AUTHORIZATION TO PURCHASE PAGERS	◆RESOLUTION ORDINANCE RECEIVE/FILE	RICH UHL FIRE CHIEF

**SYNOPSIS**

A resolution has been prepared authorizing the purchase of ten pagers from D & D Communications, Omaha NE in an amount not to exceed \$7,140.00.

**FISCAL IMPACT**

The FY 07/08 Fire Department budget provides funding for the proposed purchase.

**RECOMMENDATION**

Approval

**BACKGROUND**

Funding was included in the current year's budget for the purchase of new pagers. This purchase will reduce response times in dual response areas due to the substantial lag time from Douglas to Sarpy County dispatch. It will also enhance the Sarpy County Dispatch Center's ability to reach responders located in weak or fringe signal areas.

Research indicates that the Motorola Minitor V pager will provide excellent geographic coverage, while providing an intrinsically safe product for fire fighting and hazardous materials response applications. Many of the pagers currently in use have exceeded their lifespan and no longer meet the demands of modern technology. The conclusion has been drawn that this particular selection will best meet the needs of the firefighters of the La Vista Fire Department.
