NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of La Vista, Nebraska, do hereby authorize Bones Brew and BBQ LLC to proceed with the application for a "Special Designated License" from the Nebraska Liquor Control Commission to sell alcohol in an outdoor area at their establishment on June 7, 2008 for an outdoor festival.

Seconded by Councilmember Sheehan. John Falewitch of Lights Out Promotions and John Davis of Bones Brew and BBQ were in attendance to answer questions. Police Chief Lausten asked for an explanation of a martial arts expo. Falewitch stated the event is a Muay Thai Kickboxing Competition for individuals ranging from ages 8 to about 35. It is a family oriented event with the proceeds going to the Ronald McDonald House. Councilmember Sheehan asked the number of security personnel that would cover the event. Falewitch stated they could provide as many is required. A concern was raised due to the increase in number of people expected for the event, as the number was increased from 500 to up to 1000. The Applicant was told that approval of the liquor license application should not be construed as approval of a permit for the event. The Applicant still will need to obtain a separate public assembly permit. Staff will review security and other concerns in the process of considering an application for a public assembly permit. Councilmembers voting aye: Sell, Ronan, Quick, Sheehan, Carlisle, McLaughlin, Ellerbeck, and Gowan. Nays: None. Absent: None. Motion carried.

A. Variance Request for Off-Site Signage in Southport West Replat Three

i. **Staff Report:** John Q. Hammons Industries is requesting a variance for Off-Site Signage on property owned by JQH La Vista III Development, LLC, Lot 1-3, Southport West Replat Three. This property is zoned C-3, Highway commercial/Office Park District, Gateway Corridor Overlay District.

The Embassy Suites Hotel is currently being constructed on Lot 3 of Southport West Replat Three, along with the development of the La Vista Conference Center on Lot 2 and the Courtyard by Marriott Hotel on Lot 1 of the same subdivision.

The hotel and conference center development was originally proposed on the same parcel of land in Southport West; however, the parcel required subdividing into separate lots for financing purposes, i.e. a loan was provided by the City of La Vista to help finance the conference center and parking areas. Additionally, the subdivision of these properties had to provide adequate parking within each lot for the buildings associated with each use. The conference center and the Embassy Suites Hotel were designed to be attached with a zero lot line setback.

DRAFT

Please notice that Lot 1 does not have frontage to it other than the I-80 interstate ramp and that is not a site for a future monument sign. Lot 3, Embassy Suites, had proposed a sign next to the access coming into Lot 3 and ran into some buried utility, sidewalk, and landscaping issues which presented a very challenging problem trying to get such a large sign onto the lot without interference to infrastructure. Therefore the purpose of this variance request.

The following definitions from Sec 2 of the Zoning Ordinance will be helpful to the decision process: **SIGN** shall mean and include any outdoor sign, display, declaration, device, figure, drawing, illustration, message, placard, poster, billboard, insignia, or other things which are designed, intended, or used for direction, information, identification, or to advertise, to inform, or to promote any business, product activity, service, or any interest.

SIGN, OFF-PREMISES shall mean a sign including the supporting sign structure which directs the attention of the general public to a business, service, or activity not usually conducted, or a product not offered or sold, upon the premises where such sign is located.

The following Zoning Regulations apply to the request:

7.03.01 Signs Prohibited Under These Regulations

All signs not expressly permitted in these regulations or exempt from regulation hereunder in accordance with the previous section are prohibited in the city. Such signs include, but are not limited to:

1. Beacons and flashing signs;
2. Video signs;
3. Marquee signs;
4. Portable signs, except as allowed by a Temporary Sign Permit;
5. Roof signs;
6. Suspended signs;
7. Strings of lights not permanently mounted to a rigid background, except those exempt under the previous section;
8. **Off-premises signs, except for signs located on outdoor public or quasi-public recreational areas/ facilities, provided such signs are located in a manner approved by the City (such as not facing adjacent street right-of-way or residential zoning districts) and are no larger than 32 square feet. (Ordinance No. 951, 3-15-05)**
9. Animated signs; and
10. Audible Signs.

The applicant applied for a monument sign to be placed on Lot 3, which would have the Embassy Suites Hotel name and logo on the sign as well as the La Vista Conference Center label. Since the La Vista Conference Center is on Lot 2, the sign application had to be denied. The Courtyard by Marriott will have a similar situation because Lot 1 does not have frontage on Westport Parkway. In addition, according to the applicant there are legal issues which do not allow the Marriott and the Embassy Suites hotel names and/or logos to be on the same sign.

The following specific requirements must be considered in approval of a variance:

Section 8.03.03.01 and Nebraska Revised State Statutes Section 19-910:

The Board of Adjustment shall authorize no such variance, unless it finds that:

1. The strict application of the Ordinance would produce undue hardship;
2. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;

3. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance; and
4. The granting of such variance is based upon reasons of demonstrable and exceptional hardship as distinguished from variations for purposes of convenience, profit or caprice. No variance shall be authorized unless the Board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to this Ordinance.

Bylaws and Rules of Procedure of the City Of La Vista Board of Adjustment – Section 7, Specific Requirements in Approval of a Variance:

In any action by the Board with regard to approval of a variance, such action shall be taken in accordance with the limitations of Nebraska law and the requirements and limitations of the applicable City Zoning Regulations and these Rules of Procedure. In any action to approve a variance, the Board shall make findings which shall be recorded in the minutes.

Malmquist inquired if both signs would be considered off-premise. Baker said there would be an off-premise sign on Lot 3 which would advertise the La Vista Conference Center located on Lot 2; and, the Courtyard by Marriott (located on Lot 1) would have a monument sign posted at their access from Westport Parkway which would be on Lot 2.

McCormick asked, if for any reason that Embassy Suites would change their name, or alter it in any way, would the request have to come back to the Board of Adjustment for review. Baker said the variance would carry to any future property owners unless a restriction were put on the variance tonight. If the sign were relocated it would have to return. Face changes would not be required for further review. Baker stated the variance could be limited to the current property owners.

Tony Moody, general manager of the La Vista Complex for Mr. Hammonds and represents the owner interjected that the master development agreement between Mr. Hammonds and the City of La Vista it is to be called the La Vista Conference Center and there can be no changes without going back to City Council. This is a 20-year licensing agreement and the penalties of changing the name are extremely exorbitant.

McCormick questioned the temporary buildings on site and Moody said they would be removed next week. The anticipated opening of the Embassy Suites would be July 1.

iii. **Recommendation:** Malmquist moved to approve the variance request finding that the strict application of the ordinance would produce a unique and undue hardship not shared generally by other properties and the authorization of such hardship should not be a substantial detriment to adjacent property values, etc. and the granting of such variance is based upon reasons of demonstrable and exceptional hardship distinguished from variations for purposes of convenience, for profit, or caprice. Malmquist made the following findings in her motion:

A. The strict application of any applicable provision of the applicable City Zoning Regulation would, in each specific variance petition, result in at least one of the following:

1. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to exceptional narrowness, shallowness or shape of the piece of property in questions.

Hardship found: The board finds this to be an irregularly shaped lot due to the delineation required through financing the development.

2. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to exception topographic conditions on the piece of property in questions;

Hardship found: The board finds this lot is relatively flat with no topographic constraints.

3. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to other extraordinary and exceptional situation or condition of the piece of property in question.

Hardship found: The Embassy Suites Hotel and the La Vista Conference Center are being marketed as a joint development. A hardship may have been created when the development was severed by lot lines. This hardship was an unintended consequence of the subdivision.

B. In authorizing any variance the Board shall also make findings, which shall be recorded in the minutes of the Board, that **EACH** of the following requirements for authorizing a variance can be met:

1. Such variance may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the applicable City Zoning Regulations;

Specific requirement satisfied: The purpose and intent of the sign regulations is “to encourage the effective use of signs as a means of communication in the city; to maintain and enhance the aesthetic environment and the city’s ability to attract sources of economic development and growth; to improve pedestrian and traffic safety; to minimize the possible adverse effect of signs on nearby public and private property; and to enable the fair and consistent enforcement of these sign regulations.” The public good would not be substantially impaired by the granting of the variance. Staff believes that placing three separate monument signs for each lot could cause “visual clutter” and reducing the number of monument signs is a preferred alternative that would satisfy the purpose and intent of the sign code.

2. The strict application of the applicable requirements of the applicable City Zoning Regulations would produce an undue hardship upon the owner of the property included in the petition;

Specific requirement satisfied: In the opinion of the Board, the strict application of the code would not allow the La Vista Conference Center to be advertised on the Embassy Suites lot. Also, the Courtyard by Marriott would have nowhere along Westport Parkway to place their monument sign because their lot does not have street frontage. An undue hardship has been the result of the City of La Vista requiring the subdivision of the properties for financing purposes.

3. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;

Specific requirement satisfied: Lots 1-3 of Southport West Replat Three share this hardship, but no other properties in Southport West currently have this hardship.

DRAFT

4. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the zoning district will not be changed by such variance;

Specific requirement satisfied: Some flexibility in the design of signs is written into the Southport Design Guidelines; therefore, staff does not believe substantial detriment would occur on adjacent properties or within the zoning district.

5. The authorization of a variance is based upon reasons of demonstrable and exceptional hardship stemming from characteristics of the property involved in the petition and not for reasons of convenience, profit or desire of the property owner;

Specific requirement satisfied: The way in which the property had to be subdivided for the City's financing purposes created an exceptional hardship for placing monument signs in sensible and visible locations on the properties. The variance request is not a matter of convenience or profit in the board's opinion.

6. The condition or situation of the property included in such petition or the intended use of such property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to the applicable City Zoning Regulations.

Specific requirement satisfied: This development was unique in that the City helped finance a portion of the development, which necessitated creating three separate lots. No changes to the City's Zoning Regulations would be needed, as this will not be a recurring situation.

Seconded by Jordan. Vote: Ayes: McCormick, Jordan, Paulsen, Malmquist and McEneaney Nays: None. Motion passed.

B. **Variance Request for Reduced Setback for a Monument Sign**

Description of Development: The Embassy Suites Hotel is currently being constructed on Lot 3 of Southport West Replat Three, along with the development of the La Vista Conference Center on Lot 2 and the Courtyard by Marriott Hotel on Lot 1 of the same subdivision.

The applicant has stated that power, telephone, and cable line placement along Westport Parkway has infringed on their ability to place their monument sign at the corner of the access which serves as the main entrance to the Embassy Suites Hotel. Due to these utility constraints, the sign is proposed to be installed less than 5 feet to the property line. The sign permit was denied because the sign did not meet the minimum required setback of 10 feet.

The following regulations within the Zoning Ordinance are applicable to this variance request:

7.01.05 Permitted Signs and Limitations

1. ***Ground Monument***

- A. Monument signs shall be located along the frontage of the zoned lot. All signs shall be of permanent construction and are subject to the provisions of local codes and ordinances. On corner lots, the monument sign may be placed on either frontage.
- B. All ground monument signs shall be located on the same lot as the advertised use.

- C. Signs shall contain only the name or trademark of the business, building or complex which it identifies.
- D. With the exception of change panels permitted for gas stations to advertise gasoline prices, no change panels, advertising or names of individual tenants will be allowed.
- E. **Setbacks for all ground monument signs are ten (10) feet.**

The Southport West PUD (Ordinance #1013) states:

“This Ordinance recognizes that because of the size and scope of the project, and because access will be obtained to the development via large public arterial streets, the project has an extraordinary need for flexibility in the signage regulations applicable thereto.”

The following specific requirements must be considered in approval of a variance:

Section 8.03.03.01 and Nebraska Revised State Statutes Section 19-910:

The Board of Adjustment shall authorize no such variance, unless it finds that:

- 5. The strict application of the Ordinance would produce undue hardship;
- 6. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;
- 7. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance; and
- 8. The granting of such variance is based upon reasons of demonstrable and exceptional hardship as distinguished from variations for purposes of convenience, profit or caprice. No variance shall be authorized unless the Board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to this Ordinance.

Bylaws and Rules of Procedure of the City Of La Vista Board of Adjustment – Section 7, Specific Requirements in Approval of a Variance:

In any action by the Board with regard to approval of a variance, such action shall be taken in accordance with the limitations of Nebraska law and the requirements and limitations of the applicable City Zoning Regulations and these Rules of Procedure. In any action to approve a variance, the Board shall make findings which shall be recorded in the minutes of the Board .

iii. **Recommendation:** Malmquist moved to grant the variance for approval of a setback variance on the ground monument sign for Embassy Suites. The minimum setback is currently ten (10) feet and this variance would allow encroachment into the set back no more than seven (7) feet. Malmquist made the following findings in her motion:

A. The strict application of any applicable provision of the applicable City Zoning Regulation would, in each specific variance petition, result in at least one of the following:

- 1. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to exceptional narrowness, shallowness or shape of the piece of property in questions;

Hardship is found: The Board finds that the lots are irregularly shaped due to legal constraints required by the City's financing of the conference center. Utilities along Westport Parkway complicate the placement of the sign at the access point.

2. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to exception topographic conditions on the piece of property in questions;

Hardship is found: The Board finds the lot is relatively flat with no topographic constraints.

3. Peculiar and exceptional practical difficulties to or undue hardship upon the owner of the piece of property included in the petition due to other extraordinary and exceptional situation or condition of the piece of property in question.

Hardship is found: The Board finds that the access was approved and constructed according to plans. Placement of the sign at the original location is no longer possible due to utility installations.

B. In authorizing any variance the Board shall also make findings, which shall be recorded in the minutes of the Board, that **EACH** of the following requirements for authorizing a variance can be met:

1. Such variance may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the applicable City Zoning Regulations;

Specific requirement is satisfied: The purpose and intent of the sign regulations is "to encourage the effective use of signs as a means of communication in the city; to maintain and enhance the aesthetic environment and the city's ability to attract sources of economic development and growth; to improve pedestrian and traffic safety; to minimize the possible adverse effect of signs on nearby public and private property; and to enable the fair and consistent enforcement of these sign regulations." Placement of the sign would be required to be in a safe location not impeding line of sight; therefore, the public good would not be substantially impaired.

2. The strict application of the applicable requirements of the applicable City Zoning Regulations would produce an undue hardship upon the owner of the property included in the petition;

Specific requirement is satisfied: The strict application of the code would place the sign too close to utility lines.

3. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;

Specific requirement is satisfied: No other properties share this same hardship.

4. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the zoning district will not be changed by such variance;

DRAFT

Specific requirement is satisfied: Some flexibility in the design of signs is written into the Southport Design Guidelines; therefore, the board does not believe substantial detriment would occur on adjacent properties or within the zoning district.

5. The authorization of a variance is based upon reasons of demonstrable and exceptional hardship stemming from characteristics of the property involved in the petition and not for reasons of convenience, profit or desire of the property owner;

Specific requirement is satisfied: The variance request is not a matter of convenience or profit in the board's opinion. The characteristics of the property and approved development, combined with the installation of the utility lines, have created the hardship.

6. The condition or situation of the property included in such petition or the intended use of such property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to the applicable City Zoning Regulations.

Specific requirement is satisfied: No changes to the City's Zoning Regulations would be needed, as the conflicts with utility lines should not be a recurring situation.

McEneaney seconded: Ayes: McEneaney, Jordan, Paulsen, Malmquist and McCormick. Ayes: None. Motion passed.

Mr. Moody invited everyone to the grand opening gala expected to be July 31, 2008, pending final approval from the Nebraska Fire Marshall office.

6. **Adjournment:** Paulsen motioned to adjourn the meeting. Jordan seconded. Ayes: Jordan, McEneaney, McCormick, Paulsen, and Malmquist. Nays: None. Meeting adjourned. The meeting was adjourned at 6:32 p.m.

APPLICATION FOR PRELIMINARY PUD, LOT 380, CIMARRON WOODS (SW OF 96 TH & HARRISON)	◆ RESOLUTION ORDINANCE RECEIVE/FILE	ANN BIRCH COMMUNITY DEVELOPMENT DIRECTOR

SYNOPSIS

A public hearing has been scheduled and a resolution has been prepared to approve the preliminary planned unit development (PUD-1) for approximately 26 acres located southwest of 96th & Harrison Street.

FISCAL IMPACT

None.

RECOMMENDATION

Approval.

BACKGROUND

A public hearing has been scheduled to consider the preliminary planned unit development application by Pedcor Investments, LLC, on approximately 26 acres platted as Lot 380, Cimarron Woods, generally located southwest of 96th and Harrison Street.

The property is currently zoned R-3 PUD-1 with the Gateway Corridor Overlay District. The Cimarron Woods plat, PUD plan and subdivision agreement identified this lot for multi-family development and included a site plan showing 418 units. The proposed development to be known as "Cimarron Terrace" consists of 180 units in Phase I and 174 units in Phase II, for a total of 354 units. The application has been submitted for preliminary planned unit development (PUD) review; if approved, an application will be required for final PUD review and approval of a conditional use permit. Final building design review will also be required as part of the conditional use permit. A detailed review of the application is contained in the attached staff report.

The Planning Commission held a public hearing on April 17, 2008, and recommended approval of the preliminary planned unit development plan contingent upon several revisions (see staff report). The request is in general conformity with the provisions of the La Vista Comprehensive Plan, does not adversely effect the development of neighboring areas, and meets the requirements of the La Vista Zoning Ordinance, subject to the resolution of the items identified by staff and the City Engineer.

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA, DETERMINING CONDITIONS FOR APPROVAL OF THE PLANNED UNIT DEVELOPMENT (PUD 1) PLAN FOR LOT 380 CIMARRON WOODS, A SUBDIVISION LOCATED IN THE N1/2 OF SECTION 16, T14N, R12E OF THE 6TH P.M., SARPY COUNTY, NEBRASKA.

WHEREAS, the owners of the above described piece of property have made application for approval of a preliminary planned unit development plan for Lot 380, Cimarron Woods; and

WHEREAS, the City Administrator and the City Engineer have reviewed the preliminary planned unit development plan; and

WHEREAS, on April 17, 2008, the La Vista Planning Commission held a public hearing and reviewed the preliminary planned unit development plan and recommended approval subject to resolution of the following items identified by the city engineer and staff:

1. The preliminary PUD Plan and application refers to the property as being zoned R-1 (PUD). This needs to be revised on the Final PUD Plan to read R-3, PUD-1 zoning.
2. A traffic signal shall be installed at the developer's expense at the intersection of 99th and Harrison Streets as part of the development of Lot 380, Cimarron Woods, as per the Cimarron Woods Subdivision Agreement.
3. A 10-foot wide trail shall be installed, as per Exhibit E-1 of the Cimarron Woods Subdivision Agreement. Parking spaces near the west property line shall be shifted to the east to allow enough room for this trail to be constructed with separation from the parking lot.
4. Parking requirements will need to be satisfied as described in the staff report.
5. Revisions requested by the City Engineer, in his letter dated March 17, 2008, shall be incorporated into the Final PUD Plan and Conditional Use Permit submittal.

NOW THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of La Vista, Nebraska, that the Planned Unit Development (PUD-1) plan for Lot 380, Cimarron Woods, located in the N1/2 of Section 16, T14N, R12E of the 6th P.M., Sarpy County, Nebraska, generally located southwest of 96th & Harrison Streets be, and hereby is, approved subject to the items listed above.

C. RELEVANT CASE HISTORY:

1. In October of 2002, an application was filed for approval of a Comprehensive Plan amendment, a rezoning from TA, Transitional Agriculture, to R-1 PUD and R-3 PUD; and approval of a preliminary plat for a subdivision to be known as "Shenandoah". Proposed Lot 514 (26.7 acres) was to be zoned for multi-family development.
2. On March 20, 2003, after some revisions to the layout of the plat, the Planning Commission conducted a public hearing and recommended approval of the request. The staff report and meeting minutes identify the rezoning from TA to R-1 but state "A P.U.D. designation will also allow for some mixed residential development...which will be predominantly single-family housing." And "Through the use of a P.U.D. the higher density residential has relocated to the northeast corner of this site where commercial uses have been previously discouraged." Also identified are several comments from the staff and the Acting City Engineer, Terry Atkins, including:
 - (a) A traffic signal shall be provided at 99th Street when the apartments are constructed regardless of warrants.
 - (b) Language must be incorporated into the subdivision agreement requiring approval of the final apartment plan prior to site development. The final apartment plan must have adequate internal traffic flow for police and fire, which would include a wide divided entrance.
3. On May 6, 2003, the City Council conducted a public hearing and approved Ordinance No. 907. The staff report and meeting minutes include the same comments regarding multi-family development however the ordinance rezoned the entire area of the preliminary plat to R-1.
4. In August of 2003, an application was filed for approval of a revised preliminary plat, a final plat, a final PUD plan and a waiver to two sections of the Subdivision Regulations. The name of the subdivision was changed to "Cimarron Woods". The application identifies a proposed 418 units on Lot 380.
5. On August 21, 2003 the Planning Commission conducted a public hearing and recommended approval of the request. The staff report and meeting minutes include the same comments noted above regarding the multi-family development. In addition, the debt to value analysis for the S.I.D. identifies Lot 380 will contain +400 units.
6. On September 16, 2003 the City Council conducted a public hearing and approved Ordinance No. 916 which created the PUD-1 overlay designation to the R-1 zoning which had been approved in Ordinance No. 907. The City Council also approved the revised preliminary plat, the final plat and the Subdivision Agreement. The staff report and meeting minutes include the same comments noted above regarding the multi-family development. Section 19 of the Subdivision Agreement also states "As regards Lot 380 (multi-family tract), site plan, building elevations and building design shall be subject to City approval, at which time it should become part of this Agreement and Exhibit "K"."
7. On February 19, 2008, the City Council approved Ordinance No. 1055 which rezoned Lot 380 of Cimarron Woods Subdivision from R-1 PUD-1, Single Family Residential to R-3 PUD-1, High Density Residential.
8. On April 17, 2008 Planning Commission reviewed a new Preliminary Planned

Unit Development Plan as it differed significantly from the original Preliminary PUD Plan that was approved in 2003. Garages are not being planned for all units; the internal roadways are different; the arrangement of the apartment complexes is different; and fewer apartment units are proposed.

D. APPLICABLE REGULATIONS:

1. Section 5.08, Zoning Ordinance, regarding the R-3 High Density Residential District
2. Section 5.15, Zoning Ordinance, regarding the PUD-1 Planned Unit Development District
3. Section 5.17.06, Gateway Corridor District, Sub-Area Secondary Overlay

III. ANALYSIS

A. COMPREHENSIVE PLAN:

The Future Land Use Map of the Comprehensive Plan identifies this site for high density residential.

B. OTHER PLANS:

1. Cimarron Woods Subdivision Plat and Subdivision Agreement
2. Cimarron Woods Park and Trail Plan

C. TRAFFIC AND ACCESS:

1. Lot 380 was platted with access to 99th Street in Cimarron Woods.
2. Harrison Street abuts this lot on the north, however this roadway has controlled access and no direct access will be allowed.
3. 96th Street abuts this lot on the east. Topography of the site limits the ability to gain access to 96th Street.
4. Access has been determined to be adequate for emergency access purposes into both Phase One and Phase Two of the development. The loop road is completely within Phase One and can therefore provide safe access prior to the completion of Phase Two.
5. Access from 99th Street is proposed from two separate points. Both accesses are right-in/ right-out turn movements only. The main access point is located on the perimeter of the roundabout, which allows for further directional movement.
6. The existing trail in Cimarron Woods is proposed to be extended into the Cimarron Terrace project. At this time, the proposal does not match the design set forth by the Cimarron Woods Subdivision Agreement. Specifically, the trail should not dead-end in the parking lot. Instead the trail needs to be designed to continue north past the proposed playground area and connect with 99th Street.

D. PARKING:

1. The City of La Vista's parking requirements would typically require 534 parking spaces in Phase One and 486 parking spaces in Phase Two. The developer has proposed 406 parking spaces for Phase One and 274 parking spaces for Phase Two.
2. The Planning Commission is concurrently reviewing revisions to the parking requirements based on a recommendation from staff who believe too much parking is being required for certain uses, including multi-family projects.

3. Because the PUD Overlay District allows for flexibility in design, staff is making a recommendation to model the parking requirements for this development after the proposed revision to the multi-family parking standard, which is *one parking space per bedroom*. This would require 336 parking spaces for dwelling units in Phase One and 300 spaces for dwelling units in Phase Two. Additional parking for the clubhouse will likely be required as well.
4. The site plan identifies six garage structures located throughout the complex which would contain 24 covered parking stalls.
5. Staff suggests the addition of bicycle parking racks at the clubhouse/pool and the playground.

E. UTILITIES:

All utilities are available to the site. MUD has requested the developer install a line valve into the main line just north of Josephine Ave. along 99th Street. This installation would double the reliability in service.

F. LANDSCAPING:

1. The property line along Harrison Street, 99th Street, and the 96th Street rights-of-way are planned to be landscaped in a manner consistent with the existing landscaping in Cimarron Woods. The perimeter landscaping is planned to be completed at the same time as Phase One of the development.
2. Landscaping is also proposed around parking areas in Cimarron Terrace. These plantings should provide a visual buffer for the “gateway corridor” roads.
3. Some of the existing trees and vegetation will be conserved within the development. The developer proposes a narrow road cutting through the existing groves of trees at three locations on the property. Fill material for building sites and parking lots will likely cause trees to be removed. Additionally, installation of the proposed stormwater detention areas will likely cause existing trees to be removed.
4. The Landscape Plan will be reviewed in detail at the time of Conditional Use Permit review.

IV. REVIEW COMMENTS

1. Phase One has been designed to function as a stand-alone development, as requested by staff. This phase will have full access and parking to meet the needs of the development. In addition, the clubhouse, trail, perimeter landscaping, and playground area will be developed as part of Phase One.
2. The use of landscaped drainage swales, permeable pavement, rain gardens or other Low Impact Development Best Management Practices could reduce the size or the need for detention ponds. Many more existing trees could be kept if the stormwater detention areas were not proposed in the treed areas. Stormwater runoff would infiltrate the ground sooner, thus the detention areas would not need to be as large. Another option is to change the box culvert design to hold water in the open space area during a heavy rain event.
3. An application for a Conditional Use Permit and Final PUD Plan approval will be required pending approval of the Preliminary PUD Plan. The applicant also intends on subdividing the parcel along the phased development line. This subdivision may be handled as an Administrative Plat.
4. The Cimarron Woods PUD Plan approved in 2003 proposed 418 multi-family units. The current proposal reduces the number of units requested to 354. The R-3 Zoning District

- requires a minimum of 2,250 sq. feet of land per unit; therefore, a minimum of 18.3 acres of land is required. Lot 380 is nearly 26 acres, so the density requirement has been satisfied.
5. This property is also in the Gateway Corridor Overlay District; an application for architectural design review has been reviewed and comments from the City's Architect have been integrated into the building design. Final design approval would occur at the time of the CUP application.
 6. For additional review comments, see the attached letter from John Kottmann, City Engineer; comments that have not yet been addressed would be required to be completed at the time of the Final PUD Plan and CUP application.

V. DEPARTMENT RECOMMENDATION

Approval with conditions as noted below.

VI. PLANNING COMMISSION RECOMMENDATION

Approval of the Preliminary Planned Unit Development (PUD) Plan with the following conditions:

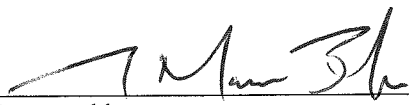

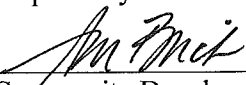

1. The Preliminary PUD Plan and application refers to the property as being zoned R-1 (PUD). This needs to be revised on the Final PUD Plan to read R-3, PUD-1 zoning.
2. A traffic signal shall be installed at the intersection of 99th and Harrison Streets as part of the development of Lot 380, Cimarron Woods, as per the Cimarron Woods Subdivision Agreement.
3. A 10-foot wide trail shall be installed, as per Exhibit E-1 of the Cimarron Woods Subdivision Agreement. Parking spaces near the west property line shall be shifted to the east to allow enough room for this trail to be constructed with separation from the parking lot.
4. Parking requirements will need to be satisfied as described in this staff report.
5. Revisions requested by the City Engineer, in his letter dated March 17, 2008, shall be incorporated into the Final PUD Plan and Conditional Use Permit submittal.
6. Other concerns stated in this report shall be addressed prior to Final PUD submittal.

Section 5.15 PUD-1 PLANNED UNIT DEVELOPMENTS

5.15.01 Intent: The intent of the PUD-1 District is to encourage the creative design of new living and retail areas, as distinguished from subdivisions of standard lot sizes, in order to permit such creative design in buildings, open space, and their inter-relationship while protecting the health, safety, and general welfare of existing and future residents of surrounding neighborhoods.

The PUD-1 District is a floating zone. Although the specific conditions within this district are predetermined, the location of a proposed district must be carefully reviewed to assure that these conditions can be met.

5.15.02 Recommendation, findings of fact and development sizes

The planning commission, in its minutes, shall set forth its reasons for recommendation of approval or denial of the application for a PUD-1 District, along with specific evidence and facts showing that the proposal meets or does not meet the following conditions.

- 5.15.02.01 Said planned unit development shall be in general conformity with the provisions of the La Vista Comprehensive Plan.
- 5.15.02.02 Said planned unit development shall not have a substantially adverse effect on the development of the neighboring area.
- 5.15.02.03 The minimum size allowed for a PUD-1 District shall be as follows:
 - 1. Residential, one (1) acre.
 - 2. Commercial, three (3) acres.
 - 3. Industrial, three (3) acres.
 - 4. Height, bulk, and setback requirements may be varied so as to promote an efficient and creative PUD-1 District.

5.15.03 Use regulations.

In District PUD-1 no building, structure, land, or premises shall be used, and no building shall be erected, constructed, or altered, except for any use permitted in R-1 through R-4 Districts inclusive and C-1 through C-3 Districts, and I-1 and I-2 Districts. All uses must be approved as shown on the development plan as specified in this division.

5.15.04 Standards and conditions for development.

A planned unit development shall not be inconsistent with the following general standards for use of land, and the use, type, bulk, and location of buildings, the density or intensity of use, open space, public facilities, and the development by geographic division of the state:

- 5.15.04.01 The applicant shall satisfy the planning commission that he has the ability to carry out the proposed plan and shall prepare and submit a schedule of construction. The proposed construction shall begin within a period of twelve (12) months following the approval of the final application by the City Council. A minimum of fifty (50) percent of the total planned construction shown on the final plan shall be completed within a period of five (5) years following such approval or the plan shall expire. The period of time established for the completion of the development may be modified from time to time by the City Council upon review and recommendation by the Planning Commission upon the showing of good cause by the developer.
- 5.15.04.02 The developer shall provide and record easements and covenants, shall make such other arrangements, and shall furnish such performance bonds, escrow deposit, or other financial guarantees for public improvements as may be determined by the City Council to be reasonably required to assure performance in accordance with the development plan and to protect the public interest in the event of abandonment of said plan before completion.
- 5.15.04.03 The site shall be accessible from public roads that are adequate to carry the traffic that will be imposed upon them by the proposed development. The streets and driveways on the site of the proposed development shall be adequate to serve the residents or occupants of the proposed development.
- 5.15.04.04 The development shall not impose an undue burden on public services and facilities, such as fire and police protection.
- 5.15.04.05 The entire tract or parcel of land to be occupied by the planned unit development shall be held in single ownership or control, or if there are two (2) or more owners, the application for such planned unit development shall be filed jointly by all owners.

- 5.15.04.06 The location and arrangement of structures, parking areas, walks, lighting, and appurtenant facilities shall be compatible with the surrounding land uses, and any part of a planned unit development not used for structures, parking and loading areas, or access ways shall be landscaped or otherwise improved.
- 5.15.04.07 Off-street parking and loading shall be provided in accordance with the parking and loading regulations.
- 5.15.04.08 When a commercial or industrial use within a PUD-1 District abuts a residential district, a solid or semi-solid fence or wall at least six (6) feet high, but not more than eight (8) feet high, and having a density of not less than eighty (80) percent per square foot, shall be provided adjacent to any adjoining residential district; except in the event the adjacent residential district and the commercial developer are separated by a street right-of-way.
- 5.15.04.09 All residential, commercial, and industrial buildings shall set back not less than twenty-five (25) feet from the right-of-way of any street and ten (10) feet from any district boundary lines that do not abut a street right-of-way. Additional setback from a heavily traveled thoroughfare may be required, when found reasonable by the Planning Commission and City Council for the protection of health, safety, and general welfare.
- 5.15.04.10 Building coverage shall not exceed the following percentages of the net developable area of each individual parcel of the total development for each type of planned unit development:
Residential, forty (40) percent maximum.
Commercial, *sixty (60) percent maximum. (Ordinance No. 882, 11-19-02)*
Industrial, sixty-five (65) percent maximum. (Ordinance No. 882, 11-19-02)
- 5.15.04.11 A minimum of thirty (30) percent of the net area of that part of a planned unit development reserved for residential use shall be provided for open space as defined by these regulations under Section 5.15.04.16 below. Common open space for the leisure and recreation of PUD-1 residents only shall be owned and maintained in common by them, through a homeowner's association. *(Ordinance No. 950, 3-1-05)*
- 5.15.04.12 The PUD-1 District shall include such provisions for the ownership and maintenance of the common open spaces as are reasonably necessary to insure its continuity, care, conservation, and maintenance, and to insure that remedial measures will be available to the City Council if the common open space is permitted to deteriorate, or is not maintained in a condition consistent with the best interests of the planned unit development or of the entire community.
- 5.15.04.13 No residential use shall have direct access onto an arterial street.
- 5.15.04.14 All commercial areas must have access via a collector or arterial street; however, no individual commercial use may have direct access onto collector or arterial streets, unless developed as a pad site within the overall development.
- 5.15.04.15 Sidewalks shall be built to City specifications along all public and private streets; however, an alternative pedestrian and sidewalk plan may be developed which provides pedestrian access between each use in the planned unit development.
- 5.15.04.16 Open space as defined under this zoning district shall mean land area of the site not covered by buildings, parking, structures, or accessory structures, except recreational structures. Common open space as defined under this zoning district shall mean open space which is accessible and available to all occupants in common by a homeowner's condominium or resident's association.
- 5.15.04.17 When a developer intends to design a new concept development, the Planning Commission and City Council may grant lesser front, side, and rear yard setbacks, including zero (0) lot line setbacks.

5.15.05 Application for approval of Preliminary PUD-1.

- 5.15.05.01 An application for a PUD-1 shall be handled in the same manner prescribed for amending this Ordinance. The same requirements for notice, advertisement of public hearing, protests, and adoption shall be required as zoning changes.
- 5.15.05.02 The applicant shall prepare and submit thirty (30) folded copies of the preliminary development plan for review and approval by the planning commission. Said preliminary shall include a site plan showing:
 - 1. Contours at intervals of two (2) feet or spot elevations on a one hundred (100) foot grid shall be required on flat land;

Upon review approval, said final plan shall be filed with the City Council for final approval and acceptance.
- 5.15.06.03 In the event that the final plan submitted contains substantial changes from the approved preliminary development plan, the applicant shall resubmit the original plan. This preliminary development plan shall be modified in the same manner prescribed in this division as for original approval.

5.15.07 Density Bonuses

5.15.07.01 The use of the PUD-1 District, in conjunction with Conservation Easements, will allow a developer of a Subdivision to institute Density Bonuses.

5.15.07.02 Density Bonuses may be awarded in direct proportion to the amount of the proposed Subdivision that is placed within a Conservation Easement.

For example:

If a developer places 30% of the proposed Subdivision into a Conservation Easement, then the required Lot Area may be reduced by 30% in order to maintain the same number of lots that would have been allowed by the Subdivision lot area and the minimum lot size of the Zoning District.

Normal Development

- A developer has 10 acres of land to develop = 435,600 square feet
- Minimum lot area of the Zoning District = 10,000 square feet
- Total lots (minus streets) = 43.56

Development with Conservation Easements

- Same site of 10 acres = 435,600 square feet
- 30% of site is placed in a Conservation Easement = 130,680 square feet
- Density Bonus allows total lots of 43.56
- New minimum lot area for Subdivision = 7,000 square feet

5.15.07.03 Density Bonuses shall not be a means for a developer to lower the Minimum Lot Area within a Subdivision to below three (3) acres, when said lots are on private wells and septic systems. All lots shall be required to meet the criteria established for wells and septic systems as regulated by the Nebraska Department of Environmental Quality.

5.15.08 Enforcement and modification of plan.

To further the mutual interest of the residents and owners of the planned unit development and of the public in the preservation of the integrity of the PUD-1 plan, as finally approved, and to insure that modifications, if any, in the plan shall not impair the reasonable reliance of the said residents and owners upon the provisions of the plan, nor result in changes that would adversely affect the public interest, the enforcement and modification of the provisions of the plan as finally approved, whether recorded by plan, covenant, easement or otherwise, shall be subject to the following provisions:

5.15.08.01 The provisions of the plan relating to:

1. The use of land and the use, bulk, and location of buildings and structures; and
2. The quality and location of common space; and
3. The intensity of use or the density of residential units shall run in favor of the City and shall be enforceable in law or in equity, by the City, without limitation on any powers or regulation otherwise granted by law.

5.15.08.02 All provisions of the plan shall run in favor of the residents and owners of the planned development, but only to the extent expressly provided in the plan and in accordance with the terms of the plan, and to the extent said provisions, whether recorded by plat, covenant, easement, or otherwise, may be enforced at law or equity by said residents and owners acting individually, jointly, or through an organization designated in the plan to act on their behalf; provided, however, that no provisions of the plan shall be implied to exist in favor of residents and owners of the planned unit development except as to those portions of the plan which have been finally approved and have been recorded.

5.15.09 Amendments.

The PUD-1 District ordinance or an approved preliminary or final development plan may be amended in the same manner prescribed in this division for approval of a preliminary or final plan. Application for amendment may be made by the homeowner's association or fifty-one (51) percent of the owners of the property within the PUD-1 District.

5.15.10 Platting.

RE: Rezoning & Conditional Use Permit Reviews 2008
Lot 380, Cimarron Woods
First Review of Preliminary PUD for Cimarron Terrace
TD² File No. 171-357.2

Marcus:

I have reviewed the Site Layout & Grading and Site Landscaping plans in your transmittal dated March 6, 2008 for a preliminary PUD plan approval on Lot 380, Cimarron Woods. I offer the following comments:

1. The previous PUD plan for this lot that was approved with the final plat of Cimarron Woods proposed a multi-family project containing 418 units in 19 buildings with both covered and uncovered parking stalls. The current application is for 354 units with all open parking stalls. The applicant needs to identify the number of 1, 2, or 3 bedroom units that are proposed so that the required parking can be reviewed.
2. The applicant needs to submit a proposed schedule of construction in accordance with Article 5.15.04.01 of the zoning regulations.
3. The applicant should consider a revised phasing so that the five northwest buildings are included in Phase 1, which would allow connection of the grass paver emergency access. In any event, the emergency access will need to be connected to Phase 1 of the project.
4. A public sanitary sewer needs to be extended through the site to reach the location at which drainage enters the east side of the site from 96th Street. This is needed so that the property at the southeast corner of 96th and Harrison Street will have access to a sanitary sewer. This should be identified on the preliminary PUD plan.
5. The preliminary PUD plan needs to identify the location and extent of storm water detention basins in this lot in order to comply with the requirement to limit peak storm water discharge rates to not more than 125% of the pre-development peak flow for a 10-year frequency storm event.
6. The existing street grades in 99th Street Circle need to be corrected. The existing contours shown appear to be the pre-development grades. There is an existing inlet and storm sewer at the south end of the Circle that discharges into this lot. The provision for continuation of this storm sewer along with sewer and drainage easement provisions needs to be shown on the preliminary PUD plans.

7. Prior to the submittal of a final PUD plan, there will need to be provisions for ingress/egress, drainage, and utility easements since we understand there will be a request to divide the site into two platted lots. This creates the potential for having two different owners and therefore provision for shared use and maintenance of facilities must be provided.
8. The applicant should be aware that the installation of a traffic signal at the intersection of 99th and Harrison Street is required in conjunction with the construction of apartments. This was set forth in the subdivision agreement for Cimarron Woods and provides for the signal to be funded 50% by the developer and 50% by SID 237.
9. The preliminary PUD needs to identify the inclusion of a trail connection from this site to the trail system in the Cimarron Woods park system. This was set forth in the Park Plan in the approval of the Cimarron Woods.
10. The application should contain data showing that the proposed building coverage does not exceed 40% of the site. It appears there is no problem with this criterion, but the information should be provided. In addition, the amount of open space should be set forth to demonstrate compliance with the 30% criterion.
11. The preliminary PUD plan needs to identify the construction of public sidewalks along 99th Street abutting the project and needs to show a pedestrian sidewalk connection from the interior system to the intersection of 96th and Harrison Street.
12. The application needs to include information on the height of the proposed buildings.
13. The applicant needs to provide a preliminary assessment from a qualified environmental consultant identifying the potential waterway/wetlands issues and a description of the approval process that will be required as part of the preliminary PUD submittal. It is recognized that formal delineation work cannot be performed until after May 1 based on Corps of Engineers guidelines.
14. The Preliminary Planned Unit Development plan shows the legal description as Lot 308. This is actually Lot 380. This is a minor issue but needs to be corrected.
15. The vicinity map on the Preliminary Planned Unit Development plan needs to be a more current map showing the existing street pattern to the east, south, and west of the site.

This site is also within the 96th Street Gateway Corridor sub-area overlay district. The following factors shall be considered when a final PUD submittal is prepared:

16. Parking areas are to be screened from view from public ways.
17. Parking areas shall be enhanced with landscaped spaces. This may require long runs of parking stalls to be broken up with landscaped islands.
18. Dumpster locations will need to be shown and need to be screened in accordance with the Zoning Regulations.
19. Proposed lighting plans shall be prepared that minimizes impact on adjacent residential lots.
20. Appropriate City staff will need to review the landscaping plan.
21. City staff will need to determine whether this site is required to submit an Application for Certificate of Approval for review by the City's design review architect.

BACKGROUND

The City is paying an average coupon (interest) rate of 5.4% on these current bond issues; however, with the refunding, the average coupon rate will fall to 3.8%. The refinancing of these bond issues will help build up the Debt Service Fund in order to ensure the long term sustainability of the fund and to meet the City's current and future debt obligations.

In connection with determining the final terms of sale for the Bonds under Section 8 of this Ordinance there shall be executed and delivered on behalf of the City a designation of final terms (the "Designation") subject to the following: (a) such Bonds may bear interest at any lower interest rate per annum for each maturity from that shown above, (b) the principal maturity amounts may be modified consistent with the purpose of obtaining an overall savings in interest costs, and (c) serial maturities may be converted to term maturities with mandatory sinking fund redemptions, all as the City Administrator and/or Mayor may establish acting on behalf of the City and as may be agreed to by the Purchaser designated in Section 8 of this Ordinance, provided further that in no event shall the aggregate stated principal amount of the Bonds exceed \$6,845,000 and the Designation shall contain the following provision to govern any term maturities with mandatory sinking fund redemptions: "the bonds maturing as term bonds on October 15, 20___ (the "Term Bonds") shall be subject to call for redemption through application of a mandatory sinking fund payment, said bonds being callable by lot in the amount and on the dates as set out below at par plus accrued interest to the date of such call and in accordance with Section 6 of this Ordinance: [Insert table showing redemption dates and corresponding amounts to be redeemed]"

The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be the date of delivery thereof. Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on October 15 and April 15 of each year, commencing on October 15, 2008 (each an "Interest Payment Date"), and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for

redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. The City Treasurer is hereby designated to serve as Paying Agent and Registrar for the Bonds. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at the office of the City Treasurer. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of said Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption. The Mayor and Council without amending this Ordinance may designate a replacement Paying Agent and Registrar with written notice of any such designation being furnished by mail or other means of communication deemed appropriate to the registered owners of the Bonds.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. Bonds maturing on or after October 15, 2013 shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of original issue of the Bonds at par plus accrued interest on the principal amount redeemed to the date fixed for redemption. The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Any scheduled mandatory redemptions of Term Bonds (if any) shall be at a price equal to 100% of the principal amount redeemed plus interest accrued on the principal amount being redeemed to the date fixed for redemption. The Paying Agent and Registrar shall select the Term Bonds (if any) for mandatory redemption using any random method of selection deemed appropriate by the Paying Agent and Registrar. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for new Bonds evidencing the unredeemed principal thereof. Notice of redemption shall designate the Bond or Bonds to be

redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. The Bonds shall be in substantially the following form:

Section 8. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk and shall have impressed or imprinted thereon the City's seal. The Bonds shall be issued initially as "book-entry-only" bonds using the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the "Letter of Representations") in the form required by the Depository (including any blanket letter previously executed and delivered by the City), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the City shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement Bonds upon transfer or partial redemption, the City agrees to order printed an additional supply of certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting Mayor and City Clerk of said City. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The City Treasurer shall cause a record of the information required by Section 10-140, R.R.S. Neb. 1997, as amended, regarding the Bonds to kept by the City and filed in the office of the Auditor of Public Accounts of the State of Nebraska. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to D.A. Davidson & Co., as the initial purchaser thereof, (the "Purchaser") upon receipt of 99.25% (which amount may be modified in the Designation to include original issue discount and/or original issue premium if determined appropriate for any maturity in connection with the determination of final interest rates and maturity schedule under the terms of Section 2 of this Ordinance) of the principal amount of the Bonds plus accrued interest thereon to date of payment of the Bonds. The Purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The final terms of the Bonds shall be set forth in a Designation of Final Maturity Schedule and Interest Rates (the "Designation") executed on behalf of the Purchaser and on behalf of the City by the Mayor. Such purchaser and its agents, representatives and counsel (including its bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. If no other written agreement for the purchase of the Bonds is executed and delivered, this Ordinance and the Designation shall constitute the bond purchase agreement between the City and the Purchaser.

Section 9. The City Clerk shall make and certify duplicate transcripts of the proceedings of the Mayor and Council precedent to the issuance of said Bonds, one of which transcripts shall be delivered to the Purchaser of said Bonds.

Section 10. All accrued interest received from the sale of the Bonds shall be applied to pay interest falling due on October 15, 2008. The net principal proceeds of the Bonds shall be applied upon receipt to the redemption on the Redemption Date on a current basis of the principal of the Called 2001 Bonds, the Called 2002 Bonds, the Called 2001 SID Bonds and the Called 2002 SID Bonds by immediate deposit with the respective paying agent for each such issue of bonds. The City agrees to provide all amounts necessary, in addition to the available net proceeds of the Bonds, to effect the redemption in full of the Called 2001 Bonds, the Called 2002 Bonds, the Called 2001 SID Bonds and the Called 2002 SID Bonds on the Redemption Date. The City hereby agrees to take any and all actions and make any and all payments required to effect the redemption in full of the Called Outstanding Bonds as described in this Ordinance. The City hereby agrees that the holders of the Bonds shall be subrogated to the rights of the Called Outstanding Bonds from and after their respective redemptions as described in this Ordinance.

Section 11. The Mayor and Council shall cause to be levied and collected annually a special levy of taxes on all the taxable property in the City for the purpose of paying and sufficient to pay the interest on and principal of the Bonds when and as such principal and interest become due.

Section 12. The City hereby covenants to the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended, and further covenants to comply with said

Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The City hereby covenants and agrees to take all actions necessary under the Internal Revenue Code of 1986, as amended, to maintain the tax exempt status (as to taxpayers generally) of interest payable on the Bonds.

Section 13. The City's obligations under this Ordinance with respect to any or all of the Bonds shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of the principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to have been made in accordance with the terms thereof or (b) shall have been provided for by depositing with a national or state bank having trust powers or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as "U.S. Government Obligations") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will insure the availability of sufficient money to make such payment; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company may be invested and reinvested in U.S. Government Obligations at the direction of the City, and all interest and income from such U.S. Government Obligations in the hands of such bank or trust company in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 14. The Mayor and City Council hereby approve the Preliminary Official Statement with respect to the Refunding Bonds and the information therein contained, and the Mayor and City Finance Officer or either of them is authorized to approve and deliver a final Official Statement for and on behalf of the City, and said final Official Statement shall be delivered in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 15. In accordance with the requirements of Rule 15c2-12 (as now existing or subsequently amended, the "Rule") promulgated by the Securities and Exchange Commission (the "Commission"), the City hereby agrees that it will provide the following continuing disclosure information:

(a) to each nationally recognized municipal securities information repository (a "NRMSIR") and to the Purchaser of the Bonds, the City shall provide annual financial and operating information generally consistent with the information set forth under the heading "SELECTED FINANCIAL AND OPERATING INFORMATION" in Appendix A to the Official Statement for the Bonds and its audited financial statements; such information is expected to be available not later than seven months after the end of each fiscal year for the City; audited financial information shall be provided for the regular City funds, proprietary funds and pension trust funds in conformity with generally accepted accounting principles;

(b) in a timely manner to each NRMSIR (as and to the extent required by the Rule) or to the Municipal Securities Rule Making Board ("MSRB") (as and to the extent required by the Rule), notice of the occurrence of any of the following events with respect to the Bonds, if in the judgment of the City, such event is material:

- (7) modifications to rights of the registered owners of the Bonds,
- (8) bond calls for the Bonds,

The City has not undertaken to provide notice of the occurrence of any other material event, except the events listed above.

- (c) in a timely manner to each NRMSIR (as and to the extent required by the Rule) or to the MSRB (as and to the extent required by the Rule) notice of any failure on the part of the City to provide required annual financial information not later than seven months from the close of the City's fiscal year.

The City reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the City, consistent with the Rule. The City hereby agrees that such covenants may be enforced by any registered owner or Beneficial Owner of the Bonds, provided that any such right to enforcement shall be limited to specific enforcement of the continuing disclosure provisions of this Ordinance and any failure shall not constitute an event of default under this Ordinance or the Bonds. The continuing disclosure obligations of the City shall cease when none of the Bonds remain outstanding.

Section 16. The Bonds are being sold on the basis of bond insurance to be provided by Assured Guaranty (the "Insurer"), with the premium for such insurance to be paid by the City as a part of the terms of the sale of the Bonds and the Mayor and City Clerk (or any one or more of them) are hereby authorized to take any and all actions deemed necessary in connection with effecting such insurance and to execute any and all agreements, documents and certificates deemed necessary in connection therewith. The form of Commitment to Issue Financial Guaranty Insurance Policy (the "Commitment") provided by the Insurer is hereby approved and the Mayor and City Clerk (or any one or more of them) are hereby authorized to execute and deliver the Commitment on behalf of the City. 8. Irrespective of whether any such assignment is executed and delivered, the City and the Paying Agent hereby agree for the benefit of Assured Guaranty that:
 - a. they recognize that to the extent Assured Guaranty makes payments directly or indirectly (e.g., by paying through the Paying Agent), on account of principal of or interest on the Bonds, Assured Guaranty will be subrogated to the rights of such holders to receive the amount of such principal and interest from the City, with interest thereon as provided and solely from the sources stated in this Ordinance and the Bonds; and

WITNESSETH:

1. **Premises.** Lessor hereby Leases to Lessee, and Lessee hereby rents from Lessor, certain real property located in the Embassy Suites Omaha-La Vista Hotel and Conference Center, located at 12520 Westport Parkway, La Vista, Nebraska, together with all improvements thereon (hereinafter referred to as the "Premises") as more particularly described on Exhibit "A", attached hereto and made a part hereof by this reference.

2. **Term.** The term of this Lease shall be for a period of 20 years, commencing on the 1st day of April, 2008, and ending on the 31st day of March, 2028, both dates inclusive, provided however that at any time during the term of this Lease either party may terminate the Lease upon giving thirty (30) days advance written notice to the other party hereto.

3. **Rent.** During the term of this Lease, Lessee agrees to pay to Lessor annual rental of Twelve Thousand and no/100 Dollars (\$12,000.00), payable in equal monthly installments of One Thousand and no/100 Dollars (\$1,000.00) each, said rent being due and payable in advance on the 1st day of each and every month during the term of this Lease.

#14

All rental payments shall be paid to Lessor at 12520 Westport Parkway, La Vista, Nebraska 68128, unless Lessor designates otherwise in writing. This Lease is a net Lease and all rental payments shall be paid by Lessee irrespective of any setoff, counter claim, recoupment, defense or other right which Lessee may have against Lessor. All rental payments shall be paid whether or not Lessee has received notice or demand. The obligation of Lessee to pay rent hereunder shall be unconditional. Lease payments shall be made payable to Lessor unless Lessor designates otherwise in writing.

4. **Use of Premises.** The Premises shall not be used or occupied for any purpose other than that of catering operations and/or storage of liquor inventory in connection with the operation of the Embassy Suites Hotel without the written consent of Lessor. The Premises shall not be used by Lessee in any manner or for any purpose prohibited by law or ordinance or by the terms hereof. Lessee shall not perform any acts or carry on any practices which may injure the Premises or be a nuisance or menace. Lessee at its sole expense shall comply with (a) all laws, orders and regulations of the federal, state and municipal authorities, and (b) the provisions of any insurance policies required to be maintained by Lessee with respect to the Premises, as set forth in Section 6 hereof.

5. **Insurance.**

(a) At all times throughout the term of this Lease, Lessor shall provide the following insurance coverages:

(i) **Fire and Extended Coverage.** Insurance on all improvements located on the Premises against loss or damage by fire and such other risks as may be included in the broadest form of extended coverage insurance from

#14

time to time available in amounts sufficient to prevent the Lessor from becoming a co-insurer within the terms of the applicable policies and, in any event, in an amount not less than seventy-five percent (75%) of the then full insurable value of such improvements.

(ii) Liability. Comprehensive and general, public liability insurance against claims for personal injury, death or property damage occurring in connection with the use and occupancy of the Premises and the improvements thereon, with such limits as may reasonably be requested by the Lessor from time to time, but not less than \$300,000.00 in respect to bodily injury or death to any one person, \$300,000.00 in respect to any one occurrence or accident, and \$50,000.00 for property damage.

(b) Full Insurable Value. The term "full insurable value" shall mean the actual replacement cost, less physical depreciation, excluding foundation and excavation costs. Full insurable value shall be determined whenever reasonably requested by the Lessor, by a qualified appraiser selected and paid by the Lessee and acceptable to the Lessor. The finding of such an appraiser shall not be binding without the written approval of the Lessor, which approval shall not be unreasonably withheld.

6. Taxes.

(a) Lessor to Pay Taxes. Lessor agrees to pay all "Taxes" (as that term is hereinafter defined) against the Premises becoming due or payable during the term of this Lease and a pro-rata portion of the installment of Taxes becoming due and

payable during the years that this Lease commences and expires, said pro-rata share to be determined as of the commencement date and expiration date of this Lease and in accordance with the customary method of prorating real estate taxes in Sarpy County, Nebraska. #14

(b) Taxes Defined. As used herein, the term "Taxes" shall mean all taxes, assessments and levies, whether general or special, ordinary or extraordinary, of every nature and kind whatsoever, including water and sewer charges, gas and electric rates, and all other utility charges which may be taxed, charged, assessed, levied or imposed at any time or from time to time during the term of this Lease by any governmental authority upon or against (I) this Lease or the rentals or other sums payable by Lessee hereunder, or (ii) the Premises or the operation, possession or use thereof. The term "Taxes" shall not include (and Lessee shall not be required to pay) any franchise, estate, inheritance, transfer, income or similar tax of Lessor, including, but not limited to, any income tax imposed with respect to Lessors income from the Premises.

7. **Repairs and Maintenance.** Lessor shall at all times, at its sole expense, keep and maintain the interior of the improvements located on the Premises in good condition, and repair all glass and window moldings, partitions, doors, fixtures, interior walls, floors, ceilings, and equipment and appurtenances thereof (including, but not limited to, lighting, heating, ventilating, plumbing, sewage facilities, air conditioning system, and electrical wiring and equipment), and including replacement parts and equipment if necessary.

#14

8. **Utilities.** Lessor, at its sole cost and expense, shall obtain and promptly pay for all utility services required for the operation of or furnished to or consumed on the Premises, including, without limitation, electricity, gas, water, sewer, heat, telephone, garbage collection, and all charges for any of the foregoing.

9. **Assignment and Subletting.** Lessee shall not assign this Lease in whole or in part, or sublet all or any part of the Premises, without obtaining the prior written consent of Lessor which consent shall not be unreasonably withheld. Any assignment or subletting without Lessors consent in writing shall be void.

10. **Lessors Right of Entry.** Lessor or its agents, shall have the right to enter the Premises during reasonable business hours for the purpose of (a) examining or inspecting the same, (b) showing the Premises to prospective purchasers, mortgagees, or Lessees, and (c) making any necessary repairs to the Premises and performing any work therein that may be necessary by reason of the Lessee's default under the terms of this Lease. In the case of emergency (the existence of which shall be determined by Lessor at its discretion), Lessor may enter the Premises at any time for the purpose of making such repairs. With respect to any such repairs performed by Lessor, the Lessor shall be allowed to take all material into and upon the Premises that may be required therefor without the same constituting an eviction of the Lessee in whole or in part. The Lessor shall not in any event be liable for inconvenience, annoyance, disturbance, loss of business, or other damage to the Lessee by reason of making such repairs or the performance of any such work on or in the Premises, and the rent reserved herein shall not abate while such repairs are being made, nor during the period of any temporary malfunction of utilities or heating, cooling or plumbing systems. During the last thirty (30) days of the Lease term, Lessor may put and keep upon the windows or walls of the

#14

Premises the usual notice "To Rent" without hindrance or molestation, and may show the Premises to parties wishing to rent it at such times as mutually agreed by the parties.

11. **Condemnation.**

(a) Unless this Lease is terminated pursuant to this Section 14, if a portion of the Premises shall be taken by condemnation or other eminent domain proceedings pursuant to any law, general or special, by an authority (the "Condemning Authority") having the power of eminent domain, or if sold to a Condemning Authority under threat of the exercise of such power, this Lease shall continue and there shall be an equitable abatement of the rent due hereunder.

(b) If a portion of the Premises and/or improvements is so taken or sold, and such portion is material to Lessee's use and occupancy of the Premises, or if all of the Premises is so taken or sold, Lessee may terminate this Lease by giving written notice to Lessor and this Lease shall thereupon terminate on the day following vesting of title in the Condemning Authority, except as hereinafter provided and except with respect to obligations and liabilities of Lessor and Lessee under this Lease, actual or contingent, which have arisen on or prior to such date of termination. Rent shall be prorated as of the date of termination. In the event that Lessee shall fail to exercise its option to terminate this Lease as provided in this Section 15, or in the event that a part of the Premises shall be taken under circumstances under which Lessee shall have no such option, then there shall be an equitable abatement of the rent due hereunder. By remaining in possession of the Premises for as much as ninety (90) days after such taking, Lessee shall be deemed to have waived all such right to

terminate this Lease even though such notice of termination may have been given to Lessor.

(c) In the event of any condemnation or taking as aforesaid, either whole or partial, the Lessee shall not be entitled to any part of the award paid for such condemnation and Lessor is to receive the full amount of such award, the Lessee hereby expressly waiving any right or claim to any part thereof. Although all damages in the event of any condemnation are to belong to the Lessor whether such damages are awarded as compensation for diminution in value to the Leasehold or to the fee of the Premises, Lessee shall have the right to claim and recover from the Condemning Authority, but not from Lessor, such compensation as may be separately awarded or recoverable by Lessee in Lessee's own right on account of any and all damage to Lessee's business by reason of the condemnation and for or on account of any cost or loss to which Lessee might be put in removing Lessee's furniture, fixtures, Leasehold improvements and equipment.

12. **Destruction of Premises.** In the event the Premises are destroyed or damaged by fire or other casualty not caused by negligence or misuse by Lessee, its agents, employees, customers or invitees, so as to be unfit for ordinary occupancy and use, and not capable of being economically rebuilt or restored within ninety (90) days from the date of such casualty, then this Lease shall be automatically terminated, and the rent shall abate from the date of casualty. Otherwise, the Lessor shall proceed at its own expense in due diligence to restore the Premises within such ninety (90) days, in which case there shall be an abatement and apportionment of the rent until the Premises are restored. Lessor shall not be obligated to restore the Premises unless insurance

#14

proceeds are available for that purpose from the policy or policies specified in Section 6 hereof. If the Lessor determines that the Premises cannot be rebuilt or restored within the ninety (90) day period specified herein, then it shall give written notice of this decision to the Lessee within thirty (30) days from the date of the occurrence of such casualty.

13. **Surrender of Premises.** At the expiration of the Lease term, the Lessee shall surrender the Premises in as good condition as it was at the beginning of the term, natural deterioration from reasonable use thereof only excepted. Determination of what is "natural deterioration from reasonable use" shall be made by Lessor. Upon vacating the Premises, Lessee shall be charged all expenses incurred by Lessor to place the Premises in as good condition as it was at the beginning of the Lease term.

14. **Default.** The occurrence of any of the following events shall constitute a default hereof: (a) Lessee's failure to pay any rental payment due hereunder within ten (10) days after the same shall be due, (b) Lessee's failure to perform any other of the terms, conditions or covenants of this Lease to be observed or performed by Lessee, for more than thirty (30) days after written notice of such default shall have been given to Lessee by Lessor, (c) Lessee files or there is filed against Lessee a petition in bankruptcy or a petition or answer seeking reorganization under the Federal Bankruptcy Code or any other applicable statute, or (d) an order is entered adjudicating Lessee a bankrupt or approving an involuntary petition seeking a reorganization of Lessee under the Federal Bankruptcy Code or any other applicable statute or appointing a receiver, trustee or conservator for all or a substantial part of the property of Lessee, and such order is not vacated or stayed within sixty (60) days of such entry.

#14

15. **Remedies.** In the event of default of Lessee as set forth in Section 14 hereof, in addition to the other rights and remedies it may have, Lessor shall have the immediate right to terminate this Lease or re-enter and attempt to re-let the Premises without terminating this Lease, and remove all persons and property from the Premises, and store said property so removed in a public warehouse or elsewhere at the cost of, and for the account of Lessee, all without service of notice or resort to legal process and without being deemed guilty of trespass or becoming liable for any loss or damage that may be occasioned thereby.

If Lessor, without terminating this Lease, either (a) elects to re-enter and attempts to re-let the Premises, or (b) takes possession of the Premises pursuant to any notice provided by law, then it may, from time to time, make such alterations and repairs as may be necessary in order to re-let the Premises or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease) and at such rental or rentals and upon such other terms and conditions as Lessor, in its sole discretion, may deem advisable. Upon each such re-letting, all rentals received by Lessor from such re-letting shall be applied, first, to the payment of any indebtedness other than rent due hereunder from Lessee to Lessor; second, to the payment of any costs and expenses of such re-letting, including, but not limited to, brokerage fees and attorney fees; third, to the payment of any rent due and unpaid hereunder; and the residue, if any, shall be held by Lessor and applied to the payment of future rent as the same shall become due and payable hereunder. If such rental received from such re-letting during any month be less than that to be paid during that month by Lessee hereunder, Lessee shall pay any such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. No such re-entry or taking possession of the Premises by Lessor shall be construed as an election on its part to terminate this Lease unless a notice of such intention be given

#14

to Lessee or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding any such re-letting without termination, Lessor may at any time thereafter elect to terminate this Lease for such previous breach. Should Lessor at any time terminate this Lease for any breach, in addition to any other remedies it may have, it may recover from Lessee all damages it may incur by reason of such breach, including, but not limited to, the costs of recovering the Premises, reasonable attorney fees, and the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserve in this Lease for the remainder of the stated term over the then reasonable rental value of the Premises over the remainder of the stated term, all of which amounts shall be immediately due and payable from Lessee to Lessor.

The rights and remedies given to Lessor by this Section 15 of this Lease shall be deemed to be cumulative and not one of the rights and remedies shall be exclusive at law or in equity of the rights and remedies which Lessor might otherwise have by virtue of a default under this Lease, and the exercise of any such right or remedy by Lessor shall not impair Lessors standing to exercise any other right or remedy.

16. **Covenant of Quiet Enjoyment.** Upon payment by the Lessee of the rent herein provided, and upon the observance and performance of all covenants, terms and conditions on Lessee's part to be observed and performed by Lessee, Lessee shall peaceably and quietly hold and enjoy the Premises for the term hereby demised without hindrance or interruption by Lessor any other person or persons lawfully or equitably claiming by, through, or under the Lessor subject, nevertheless, to the terms and conditions of this Lease.
