DECLARE EQUIPMENT SURPLUS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	HEATHER BULLER RECREATION DIRECTOR

SYNOPSIS

A resolution has been prepared to declare the following equipment used by the Recreation Department as surplus.

2 - Scoreboards

1 – Scoreboard Controller

FISCAL IMPACT

The general fund will receive the revenue from the sale.

RECOMMENDATION

Approval.

BACKGROUND

The Recreation Department is requesting authorization to surplus 2 scoreboards located in the Community Center gymnasium. These scoreboards were installed in 1994 and are original to the facility. Over time, they have exceeded their useful life and are no longer operable. Recent efforts to replace light bulbs were unsuccessful, as new bulbs no longer function within the existing units.

Replacement scoreboards were approved in the FY26 budget and are scheduled for installation in January 2026. These scoreboards are used for Youth Sports Leagues and other community recreation programs. Surplusing the existing equipment will allow for proper removal and disposal in preparation for installation of the new units.
