council public hearings.
11. Staff will create a draft of the Conditional Use Permit to be shared with you in the near future.

For this item to be reviewed by the Planning Commission during the May 15, 2025 meeting, please submit a response to the items above by next Wednesday, April 23 in order to provide the necessary time for publication of the public hearing notices. The Planning Commission meeting will be held at 6:30 pm in the Council Chambers at La Vista City Hall (8116 Park View Blvd, La Vista, NE 68128). We would like for you, or someone else with knowledge of this application, to be in attendance to present your request and answer any questions that the Planning Commission might have. If you have any questions regarding these comments, please feel free to contact me at any time.

RE: Indoor Recreational Facility (Pick Up Sticks Cheer Facility) Conditional Use Permit - Initial Review Letter

Mr. Milburn,

Thank you for your submittal of the above-referenced Conditional Use Permit (CUP) application. Staff have reviewed the initial submittal and have provided the following initial comments:

1. Parking will be limited to off-street at all times as there is no on-street parking permitted within Brook Valley Business Park. If existing parking is determined to be insufficient during operation of the site, paving and striping of additional stalls may be required for a portion or all of the area currently marked for future expansion.

1. This should never be a problem, because with our 4 to 1 rule with parking, there will never be over 520 people in this building.

2. Please include in your operating statement a parking contingency plan for the high-volume/peak events if parking demand exceeds the number of stalls present on-site. Additionally, what methods will you take to mitigate concerns with traffic and circulation during the peak-demand events (i.e. staggered arrivals, scheduling, etc.)?

2. Parking demand will never exceed the number of stalls present on-site. Classes are approximately one hour with 20 to 40 people and practice is two hours with 20 to 40 people. These arrival times are staggered and practices are not always open to parents. Additionally, there will be traffic arrows showing the direction to enter and exit the parking lot.

3. Standard parking stall dimensions, per Section 7.09 of the La Vista Zoning Ordinance, are nine (9) feet by eighteen (18) feet. Except where the end of the parking space abuts a curbed area at least five (5) feet in width (with landscaping or a sidewalk), an overhang may be permitted which would reduce the length of the parking space by (2) feet. It appears that no such 5-foot buffer from the curb is present along the northern property line to allow for the reduction in stall length to 16 feet. Please review and correct as necessary.

3. Architectural innovations are working to clarify this issue with a new site plan. We're currently waiting for the civil engineer's report to address this issue and the stormwater retention area.

4. The site plan marks an area for a potential 10,000 square foot future building addition. Prior to issuance of building permit for that future expansion, the proposed occupants/land uses will need to be reviewed for conformance with Section 5 . 12 of the La Vista Zoning Ordinance pertaining to the permitted uses within the C-3 Highway Commercial/Office Park Zoning District, in addition to Section 7 .06 pertaining to the minimum required off-street parking stalls which vary based upon the anticipated land use.

4. At this time, we may decide to go ahead and build on this future site. If we decide to build now on this future site, we will adjust the site plan and the design review application.

5. The Fire Marshal and Chief Building Official must authorize and issue a Certificate of Occupancy before you may occupy the space and have any employees or customers in the facility. We would highly recommend that you meet with the Fire Plans Examiner and/or Fire Inspector as soon as possible to discuss your proposal and ensure that you understand the life safety code requirements prior to the building permitting process.

5. We plan on setting up a meeting with the fire plans examiner in the near future.

6. Confirm that all activities related to the operation of this facility will take place inside of the facility.

6. All activities related to this operation will take place inside the facility.

7. Prior to the issuance of a building permit, the building design and elevations, landscaping plan, and site lighting plan will need to be reviewed and approved for conformance with the Gateway Corridor Overlay District Design Guidelines through the city's design review process. Please let us know when you are prepared to schedule a pre-application meeting with our third-party design review architect to describe the process in more detail.

7. We are prepared to schedule a pre application meeting with the 3rd party design review architect in the near future. We have some proposed dates for May 14th, May 15th and May 16th.

8. Several items that will be identified through the design review process but that also pertain to this site plan include a required dumpster enclosure for the trash dumpsters that will need to be constructed of the same masonry utilized in the building, in addition to needing to utilize the approved site lighting pole and fixture for the Gateway Corridor Overlay District. There are multiple dumpster locations identified on the site plan within parking stalls. Please confirm the location(s) for the dumpster enclosure(s), and ensure that the space is not counted as a parking stall.

8.3. Architectural innovations are working to clarify this issue with a new site plan. We're currently waiting for the civil engineer's report to address this issue and the stormwater retention area.

9. As a commercially zoned property, sidewalks shall be installed along perimeters with street frontage upon development of the property. Please include sidewalks in the site plan along Cary Street and S. 117th Street.

9. 3. Architectural innovations are working to clarify this issue with a new site plan. We're currently waiting for the civil engineer's report to address this issue and the stormwater retention area.

10. Please submit the address labels for property owners within 300 feet of the subject property, prepared by a title company, along with this resubmittal to allow for the scheduling and required notice for the Planning Commission and City Council public hearings.

10. These labels have been provided.

11. Staff will create a draft of the Conditional Use Permit to be shared with you in the near future.

For this item to be reviewed by the Planning Commission during the May 15, 2025 meeting, please submit a response to the items above by next Wednesday, April 23 in order to provide the necessary time for publication of the public hearing notices. The Planning Commission meeting will be held at 6: 30 pm in the Council Chambers at La Vista City Hall (8 1 16 Park View Blvd, La Vista, NE 68 128). We would like for you, or someone else with knowledge of this application, to be in attendance to present your request and answer any questions that the Planning Commission might have. If you have any questions regarding these comments, please feel free to contact me at any time.

Sincerely,
Cale Brodersen,

Hi Mike,

We are still reviewing the updated site plan, but here are a few additional changes that were not addressed in this site plan that we will need made:

- As a commercially zoned property, sidewalks shall be installed along perimeters with street frontage upon development of the property. Please include sidewalks in the site plan along Cary Street and S. 117th Street.
- It looks like the southern frontage does not contain the 15' required landscape buffer. Per Section 7.17.03.02 shown below, this 15 feet can be reduced to 10' if that additional square footage can be made up elsewhere. Could you have your architect/engineer provide that calculation to show that the additional landscaping area is made up elsewhere?
- Lastly, I know elsewhere 24' drive aisles have been required by the fire marshal. I will need to double check if that will be required here around each side of the building, and if so, could the building be shifted 6 inches to the east to help both the east and west aisles be 24'? Additionally, the northern most stall on both the east and west sides of the building may need to be removed to ensure that there is at least the 24' clearance on the north side of the building.

7.17.03.02

Street Frontage:

A landscaped area having a minimum depth of fifteen feet (15') from the property line shall be provided along the street frontage of all lots or sites including both street frontage of corner lots.

1. The required landscaped are fifteen feet (15') may be reduced to ten feet (10') if an equal amount of square feet of landscaped area, exclusive of required side and rear yard landscaped areas, is provided elsewhere on the site.
2. Exclusive of driveways and sidewalks not more than twenty five percent (25%) of the surface of the landscaped area shall have inorganic materials such as brick, stone, concrete, asphalt, aggregate, metal or artificial turf.
3. A minimum of one (1) tree shall be planted for every forty lineal feet (40') or fraction thereof.

Could you see if the above noted changes can be made to the site plan by next Wednesday afternoon so we can have the update site plan for the Planning Commission packets? Give me a call if you'd like to discuss. Thanks!

This Conditional Use Permit issued this 15th day of July, 2025, by the City of La Vista, a municipal corporation in the County of Sarpy County, Nebraska (“City”) to Pick Up Sticks Properties, LLC (“Owner”), pursuant to the La Vista Zoning Ordinance for Beyond All Stars Cheer Facility (Indoor Recreational Facility).

WHEREAS, Owner wishes to construct and operate an indoor recreational facility upon the following described tract of land within the City of La Vista zoning jurisdiction:

Lot 2 Brook Valley II Business Park Replat Three, located in the NW ¼ Section 20, Township 14 North, Range 12 East of the 6th P.M. Sarpy County, Nebraska, located northeast of the intersection of Cary Street and S. 117th Street (“property” or “premises”).

WHEREAS, Owner has applied for a conditional use permit for the purpose of constructing and operating a private indoor recreational facility upon the premises for competitive cheerleading activities, lessons, and training by Beyond All Stars.

WHEREAS, the Mayor and City Council of the City of La Vista are agreeable to the issuance of a conditional use permit to the Owner for such purposes, subject to the terms and provided in this permit.

NOW, THEREFORE, BE IT KNOWN THAT subject to the conditions set forth in this permit, this conditional use permit is issued to the Owner to construct a building on Lot 2 Brook Valley II Business Park Replat Three for the purposes described above (“Permitted Use” or “Use”).

Conditions of Permit

The conditions to which the granting of this permit is subject are:

1. Breach of any terms hereof shall cause permit to automatically expire and terminate without any further action required of the City.
2. In respect to the Permitted Use:
 - a. The use shall be limited to the operations as described in the Owner’s Operational Statement attached as Exhibit “A” or in the City staff report presented with the Council agenda item to consider this permit. Any proposed additions or changes in the Permitted Use or operations including, but not limited to, the hours of operation or additional or different activities or intensity of activities on the property, shall require such reviews, amendments to the Conditional Use Permit, and approvals as the Planning Department in its sole discretion determines necessary or appropriate.
 - b. The site must be developed and the use must be operated in accordance with the approved Site Plan attached to the permit as Exhibit “B”.
 - c. There shall be no outdoor activities, or storage, placement or display of goods, supplies or any other material, substance, container or receptacle outside of the indoor recreational facility, except appropriately screened trash receptacles and those approved in writing by the City.
 - d. The Permitted Use pursuant to this permit shall be limited to use of the premises as identified in the operating statement and there shall not be any games, tournaments, parties or events that exceed a

- maximum occupancy of the commercial space as determined by the Chief Building Official of Fire Inspector.
- e. Owner shall obtain all required permits from the City of La Vista and shall comply with any additional requirements as determined by the Chief Building Official, including, but not limited to, building, fire, and ADA.
 - f. Off-street parking shall be provided for the Permitted Use and the number of parking spaces shall be adequate to accommodate the patrons and guests of the Permitted Use without negatively impacting or limiting the number of parking spaces for surrounding businesses, or negatively impacting traffic or traffic flows on, in or around the Property or streets. The provided off-street parking shall be consistent with the site plan attached as "Exhibit B," which parking Owner has represented to City is in accordance with City requirements and sufficient for the Permitted Use. Additional off-street parking serving the property will be required if deemed necessary by the Planning Department, and the Owner at its cost shall be solely responsible for obtaining use of or constructing any such additional off-street parking. The requirements, location and other specifications of any additional off-street parking shall be subject to Planning Department or City Engineer approval. On-street parking on Cary Street and S. 117th Street, or otherwise in connection with the Permitted Use shall be prohibited. Stacking of vehicles in connection with the Permitted Use out onto any public street is prohibited. If vehicles stacking onto Cary Street and/or S. 117th Street become a safety threat as determined by the City Engineer, the City may require additional physical or operational improvements to mitigate the risk of stacking. The inability of Owner to stop vehicles in connection with the Permitted Use from stacking into public streets is a valid cause for termination of this permit.
 - g. Owner shall comply (and shall ensure that all employees, invitees, suppliers, structures, appurtenances and improvements, and all activities occurring or conducted, on the premises at any time comply) with any applicable federal, state and/or local laws, rules, or regulations, as amended or in effect from time to time, including, but not limited to, applicable liquor control, environmental or safety laws, rules or regulations.
 - h. Owner hereby indemnifies the City and all officials, officers, employees, and agents of the City ("Indemnified Parties") against, and holds the Indemnified Parties harmless from, any liability, loss, claim or expense whatsoever (including, but not limited to, reasonable attorney fees and court cost) arising out of or resulting from the acts, omissions or negligence of the Owner, or Owner's agents, employees, assigns, suppliers or invitees, including, but not limited to, any liability, loss, claim or expense arising out of or resulting from any violation on the premises of any environmental or safety law, rule or regulation.
3. The Owner's right to maintain the use as approved pursuant to these provisions shall be based on the following:
 - a. An annual inspection to determine compliance with the conditions of approval; or more frequent inspection upon any complaint to the City. The conditional use permit may be revoked upon a finding by the City that there is a violation of the terms of approval or this permit.
 - b. The use authorized by the conditional use permit must be initiated within one (1) year of approval and shall become void two (2) years after the date of approval unless the Owner has fully complied with the terms of approval.
 - c. All obsolete or unused structures, accessory facilities or materials with an environmental or safety hazard shall be abated and/or removed at Owner's expense within twelve (12) months of cessation of the conditional use.
 4. Notwithstanding any other provision herein to the contrary, this permit, and all rights granted hereby, shall expire and terminate as to a permitted use hereunder upon the first of the following to occur:
 - a. Owner's abandonment of the permitted use. Non-use thereof for a period of twelve (12) months shall constitute a presumption of abandonment.
 - b. Cancellation, revocation, denial or failure to maintain any federal, state or local permit required for the Use.
 - c. Owner's breach of any other terms hereof.

5. In the event of the Owner's failure to promptly remove any safety or environmental hazard from the premises, or the expiration or termination of this permit and the Owner's failure to promptly remove any permitted materials or any remaining environmental or safety hazard, the City may, at its option (but without any obligation to the Owner or any third party to exercise said option) cause the same to be removed at Owner's cost (including, but not limited to, the cost of any excavation and earthwork that is necessary or advisable) and the Owner shall reimburse the City the costs incurred to remove the same. Owner hereby irrevocably grants the City, its agents and employees the right to enter the premises and to take whatever action as is necessary or appropriate to remove the structures or any environmental or safety hazards in accordance with the terms of this permit, and the right of the City to enter the premises as necessary or appropriate to carry out any other provision of this permit.
6. If any provision, or any portion thereof, contained in this agreement is held to be unconstitutional, invalid, or unenforceable, the remaining provisions hereof, or portions thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect.

Miscellaneous

The conditions and terms of this permit shall be binding upon Owner, his successors and assigns.

1. Delay of City to terminate this permit on account of breach of Owner of any of the terms hereof shall not constitute a waiver of City's right to terminate, unless it shall have expressly waived said breach and a waiver of the right to terminate upon any breach shall not constitute a waiver of the right to terminate upon a subsequent breach of the terms hereof, whether said breach be of the same or different nature.
2. Nothing herein shall be construed to be a waiver or suspension of, or an agreement on the part of the City to waive or suspend, any zoning law or regulation applicable to the premises.
3. Any notice to be given by City hereunder shall be in writing and shall be sufficiently given if sent by regular mail, postage prepaid, addressed to the Owner as follows:

Contact Name and Address: Pick Up Sticks Properties, LLC

MAYOR AND CITY COUNCIL REPORT
AUGUST 19, 2025 AGENDA**

DISCUSSION – ALCOHOL ON MUNICIPAL PROPERTY	RESOLUTION ORDINANCE ◆ RECEIVE/FILE	HEATHER BULLER RECREATION DIRECTOR

SYNOPSIS

The City’s current policy, Council Policy Statement 107 – Consumption of Alcoholic Beverages on Municipal Property, allows the *sale and consumption* of alcoholic beverages on municipal property only for non-profits and private parties at the Community Center.

Upon review, staff has identified conflicts between this policy and other City policies, as well as a growing number of requests to allow alcohol in other locations. Staff is seeking City Council guidance on expanding alcohol permissions to include facility rentals, park shelters, and other municipal properties.

FISCAL IMPACT

There is no fiscal impact associated with this discussion.

RECOMMENDATION

Discussion and general direction regarding permitting alcohol on municipal property.

BACKGROUND

Over the past couple of months, the City has received increased requests from residents and organizations to serve or sell alcohol at municipal properties, specifically sports fields, park shelters, and Central Park Clubhouse.

When researching the appropriate process for these requests, staff found several policies that conflict with each other regarding alcohol consumption on municipal property.

To address community interest, reduce confusion, and ensure compliance with Nebraska Liquor License Laws, staff recommends expanding allowances for the consumption of alcoholic beverages on municipal property for: facility rentals (Community Center, Central Park Clubhouse, and The Link), shelter rentals, field rentals, and parks. If allowed, this expansion would include clear restrictions and permitting processes aligned with state liquor regulations and best practices for safety and public welfare.

Based on Council’s direction, staff will work to clean up policies and processes to adhere to the State of Nebraska Liquor License Laws.

Consumption of Alcoholic Beverages on Municipal Property

It shall be the policy of the City Council of the City of La Vista that the sale and consumption of alcoholic beverages on municipal property shall be closely restricted.

A permit by the City Council shall be required for the sale or consumption of alcoholic beverages on municipal property. A permit may be issued to a non-profit public service organization, based in La Vista. The permit shall be limited to one annual fundraising activity per year, per organization. Proceeds from any fundraising activity must be expended exclusively within the City of La Vista for the general betterment of its citizen (examples of eligible events are La Vista Days Beer Garden, La Vista Volunteer Fire Department Water Fights).

Requests for a permit shall be submitted in writing to the City Clerk at least 30 days prior to the scheduled activity and shall include the name of the organization, the activity for which the permit is sought, and the date, time and place of the activity for which the permit is requested. Additionally, in cases where the activity is not a City of La Vista sponsored event, the applicant must identify compliance with all State of Nebraska Liquor License Laws for the sale of alcoholic beverages (e.g. application for a Special Designated Permit).

Private parties may apply to the city Council for permission to serve alcohol on municipal property only when the following conditions are met:

1. Alcoholic beverages are distributed by a caterer/bartender licensed by the State of Nebraska to sell/serve alcoholic beverages offsite.
2. An off-duty police officer is contracted with for security and is present during the event.
3. A \$200 refundable security/damage deposit is due upon approval of the permit for any event at the Community Center.

Requests for a permit shall be submitted in writing to the City Clerk and shall include the name of the individual, the activity for which the permit is sought, and the date, time and place of the activity for which the permit is requested.

Prior to the approving a permit for a private party the City Council shall consider the following:

1. Will issuance of the permit and the presence of alcohol unreasonably interfere in the public's enjoyment of municipal facilities such as a park or the Community Center?
2. Will issuance of the permit and the presence of alcohol present an undesirable atmosphere for the youth of La Vista at municipal facilities such as a park or the Community Center?
