MAYOR AND CITY COUNCIL REPORT
MAY 5, 2009 AGENDA

Subject:	Type:	Submitted By:
AMENDMENT TO ORDINANCE NO. 1066 — MASTER FEE ORDINANCE; TEMPORARY SIGN PERMIT FEE	◆ RESOLUTION ◆ ORDINANCE RECEIVE/FILE	ANN BIRCH COMMUNITY DEVELOPMENT DIRECTOR

SYNOPSIS

An ordinance has been prepared to amend Ordinance No. 1066, an ordinance that establishes the amount of certain fees and taxes charged by the City of La Vista, regarding the fee charged for temporary sign permits.

FISCAL IMPACT

Reduction of approximately \$2,000 in permit fees.

RECOMMENDATION

Approval.

BACKGROUND

Attached is a proposed amendment to Ordinance No. 1066 which establishes the fees and taxes charged by the City of La Vista, generally called the Master Fee Ordinance. The proposed amendment has been suggested after complaints were received from business owners and others regarding the sign ordinance.

In June of 2008 the City Council asked concerned business owners to write letters via email to Marcus Baker, the City Planner. Six letters were received in June and July. Of the six emails received, two requested additional signage on 84th Street, resembling the electronic message pole sign in Papillion at the No Frills Supermarket. Four letters raised concern about the fees associated with temporary signage and the limited frequency and duration of temporary signage.

Presently pole signs and electronic message boards / video signs, such as the No Frills sign, are not allowed by the sign ordinance (with the exception of one which has been permitted though the PUD ordinance in Southport West). Temporary signs are allowed for a total of eight weeks in a calendar year. Each temporary sign permit issued allows for two weeks per banner or sign, and the cost of each permit is \$30 (or a total of \$120 per year if all permits are used.) Window signs are permitted signs and not counted as temporary signs.

Regarding the comments associated with 84th Street, staff is suggesting that signage be an integral part of the discussion during the visioning process for this corridor and any amendments are postponed until the vision plan is adopted. If the existing businesses would like a solution in the interim, the sign ordinance does allow for a “center identification sign” which would allow each business to advertise as part of the plaza (i.e. Brentwood Square).

Regarding temporary signs, there are five businesses which used their maximum allotment of time for temporary signs in the 2008 calendar year. Only one of those five expressed concern they did not have adequate

advertising time. A total of approximately 23 business owners or non-profit groups applied for temporary sign permits last year. At this time staff is recommending the ordinance be changed to:

- 1) eliminate the temporary sign permit fee for non-profit or tax exempt organizations (such as the Boy Scouts and churches); and
- 2) change the temporary sign permit fee for all others to a one-time fee of \$30 for the calendar year.

Staff is not recommending changing the frequency or duration of temporary signs, or the requirement to get a permit prior to installing a temporary sign. The City currently has an exceptionally clean streetscape which is uncluttered by excessive unpermitted signage and the elimination of the permit requirement would be detrimental to managing temporary signage.
