

Come to the library for stories, songs, & other fun activities with your infant!

Lapsit Story Time

When: Thursdays at 10:10 a.m.
Jan. 28 – April 29, 2010

Where: La Vista Public Library small meeting room

This experience is for children who are between **6 and 17 months as of Jan.**

****Because of the nature of this group please call Marjie before bringing any other children.****

We will have a variety of activities which will help babies become acquainted with books & other children their age. You are demonstrating to your child what to do during group, so please **follow along and actively participate in all the activities with your child.** This helps the children enjoy the experience more and encourages them to participate more quickly.

Attendance is important. If you are unable to come on an individual day, please leave a message at **537-3900.** **Please note: If there is a waiting list, children who miss 2 sessions without calling will be dropped and replaced by another child who is able to attend.**

Behavior: Participation during the entire session is a long-term goal for your child. **If your child is crying, please step out for a few moments until your child is ready to rejoin the group. If the children are watching another child rather than participating in group, it is disruptive.** Please encourage your child to stay in your lap. We understand that babies may wander a little, but we'd like every child to be able to see the book or activity.

No food is allowed during story time since the session is so brief. Nursing or using a bottle is fine. Please give your child a snack before group if one is needed.

Please be on time! Babies are easily distracted and coming in late disrupts the flow of the program. **Arriving on time helps all the children have a more enjoyable time. They love hearing their name in the opening song.** Story time class begins with the greeting at **10:10 AM.** We end with about 10 minutes of group play time.

Pre-register now! This is **not** a drop-in activity. There is a limit of 10 children per session.

Call Miss Marjie at 537-3900 if you have any questions or comments.
