

La Vista Public Library

Policy

Volunteers in the Library

Issued August 2006

Reviewed November 2013

Reviewed September 2016 **edits/updates are highlighted**

The mission of Volunteer Services is to provide volunteers to assist, enhance, and support the work of the La Vista Public Library. Volunteers are considered unpaid staff by the City of La Vista, under the direction and supervision of paid staff. Volunteers do not replace paid library staff positions but can assist paid staff in job tasks, provide additional skills and perform services that would otherwise not be provided. Volunteers are reviewed on a case by case basis ***and are subject to a background check.***
