

# Off-Street Parking Fund

---

On January 17, 2006 the City Council approved Ordinance No. 979 for the creation of Vehicle Off-Street Parking District No. 1 of the City of La Vista, Nebraska in Southport West. Creation of the parking district gave the City a means to address the immediate and future needs for public parking in the Southport West development. The district includes all lots, land, and right-of-way within the Southport West subdivision. On March 21, 2006 the Council approved Ordinance No. 983 authorizing the issuance of General Obligation Off-Street Parking Bonds, Series 2006, in the principal amount of \$7,940,000 to facilitate the construction/acquisition of the first phase of parking improvements in the Off-Street Parking District.

The Off-Street Parking District is funded through a sales tax transfer from the General Fund. The off-street parking bonds were refinanced in FY12 and as a result in the subsequent years the transfer will remain constant at \$605,000. Expenditures in FY14 provides for debt service in the amount of \$576,960 and \$38,400 for routine maintenance.
