

# Golf Fund

In the current fiscal year, it is projected that La Vista Falls Golf Course will generate total proceeds of \$218,000 which is consistent with FY14. The current estimated lottery transfer of \$185,000 is lower than the budgeted amount due to a higher than projected revenue stream in FY13. The year- end estimate of expenditures is slightly under the budgeted amount and the mower that was approved for FY14 was not purchased as other city equipment could be utilized.

Golf proceeds for FY15 are estimated to be \$218,000, which is consistent with the FY14 budget. Personnel expenses are recommended in FY15 to remain consistent with the FY14 staff reassignment. The recommended lottery transfer will decrease from \$250,000 to \$125,000 because the Golf Course debt paid off in December of 2013 (FY14).

There are three capital items requested; \$29,000 for a Tiplex Reel Type Mower; \$13,000 for a Topdresser; and \$58,000 for a Wide Area Rough Mower. None of these capital items are being recommended for FY15.

The quality and appearance of the course, along with significant improvements in marketing and promotions have increased the interest in play at La Vista Falls, however the weather this year (FY14) has not been optimal so rounds are slightly below last year.
