PURCHASE TACK SPRAYER	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE DIRECTOR OF PUBLIC WORKS

SYNOPSIS

A resolution has been prepared authorizing the purchase of one (1) 2016 TPS210T Tack Sprayer from Logan Contractors Supply, Omaha, Nebraska, for an amount not to exceed \$9,435.00.

FISCAL IMPACT

The FY 16 Street Operating Budget provides funding for the proposed purchase. The budget shows \$4,500 for purchase of the tack sprayer, this figure should have been \$9,500. The funding is available through savings from other purchases.

RECOMMENDATION**Approval****BACKGROUND**

This unit is replacing a tack sprayer which was built in-house 10- years ago. The existing tack sprayer only has a 12-gallon capacity which required refilling on a daily basis. The new unit has a 150 gallon capacity and only needs filled once a week. The existing unit is prone to plugging because the tack could not be properly heated. The new unit has a built-in heater which eliminates any clumping or plugging. The unit carries a 1-year warranty. Staff is recommending Logan Contractors as the low, compliant bidder.
