

Sewer Fund

The Sewer Fund is a type of proprietary fund, which is considered an enterprise fund. Enterprise funds account for business-type activities supported largely through user charges. The main purpose of this business-like approach is to provide services to consumers at a price that will cover both the current cost of operations (expenses) and the maintenance and financing of the necessary capital assets.

The primary sources of revenue for the sewer fund are tract connection fees from new users and sewer use fees. The Wastewater Service Agreement and Addendum between the City of Omaha and City of La Vista was adopted by the City Council on April 7, 2009. The chart below is indicative of the increasing sewer use fees as the City began collecting from subdivisions within the extraterritorial jurisdiction (ETJ) east to the interstate and then in FY11 collection was expanded to include those west of the interstate.

The fees paid to the City of Omaha to treat sewage for the City of La Vista represent 56.5% of the City's anticipated sewer expenses in FY15. The City of Omaha bills the City of La Vista for treating sanitary sewage and is proposing rate increases through 2018 between 9% and 10% per year.

The current billing rates were last formally reviewed in 2009 and a rate schedule was established increasing sewer use fees at the rate of 8% annually through FY14. While an update to the rate study is currently underway, indications are that continuing with the current rate schedule will not provide sufficient revenue to meet the needs of the system for FY15 through FY19. When the final version of the draft is complete and presented to the Mayor and City Council for review in the near future, a recommendation to increase annual rates by 10%

annually for all classes of sewer customers will be proposed. This will position the City to favorably accommodate changes in the projections and to reduce abrupt rate changes in the future.

Modifications to the sewer fund budget are also being recommended to reduce the 70/30 split with the General Fund for Administrative Services, Administration, Streets Administration and Human Resources to 75/25. This will reduce expenditures in the fund by approximately \$80,000. *(The salary and benefits of the Assistant Public Works Director/City Engineer; Secretary; and Intern are split 50/50 between Streets Administration and Sewer Administration).* Another expenditure reduction of approximately \$95,000 relates to eliminating a transfer to the General fund for Information Technology expenses as has been done in the past.

The capital request of \$60,000 is to replace the easement machine that was purchased in 1999. The equipment is very top heavy which makes it a safety concern. The technology of the newer machines have improved by making them wider and more stable. They are also more accessible in wet conditions and easier on the grass.

As noted in prior years, the City's sewer infrastructure is beginning to show its age and it is anticipated that significant repair/reconstruction will be required in the future. In anticipation of this, in FY12 the City established a Sewer Replacement Reserve of \$300,000. Ideally, funds in excess of a 25% cash reserve would be put into the reserve annually. The recommendation to add \$50,000 per year to the reserve will increase the reserve to \$350,000 in FY15. Funding recommendations will be reviewed and determined annually based on current conditions.

Municipal Budget Notes – FY 14/15

2-42 Sewer Maintenance

Budget Line Item

- 101 Full Time Salaries**
This line item provides funding for six full time positions. A 2.5% base factor is included for potential salary increases in accordance with the compensation ordinance.
- 102 Part Time Salaries**
This line item provides funding for one part time and two seasonal positions with a full time equivalent of 1.46. Funding requested at same level as last year.
- 103 Overtime**
This line item provides overtime funding for six full-time positions. Overtime is approved on an as-needed basis. The major contributing factor to overtime is snow removal operations. Overtime is also needed during La Vista Days, sewer plugs and occasional emergency call-outs from dispatch.
- 104 FICA**
This is a mandatory withholding match that is a fixed percentage of salaries.
- 105 Insurance Charges**
This line item funds the City's portion of health, dental, life and disability insurance for employees. In an effort to keep health insurance rates at a manageable level, changes were made this past year to the way this benefit is funded. The City took on a portion of the liability, which resulted in lower premiums. Actual savings, if any, will depend on plan usage during a given year. The budget does include a potential 5% increase in insurance premiums, but we are hopeful this new funding mechanism will help us better keep insurance costs under control.
- 107 Civilian Pension**
This line item funds the City's portion of employee pension contributions.
- 201 Office Supplies**
This line item funds supplies used in the front office, Sewer Foreman's office and general use by hourly employees. Funding requested at same level as last year.
- 203 Food Supplies**
This line item funds two breakfast meetings with supervisory staff and the City Engineer. Funding requested at same level as last year.
- 204 Wearing Apparel**
This line item funds the purchase of safety boots, safety shirts, rain gear, and safety equipment for six full time, one part time and two seasonal employees.

Requesting an additional \$180 for an increase in the boot allowance; \$30 for six employees.

- 205 Motor Vehicle Supplies**
This line item funds the purchase of fuel, oil, anti-freeze and tires for 8 vehicles and 12 pieces of equipment. Funding requested at same level as last year.
- 206 Lab and Maintenance Supplies**
This line item funds the purchase of replacement tools and equipment such as power tools, mechanic tools, sewer tools, shovels, rakes and all other construction related tool requirements. Funding requested at same level as last year.
- 207 Janitorial Supplies**
This line item funds paper products and cleaning supplies for the Sewer Shop. Funding requested at same level as last year.
- 208 Chemical Supply**
This line item is for the purchase of chemical products used to treat sanitary sewer lines and related right-of-way areas. Funding requested at same level as last year.
- 209 Welding Supplies**
This line item funds welding supplies to maintain 8 vehicles and 12 pieces of equipment in addition to any building and grounds repairs. Funding requested at same level as last year.
- 211 Other Commodities**
No request for funding in this line item.
- 301 Postage**
This line item covers the sewer operating share of mailing the City Newsletter and general mailing. Funding requested at same level as last year.
- 302 Telephone**
This line item covers the access to the internet for One Call and GIS mapping. Ongoing-increase of \$480.00 requested for hot spot service for the iPad.
- 303 Professional Services - Other**
This line item funds the State of Nebraska fuel tank registration, employee drug testing, engineering services and any additional professional services. Ongoing increase of \$150.00 requested for Comp Choice quarterly charge.
- 304 Utilities**
This line item funds natural gas and electricity service for the sewer shop and old sewer treatment plant. Ongoing increase of \$270.00 requested due to rate increase of 3%.
- 308 Legal Advertising**
This line item funds advertising for seasonal employment positions. Funding requested at same level as last year.

- 309 Printing**
This line item provides funding for printing the City Newsletter, letterhead and stationary. Funding requested at same level as last year.
- 310 Dues and Subscriptions**
This line item funds the professional memberships and certifications for 6 full time employees. Examples include Nebraska Pesticide Applicators License and Water Operators License. Funding requested is a slight decrease from last year.
- 311 Travel Expenses**
This line item funds all authorized trips and the expenses related to meals, lodging, transportation and miscellaneous incidental costs. One-time increase of \$3,200.00 is requested for travel, lodging and meals for 2 employees to attend training for CUES camera repair. Ongoing request of \$102 for travel price adjustments.
- 312 Towel/Cleaning Service**
This line item funds the laundering of Public Works uniforms. Funding requested at same level as last year.
- 313 Training**
This line item includes all training courses and seminar costs. One-time increase of \$100.00 is requested for training on repairing the CUES camera equipment. Ongoing request of \$400 for recertification of Metam Sodium license for four employees.
- 314 Contractual Services**
This line item funds contracts for the following services: City of Omaha sewer treatment; Heritage Crystal Clean; Papillion Sanitation; Simplex Grinnel; Sarpy County 800 MHz; One Call; Cummings Generator Inspection and vehicle loan payment. Requesting additional \$412,371 for sewer treatment in conjunction with City of Omaha rate increases and expansion of the City's ETJ, as well as additional sewer accounts from anticipated development. Additionally, computer services have been included in this line item in the past and have been moved to a separate budget (26) specifically designated for Information Technology (IT) expenses.
- 321 Professional Services – Legal**
Funding requested at same level as last year.
- 401 Building and Grounds**
Funds in this line item are used for the repair and maintenance of the sewer shop and old sewer treatment building. Funding requested is a decrease from last year.
- 405 Sanitary Sewer Maintenance**
This line item provides funding for the repair and maintenance of the sanitary sewer system. Funding requested is a decrease from last year.

- 409 Machine – Equipment and Tool Maintenance**
This line item funds the repair, maintenance and replacement of maintenance tools and equipment such as marking paint, pry bars, blowers and generators. Funding requested at same level as last year.
- 410 Motor Vehicle Maintenance**
This line item funds replacement parts for 8 vehicles and 12 pieces of equipment. Funding requested at same level as last year.
- 411 Radio Maintenance**
This line item funds the repair and maintenance of the radio system. Funding requested at same level as last year.
- 505 Other Charges**
This line item funds the purchase of supplies that do not logically fall into any one of the scheduled accounts such as expenses for the annual employee appreciation dinner. Funding requested at same level as last year.

Municipal Budget Notes – FY 14/15

2-43 Storm Water Management

Budget Line Item

505

Other Charges

This account was created to manage grant funding made available by the Nebraska Department of Environmental Quality (NDEQ) for implementation of the Storm Water Management Plan (SWMP) for the City of La Vista. These funds must be used only for implementation of the SWMP. These funds may not be used for normal operation and maintenance or flood control. The City is required to provide a 20% match for all grant funding. The City received a grant for \$19,884.00 in 2006; \$25,000 in 2007; \$27,980 in 2008; \$27,389 in 2009, \$26,154 in 2010, \$24,082 in 2011 and \$24,082 in 2012. Public Works will be applying for a \$24,082 grant in 2013. Funds are currently being used to finance activities associated with the Papillion Creek Watershed Partnership (PCWP). Projects which have been completed to date include: conducting an inventory of the entire storm water system and placing it onto a GIS overlay; storm drain stenciling program to prevent illegal dumping in catch basins and curb inlets; installation of a storm water trash and debris separator on a storm line that dumps into the golf course lake; purchase of a GIS handheld unit for collecting data internally, and purchase of automatic vehicle locating systems to track application of deicing chemicals and street sweeping. Future projects may include the installation of several more debris separators, the purchase of I-Pads for field work, the equipping of the sewer camera truck with access to the Sarpy GIS system to access sewer maps for information and updating, installation of a sediment/grit trap at Public Works to improve water quality of runoff from wash down activities, and other activities in our Storm Water Management Plan.
