- c. Inventory 2015. A report was distributed comparing 2014 inventory to 2015's inventory. 2014 stands at 183 missing items. The initial 2015 report indicated 222 missing items. An update from May shows 104 items have been recovered and/or located. Schmit-Pokorny was interested in the subject breakdown for the non-fiction titles that are missing. This information will be shared at the next meeting.
- d. New Policy: Customer Complaint Policy. Barcal reported that other libraries have a complaint portion within the library's collection development policy. Barcal recommended using the City's Citizen Complaint Form to address any public complaints.
- e. New Policy: Staff Development Policy: Barcal distributed a draft of the policy which is reflective of the City's Personnel Manual. This policy was revisited in May and discussion held. Schmit-Pokorny recommended including accreditation standards set forth from the Nebraska Library Commission including continuing education requirements for staff.

#### Agenda Item #9: Comments from the Floor

There were no comments from the floor.

#### Agenda Item #10: Comments from the Board

Russell complimented Lindsey Tomsu on the Teen Summer Intern Program. The Intern classes are held in a Metropolitan Community College classroom. The program is complete with lectures and homework. Sessions have met two times per week with all day activities and instruction. Barcal added that a detailed plan has been created by Tomsu.

Frederick complimented Jen Goss on the Super Hero Training Camp that was held on July 1<sup>st</sup> with ten stations including a checklist. The flow of the activities went well and there were a large number of families who attended.

There was an expressed concern based on the previous discussion of the tween programming being included in the FY16 Budget. Barcal verified that there has been funding requested based on the discussion held during the March 12<sup>th</sup> Board Meeting. If the board recommends the tween programming after hearing from staff, the funding has been requested. If the board recommends no additional programming, and if that funding was approved by City Council, that funding would not be used. It is planned to continue the tween programming discussion at the September Library Board meeting.

There was a motion by Frederick and second by Russell to adjourn the meeting at 6:15 p.m.

The next meeting is scheduled for September 10<sup>th</sup>, 2015 at 5:30 p.m. at the La Vista Public Library, Conference Room #142.
